

Chapter 3168– 3169 of A Dish Best Served Cold Novel

Chapter 3168

“Miss Meng, don’t be surprised. These old things have never seen the world. I don’t know that you are a direct disciple of the Tang Sect Master. So the hands may have been a little heavier and lost.”

“The next day, I will let them come to the door in person. Miss Meng apologizes.”

“However, before that, I still have to persuade Miss Meng.”

“Although you and An Qi are good sisters, there are some things that you shouldn’t and can’t control.”

“This is our Jones. The family affairs, your teacher is here, and can’t take care of our own affairs.”

“So, I hope Miss Meng , I can do it for myself!”

Bill Jones first polite and then apologize, to give her face.

Then he gave a cold warning, letting Meng Wanyu do it for himself.

After a few words, Meng Wanyu’s face was blue and white, and he didn’t know how to answer.

Finally, just in front of Yu Meng late Bill Jones cold channel:. “You’re a good master of the house, but not a good father”

. “I hope you will, the face of Angel when it can have a clear conscience”

spoke the , Meng Wanyu dragged his injured body and limped away.

“It’s late Meng Yu, Truman relied on her teacher is the main door, it is more and more arrogant.”

“Jones hands into my family here?”

“And you dare so to speak?”

“This is Don’t put our Jones family in the eyes at all.”

Meng Wanyu’s rudeness to his father just now made Mike Jones feel sullen.

He clenched his palms tightly, only feeling that his family was being despised.

“Forget Mike.”

“She’s actually right, I’m Bill Jones, I’m really not a good father.”

Bill Jones said in a deep voice with no expression on his face.

Then, he ordered that in the future, Meng Wanyu was forbidden to visit An Qi with his family.

Now that the wedding is approaching, they must ensure the safety of the bride and there must be no accidents.

Otherwise, how to explain to the Chu family?

_____ After

Meng Wanyu left the Jones family, he soon returned to Chumen Mountain for healing.

However, during the recuperation, Meng Wanyu’s mind always echoed the last words An Qi said to her.

“Hua Xia?”

“Mark?”

“Why is Hua Xia again.”

“When did An Qi have a relationship with the Hua Xia people?”

Meng Wanyu touched his forehead and said helplessly.

Because of old grievances in the past, the relationship between Huaxia Martial Arts and Chu Men is not very harmonious.

In so many countries in the world, few of them, like Huaxia, prohibit the entry of the strong from Chumen.

It is precisely because of the Huaxia Martial Art’s ban on Chumen that Chumen disciples are not very cold towards the Chinese Martial Art, and even vaguely hostile.

At the beginning, Meng Wanyu remembered that her teacher Tang Yun had a friend in Vietnam.

At that time, Tang Yun even asked her to go to the door to pass a message in person.

Unexpectedly, now my own

The good sister An Qi also has a relationship with the people of Vietnam.

“It looks like I have to go to Huaxia again.”

Meng Wanyu had a headache thinking of this.

After all, she was in great danger when she entered Vietnam.

Once caught by the people of Huaxia Wushen Temple, she was afraid that she would have no return.

Therefore, unless forced to do so, Meng Wanyu is extremely reluctant to take this risk.

However, she had to fulfill her only wish for a good girlfriend.

“However, just relying on a name is tantamount to finding a needle in a haystack.”

“If I want to find this Mark as soon as possible, I have to find a way to get more news.”

Meng Wanyu secretly thought.

Soon, he thought of someone.

That is, Mr. Nuo.

“What did you say?”

“This Mark, is An Qi’s sweetheart?” The

next day, Meng Wanyu secretly made an appointment with Older Nuo. After asking him about Mark, Meng Even though Wan Yu was shocked.

She thought that the relationship between Mark and An Qi was at best a friend.

Unexpectedly, their relationship is not as simple as she thought.

“This is just my inference. An Qi didn’t say it directly.”

“However, I know the young lady too well. When she grows up, I can see all her joys, sorrows, sorrows and joys.”

In the coffee shop, Mr. Nuo smiled softly. It’s just that the smile is full of vicissitudes and weakness

Chapter 3169

Since the return of the rainforest, An Qi has changed herself.

She had never liked martial arts, and suddenly she practiced martial arts like crazy.

Others don’t know why, but Nuo Lao knows.

This little girl, in fact, just wanted to be stronger, stronger, so that in the future, he could run into the rivers and lakes with the guy named Mark, so as not to drag Mark’s back legs like last time.

These careful thoughts, An Qi herself thought it was very good to hide.

But how could he escape Nuo Lao’s eyes?

“No way.”

“As far as I know, how long An Qi was outside last time.”

“In such a short time, An Qi met her sweetheart outside?”

“Old Nuo, are you ? The guess is wrong.”

Meng Wanyu was still a little unbelievable.

In her eyes, An Qi is still a little girl who knows nothing about the world.

At this age, do you know what liking is?

Elder Nuo shook his head and said repeatedly: “It can’t be wrong.”

“Every time An Qi tells me about him, there is an inexplicable light in her eyes.”

“That kind of smile from the heart, for so many years. , I have never seen her in her.”

“This time, An Qi’s reaction to the engagement with the Chu family is so big, maybe it is also related to this.”

“Because there are already others in my heart, naturally I can’t tolerate others. “

Even if the young master of the Chu family is no matter how outstanding, no matter how great the future is.”

Old Nuo said quietly.

After hearing this, Meng Wanyu suddenly understood An Qi.

No wonder, after An Qi learned of the wedding to the Chu family, she was so lost, as if she had lost her soul.

It turned out that this silly girl already had a sense of belonging.

“Lao Nuo, do you still know information about Mark?” Meng Wanyu clenched his fists, and looked at Lao Nuo with scorching eyes, as if he had made some huge decision.

Elder Nuo thought for a while, and then solemnly said: “I don’t know the specifics of Mark.”

“However, I learned from An Qi’s words that he seems to be from Noirfork in the Yanxia period, and there seems to be someone else. A “Mr. Chu” nickname.” After a

brief conversation, Meng Wanyu did not get much useful news from Old Nuo.

However, the message that Mark was from Noirfork greatly narrowed the scope of Meng Wanyu’s search.

But the hot summer has a vast area, and it is Noirfork, which is comparable to the area of a small country.

To find one among hundreds of millions of people is undoubtedly a needle in a haystack.

But Meng Wanyu had no other good options. For An Qi, she had to find a needle in a haystack, too.

“Elder Nuo, if you have a chance to meet An Qi, you tell her not to give up.”

“I will go to Mark in the summer.”

“Maybe, he will have a way to take An Qi away.”

Meng Wanyu was right. Mr. Nuo solemnly ordered.

But Elder Nuo didn’t hold any hope: “The two giants of Chu Sect are married. In this world, this wedding can be prevented. It

is probably only the master of Tang Yun Sect.” “You really brought this Mark. I am afraid that it is difficult to block the car even if it is Mani.

As for Mark, Mr. Nuo didn't know much.

After all, at the time, Nuo was seriously injured and was left outside the rain forest by Mark and the others.

Therefore, Elder Nuo didn't know Mark's abilities.

The only understanding is from An Qi's words.

Therefore, for Meng Wanyu's words, Nuo Lao just shook his head and sighed.

“Elder Nuo, it's not about whether Mark can stop this wedding.”

“The top priority is to make An Qi hopeful.”

“Otherwise, I'm really afraid that she won't think about it for a while and do stupid things.”

“Don't look at that little girl who is usually careless and careless.”

“But if you get the horns, you can do anything.”

“So, you have to convey this to An Qi. “

Even if Mark can't do it in the end, let An Qi not give up hope at this time.”

Meng Wanyu said anxiously.
