

Chapter 3181

Charlie patted his chest and promised: "Sara, you just believe in me and drink as much as you want. With me, it will never influence any business affairs."

Sara hesitated for a moment, but when she thought that Charlie never said irresponsible things, she nodded and said, "Okay, then I'll just listen to you. If I delay the show or make a joke being drunk. I won't go anymore."

Charlie nodded and said with a smile: "Just put ten thousand hearts."

Sara asked Lenan next to her: "Mom, would you like to drink some red wine too?"

Lenan smiled and said, "Of course I have to drink something, it is Charlie's birthday."

After finishing speaking, she looked at Charlie and said apologetically: "Charlie, my condition is a little bit tired recently, and the usual amount of alcohol may not be as good as usual. If I drink less, you will have to forgive me more."

Charlie nodded and asked with concern: "Auntie, your poor condition is due to your recent work, right?"

Philip on the side said with emotion: "Yes! Since I eliminated the threats inside and outside the group, your Auntie has been helping me with company affairs."

"Although my two brothers are much more honest, after the previous things, it is difficult to trust them 100%, so I don't dare to give them important work. Now I am suffering from no trusted staff, so your Auntie has to work harder."

After speaking, he looked at Lenan and thanked her: "My wife, it's been really hard for you during this time."

Lenan smiled and said sincerely: "What's the hard work in this, as long as you are in good health and your career is going smoothly, I can rest assured."

With that, she said again: "I myself am younger than you, so much work is nothing."

Sara hurriedly said: "Mom, after my concert is over, I will go back to help you and dad. I will work hard at that time to make your life easier!"

Lenan smiled and said: "That's really great. When the time comes, our family of three will cooperate, and your dad and I will definitely be able to relax a lot."

At this moment, there was a knock on the door, and Charlie said, "Come in!"

As soon as the voice fell, Orvel dragged a delicate tray with one hand, and walked in by pushing the door with the other.

On the tray, there are three glasses filled with water and a long bundle of fruit knives.

He carefully placed the tray in front of Charlie and respectfully said: "Master Wade, the water and knife you want are here."

Charlie nodded and smiled slightly: "Thanks for your hard work."

Orvel said hurriedly: "Master Wade, you are too polite. If there is nothing wrong, I will go out first."

"It is all good."

Chapter 3182

After Orvel left, Sara asked Charlie, "Charlie, what do you need water and a knife for?"

He smiled and said, "You'll know right away."

Then, he took out a very delicate rosewood box from his pocket.

When he opened the red sandalwood box, Philip recognized the pill in it at a glance.

He knew that this was the miraculous medicine that saved his life at the beginning and even made him younger than a dozen or twenty years old.

Mother and daughter Lenan and Sara witnessed this miracle with their own eyes, so they were naturally impressed by this pill.

However, the family of three didn't know why Charlie suddenly took out such a precious treasure.

At this time, he took out the Rejuvenation Pill directly, and then took the fruit knife sent by Orvel and divided the Pill into three equal parts.

At this time, the family of three finally realized the purpose of what Charlie did.

Philip and his wife Lenan felt some inexplicable tension, excitement, and faint expectation deep in their hearts.

It's not that they have always coveted the Rejuvenation Pill, but that both of them are almost at the age of knowing the fate of heaven. The more they reach this age, the more they long for the youth that has passed.

Usually, they don't dare to hope that they still have a chance to have any contact with the Rejuvenating Pill.

Therefore, seeing Charlie take out one and divide it equally into three, the two of them have realized what he is going to do, and they are naturally excited.

Then they saw him and put these three rejuvenating pills into three cups of water.

It is also amazing to say that this solid rejuvenating pill, as soon as it enters the water, it immediately melts, and quickly dissolves into the water completely.

In the water with the melted rejuvenating pill, there is no color, as if it has disappeared directly into the water.

Afterward, Charlie put the three cups of water and handed them in front of the three of them, and said:

"Uncle, Auntie, and Sara, your bodies are all healthy now. It's just because of the intensity of your work that you are in a fatigued condition."

“The tiredness is slightly more, especially in Auntie it is relatively obvious. After all, you have worked harder during this period, and when Uncle got sick before, you did not worry less.”

“In these three glasses of water, each one contains one-third of the rejuvenating pills.”

“Although it can’t make the three people around 20 years old, it can at least restore the physical, skin, and mental state to five or eight years younger.”

“At the same time, it can greatly supplement the body’s demand for vitality, and it can also greatly improve the energy and physical strength of the three in the future work and life.”

Speaking of this, he looked at Lenan with an excited look, and said with a smile:

“Auntie, if you drink this glass of water, not only will your tiredness be completely relieved, but your skin and body will also be younger.”

“It is estimated that in time, People who don’t know will think that you are less than thirty-five years old!”

“As for Uncle, you may be able to reach 38 or 39 years old.”

“As for Sara, it is estimated that the whole person’s feeling can return to the state of eighteen years old.”

Chapter 3183

Hearing Charlie’s words, Lenan was not only excited, but her eyes turned red.

She was really moved by Charlie.

She didn’t even dream that Charlie would directly take out a rejuvenating pill because of her recent fatigue. This generosity greatly exceeded her normal cognition.

Although Gu’s family is very rich, Lenan and her family’s strength are also good.

However, the more money she has, the more she understands that money is not the most important thing in this world, and those things that cannot be bought with more money are the most precious in this world.

For those poor people whose lives are in a problem, even if they know that their job may seriously harm their body, but in order to support the family, they are willing to exchange their health for this reward.

But for these top wealthy people who have already fully realized financial freedom, what they fear most is anything that hurts their bodies.

And they don’t hesitate to invest a lot of money, just to make their body healthier, and let them live for a few more months, even just a few days.

However, sometimes money is not everything.

Even for a billionaire, by the age of 50 or 60, it is impossible to prevent his body from getting old, it is impossible to prevent his physical strength and energy from declining.

Therefore, something like Rejuvenation Pill has become the most precious treasure in the eyes of the rich.

This is also why Tailai was willing to spend 2 billion in cash to bid for Charlie's Rejuvenation Pill.

The wealthy people who were on the scene that day were still far worse than the Gu family in overall strength.

If a group of top wealthy people of the Gu family's level were brought together, the auction price of a Rejuvenating Pill might even exceed tens of billions.

Lenan understands the value of this Pill, so she is naturally excited and grateful.

Chapter 3184

Philip was even more moved.

After all, Charlie once saved his life and even made him at least ten years younger.

With such great kindness, he didn't know how to pay it off. Now he took out another rejuvenation pill and gave it to his family.

Three mouthfuls, which made him feel ashamed.

So, he hesitated again and again, and said: "Charlie, you are so caring for our family of three. I am really grateful, but this gift is too expensive, I am really ashamed to accept it..."

Speaking of this, he couldn't help sighing, and then said: "It's just that your Auntie is really not in good health recently."

"Whenever I see her working day and night, I feel distressed, so I will take it for you, Auntie. Take this glass of water and keep the remaining two glasses for yourself!"

Charlie heard this and shook his head helplessly and said, "Uncle, just now you told me not to think like outsiders, but in a blink of an eye, you started to see me as an outsider."

"I have already said that this rejuvenation pill is for you, Auntie and Sara, even if you don't feel sorry for yourself, don't think like that for others."

"You still have to think for Sara, she is about to hold dozens of concerts all over the world, she must be very tired from running around."

"Anyhow, none of you have to regret it. Why are you being polite to me at this time?"

Sara hurriedly said: "Charlie, I'm fine, I'm so young, it's nothing like feeling tired at all!"

Charlie said with a face: "Don't fool me here, you forgot how the two of us met again? If it weren't for your stomach troubles all the time, why would you be willing to endorse my product?"

"You are only in your 20s. You already have stomach problems. Isn't this caused by running around and getting tired all day, not eating on time, and having an unhealthy lifestyle?"

Sara whispered a little embarrassingly: "Although I have always had stomach problems, after taking JX Weisan, it is all cured... The big deal is that I will buy more JX Weisan this time to ensure that I won't have stomach problems again.

Charlie said seriously:

"If a person is too tired, it will hurt not only the stomach, but also the liver, and even increase the burden on the heart. For the stomach it is JX Weisan, what about other things?"

"You have to run around this time. After such a long tour, what if something goes wrong while you are abroad?"

As he said, he looked at Philip again, and said solemnly: "Uncle, since you have an attitude like this, I shall treat you the same."

Chapter 3185

Charlie continued: "The plane you gifted me is too expensive."

"It's inappropriate for me to take such a thing, so I will arrange for someone to take down the two engines and you have to take them away?"

When Philip heard this, he was speechless.

Take the engine apart? How can there be such...

Besides, what would be the use of a plane without engines?

However, he was also very clear in his heart that Charlie really regarded his family of three as his own family, so he was so generous to come out with a rejuvenating pill.

Thinking of this, he was deeply moved in his heart, and at the same time he couldn't help but secretly said:

"Charlie treats us as his own family, and naturally I can't see him too much."

"Moreover, he and Sara have a marriage contract, and sooner or later he will be my son-in-law."

"If it is too far-sighted, it would seem that his future father-in-law is not doing things authentically..."

At this point, he sighed softly, looked at Charlie, and said gratefully: "Charlie, your kindness to our family of three will be remembered by me this whole life!"

Lenan also blushed and said, "Yes, Charlie, we are a family of three, and we owe you too much. If it weren't for you, our family would have been ruined..."

Charlie hurriedly said: "Auntie, please don't say that! If you really want to say who owes whom, I owe you, Uncle, and your daughter."

"For so many years, your family had been worrying about me. Worrying about finding me, and even traveling all over the world to find me."

“How can I be this person and worthy of being treated like this by your family! This kindness is more important than Mount Tai in my heart!”

Sara’s eyes were also red. She resisted the tears and said, “Dad and Mom, we treat Charlie as family, and he also treats us as family. This proves that us four are truly a family.”

“Even if Charlie and I are not married yet, he is still our family! As a family, we can’t do anything for each other too much.”

“Let’s not be polite to each other here. If we say too much to be polite, it will be too far-sighted!”

After that, she looked at the three of them and said seriously: “I will leave the words here today, and I will never be polite to Charlie again.”

“He is kind to me, it is my blessing since he is mine. I don’t want to be polite, I just want to enjoy his kindness to me!”

“Of course, I do the same to Charlie, no matter how precious things are, as long as he needs it, I will never hesitate for a second!”

As soon as she finished speaking, she picked up a glass of water and said proudly:

“No matter what you two are thinking, I will do it first!”

Chapter 3186

Seeing this, Lenan picked up the glass and drank all the water in it without hesitation.

Immediately after, she experienced a magical feeling that could not be described in words.

It is a feeling beyond the cognitive range of adults, and a wonderful experience that subverts their worldview.

The pure water she drank is like a spring that moisturizes the dry soil under the quick-release lens.

Under its action, life grows rapidly as if the acceleration button is pressed, allowing the originally dry soil to become lush green in a very short time.

Lenan has seen such scenes in many documentaries.

Place a camera in a fixed position, starting from the withering of everything in winter, and shooting until the spring flowers bloom.

Obviously, it takes a few months, but it is accelerated by the director to fully present it in a few seconds.

In a few seconds, the severe winter will warm giving way to spring, and everything will be changed from inanimate to vitality in an instant.

Whenever Lenan saw that she could feel the greatness of life more clearly, so that every time she saw it, she would lament the miracle of life in her heart.

But this time, she experienced that wonderful feeling in herself, it seemed that her life has become alive again!

The most direct feeling that Rejuvenation Pill brought to her was the rapid improvement of her physical and mental state.

She felt a little tired at first, but now, all her tiredness was wiped out at this moment.

Immediately afterward, she felt that her breathing became smoother as if a patient with a cold has blocked breathing has suddenly become smoother.

She realized that this was probably due to increased lung capacity and rapid repair of cardiorespiratory capacity.

Chapter 3187

The physical function of the average person begins to decline gradually from the age of 20, especially for professional athletes.

The peak state of 16 or 17 is the best, and this peak state is maintained for five years at most, and then it begins to slowly decline.

The main reason for this is the overall decline of physical functions.

Although this decline is slow for ordinary people, if you take five years as a node, you can still feel a huge difference.

At the age of twenty-five, he could run five kilometers in one breath, but at thirty, he might not be able to run three kilometers.

And she is now recovering to the state she was in a few years ago at an extremely fast speed. This feeling shocked her to the core.

Philip and Sara were also watching Lenan's state closely.

They will not know what kind of huge changes Lenan's body has undergone for a while, but what they can see is that her complexion has soon become radiant.

The most amazing thing is that the small crow's feet at the corners of her eyes began to disappear quickly, and the nasolabial lines continued to fade, and it seemed that she is several years younger.

With excitement, Sara stepped forward to hug her mother, choked up and said: "Mom...you became so young!"

Philip couldn't help but exclaimed: "Lenan, you really are a lot younger!"

Lenan raised her head to look at the coated privacy glass in the box, through the light refracted by the coating, looking at herself in it.

She was shocked to speak for a while, and then her eyes were filled with tears unknowingly.

So that the reflection on the glass became blurred.

Philip hurried forward and gently embraced her, while she fell directly on Philip's shoulder and sobbed silently.

He persuaded: "Look at you, you are so young all of a sudden, so many women can't dream, why are you crying?"

She choked and said, "I'm so excited... I was so excited that I couldn't distinguish the reality of dreams..."

"And, I've never had such a beautiful dream... Philip, tell me, what is this? Reality or am I dreaming?"

Philip smiled and said, "Of course this is not a dream. You forgot how Charlie cured me in the first place? The best cancer experts in the world said that I must die."

"I had even been told that there is only one life left. I was making preparations to die, but look at me now."

"I've been completely healed a long time ago, not only healed, but my body is much better than before in life! This is all true, and it's all from Charlie!"

Chapter 3188

Lenan nodded lightly, then looked at Charlie, holding back tears, and said moved: "Charlie, I really don't know how to thank you..."

Charlie smiled and said, "Auntie, you are the best. Staying happy in your long life is the thank you to me."

Lenan was very moved in her heart. While wiping tears from her eyes, she nodded and said earnestly:

"Yes... I will be a hundred years old... With such good children as you and Sara."

"Your Uncle and I must do our best. To live longer with all our strength, one day less is a great loss..."

Charlie hurriedly said at this time:

"Uncle and Sara, you should also quickly drink the remaining two glasses!"

The two came back to their senses, but the more they realized the magic of this glass of water, the more they were hesitant.

Sara always felt that her family of three owed Charlie too much, so she tried to say,

"Charlie, I better not drink it. I'm still young and it's too wasteful for me to drink."

Charlie slapped his face and said seriously: "If you don't drink, then I will throw it away."

After that, he reached out and picked up one of the cups of water, pretending to pour it on the ground.

Sara was startled, afraid that he would really throw away such a valuable thing, so she subconsciously said:

"Don't throw, don't! Charlie, can't I drink it?"

He handed the water glass to her and ordered: "Then stop talking nonsense and drink it now."

Sara nodded, took the glass of water from him with both hands, looked at him affectionately, and said emotionally, "Thank you, Charlie!"

He rubbed his temples and gave a bitter smile.

Philip on the side also realized that being too polite might make Charlie feel alienated, so he also took the last glass of water and said to Sara:

“Sara, this is Charlie’s kindness to us, let’s talk about it. , We are all a family, don’t let him think that we are too far apart.”

Sara nodded lightly and whispered: “Dad, I know...”

Philip smiled and said, “Come on, Dad will make a toast with you. Let’s drink together!”

Sara hurriedly lifted the water cup, toasted with Philip’s cup, then plucked up courage and drank it.

Philip had already experienced the feeling of going back in time, so when he experienced this feeling again this time, although his heart was excited, he was not surprised.

However, Sara was surprised and speechless.

Because, she really didn’t expect that after drinking this glass of water, her body would undergo such a miraculous change.

The whole person’s feeling is really like returning to when she was eighteen years old.

She couldn’t help closing her eyes, carefully feeling every change that happened in her body, and thought to herself:

“If I hadn’t known the magical effect of this glass of water for a long time, even if someone told me that I traveled back to six or seven years back, I would definitely no doubt...”

Chapter 3189

Charlie looked at the three people who were at least five or six years younger physically, mentally, and by appearance, and he was particularly relieved.

After the death of his parents, he has been alone and has never experienced the feeling of having a family.

After marrying Claire, Charlie had a family, but then that family treated him at that time, it was really much worse than outsiders.

Except for his wife Claire who regarded him as a family member, no one else had any. What should a family look like?

Even though his mother-in-law and father-in-law have a very good attitude towards him, he knew very well in his heart that he had exchanged various benefits and favors.

Compared with Philip’s family, it was naturally ten thousand miles worse.

After all, the feelings of Philip’s family of three are from the bottom of the heart, without any interest elements, this is the real and pure family.

Seeing that the mental state of their family has been greatly improved, Charlie smiled slightly:

“Uncle, Auntie, and Sara, this glass of water just now should be able to maintain your current physical state for at least three to five years.”

“During this period of time, your body’s resistance will surpass that of most people, and you will basically not get sick.”

Speaking of this, he added: “But you still have to pay attention to the combination of work and rest.”

“Don’t let yourself become busier and more tired just because your body is getting better.”

The family of three nodded in unison. Lenan wiped away the tears and said soberly:

“Charlie, don’t worry, I and your Uncle, will definitely put the combination of work and rest first in our routine in the future. Otherwise, would we not disappoint This gift...”

Philip also sighed: “That’s right, health is the most important thing!”

Charlie said with a gratified smile: “You two have this knowledge, then I’m so happy.”

As he was talking, Orvel knocked on the door and said, “Master, Miss Gu’s cake is ready. Would you like me to bring it in now?”

Charlie was about to speak, Sara hurriedly said, “Don’t worry!”

After speaking, she quickly said to Charlie: “Charlie, wait for me, I will check if there is any problem with the cake!”

Chapter 3190

Later, Sara said to Philip: “Dad, you turn off the light first, and then turn it on after we finish blowing the candle!”

Philip hurriedly turned off the lights in the box, Sara opened the door to the room and got out mysteriously.

After a while, she gently opened the door, and walked in with a food delivery truck. On top of the food truck, there was a big cake with five layers.

From the 1st to the 4th layer of this cake, 6 candles are inserted in each layer, and the top layer has 3 candles, a total of 27.

What surprised Charlie was that on the top layer of the cake, two very very realistic dolls were made with fondant.

What surprised him, even more, was that the two puppets were a little boy and a little girl.

The boy was a little older, about five or six years old, and the girl was a little bit younger, about three or four years old.

The clothes of these two are very chronological, at least 20 years from this time.

However, even though they were dressed 20 years ago, it can still be seen that the clothes on both of them are very elegant and meticulous.

The poses of these two people are also very interesting. The boy stands in place, and the girl who is obviously shorter on the side is holding the boy's arm shyly.

Looking closely at the two people's expressions, they are also very vivid.

The boy's expression at this time is somewhat dull.

Even a little at a loss, but the girl looked very happy, laughing like a flower.

When Charlie looked at these two lovely dolls, he had had a feeling of *deja vu*, but he couldn't remember exactly where he had seen it.

At this time, Sara beside him looked at Charlie with a smile, and asked, "Charlie, do you see these two children familiar?"

Charlie nodded repeatedly and said, "I'm familiar, and very familiar, but I can't remember where I've seen it all at once."

Lenan on the side smiled and said, "Silly boy, isn't this just you and the girl? This is when you two were young, and it's your 6th birthday!"
