

Chapter 3182– 3183 of A Dish Best Served Cold Novel

Chapter 3182

“But I can tell you without hesitation, except for the Six Pillars of the Martial God Temple, everyone else is in the eyes of this lady, but the firefighter!”

“Shut up!”

“How dare you be disrespectful to Mr. Chu?” Ericson Li Shouted sharply.

“Mr. Chu is majestic and

powerful .” “He once made a thousand people kneel and bow down!”

“You are only a yellow girl, and you dare

to speak wild words?” Listening to Ericson Li’s words, Meng Wanyu suddenly smiled. .

“Unexpectedly, you, an old pussies who are greedy for life and fear of death, are still a bit bloody in maintaining this unwilling villain.”

“However, whatever you say, I still don’t look down on the so-called Mr. Chu. “

Don’t even guard your own women, don’t protect them.”

“What can this kind of man do?”

Meng Wanyu’s words contained a bit of resentment.

After all, in Meng Wanyu’s view, the sufferings of his girlfriends are now bestowed by Mark.

If he hadn’t stolen An Qi’s heart, how could An Qi suffer so much now?

Moreover, if he and An Qi are really in love with each other, as a masculine husband, he should be brave enough to face the thorns of wind and rain with his beloved, instead of hiding in this remote place and acting as a turtle.

“You nonsense!”

“Who doesn’t know about Noirfork, Mr. Chu is a famous wife who loves him.”

“At the top of Yunding Mountain, Mr. Chu’s 100 billion villa is a gift.”

“On the wedding day, Mr. Chu invited all the heroes to congratulate him . !”

“Wife is humiliated, Mr. Chu slaughtered thousands of people on the top of West Lake!”

“Ms. Qiu can marry Mr. Chu, that is the happiest woman in the world.”

“If this is still a heartbreaker, then there is no good man in the world. Now.”

Ericson Li sternly defended.

However, after Meng Wanyu heard it, she suddenly turned around: “What did you say?”

“He is married?”

“Why, don’t you know? Chu has been in a family for a long time, and now, Mrs. Qiu may be pregnant. Therefore, if you have admiration for Mr. Chu, I advise you to die as soon as possible.” Ericson Li laughed, seeming to be deliberately angry with Meng Wanyu.

“Asshole!”

“This bastard, how dare to deceive An Qi’s feelings?”

” Fan An Qi still has a deep affection for him.”

“This kind of scumbag , be frustrated!” After

hearing that Mark has a family, Meng Wan Yu only felt a fire of ignorance, burning in his heart.

Her brows and eyes were icy, her palms clenched tightly.

On the pretty face, there was killing intent.

Subsequently, Meng Wanyu did not stay here again, but turned and left.

“Huh?”

“Where are you going?”

“Didn’t you look for Mr. Chu?”

“Don’t go.”

“Wait for Mr. Chu to come.”

“Let Mr. Chu teach you how to be a man~”

....

Seeing Meng Wanyu’s sudden departure, Ericson Li and others were a little confused. Even though they were hanging from the beam of the room, they still shouted loudly.

“

Okay, don’t say a few words.” “If you really come back and kill you, you will be too late to cry.” Wang Jiexi was blankly stunned by Ericson Li.

Ericson Li sneered: “Don’t worry, I can see that this little girl’s movie is obviously interesting to our Mr. Chu, so she won’t kill us.”

“Did you not see? Just now I said that Mr. Chu is married. At that time, her face was as ugly as a piece of white paper.”

“At this moment, I guess I was crying in a corner by myself?”

“Hey, Mr. Chu, Mr. Chu, how many women’s hearts have you hurt? “

Ericson Li shook his head with emotion.

However, facing Ericson Li’s words, Lei Laosan shook his head and said: “You are so sure that she is hiding and sad, not jealous, and going to Wrilfill to kill Miss Qiu?”

Ericson Li heard this in his heart. Immediately there was a thump, and his face instantly turned pale.

“Broken!”

“Hurry up.. call, let Miss Qiu run away!”

Chapter 3183

Thirty-six counts, take the best plan.

When danger comes, Ericson Li’s first thought is to run.

“You guy knows to run.”

“I don’t think you are called Ericson Li, let Li run.”

Hearing Ericson Li's words, Lei Old San was speechless for a while.

Hearing this, Ericson Li was immediately dissatisfied: "Why, don't you run, do you want Miss Qiu to sit still in Wrifill?"

Ericson Li said angrily.

Lao San Lei shook his head and said, "Today's Noirfork, for Miss Qiu, the safest place is Yunding Mountain."

"Don't forget, Mr. Chu had worked so hard to set up a formation on Yunding Mountain. . " "

As long as Miss autumn been shy away from a villa in the natural security worries. " "

we are now, most should tell Miss autumn, not let her run away, but to be honest she was alone in the villa , Don't go out."

Lei Lao San said in a deep voice.

His words woke up Ericson Li instantly.

"Yeah, why did I forget this."

"Mr. Chu is majestic, and the mountain guards he has laid must be Longtan Tiger's Lair for the mad woman."

"I will contact Miss Qiu and ask her to hurry up. Return to Yundingshan Villa."

Ericson Li said eagerly in his heart.

However, when he reached out for the phone, he remembered that they were still hanging by a rope.

"Ciao, Lei San, hurry up and call someone~"

"Let us down first..."

When Ericson Li and the others were tortured by Meng Wanyu, Helen Qiu was in Edensberg and was invited to participate in an annual meeting of entrepreneurs as an outstanding enterprise in Noirfork Representatives of the home, speaking on the stage, and answering reporters' questions.

As the master of the Mufan Group and the respected woman of Noifork, Helen Qiu has naturally long since been added to her glory, and she has become a model and role model in the eyes of countless young people.

Prestige and power have always complemented each other.

When you stand at a certain height, glory and connections will naturally come in.

Of course, the previous Helen Qiu didn't like this kind of occasion.

She still likes to be quiet, and she likes to do things silently, like this kind of occasion where the form is greater than the substance, Helen Qiu can push and push.

However, I don't know why, after experiencing so many winds and rains with Mark, Helen Qiu suddenly became afraid of being alone.

She would rather work overtime in the company and go outside to participate in social gatherings than to stay alone in the large villa in Yundingshan.

It's just because, whenever she was alone, Helen Qiu would think about it, worried that Mark would be in danger outside, and worried that Mark would not be able to take care of herself outside. Of course, she still missed the teenager endlessly.

If you are someone else, you can also talk to your loved one over the phone or through video.

However, she can't.

Because Mark seldom carries a mobile phone with him. Even if you bring it, it is often turned off, and after a while, it will be lost and damaged.

It's normal to think about it. For the warrior, mobile phones are consumables.

Especially like Mark, he fights with people in two days, and damage is naturally commonplace.

Therefore, in order not to keep herself from thinking about Mark, Helen Qiu could only find things for herself madly.

Only when I was busy, I missed Mark slightly.

After an hour-long speech, Helen Qiu finally got off the stage.

After arriving at the backstage, Helen Qiu took out her mobile phone, only to realize that during this period of time, there were dozens of missed calls, basically all of them were made by Ericson Li.

"Huh?"

Helen Qiu frowned, and suddenly had a bad premonition in her heart.

As a result, Helen Qiu didn't delay any longer, and immediately returned to Ericson Li.

As soon as the phone was connected, I heard Ericson Li's almost burning eyebrows:
"Miss Qiu, you finally answered the phone."
