## Chapter 3180

“This~” Ericson Li smiled bitterly, “Miss, I’m really sorry. Mr. Chu always sees the dragon without seeing the end. I can’t see him a few times throughout the year.”

“So, you ask me where Mr. Chu is now, I I really don’t know.”

Ericson Li said sorry.

When the woman in front of her heard it, the chill in her eyebrows suddenly became clear.

“This lady doesn’t have time to circle with you.”

“Today you only have two choices. Either say or~” At

this point, the woman paused suddenly.

Then raised his head, cold burst into his blue eyes.

“Dead!” In the

cold voice, the woman in front of her pointed her finger into a sword and struck the sky.

The ice cold, sharp as a knife, swept past Ericson Li’s ear abruptly.

Just listen to the clang.

On the wall behind Ericson Li, there was a one-meter long crack.

“This

Ericson Li at the time was completely frightened.

The old face was pale and trembling.

With a final bang, he squatted directly on the ground.

“I...I said.”

“Mr. Chu, he should...should be in Edensberg.”

“Where is Edensberg?” the woman asked again.

“This...I...I really don't know, but you can ask Jiang Hai's leader, Wang...Wang Patriarch, Wang...Wang Jiexi, he...he must know.” Ericson Li replied in fear. .

Upon hearing this, the woman immediately turned and left.

However, when she reached the door, she suddenly stopped and turned her back to Li Erdao.

“You better not lie to me.”

“Otherwise, your fate will be so stone!” The

words fell, and the cold woman slammed on the ground.

Under her feet, the hard marble floor was immediately torn apart.

Then, this strange woman disappeared from the sight of Ericson Li and others.

Quiet, endless quiet.

Even if the woman had been away for a long time, the whole room was still silent.

I don't know how long it took before Ericson Li and others were shocked.

“Second...Second Lord, Chu.. Is Mr. Chu really in Edensberg?” Jin Bao asked tremblingly.

Ericson Li shook his head: “I don't know.”

“Then what happened to you just now?” Jin Bao asked again in fear.

Ericson Li slapped

Wang Jiexi and said, “Stop talking nonsense, and get me your phone.” Soon, Ericson Li dialed Wang Jiexi's phone. ,

“Ericson Li, how Give me a call?”

“Could it be, and from cherry country to engage in several island sister paper?” Over the phone, Wang Jiexi heard faint laughter.

“Don't miss women so much.”

“Hurry up and run.”

“A mad woman killed you Edensberg.”

“If you don't run, you can't run away.” Ericson Li said anxiously.

“It's nonsense.”

“Now in our Noirfork land, the country is unified, and the world is peaceful.”

“With Mr. Chu covered, who doesn’t dare to make trouble in Noirfork?” Wang Jiexi didn’t believe it.

“Believe it or not, anyway, I told you, Lao Tzu will be considered as benevolent.”

“Well , I wo n’t give you nonsense.”

“Whether you run or not, I will run first anyway.”

Ericson Li is really scared. dead.

After hanging up the phone, Dang Even began to arrange for people to run away.

That night.

Jiang Hai, Wang’s Manor.

In the courtyard, Wang Jiexi lay on the ground with blood all over her face.

Around him, there were dozens of good hands lying around, all guards from the Wang family who came to the nursing home.

However, in front of the real powerhouse, these people are nothing more than geniuses, and naturally they can’t stop the slightest.

“I’m giving you one last chance.”

“Where is Mark?” In the sharp words, he has no patience anymore.

“Girl, I... I really don’t know.”

“I haven’t seen Mr. Chu for more than half a year~” Wang Jiexi lay on the ground, crying without tears, deeply regretful in her heart.

Before he received a call from Ericson Li, he thought the old guy was talking nonsense.

After all, in this hot summer, Mr. Chu’s name has long been top in the country.

In the Jiangbei battle, the Lu clan was annihilated.

Mr. Chu’s power has already shaken Kyushu, who would dare to provoke him?

Therefore, Wang Jiexi didn’t believe a word of Ericson Li’s words.

## Chapter 3181

But, who can think of it. In just a few hours, a mad woman really killed him outside his house.

After kicking over the guards, the woman went to the door and asked Mark's whereabouts.

But Wang Jiexi was dumbfounded.

I would listen to Li Er if I knew it, and ran away early.

Moreover, Wang Jiexi felt wronged. Even if he really wanted to find Mark, he should go to Wrilfill and ask Li Er.

In the land of Noirfork, who doesn't know, Wrilfill is the place where Mr. Chu stayed.

"Miss, I really don't know~"

Wang Jiexi continued to say bitterly.

"Li Er from Wrilfill said you know." The woman said coldly.

"What?" When

Wang Jiexi heard this, he stared.

"Li Er's bastard!"

"No wonder he called me to run."

"It turns out that he hurt me~"

Wang Jiexi's eyes were red, and he was so angry that he greeted Li's twenty-eighth generation of ancestors directly in his heart.

"Miss, he is a bastard, don't listen to him."

"If you talk about the land of Noirfork, who is most likely to know the whereabouts of Mr. Chu, it is Li Er."

"If you don't believe me, I will go to Wrilfill with you. Let me ask the bastard face to face~"

Wang Jiexi was also impatient and directly asked to confront Li Er.

The next day.

Lei Family Manor, Jingzhou.

In the Lei family hall, there were three unrecognizable old men who were beaten up and hung from the beams of the house.

These three people are not others, but they are the three giants who helped Mark take control of Noirfork.

Lei third of Jingzhou, Li Er of Wrilfill, and Wang Jiexi of Edensberg.

"Li Er, Wang Jiexi, I'm a grassy horse!"

“You hurt me~”

At this time, the bruised Lei San, angrily scolded both Li Er and Wang Jiexi.

Li Er and the two were also very guilty: “San Ye, we can’t do anything about it.” “If you don’t say it is a death.”

“We can only bring her to find you.”

“We thought you knew where Mr. Chu was. “

Li Er said bitterly.

When he said this, Li Er gave Wang Jiexi a fierce look.

Originally, after the woman left Wrilfill, Li Er had already ran away.

But Wang Jiexi just took the woman and found Li Er’s hiding place.

Because the place where Li Er hides is a high-end entertainment club that he and Wang Jiexi frequent.

“Wang Jiexi, I will take you to health care in the future, I am your grandson!”

Li Er became more angry and cursed angrily.

“You still have the face to talk about me?”

“It’s not that you hurt me first.”

... After

a while, the three big bosses in charge of Noirfork became quarrelsome.

Meng Wanyu next to him looked at the three old men in front of him, all speechless.

I thought that Mark was also an eye-catching person, and he even let this class of people take charge of Noirfork.

However, Meng Wanyu didn’t bother to bother about Noirfork’s matter.

The most important thing for him now is to find Mark quickly, and fortunately, he will return to Truman in time before the wedding.

“Enough.”

Meng Wanyu whispered, and Li Er and the others immediately calmed down.

“My patience is limited.”

“I now ask you the last time, in the end say or do not say.”

“Otherwise, next time you accept, not the physical pain, but the pain of life and death!”

Call ~

The cold wind whistled in along the open doors and windows.

The temperature of the entire room instantly cooled down.

“Humph.”

“Don’t threaten us.”

“Girl, I advise you to let us go.”

“Otherwise, when Mr. Chu returns, you will die without a burial place!”

Now, Li Second, they have no repayment.

People are driven to desperation, naturally there is nothing terrifying.

Therefore, when facing Meng Wanyu, their tone of voice became hardened.

When Meng Wanyu heard it, he smiled suddenly.

“Let me die without a burial place?”

“To tell you the truth, this lady doesn’t know much about you in the summer.”
