

# Chapter 3150– 3151 of A Dish Best Served Cold Novel

## Chapter 3150

“If you become the master of the Chu Sect again, at that time, both the Chu Family and the Chu Sect will be obedient to you.”

“After that, this world will be within your reach.”

” Don’t worry, as long as you dare to fight, my Jones family will definitely help you ascend the Truman master!”

Bill Jones said in a deep voice. His words seemed to have a special magical power to make Chu Zheng In conscience, there is something called ambition, which keeps swelling.

Indeed, these words of Bill are by no means groundless.

You know, the Chu family is the first family of martial arts in the world.

And Truman is the strongest martial arts force in the world.

Once Chu Zhengliang is in charge of these two forces at the same time, one can imagine how far his power will expand?

Why was Truman able to break the world with one effort?

It was because that the Lord of Truman at that time completely controlled these two forces before he had the power to single out the whole world.

After a long silence, Chu Zhengliang looked at Bill Jones, then nodded heavily.

“After that day, I will trouble Brother Bill, and help me with someone from Chu, who made a contribution.” Chu Zhengliang said solemnly.

“Haha~”

“You’re polite.”

“Our brothers, you can just say these polite remarks.” Bill Jones laughed.

While the two laughed, Chu Qitian walked in from outside with a pot of tea and filled it with Bill.

“Uncle Bill, you have tea.” Chu Qitian said politely.

“Haha~”

“Okay.” Bill responded with a smile, his eyes turned to Chu Qitian again.

“Qi Tian has grown up too, not only shows talent, but also has become more and more sensible.”

“I remember that when I first saw you, I just knew how to walk soon.” Bill Jones laughed.

“By the way, Qi Tian, how old are you this year?”

“Uncle Bill, the junior is twenty one this year.” Chu Qitian replied honestly.

“I’m twenty-one years old?”

“Haha~”

“It’s the age to get married.”

“Zhengliang, how is it? The marriage contract we made back then can almost be honored.”

Bill Jones suddenly smiled.

Chu Zhengliang nodded: “I planned to talk to you about this matter before.”

“As far as I know, An Qi’s niece will be 18 years old next year.”

“It’s time to choose the day of marriage. . .” “

When the re-election next year, I’m afraid will be some hasty. “

Bill Jones heard this, immediately waved, he said:..” does not have to next year “

.” I see the two of them wedding this year, you can do “

” That way, things should come sooner rather than later.”

“The wedding date is set for next month.”

“Huh? Next month?” Hearing Bill Jones’ words, Chu Qitian couldn’t help being surprised.

“What?”

“Could it be that you don’t want to marry An Qi?”

Seeing Chu Qitian’s reaction, Bill Jones stared.

Chu Qitian shook his head quickly: “No, no, no, how could it be.”

“Sister An Qi was born with a stunning beauty. To marry Sister An Qi as his wife is the blessing of Chu Qitian’s half-life cultivation.”

“I’m just , I’m afraid that the wedding date is too close and

I’m not prepared enough, so I wronged my sister An Qi.” “Haha~ What’s not enough? We, An Qi, married you, not a ostentatious person. As for wedding stickers, many Arrange some people to give it away. One month is completely enough.” Bill Jones said carelessly, with a very good-spoken appearance.

In the end, under the insistence of Bill Jones, the two families set Chu Qitian’s wedding date next month.

All this happened so suddenly that after Bill Jones left, Chu Qitian was still inexplicably excited.

“Haha~”

“Father, it depends on how good you are.”

“The Jones family can’t wait to let their little princess marry me.” In the room, Chu Qitian smiled triumphantly.

## Chapter 3151

Before that, Chu Qitian thought that if he wanted to marry the little princess of the Jones family, he would have to spend a lot of trouble.

But, who could have thought that Chu Qitian and the others hadn’t mentioned it yet, and the Patriarch of the Jones family over there had already rushed to get them married.

This happiness came so suddenly that it was difficult for Chu Qitian to accept it for a while.

Just grinning in the room, like a fool, can’t help laughing.

You know, among the three families of Truman, the little princess of Jones’s is notoriously beautiful.

It’s just that because of An Qi’s personality, she was rejected by her peers since childhood and regarded as an outlier.

However, later Chu Qitian learned that An Qi was hiding some secrets, a secret that could help Chu Qitian ascend to the top of power.

Under such circumstances, Chu Qitian naturally remembered Angel Jones a long time ago. I have been looking forward to fulfilling the marriage contract with An Qi.

Today, Chu Qitian has been waiting for it, and it is finally coming. There is naturally a joy that cannot be concealed in Chu Qitian’s heart.

For a time, Chu Qitian felt that he was so good that Patriarch Jones couldn’t wait to post his daughter upside down.

“Just you? Excellent ass!”

Just when Chu Qitian was ecstatic, Chu Zhengliang poured cold water directly on Chu Qitian.

“I ask you, has the Grandmaster Realm broken through?”

Chu Qitian shook his head.

“Then Yundao Tianjue’s second formula has been practiced?” Chu Zhengliang’s old face became a little dark.

Chu Qitian still shook his head.

“Then the Chu family’s financial situation has eased?” Chu Zhengliang asked with a gloomy old face and asked again in a cold voice.

Chu Qitian still shook his head.

“Then what are your special mothers doing all day?”

Chu Zhengliang almost fainted out of breath at the time.

My bastard son hasn’t made any progress in the past few months.

Chu Qitian also felt aggrieved in his heart: “Father, I have not been idle these days.”

“I don’t know which force is aiming at us. Almost half of our financial resources have been cut off.”

“The family has already been unable to make ends meet. During this period of time, I was looking for people to borrow money everywhere to maintain my daily expenses.”

“If you do it, you don’t need to find a reason. Qi Tian, my father just wants to tell you that if you want to be respected, you still need to master power. “It’s

like before, how did the Jones family mention your marriage.”

“But now, for the father’s realm breakthrough, not only the Jones family actively asked for the marriage to be completed in advance, but even the elders of the Chumen came over to please the father and recommended him to become Chu’s father. The master of the door.”

“This is the powerful charm, and this is the most fascinating place of power.”

Chu Zhengliang slowly got up, he walked to the window and stood with his hands behind.

Watching the galaxy rolling outside, the sea of clouds tumbling, and deep words,

“Qi Tian, always remember a word.”

“Standing in the void, mountains, rivers and earth are unreliable.”

“Only power can be trusted, but power is eternal!”

“As long as you master the power, the whole world will be at your fingertips.”

“Women, power, and status are nothing but vassals of power.”

“In this world, too many people feel that they have now gone through a primitive society where the weak eat the strong.”

“But in fact, this society has never changed.”

“The strong will be born, and the weak will die. This is the eternal truth. “

Qi Tian, do you understand these words for the father?”

Chu Zhengliang said earnestly, but there was an inexplicable power in the deep words.

After Chu Qitian heard it, he only felt shocked.

He nodded his head heavily: “Father, I know.”

“I will work hard.”

“After the wedding banquet, I will concentrate on retreating and practice hard.”

” I will definitely enter the state of title before I turn fifty.

” Never let down his father’s expectations!”

Chu Qitian clenched his palms, and the strong enthusiasm in his eyebrows was surging
