Chapter 3162

But Meng Wanyu sighed: “An Qi, it’s useless.”

“This yard has been sealed off.”

“Outside the master is guarding.”

“You can’t get out, you can’t see it at all .” To your father and brother.”

Meng Wanyu said from the side.

But An Qi didn’t believe it at all, she still ran outside.

Sure enough, before An Qi left the yard, there were already two elders who appeared quietly from nowhere, and stood in front of An Qi: “Miss, the patron has an order. During this time, the lady is forbidden to go out.”

“If yes. You can tell us the needs, and we will do our best to meet them.”

“Go away, you all go away, I want to see my father~” An Qi pushed them away hard, and even fought them later.

However, after all, An Qi is just someone who has just been involved in martial arts for more than a year, so how can he be the opponent of these masters.

After a few interviews, An Qi had been forcibly sent back to the yard.

“I want to see my father.”

“You let me go, let me go~”

An Qi still wanted to rush out, but in the end, she was stopped by Meng Wanyu.

“An Qi, it’s useless.”

“The matter is over, you just see your father and brother, and you can’t change anything at all.”

“The wedding post has been posted, and the date of the wedding has been set.”

“Now the whole world knows the Chu family. The young master is going to marry you.”

“Do you think your family, your father and brother, will regret their marriage just because of your wishes?”

“It’s impossible.”

“What’s more, if they can consider your wishes, this marriage contract will not be concluded from the beginning.”

Meng Wanyu wailed and gently wiped away the tears from the corners of An Qi’s eyes. Comforting from the side.

“But why?”

“Why is this?”

“Why do they decide my destiny without authorization?”

“Why don’t they ask my opinion?”

An Qi burst into tears, nestling in Meng Wanyu’s arms. I kept sobbing.

Even if An Qi is difficult to accept, all signs now show that what Meng Wanyu said is true.

Suddenly, An Qi only felt that the person she was closest to and trustworthy had also become so unfamiliar at this moment.

“Hey~” Meng Wanyu also sighed, “I thought you agreed to this marriage.”

“After all, Chu Qitian is a rare talent.”

“Moreover, he is very likely to be the future Chu. The heir of the Patriarch.” “Objectively speaking, your marriage is right.”

“I don’t agree. I don’t like him. I don’t want to marry someone I don’t know.” An Qi shook her head, tears streaming down. , Kept talking.

“Sister Wan Yu, what should I do.”

“I really can’t figure out why father and brother would do this.”

“This...maybe they also have difficulties.” Meng Wanyu didn’t know what to do. Consoling An Qi, can only say that.

But An Qi was still not reconciled, she still wanted to see her father and brother, and asked in person.

Elder Nuo, who has been silent on the side, shook his head and sighed, "Miss, it's useless."

"Your marriage contract with the Chu family is a family decision. Even your father cannot change it."

"Moreover, nowadays. The Chu family is in full swing, and the Chu family's main cultivation base has broken through again, and it may become the Chumen master in the future."

"Now the Jones family needs such a strong in-laws."

"The family made this decision also for the family's sake. Future considerations."

"I hope you can understand your father and brother, understand the family."

Old Nuo whispered.

Regarding Angel's wedding, Elder Nuo has actually begged Bill Jones.

However, there was no result.

Sometimes, individual interests must be subordinated to collective interests.

An Qi smiled when she heard this.

The tearful laughter was full of self-deprecation and loss.

"So, did they choose to sacrifice me?"

Chapter 3163

To An Qi's words, both Meng Wanyu and Nuo were silent.

They all know that this is not fair to An Qi.

But what can we do?

There is not so much fairness in this world.

In the face of the family's interests, An Qi's personal demands are ultimately too small.

Suddenly, the world became quiet.

Several people did not speak.

An Qi lowered her head deeper and deeper.

In the big eyes that used to be bright, there was no more light, only a piece of darkness.

The evening light passed and fell on An Qi, casting haze all over the ground.

The heavy rain fell along his cheeks.

Papa patter ~

fell to the ground, but it was smashed to pieces.

Until the end, An Qi could not shed tears anymore.

A few hours ago, the little girl who was still full of sunny eyes, at this moment, looked like an old man who was about to die.

The heart is dead, as if there is no hope.

The eyebrows are dim, just like the candlelight that will be extinguished.

Since childhood, Angel's world has been very small.

So small, only father and brother.

They occupied almost all of An Qi's heart.

But now, the two closest people in her heart married her to someone else without her permission.

It is conceivable that this incident has had a great impact on An Qi.

That feeling is like the uncle he has been relying on collapsed at this time.

Suddenly, An Qi felt so helpless.

Helpless, it seems that the whole world is left alone.

"An Qi, are you okay?"

"In fact, Chu Qitian is also quite good."

"He is a talented person and has a promising future."

"Without feelings, you will gradually develop feelings in the future."

Meng Wanyu Trying to comfort An Qi on the side.

However, An Qi no longer wanted to listen. She turned around, turned her back to Meng Wanyu and Elder Nuo, and whispered in a low voice: "You go, I want to be alone for a while."

"An Qi, don't be like this."

"You This makes us very worried." The more An Qi said that, the worry in Meng Wanyu's heart became more intense.

He was really scared, An Qi couldn't think about what she would do for a while.

Faced with Meng Wanyu's concern, An Qi turned a deaf ear, as if she hadn't heard her, and never spoke.

In this way, a person walked slowly towards the hut in front of him.

The only thing left for Meng Wanyu and others was that lost and lonely back.

Old Nuo knew that An Qi was really sad.

But, what can you do if you know An Qi is sad? The identity of Elder Nuo is destined to be impossible to help An Qi do anything that violates the family's interests.

You know, his allegiance is the Jones family.

The task of protecting An Qi is also a task assigned to him by the family.

What's more, the Jones family has the grace to adopt and teach the old man.

Even if Elder Nuo disagrees with one thousand and ten thousand people in his heart, he can't do something that violates family interests.

"Hey~"

"Miss, I'm sorry."

"I'm old and useless." In the

courtyard, Old Nuo looked at An Qi's back and left, but sighed in sorrow.

After years of getting along with each other day and night, the relationship between Elder Nuo and An Qi is no longer as simple as the relationship between master and servant.

Many times, Elder Nuo even regarded An Qi as his granddaughter.

Now that An Qi is suffering so much, Nuo always sees it in his eyes, but it hurts in his heart.

“Old Nuo, shall we help An Qi?” At

this time, Meng Wanyu on the side, after all, couldn't bear to see his good sister so sad, suddenly said to Old Nuo.

Elder Nuo looked over and asked, “How do you want to help?”

“It's easy, take An Qi away.”

“As long as you leave the Jones family and hide, the wedding will naturally not be held.” Meng Wanyu whispered. . Hearing
