

## Chapter 3151

In the evening, Liona and Zhiyu went home one after another. The servant told them that Zhifei had locked himself in the room in the afternoon and never left the door.

The mother and daughter respectively knocked at the door and asked, Zhifei. The reply to them is that “I want to be alone.”

The family didn't take it seriously.

After all, he is an adult, and sometimes it is normal to want to be alone.

However, at nine o'clock in the evening, when Zhifei pushed the door and came out of the room, he gathered the whole family solemnly, saying with a serious face that he had something to announce.

When the family sat down in the living room and wanted to hear what he had to announce, he took out his mobile phone and sent a video invitation to Chengfeng.

Zhiyu was a little upset when she saw him sending a video to Grandpa, and asked: “Brother, why are you going to video call with Grandpa?”

Zhifei said seriously: “I have a major decision about myself to be announced, so I also want to inform him at the same time.”

Zhiyu said with a black face, “Then you don't want to take pictures of me and my mother too.”

Zhifei nodded, and sat a little further away.

Soon, the video was connected.

Chengfeng asked at the end of the video: “Zhifei, how come you make a video call at this time?”

Zhifei said calmly: “Grandpa, I have a major decision, and I need to tell you.”

Chengfeng was confused, but he nodded, and said, “Is there any major decision, you can talk about it.”

Zhifei sat up straight and said seriously: “I Zhifei, after careful consideration, deeply believe that my father and grandfather are sinful people, so I decided to start at 7 o'clock tomorrow morning a journey.”

“I kowtow all the way to the Jokhang Temple to repay the sins of the Su family. I don't know how long this trip will take.”

“If I can kowtow all the way to the Jokhang Temple in three years, I will come back and continue the kowtow again my head, for three years!”

Liona and Zhiyu were naturally dumbfounded.

And Chengfeng at the other end of the video, his face is already extremely ugly!

He cursed in his heart: “Did you stinky kid got kicked by a donkey?! Says I am guilty?! Even if my damn sin is so grave, I don't need you to smash your head to pay for me! You dmn it. Deliberately want to make me ashamed?!”

Thinking of this, he yelled with a dark face: “Zhifei! You are just fooling around! Don’t forget your identity! You are the eldest son of the Su family!”

“As the eldest grandson of the Su family, you are not busy with your studies and work. “

“Don’t take the Su Family’s interests as the highest interest, but instead, want to engage in this kind of brain-dead thing. Where do you let the Su Family’s face go?! Where do you let my face go?!”

Zhifei was unmoved by Chengfeng’s roar, and said indifferently: “I have decided! No one can block my decision!”

“I will set off on time at 7 o’clock tomorrow morning. Then, I will ask the whole country, all the netizens to supervise me!”

### **Chapter 3152**

Chengfeng almost exploded in anger at this moment.

“What’s going on?”

“I just spent so much to barely pacify the troublesome Zhiyu, but who would have thought that after not even two days of peace and quiet, the thick-browed Zhifei, unexpectedly mutinied now.”

He now completely does not understand, his own damn grandson has eaten the wrong kind of medicine?

When the life and death of his mother and sister were unclear before, he didn’t turn his face with him like he does now, but swallowed his breath and kept flattering by his side.

Now things are all over, this kid seems to have suddenly recovered and started to compete with him.

When he thought of this guy, he would use the sturdy way of kowtow all the way to the Jokhang Temple to make atonement, Chengfeng was nervous and sweated.

As the eldest son of the entire Su family, Zhifei, if he really puts this decision into action tomorrow, it will inevitably arouse the eager attention of the people across the country.

By that time, the entire Su family’s face would be completely lost.

And the evil deeds that he has done, he is afraid that someone will come out and whip the corpse again.

Thinking of this, Chengfeng said angrily: “Zhifei! You unfilial grandson! If you really dare to do this, then I will drive you out of the Su family and no longer recognize you as a grandson!”

“From now on, you will die for me? Your life or death has nothing to do with my family, and the trillions of assets of the family have nothing to do with you. Go out and fend for yourself!”

Chengfeng felt that his words were already very, very heavy, and Zhifei was the kind of master who admired vanity and lust for prosperity, so he would definitely be scared off by his words.

But where can he know that Zhifei at this moment has been given a very heavy psychological hint.

He now felt that the entire Su family was extremely dirty, and the sins of the entire family were waiting for him to kowtow all the way to the Jokhang Temple tomorrow to make atonement.

So in the face of Chengfeng's threat, his whole person only felt that an unprecedented sense of justice burst into the sky in an instant!

### **Chapter 3153**

Immediately, he slapped the table angrily, and sternly reprimanded: "Chengfeng, you old dog! You are dead seventy-six years in vain!"

"You have spent a life of greed, you will control the Su family power until your death, and you will persecute your son, daughter-in-law, and even your two grandchildren for profit.

"You are cold-blooded, cruel, inhumane, and with no regard for human decency. You are simply the dregs of society, and you should be punished!"

"If you still have the slightest conscience now, you should immediately surrender to the police and pray for the law to impose a capital punishment on you!"

"But you old dog, you still do your own way and remain unmoved! Continue to do those shameless things in secret!"

"I... I have never seen such a brazen person!"

Zhifei's impassioned scolding made the surrounding mother, sister, and other relatives stunned for an instant.

And Chengfeng on the other end of the video can no longer be described as stunned. He is already extremely angry, and he only feels the blood rushing up wildly, and the entire cerebral blood vessel that supports his life is about to burst.

He stubbornly covered his heart and faced the video. Zhifei on this end screamed in anger and trembled: "You...you...you beast! I...I...I..."

Before he finished speaking, Chengfeng coughed violently, almost coughing out of breath.

Immediately afterward, he felt dizzy in his brain and the pain in his brain was unbearable. Then he rolled his eyes and became unconscious.

Who could have imagined that Chengfeng, the Patriarch of the Su family, who had been used to seeing all kinds of wind and waves all his life, would have passed out directly because of his grandson's reprimand?

At this time, Anson suddenly appeared on the video screen.

He realized that something was wrong and ran over when he heard Chengfeng yelling at Zhifei as a beast.

After seeing that Chengfeng had passed out, he immediately took out the walkie-talkie and shouted nervously: "Master! Master, what's wrong with you, master?! Where's the doctor? Let the doctor team come over soon, the master has passed out!"

After speaking, he saw Zhifei's video on the phone, and hurriedly asked: "Master, what is going on with him, Master?!"

Zhifei watched the unconscious Chengfeng in the video, his expression was very cold, and he said coldly: "He? He is self-inflicted and can't live!"

Anson was dumbfounded: "What the hell is this? Is this the Zhifei who flattered and begged for the favors of master? How dare you say such a thing to the master?!"

Anson, who was eager to protect his lord, was instantly furious, and he blurted out: "Zhifei! What kind of status do you have that you dare to say things to Master! Do you want to rebel?!"

Zhifei said disdainfully: "Bah! I will make this old thing counter? I, Zhifei, have been ashamed to be with him all my life!"

After that, he turned off the video directly.

### **Chapter 3154**

In an instant, the entire Su family villa exploded.

On this side, the people in the Du's house were also completely trapped.

Zhiyu looked at her brother, feeling that her eyes were about to fall off.

Two days ago, she had just determined that her brother had already turned to grandpa.

But she never expected that it was only a few days later, and he seemed to have changed in an instant, and he cursed grandfather with blood in an instant...

So, she couldn't help asking Zhifei: "Brother, what happened to you today?!"

Zhifei's expression was indifferent, and his eyes were empty and said: "Nothing, I just can't understand what he did!"

Zhiyu was stunned and then asked: "Then you said you decided to start tomorrow and kowtow all the way to the Jokhang Temple. Are you serious? Or just talking about it?"

Zhifei glared at Zhiyu, and said in a very dissatisfied tone: "Of course I am serious! How can you doubt my intention?!"

"Do you think Zhifei would make a joke about such a sacred thing?! Is it true? In your heart, Zhifei, is a sensational, back-and-forth villain who speaks for nothing?!"

Zhiyu was suddenly scolded by her elder brother. She couldn't wait for a hundred thousand question marks in her mind, and her heart was shocked.

She couldn't understand more and more, what happened to her brother?!

"My brother is mentally retarded?!"

"Or is it an evil on his mind?!"

"Or has he lost his mind?!"

Bewildered, she immediately looked at her mother Liona with a plea for help.

Liona was completely confused.

She found that she could not understand her son who she had been raising for more than 20 years.

In her own impression, he is not such a person at all.

Don't look at his name as Zhifei, but in fact, she knows very well that in the Su family's environment, the Su family's men basically disregard right and wrong and only care about their interests.

Zhifei suddenly has a sense of justice, and completely turned his face with Chengfeng. This is completely like a different person!

So, she couldn't help but tentatively asked: "Zhifei, tell your mom the truth, what happened to you today? Did you encounter something outside or are stimulated by something?"

"No." Zhifei said indifferently: "I just suddenly thought about my whole personality, and realized that my life can no longer be so degraded!"

"The sins of the Su family are too serious. As a descendant of this family, I must stand up. , To redeem the sins for the Su family!"

Liona was even more surprised, but she earnestly persuaded him: "You know what is wrong, mom is really pleased that you can recognize this, but you don't need to treat yourself in such a harsh way."

"From here all the way Kowtowing your head to the Jokhang Temple is a full thousand of kilometers away. Your body simply can't bear it. In addition to the plateau over there, severe altitude sickness may kill you!"

Zhifei said indifferently: "These are not problems. I am going to redeem my sins, not to commit suicide, so I am going to take an entourage, and even a private doctor, so that they can protect me along the way."

Liona couldn't help but tentatively asked: "Son, have you really decided? Is there any room for a step back?"

Zhifei stood up, his face was stern and determined, and said: "Mom, don't persuade me, I'm determined and I have made my decision, it is final!"

### **Chapter 3155**

After Zhifei said the three words "I have decided", he immediately turned around and returned to his room.

After returning to the room, he posted the video he had recorded to the short video platform.

Afterward, he called his men again and arranged to follow him to go to the gate of Jokhang Temple the next morning.

His men were shocked by his decision, and they really didn't want to follow him on this trip.

However, although he didn't have a lot of money, he still had no problem with spending tens of millions to gather these minions.

Therefore, this group of people began to prepare for him to travel early tomorrow morning under the temptation of money.

Outside his room, Zhiyu and Liona were at a loss.

Liona asked her daughter: "Zhiyu, what happened to your brother? How could he suddenly make such a decision?"

Zhiyu said with a stern face: "I really can't figure it out... He has always liked Sara and put a lot of effort into her concert, but tomorrow night is the time for her concert."

"Saying that it is absolutely impossible for him to choose to leave Aurous Hill at this time. Doesn't this mean that all previous efforts have been wiped out?"

"Yeah..." Liona said with a worried expression: "He is in a state as he has been attacked by an evil spirit. I wonder if he has been stimulated?"

Zhiyu shook her head and said seriously: "I went to meet with Charlie's Melba today. I don't know what happened to my brother. Why don't I ask someone to inquire."

Liona agreed and said: "You must first inquire about your brother's route of activity today, and then see who he has met and where he went, and then filter out valuable clues from it."

Zhiyu nodded and said, "Okay mom, I know it in my heart, don't worry."

At this moment, Zhifei's short video clip became popular on the platform.

These things that happened in the Su family during this period have long been regarded by the people of the whole country as a kind of pastime and topic after the evening tea."

"Until some time ago, when Zhiyu held a press conference online, the people of the whole country were paying close attention to the Su family every step of the way.

## **Chapter 3156**

Originally thought that Zhiyu never mentioned the attitude of making Chengfeng responsible for his actions at the press conference, which represented her compromise and also represented the end of this rich family's grievance.

However, what everyone did not expect was that there is a new sequel to this incident today!

Zhifei, the eldest grandson of the Su family, suddenly jumped out at this moment and accused the family."

"He also said that he would kowtow to the Jokhang Temple in order to make atonement for his family. In the eyes of the majority of netizens, this is really strange and interesting.

Therefore, this video caused a lot of waves in an instant, and even rushed into the hot search list of Weibo.

At this moment, Elder Su had been sent to the best hospital in Suzhou for emergency treatment because of a sudden loss of consciousness.

The children of the family were rushing to the hospital while sitting in the car and watching Zhifei's video yelling at him. Calling him a damn traitor.

But Charlie, the initiator of all this, drove the car leisurely at this time and took his wife back home.

As soon as he parked the car, and walked into the house hand in hand with his wife, the phone in his pocket vibrated.

After entering the house, when the wife went to wash his hands, Charlie took out his phone and glanced at it. It was a WeChat message.

When he clicked it again, it turned out to be from Zhiyu.

The content reads: "Grace, my brother went to the Emgrand Group today, did he come to see you?"

Charlie frowned slightly.

Zhiyu found him so soon?

### **Chapter 3157**

In this way, this girl must have connected her brother's affairs with him in her heart.

Thinking that the two sides will have cooperation in the future, Charlie did not hide it.

He walked out of the door and came to the yard, and replied with his voice: "Yes, your brother ran to the Emgrand Group today. On the surface, he saw the vice-chairperson, but he was actually there to find out about my identity."

Zhiyu also sent a voice to ask: "Then he suddenly became what he is now, is it because of you?"

Charlie admitted frankly: "Yes, he investigated my wife's license plate number. This behavior made me very dissatisfied."

"Not only that, but he also wanted to dig out my true identity, since he had to find it himself. To not be awkward, then I can only fulfill him."

Zhiyu hurriedly pleaded: "Grace, my brother has no social experience. Sometimes he is easily inclined to do wrong things. If he did something wrong, I apologize for him... "

"If you are still not satisfied, you can beat him and scold him, but let him kowtow all the way to the Jokhang Temple... This is too harsh..."

"This road is nearly 4,000 kilometers. With his body, he can't get to the place in three or four years..."

Charlie said coldly: "Some mistakes can be made, but some mistakes are not. He stretched out his hand to me and my family."

"For this alone, I have a reason to kill him; and don't forget, he owes me a life, and the two things add up."

“I originally had no reason to keep him, but the reason I let him go is to give you face.”

“Furthermore, I also allowed him to take his entourage and a doctor. In this way, he can eat and live well at other times except for kowtow every day. This is already very favorable to him. What are you dissatisfied with?”

Zhiyu was asked by Charlie in return, and suddenly she didn’t know how to answer.

At this time, Charlie said again: “In addition, you have to figure out a little bit. Your brother is not like you or your mother in his heart. He is like your father.”

“He does not rely on feelings to stand in line, but on profit. If you want to become the Su Family Patriarch, he is a huge threat to you.”

“I let them both disappear temporarily for a few years. This is to ‘protect you out of the city and helping you get on the horse.’ Without them here, you can better use your abilities to fight for the power of the Su family!”

“If you can inherit the family within three years and have great power, your dad and your brother will come back at that time, and they will be there to follow you.”

“Then you will give them a little favor from the Su family’s big plate. Enough for them to live a life of good food and good living, just to sit back and relax!”

“But if I leave the two of them here, they will only become your enemy, your stumbling block, and they may even attack you for profit.”

“If I leave your brother, you are always overwhelmed by his status as the eldest son and grandson, and your brothers and sisters will definitely turn back because of their interests in the future!

“But I let him leave for three years, and when the new king is crowned, he will come back again. He will at that time be no longer your brother, but your courtier!”

“The courtier is in front of the emperor, and he wants to worship three times and nine times!”

### **Chapter 3158**

After hearing Charlie’s reply, Zhiyu fell into deep thought.

She knew that he was right.

“In front of the seat of the heir of the Su family, everyone is an enemy!”

“Dad and her brother and cousins are all enemies.”

“My brother and I, as well as the brothers and sisters of several other uncles, are also enemies.”

“If Dad and brother are here, they wouldn’t be willing to let her sit as the head of the house.”

“In the end, maybe the three of them will turn against me.”

“However, if I can hold the position of Patriarch first, then when they come back, everything has been settled. There are nearly 100 direct relatives of the Su family, but there is only one Patriarch.”

“There is an insurmountable relationship between the other members and the Patriarch. Gap.”

“This is not just a chasm, it is also a moat. Without this moat, even a pro-daddy or a pro-brother might not be able to resist the temptation of huge benefits...”

Thinking of this, she understood Charlie’s hard work.

“Although Gracee punished my brother, it may not be what it looks, but this incident actually helped me clear the obstacles in essence.”

“Furthermore, with my acting style, I can’t fight against my father and brother because of my interests.”

“Grace now distributes them separately. On the one hand, this helps me avoid the difficulties that I may face in the future, and on the other hand, he also protects the personal safety of my father and brother.”

“This can be described as killing two birds with one stone.”

### **Chapter 3159**

At this point, Zhiyu said to Charlie: “Grace, your intentions are good, I understand!”

The top giants of modern society are in fact no different from the emperors and nobles of feudal society.

The internal operating mechanism of each family is exactly the same as the royal family of a feudal dynasty.

In such a special environment, it is not age or seniority that determines status, but title and rights.

Before choosing who is the prince, the princes are basically equal in principle, but there are slight differences because of the differences between the elders and the young.

However, even the eldest son is just the elder brother of other princes, but he is still of the same generation as other princes. When other princes see him, it is impossible for them to worship him thirty nine times.

However, once someone becomes a prince and inherits the throne, all other princes, whether it is his elder brother or younger brother, will treat him as monarchs and fully obey his orders when they see him.

This is the difference between monarchs and ministers.

The same goes for Zhiyu now.

Zhifei is now her brother.

But once she inherits the Su family, and Zhifei is her courtier, everything must be her head.

Even the father of the two, Zynn, is the same.

Therefore, although Charlie left the lives of Zynn and Zhifei, he must wait for Zhiyu to inherit the Su family before releasing them.

Because he believes in his own vision, Zhiyu is different from the rest of the Su family, and will never do anything to avenge, so as long as she is in charge of the Su family, he doesn't have to worry about what Zynn and Zhifei's ability to play bad tricks.

Zhiyu also understood Charlie's intention.

Therefore, at this moment, the gratitude in her heart for him has further sublimated.

### **Chapter 3160**

Charlie said to her at this time: "So many things have happened in the Su family, Chengfeng's pressure should be almost unbearable. What you have to do next is to gradually let him release more power and resources to you. and gradually strengthen your right to speak in the Su family."

Zhiyu said: "Grandpa must be very dissatisfied with me now, I think he will definitely be on guard for me in the future..."

"So what?" Charlie smiled slightly and said: "In my opinion, his current core demands are two, one is that he doesn't want to hand over power, and the other is that he doesn't want the Su family to split or go downhill."

"To put it bluntly, the former is that he wants to ensure that her rights in the Su family are not threatened when she is alive, and the latter is that he hopes that after his death, the legacy he has worked hard can continue to be passed on."

"Although he must have a lot of dissatisfaction with you in his heart, to consider the future of the Su family, he can't find a better heir than you."

"He is almost 80 years old, and he has a life span of more than ten or twenty years left when he is to live fully. Of this, half of the time may be completely paralyzed in bed, unable to move or even lose the ability to think."

"Therefore, he can really hold the power of the Su family and take charge of the lifeline of the family for only a few years. If in these few years, he does not find a capable successor as soon as possible and help him consolidate his inheritance status."

"Then once he has passed these years, the entire Su family will begin to fall apart. By then, he will most likely be lying in a hospital bed, witnessing the Su family being torn apart and even killing each other."

"If you have the opportunity, you have to make him recognize this reality, and ask him if he is willing to ruin the family's and decades of foundation for the joy of these last few years!"

Zhiyu said, "Okay Grace, I understand! Thank you!"

...

Just when Zhiyu realized Charlie's hard work, Sara just finished the last dress rehearsal.

On the stage, she repeated all the songs to be sung at tomorrow night's concert three times.

But fortunately, she didn't need to sing hard, because the main purpose of rehearsal was to confirm all the procedures and details of the performance, especially the matter of dancers in the band, matters of lighting, sound, stage art, and live accompaniment.

After confirming that there are no flaws or omissions in the entire process, she is already confident about tomorrow's concert.

Tasha stepped onto the stage at this time, handed a bottle of water to Sara, and exclaimed: "Sara, the stage visual and auditory effects are really great this time!"

"Not only is it beyond all your previous concerts, but even I have never seen such a great live concert in my memory!"

Sara smiled and said seriously: "Thanks to everyone's hard work."

With that, she said excitedly: "With such a good hardware foundation, tomorrow I will be able to give Charlie an unforgettable birthday present!"

Tasha curled her lips: "You know your Charlie, don't forget, his wife will come to see you at the concert tomorrow night!"

Sara smiled and said: "So what, in my mind, my concert tomorrow is to show him alone, and all the others are in insignificant supporting roles."

As she said, she couldn't help sighing: "I have to say that this set of lighting and sound equipment that Zhifei bought is beyond my expectations. It is really too extravagant to use this equipment for concerts!"

"Yeah!" Tasha smacked: "The investment in this area alone is higher than the income of the concert."

"Except for a super live event like the Olympic Games, no one would be willing to invest such a large cost in commercial performance. In order to please you, Zhifei cannot invest such a large cost."
