

Chapter 3172– 3173 of A Dish Best Served Cold Novel

Chapter 3172

Could it be that the peaceful evolution of the Wushen Temple failed?

“This.. This is impossible.”

“Dignified titled master, noble and majestic, should...should you not condescend to be a spy?” Someone still said in disbelief in the audience.

“Nothing is impossible.” The king of fighters on the side suddenly said coldly, the chill in the words was very clear, “In the battle that night, Mo Gucheng desperately inflicted heavy damage to Tang Yun, the master of Chumen.”

“Just when I am about to die. Kill Tang Yun and avenge my hundreds of thousands of people in Vietnam.”

“Who would have thought that Mark would sneak attack from behind when I was not paying attention, and after repelling me, he would take that Chu Sect. The demon girl flees.”

“Even, she is not ashamed to say that she will fight against the martial arts temple, the country, and my Chinese martial arts for the Chumen demon girl.”

“If he is not a Chumen spy, how can he protect the Chumen demon girl to death? “

If he is not from the Chu Sect, how can he be titled to my Martial God Temple, with swords facing each other? Or even sneak attack on me?”

Mo Gucheng said angrily, and the words of ice and cold sounded through the entire hall like thunder. .

The repeated questioning was even more shocking.

People who say inequality are even more frightened when they hear it.

They didn't expect that Mo Gucheng, the King of Fighters, would hit the Chumen Sect Master head-on.

Are they the Chinese King of Fighters already so awesome?

However, this is not the time to be surprised by this.

After listening to Mo Gucheng's narration, he asked again: “King of Fighters, are you serious about this?”

“The title of Wushuang, whether it is right or wrong, whether it's right or wrong, doesn't distinguish between family and country?”

“Even, for that Chu Clan Demon Girl, we have to fight against our Chinese martial arts?” In the audience, all the masters looked at the King of Fighters and others.

If everything is true as what Mo Gucheng said, then Mark is very likely to be a member of the Truman.

“Is there any fake?”

“I wasn’t the only one who was there that night.”

“Juggernaut, God of War, etc., were all present.” The King of Fighters said in a deep voice.

“I’m going, really did this happen?”

“That Wushuang title, turned out to be from Chumen?”

....

“I suspected him a long time ago.”

“At the beginning, he was in Jiangbei and killed me Zhongliang, a Chinese martial artist. “

The two great masters were ruthlessly killed by them.”

“At the time, I felt that Mark’s heart was not in Vietnam.”

“Now it seems that I expected it to be good.”

“This guy, from the beginning, I thought. I Huaxia Wu Road impair strength. “

.....

” was right. ” “

we already see that Ye dislike. ” “

when we Jiangbei a pulse, kneeling please Wu Temple strangling thief. ” “

At that time It would be great if the Martial God Temple listened to our Jiangbei Budo, how can there be these later things?”

.....

“Juggernaut, I will wait for the suggestion and immediately depose the title of Mark.”

“

Take his treason trip and announce the whole country.” “Let him be ruined and make it hard for him to do anything.”

“Let him and his family and friends be nailed to Huaxia’s pillar of shame forever.”

“Also, unite with Vietnam’s martial arts power. , Do your best to want this person.”

“It’s best to capture him alive, with a thousand arrows pierced to death, in order to emulate you!”

.....

After learning about Mark’s betrayal of Vietnam, many people were filled with righteous indignation.

Like the grandmaster of Jiangbei, he directly suggested the Temple of Martial Arts to depose Mark’s unparalleled title and announce his crimes, leaving him socially dead and stinking for thousands of years.

After hearing these sounds, the King of Fighters nodded in satisfaction.

“Juggernaut, have you heard it? This is the voice of the masses.”

“I also suggest that our Wushen Temple represents Huaxia Martial Arts and immediately announce that the title of Mark will be deposed.”

“And immediately issue a red wanted order against him. He is listed as the number one sinner in Vietnam.”

“I will lead the team to strangle him.”

“Those who are rebellious and unruly will be killed on the same day!”

Chapter 3173

The voice of the King of Fighters mingled in the whole hall, constantly ringing.

Facing what Mo Gucheng said, the Juggernaut did not comment. Instead, he looked at Ye Qingtian, who was always silent, and asked in a deep voice, “God of War, what do you think of this matter?”

Ye Qingtian replied, “About Ye I have talked to you about everything a few days ago.”

“I still have that attitude.”

“Before everything is clear, it is too early to conclude that Mark is a member of the Truth.”

“God of War. , Your partiality is too obvious. If he is not from Chu Clan, why would you protect Tang Yun from death? How do you explain this?” Mo Gucheng, the King of Fighters, questioned.

“That might be to repay a favor.” Ye Qingtian said lightly.

“Relationship? Because of a favor, can you be an enemy of Huaxia, and an enemy of my Martial God Temple?” Mo Gucheng sneered.

“This time, if Mark didn’t get in the way, how could Tang Yun escape?”

“My Huaxia’s hundreds of thousands of people would

die in vain?” “Then Tang Yun would have died long ago by my Mo Gucheng fist. !” The

King of Fighters said angrily, and the words were full of raging anger and resentment.

Facing the wrath of the King of Fighters, Ye Qingtian was very calm. He just said indifferently: “No matter how much you say, it’s just a guess.”

“Just because of a guess, you have to publicly execute a titled master. Do you think it is appropriate? ?” “

If Ye Truman really the person it when, if in the future we know, just to Mark Tang Yun also a favor, just come to the rescue. By that time, how should we Wu Temple since at? “

“What’s more, in the previous rain forest battle, Mark led the battle and killed two Chumen elders in a row.”

“Furthermore, I will also give the Dollar Lingguo he obtained.”

“Does this behavior seem to be done by an agent of the Chu Clan?”

“So I said, whether Mark is a member of the Chu Clan, I still have many doubts. . It’s too early to make a conclusion now.”

Ye Qingtian said slowly, and his words were justified, but the King of Fighters didn’t know how to refute it.

“Hmph, even if what you said is true.”

“But it is true that Mark protected the Chumen Sect Master.”

“It is because of him that we have not been able to avenge the dead Chinese people.

” This one, how do you exonerate him?”

Mo Gucheng continued.

In response, Ye Qingtian did not refute, but nodded and said: “Mark is indeed wrong on this point.”

“But the mistake is not dead, and it will not let me dethrone his title.”

Ye Qingtian said . After the words, in the original hall, the voice that wanted to put Mark to death was suddenly much less.

However, Mo Gucheng still said: “Because of Mark, let the Lord of Truth escape by chance.”

“Because of Mark, my 100,000 people in Vietnam are hard to avenge.”

“These are not enough to cure Mark. Is it a capital crime?”

Mo Gucheng questioned Xiang Ye Qingtian again.

Ye Qingtian did not answer, but looked at the Sword Saint: “You should ask the Sword Saint for this.”

“I was just a suggestion.”

“The specifics are up to you to decide.”

“However, my attitude towards Mark has not changed.”

“This son

emphasizes love and righteousness.” “As long as my Chinese martial arts can live up to him, he will definitely not take my Chinese martial arts.”

“But if you insist If you put him to death, you have to consider the consequences.”

“With Mark’s strength at this time, it is no easy task to kill him!”

Ye Qingtian said in a deep voice.

Even after the changes in Noifork, Ye Qingtian’s attitude towards Mark still hasn’t changed much.

Even now, Ye Qingtian still believes that Mark will be an excellent candidate to replace him in the future.

As for Mark’s collusion with Chu Sect, God of War always felt unlikely.

After all, since getting to know Mark, he has done nothing to harm the interests of Huaxia Martial Arts for so long.
