

Chapter 3154– 3155 of A Dish Best Served Cold Novel

Chapter 3154

He stared, almost forgot to breathe, and just murmured to Xiang Chu Zhengliang: “Father, you...you mean, I...our Chu family, a descendant of the gods?”

“I...in our body? , Keeping the bones and blood of immortals?”

Chu Qitian has always regarded himself as a wealthy nobleman.

He has always felt that he is one of the most noble people in the world today.

But now it seems that he still underestimated his dignity.

Because, their family is very likely not a person, but after the immortal.

“I don’t know.”

“All these are all my guesses based on some clues .” “After all, the

Chu family has a long history. How many people can know about the ancestors?”

“Moreover, I always have one. doubt, after immortal, should not also immortal it? ” “

but we Chu family, why should it still only human. ” “

of course, on the answer to this question, I have thought about. ” “

perhaps then, a number of first generation master of the house children, and We are only the least useful among the many children.”

“So, leave us here and

stay on the earth.” Chu Zhengliang said in a deep voice, and Chu Qitian on the side was completely stunned.

I just feel that my brain is not enough.

All that he heard today, he only felt that it was too illusory, just like reading a novel.

After the fairy?

Yundao Tianshu?

Mad, is it too ridiculous?

Novels dare not write that way.

Anyway, Chu Qitian was a little hard to accept.

After all, for so many years, in Chu Qitian's world view, he did not believe in the existence of gods beyond human beings.

But now, what his father said was contrary to Chu Qitian's worldview.

Naturally, he couldn't believe it.

"Father...Father, do you have a scientific basis for these words?"

"Or, it's just your wishful thinking?"

"In this world, there won't really be gods, right?"

Chu Qitian asked tremblingly. With.

"Why, don't you believe it?" Chu Zhengliang frowned and looked at his son.

Being questioned by his son, Chu Zhengliang, the father, was naturally a little unhappy.

Immediately he said coldly: "After all, it is the frog at the bottom of the well, sitting on the well and looking at the sky, with a short-sighted mouse."

"For my father, these words are mostly guesses, but they are by no means groundless."

"I ask you, who do you think is the strongest person in the world? The tallest? Realm, what is it?"

"The strongest, should be my teacher Tang Yun. No. 1 in the rankings, should be counted as the strongest person in the title realm."

Hearing the daddy was slightly angry. In his tone, Chu Qitian was a little apprehensive, and whispered.

When Chu Zhengliang heard the words, he snorted: "Tang Yun? Title?"

"You know that."

“The so-called top ranking in the sky, the strongest in the world, this is just a ranking on the face of it. .”

“In this world, the truly powerful people are often unknown.”

“I can tell you without hesitation. In today’s world, people with strength above your teacher are definitely not nonexistent.”

“Moreover, title. The realm of martial arts is by no means the ultimate realm of martial arts.”

“On top, there is the realm of “beyond the title”, also known as “the realm of the gods”!”

“Why did your grandfather retreat in a rush to pursue the realm of transcendence.”

Chu Zhengliang spoke slowly, but Chu Qitian was already stunned in place, dumbfounded.

“God... Divine Realm?”

“Really...really there...is there a Divine Realm?”

Chu Qitian was born in the martial arts world since he was a child.

But now, he realized that the martial arts world he saw was just the tip of the iceberg.

In a higher place, in a place he still can’t reach, there is a strange and bizarre world.

At this time, Chu Qitian seemed to understand martial arts for the first time.

I just think it’s incredible.

Chapter 3155

“Well, I’m telling you so much, I want to tell you.”

“The way of martial arts is endless.”

“You must always be in awe of power.”

“I’m tired, go down.”

” Since the Jones family has started first, during this time, you can prepare for the wedding with Angel.”

“Don’t forget, I told you before.”

“Fix this Angel, and you will have a great career in the future.

Help .” After talking to his son for a long time, Chu Zhengliang waved his hand and motioned to let Chu Qitian go out.

However, after Chu Qitian was silent for a moment, he asked again in a low voice: “Father, then do you know, where is the

Yundao Book of Our Chu Family?” “Why, do you want to study the Yundao Book?” Chu Zhengliang Raised his brows.

Chu Qitian smiled: “Sure enough, nothing can escape your father’s eyes.”

“I just thought about it. The simplified version of Yundao Tianjue is so powerful, and the book contains the full version of Yundao Tianjue. , It must be even more powerful.”

“If I can practice the Yundao Book of Heaven, I must have cultivated as Dingri for thousands of miles.”

“Maybe, within a few years, a child will be able to achieve the title of title.”

Chu Qitian is sitting here. Beautiful dream, looking at his father with expectation.

When Chu Zhengliang heard this, he was immediately happy.

“You stinky boy, you have a lot of ambition.”

“However, it was not your father’s blow.”

“Your simplified version of Yundao Tianjue has n’t learned it yet, but now you want to practice Yundao Tianshu?”

“Don’t be ashamed of me.” Chu Zhengliang shook his head and smiled.

Then, Chu Zhengliang continued: “As for the whereabouts of the Yundao Book of Heaven, I don’t know.”

“Maybe, in the secret realm of our Chu family.”

“Your grandfather has been searching for so many years, but he hasn’t found it.”

“If you are interested. , When you succeed me in the future and become the

Patriarch of the Chu family, let’s talk about it.” Chu Zhengliang said indifferently, then waved his hand to repatriate Chu Qitian.

After watching his son leave, Chu Zhengliang, who was originally calm, his old eyes suddenly became solemn and firm.

“Aling, don’t worry.”

“I will give our son a step through all the thorns.”

“When he becomes the head of the Chu family, there will be a smooth road in front of our son, no obstacles!”

Chu Zhengliang The palms were tightly clenched, and there was a thought in his heart, which was unusually firm at this time.

For so many years, Chu Qitian has caused countless disasters.

But every time, Chu Zhengliang tried his best to protect him.

The entire Chu family knew that Chu Zhengliang loved his son as fate.

However, who knows that Chu Zhengliang’s feelings for his son are also pinned to miss his deceased wife.

Back then, the biggest wish of Chu Zhengliang’s beloved wife was to look at their beloved son and get ahead.

Later, Chu Qitian lived up to expectations and showed excellent martial arts talent in the martial arts.

However, Chu Qitian has one of the biggest weaknesses, that is, lack of character and lack of experience. Lack of sufficient stability and caution.

This has always been what Chu Zhengliang worried about.

Now, because of his father’s protection, Chu Qitian can still get along well in the Chu family.

But once there is no shelter, how far can Chu Qitian go in this deceitful world?

“Qi Tian, my father cannot protect you for the rest of my life.”

“However, before that, my father will help you clear all obstacles.”

“Wind, rain and thorns will naturally be blocked

by my father for you.” “After a hundred years of me, It will

definitely give you a peaceful and prosperous age !” In the room, Chu Zhengliang stood with his hand in hand.

The old eyes are full of firmness.

Chu Zhengliang is also a very ambitious person.

In the past, the strength was not enough, he could only hide his thoughts in his heart.

But now, he no longer needs to hide.

Because he already has, enough power to match his ambition
