

Chapter 3158– 3159 of A Dish Best Served Cold Novel

Chapter 3158

However, when this kind of thing really happened to his daughter, he would not feel good as a father.

After all, to put it mildly, marriage is for the future of the family.

But to put it harder, it's the incompetence of their fathers and brothers who can only rely on women in exchange for the prosperity and future of the family.

This conversation between Bill Jones and his son still didn't tell An Qi.

As a result, everyone in the family has already begun to manage this wedding with the Chu family, but An Qi, as the heroine, is still kept in the dark.

Jones family backyard.

On a place of jade, a little girl who is carved with pink jade sits with her knees crossed.

Along with her breathing, her delicate body also undulated slightly.

At the same time, faintly, the surrounding heaven and earth energy can also be seen, accompanied by her breath, like a dragon, following her breath, flowing into the limbs.

And her aura is also invisible, slowly rising.

Although the improvement of that kind of momentum is almost faint and inaudible.

However, over time, the accumulated progress is still extremely impressive.

If Mark were here, he would definitely recognize it at a glance. The girl who was sitting cross-legged and breathing in cultivating was no one else, but An Qi, the little girl who had a gentleman's appointment with Mark back then.

It's just that An Qi at this time is a bit less timid, stronger and more independent than before.

The ruthlessness between the eyebrows is somewhat similar to Mark.

While this little girl was practicing selflessly, Elder Nuo was always by his side.

During this period, Nuo Lao was practicing with her and teaching her martial arts.

Since the trip to the rainforest, An Qi has developed the idea of becoming stronger, and then she has persisted until now.

At that time, almost everyone thought that An Qi was a three-minute heat.

Including Nuo Da, who watched Elder An Qi since childhood, didn't expect this little girl to be serious.

Many mighty and majestic men have a difficult cultivation path, and this weak little girl who has never experienced hardship really persisted.

Elder Nuo couldn't imagine, what on earth this girl was relying on to support it till now.

Finally, I don't know how long it took.

An Qi, who had been practising with her eyes closed, only slowly opened her eyes.

Then, the little girl suddenly jumped up like a rabbit.

“Grandpa Nuo, give me a punch!”

An Qi yelled, then waved Xiuquan and slammed at Nuo Lao fiercely.

“It's useless, An Qi.”

“You've only been involved in martial arts for more than a year.”

“It's too early to want to fight with Grandpa Nuo.”

Old Nuo shook his head and smiled, then casually stretched out his palms and stood in front of him.

Boom~ With

a dull bang , An Qi's show fist has already hit Elder Nuo's palm.

A violent force was released like a tide.

At first, Nuo Lao was still careless and careless.

But just an instant, Nuo Lao's face changed.

Immediately afterwards, his footsteps were unstable.

With a punch in An Qi, he took three steps back and forth.

“An Qi, you have broken through again?”

Old Nuo was already stunned at the time. After stabilizing his figure, he looked at the little girl in front of him like a ghost.

Although, Nuo Lao was repulsed just now, because of the negligence of the enemy.

But how to say, he is also in the realm of a half-step master.

Being able to repel him head-on, this means that An Qi is at least in the realm of transformation.

But God knows that An Qi had just broken through the outside world a few months ago.

Martial arts practice requires extra entry, inner strength, outer strength, innate, and transformation.

After entering Hua, he is the master.

In other words, could it be that An Qi has directly risen from the realm of external power to the realm of immersion in two or three months?

“An Qi, let me take a punch and let me see.”

“Use all your strength!”

Old Nuo said to An Qi very seriously, as if he had discovered a new world.

Chapter 3159

“Okay!”

An Qi said yes, then holding her full strength, she punched again.

Boom~ The

fierce boxing strength immediately caused a surging wave of air.

For a time, the dust was everywhere, and the fallen leaves were flying.

“Huh?”

“Looking at the degree of internal strength, it doesn’t look like entering the state of transformation.”

“However, this strength is far superior to the innate martial artist.”

Old Nuo wrinkled, stroking his beard, and wondering. Said.

“It seems that there is only this kind of explanation.”

“An Qi, you should be born with supernatural power.”

“Inborn supernatural power?” An Qi blinked her big eyes, obviously not understanding.

“It’s your strength, far surpassing the powers of the same level.”

“In other words, under the same realm, very few people will be your opponent.”

“You have the power to fight leapfrog.”

“Haha~”

” I didn’t expect it, our Jones family still hides such a talented little monster like you.”

“If the Patriarch knew about it, he would be happy too.”

Old Nuo laughed, happily closing his mouth from ear to ear.

That kind of feeling is like a teacher discovering that his apprentice is an inferior talent.

“Really?”

“Father and my brother, will they be happy?”

An Qi doesn’t understand this, she only knows that anything that makes father and brother happy is definitely a good thing.

“Okay, Grandpa Nuo, I have stepped into the innate realm now.”

“According to the agreement, you are going to teach me great martial arts secrets.”

An Qi looked at Elder Nuo at this time and asked Elder Nuo to teach him martial arts. Learning moves.

Elder Nuo was a little worried about An Qi’s body, so he discouraged him from saying: “I think it’s fine for today.”

“You have just broken through the realm, so let’s take a steady rest.”

“I don’t want it. I must become stronger as soon as possible. I want to let it go. He was taken aback.” An Qi said firmly, waving her pink fist.

When she said this, An Qi’s mind unconsciously showed a thin figure of a young man.

For more than a year, An Qi has been waiting for him.

Although I don’t know, when will that guy reappear.

But An Qi always believed that he would definitely come.

They will definitely see you again.

“Haha~”

“An Qi girl wants to surprise anyone?”

“Is it to make your brother or me.”

When An Qi was talking with Elder Nuo, there was laughter coming from a short distance behind her. .

I saw Bill Jones and Mike and his son walking towards here together.

“Patriarch.”

“Young Master~”

Seeing the two, Elder Nuo quickly stepped forward and saluted respectfully.

“Dad, brother~”

An Qi also ran over with a smile, and plunged into her father’s arms.

“Dad, brother, let me tell you that I’m amazing now.”

“I can kill a cow with one punch, do you believe it or not?”

An Qi waved her fist again and was proud of her father and brother. Showing off.

“Bringing

you ?” “Just you, the little girl, killed a cow with a punch?”

“I think the cow hits you with one head.”

Mike Jones shook his head and smiled, splashing cold water on his sister. Go down.

“I mean really~”

“Huh.”

“Brother smelly, you don’t believe me?”

“Then ask Grandpa Nuo to see if I lied to you.” An Qi was very angry, with serious consequences. .

“Really?”

“Old Nuo?”

Mike Jones still couldn’t believe it, so he had to verify the old Nuo.

Old Nuo smiled and replied: “Master, it’s true.”

“The old man has been in martial arts for dozens of years. People with martial arts talents like Miss are really rare.”

“In just over a year, Miss’s strength. , It is already comparable to the innate martial artist.”

“Moreover, the young lady should be born with supernatural power.”

“This talent should not have been clearly shown before.”
