

Chapter 3160– 3161 of A Dish Best Served Cold Novel

Chapter 3160

“But now, Miss has dabbled in martial arts, this power talent is unreservedly revealed.”

“As long as the young lady always maintains the persistence and love for the martial artist, in time, the young lady can become a titled master, maybe it is.”

Old Nuo . He laughed from ear to ear, and didn't hesitate to say good things about himself.

But Bill Jones and Mike and his son were not happy after hearing this.

“Dad, what's the matter with you?”

“Are you unhappy?”

“Grandpa Nuo praises me so much?”

Seeing her father's reaction, Angel was a little confused.

“No, my An Qi is so powerful, how can I be upset as a dad?” Bill Jones smiled hard.

However, the loss on the old face is extremely obvious.

“Hmph, you are just upset.” “Quickly, are you hiding something from me?”

An Qi keenly sensed something, and immediately pinched Terrisa 's waist and asked her father.

“I didn't lie to you, I really didn't

feel unhappy.” “Maybe it just feels that An Qi girl grows up, she will marry a child in the future, it's a bit sentimental.” Bill Jones said slowly.

Mike on the side did not speak, but his expression was also a little dim.

“Hurt~”

“That's it?”

“I thought something happened?”

“Big deal, An Qi will not marry in the future.” An Qi Jones smiled, but comforted her father.

When Bill Jones heard this, he suddenly stared: "What nonsense?"

"How can a girl not marry."

"That's what I said?"

"In the future, if my daughter is married to the third young master of the Chu family, such a good person. , Your father, I'm afraid I'll wake up even if I'm dreaming."

"The third young master of the Chu family?" An Qi was stunned, "What is that?"

"I won't marry him."

"If this lady is married, I have to marry a child like me..." An

Qi said proudly with a smile on her face.

But when he was halfway through the conversation, he seemed to realize something, he closed his mouth quickly, blushed, smiled, and didn't say any more.

After chatting with An Qi for a while, Bill Jones and his son also left.

Before leaving, Bill hugged his daughter again, and slowly said: "Angie, you should study hard these days, so don't be too tired."

"Otherwise, it will become ugly."

Bill smiled softly, like Is joking.

After laughing, Bill Jones said inexplicably: "Angie, no matter what happens in the future, you must remember that your father and your brother love you."

After speaking, the father and son both loved you. They also left.

Only An Qi with an inexplicable look was left.

"Grandpa Nuo, don't you think that my father and brother are a little strange?" An Qi asked suspiciously.

Old Nuo's face changed without a trace, and he quickly said: "Maybe, there are a lot of family affairs."

"Well, I guess so." An Qi glanced at the direction where his father and the others had left, and without much thought, she continued to pester Elder Nuo to practice.

Seeing that at sunset, the day is about to pass.

At this moment, outside the courtyard wall, there was a sudden movement.

"Huh?"

"Who?"

Elder Nuo was alert for an instant, and almost subconsciously pulled Angel behind him, scanning the front with cold eyes.

I saw there, a black shadow, taking advantage of the evening light, jumped up and stepped in over the wall.

“Sister Wan Yu?”

After seeing the person, An Qi suddenly shouted out in surprise.

Yes, it is not someone else who has entered over the wall.

It is one of An Qi’s rare friends, and a disciple of Tang Yun, the master of Chumen, Meng Wanyu.

“Sister Wan Yu, why are you here?”

“Also, why did you get in over the wall.”

An Qi is very strange. When did her sister Wan Yu like to take unusual paths.

Chapter 3161

“Do you think I like to cross the wall?”

“It’s not your father and brother who stopped me and didn’t let me see you.”

Meng Wanyu rolled his eyes and complained displeased.

“Why is this again?”

“My father and the others, why don’t you let you see me?”

An Qi suddenly became even more strange.

“How do I know.” Meng Wanyu slumped his hands.

“Said you will get married right away, it is not convenient to meet people.”

“I always find something strange, so I tried to come in and take a look.”

“Ah? The big wedding?” An Qi suddenly became more confused, not knowing Meng Wanyu at all. What are you talking about?

“What?”

“Don’t you know?”

“A few days later, it was your wedding with Chu Qitian, the third young master of the Chu family.”

“These days, the whole Chumen Mountain is going crazy.”

“Red makeup and green. Wrapped, the flowers come in tons and tons.”

“I can’t wait to dye the entire Chumen Mountain red.”

“The wedding banquet of the young master of the Chu family has such a standard.”

Meng Wanyu was not without surprise. With emotion.

“Sister Wan Yu, are you kidding me.”

“I’m going to get married, why don’t I know.”

“It’s impossible, my father and brother are still hiding from me.”

“And, my father just said that he didn’t want me to marry. What?”

“You must be mistaken.”

“Even if you really get married, the bride is definitely not me.”

An Qi was still smiling, not believing that she was going to marry.

“My God?”

“Do you think I’m lying to you?”

“The invitations of the Chu family have all been posted.”

“Not only Chumen, now the wealthy and celebrities of the whole world, I guess they all know about your wedding banquet with the young master of the Chu family.

” It says in black and white, Miss Jones family, Angel Jones.”

“If you don’t believe me, ask him.”

Meng Wanyu was surprised that the bride was completely hidden from her wedding.

At this time, An Qi, still holding her last hope, asked Elder Xiang Nuo: “Grandpa Nuo, you tell me that what Sister Wan Yu said is not true.”

“My father and brother, did not marry me to someone else. “

The bride was not me for the wedding with the young master of the Chu family.”

An Qi said again and again, her trembling words seemed to be praying for Elder Nuo’s denial.

However, Elder Nuo on the side lowered his head and said nothing.

Finally, he let out a long sigh.

“Hey~”

“Miss, you can’t blame the Patriarch.”

“You and Young Master Chu have a long-term marriage contract.”

“The marriage between the two was decided many years ago.”

“Your father, I wanted to wait for you. I will tell you when I grow up.”

“But the current situation has changed. The family can only advance your wedding with the Chu family young master.”

Old Nuo whispered, his tone also full of heavy.

He also knew that such behavior was very unfair to An Qi.

But in this world, how can there be so much fairness at all.

Even An Qi, who was born in a wealthy family, still can’t control her own destiny, and now she has to fall victim to family interests.

After learning the truth, An Qi’s eyes turned red.

Tears flowed down uncontrollably, pink and pretty face, pear blossoms rained.

“No~”

“Impossible.”

“You are all lying to me.”

“You must all be lying to me.”

“My father and brother love me so much, they can’t marry me to a stranger so casually. “

This is absolutely impossible.”

“I don’t believe it, I don’t believe it~”

An Qi’s pretty face was tearful, and she shook her head, almost hysterical.

Afterwards, An Qi rushed out of the courtyard like crazy.

“An Qi, what are you going to do?” Meng Wanyu asked anxiously.

“I’m going to find my father, I’m going to ask them face to face.”

“I’m going to ask them if this is true.”

“Are they really, don’t you want An Qi?”

An Qi cried out in tears.
