

# Chapter 3184– 3185 of A Dish Best Served Cold Novel

## Chapter 3184

“What did you do just now.”

“I thought you...”

Ericson Li was anxious and worried, almost crying in his voice.

Helen Qiu was about to explain, and Ericson Li quickly interrupted her.

“Miss Qiu, don’t say anything now.”

“Listen to me, hurry back to the Yundingshan Villa.”

“During this time, if anyone comes to look for, you should not come out.”

“Also, we must let Qinglong , Inseparable from you.”

Ericson Li said anxiously.

Helen Qiu’s heart was raised at the time: “What’s wrong, Second Master. Did something happen to Mark?”

Even at this time, the first thing Helen Qiu thought of was Mark’s safety.

Although Helen Qiu didn’t understand martial arts matters.

But she knew very well that both she and Jiang Dong were under the shade of Mark.

As long as Mark’s majesty is still there, no one will dare to do anything wrong with her or Noirfork.

Listening to Ericson Li’s tone now, it seems that Noirfork is going to make another storm.

Helen Qiu would naturally think of Mark’s safety.

“Miss Qiu, don’t ask~”

“

I’ll talk about specific things later.” “Now you go home quickly~”

“If something goes wrong with you, I will have ten heads, Ericson Li, that’s not enough for Mr. Chu to chop off. Yeah~”

Ericson Li almost cried.

Upon seeing this, Helen Qiu didn’t ask more.

Then, according to what Ericson Li said, he immediately drove back to Wrilfill.

The five Azure Dragons were undoubtedly also informed by Ericson Li and protected along the way.

“Yu Yan, do you think something will happen to your cousin?”

Helen Qiu felt anxious on the way back. The more I thought about it, the more I worried, the beautiful eyes almost became red.

“Also, when your cousin left before, I felt a little weird.”

“He must have done something dangerous without telling me.”

.....

“There must be something wrong now, otherwise. Ericson Li won’t be so anxious.”

“That bastard, why do

you always do this every time~” “Why do you always do dangerous things.”

“Obviously we have everything, obviously he can live with me very happily and happily.” I’m living~”

...As

she talked, tears broke out in Helen Qiu’s eyes.

Denren Ye comforted from the side: “Sister Qiu, don’t

think about it , frighten yourself.” “I haven’t figured out everything yet?”

“Besides, Brother Mark is so powerful, no one in this world has the ability to hurt him. “

What do we do now, wait

until we go home~” In the car, Denren Ye kept comforting Helen Qiu’s emotions.

Outside, the wheels are speeding, and the trees on both sides of the road are backing crazy like crazy.

Finally, in the evening, Helen Qiu and the others rushed back to Wrilfill.

Below Yunding Mountain, everything is business as usual.

Pedestrians passing by are like weaving, street vendors are screaming for their lives, and roadside restaurants are grilling kebabs.

A completely quiet scene of a small town.

However, when Helen Qiu and the others were about to drive directly to Yunding Mountain, they discovered that there was a woman standing in the middle of the road.

The woman has good looks and her skirt is swaying in the wind. He didn't look very old, and seemed to be similar to Denren Ye.

"Hello, please, please."

Denren Ye rolled down the car window and said politely.

The girl was calm and indifferent, through the window of the car, falling on Helen Qiu in the car.

After a brief silence, a cold voice sounded quietly.

"I do not know who is Fan Ye's wife?"

Call ~

cold and windy, roll up thousands of leaves.

When hearing this, Denren Ye and others frowned and immediately became alert.

The temperature here drops instantly.

"Who are you and what are you doing here?" Denren Ye asked coldly when she got out of the car and looked at the woman in front of her.

"Chumen, Meng Wanyu."

"Come for my girlfriend, and ask for an explanation!" The

words were sharp, with a deep chill.

## Chapter 3185

what?

"Trumen?"

"You...are you from the Trumen?"

Hearing Meng Wanyu's words, I followed Mark, who had seen countless winds and rains with Denren Ye, and her heart trembled suddenly, her face pale even if she turned pale. .

Denren Ye has also been practicing martial arts for many years. She followed Lu Tianhe at first, and later joined the Qinglong team, following Mark.

Under the influence of this ear and eye, Denren Ye naturally also heard of the prestige of Chumen.

This is a powerful force that even Mark's brother is extremely jealous.

Therefore, after learning that the person in front of him was from Chumen, Denren Ye felt like she was facing the abyss, walking on thin ice, and her whole person's vigilance immediately increased to the extreme.

Then, without saying anything, he turned around and shouted: "Quickly, send sister Qiu up the mountain!"

"I block her here~" The

words fell, and Denren Ye rushed over.

The cold wind raged and vigorous.

With an explosive blow, it smashed in the direction where Meng Wanyu was.

Although Meng Wanyu didn't do anything first, Denren Ye had already felt the majestic killing intent in the words of the woman before him.

In that case, Denren Ye couldn't take care of that much.

Even if he is a member of the Chu Sect, she must act first to buy time for Helen Qiu's retreat.

"You have the courage, you dare to do it first?"

"However, the moths are going to fight the fire."

Meng Wanyu smiled coldly, and then waved her arms.

A burst of Binglian strength suddenly shot out.

Denren Ye snorted, and the whole person flew out like a broken kite, with a mouthful of red, scattered under the Yunding Mountain.

The gap is too big after all.

Denren Ye and the others, in Noifork where the martial arts are not prosperous, may be regarded as strong.

However, compared with the Chu Sect powerhouse who really stood on the top of martial arts, it was undoubtedly the difference between the clouds and the mud.

What's more, Meng Wanyu's teacher is still the most powerful person on today's list, the master of Chumen, Tang Yun, who has been a teacher for many years. How can Denren Ye and the others who are half-way renounced compare?

"Go, go quickly~"

However, even if Denren Ye fell to the ground injured, she still shouted at the front.

At this time, Croven Li had already closed the car door.

With a kick to the end, the Maybach in front of him let out a beast-like growl.

As the wheels speed, a majestic kinetic energy is about to gush out.

Om~

But at this moment, I only heard a loud sword chant, like thunder running through Changxiao.

Immediately afterwards, a vertical and horizontal sword gas was suddenly cut down.

The bright sword light, like a long rainbow, cuts through the world.

Then, in Denren Ye's shocked and horrified eyes, the Maybach in front of him was directly split in half and dumped to the ground.

The dangling wheels spin so helplessly.

“Sister Qiu~”

Denren Ye yelled in panic when she saw this.

I don't know if it is because of anxiety or fear, but tears are already flashing in the beautiful eyes.

She was really scared, what was wrong with Helen Qiu.

If so, how will she face Mark in the future?

However, what made Denren Ye delighted was that Meng Wanyu's sword just now seemed to have deliberately avoided Helen Qiu and the others, but cut off the car, and did not hurt Helen Qiu and the others.

Soon, Croven Li got out of the car, and then went to help Helen Qiu.

“Ms. Qiu, go

quickly ~” “As long as you are up the mountain, you will be safe.”

“

Leave it to us Qinglong~” In this case, everyone in Qinglong decided to stay and protect Helen Qiu from leaving.

However, Meng Wanyu is so powerful and comparable to a master.

Even Qinglong teamed up, and it was not Meng Wanyu's opponent at all.

After only a few encounters, Qinglong collapsed across the board.

Here, Helen Qiu and Meng Wanyu were the only two left in the world, standing opposite each other.

Behind him, a sea of clouds swept across.

In front of me, there are mountains into the clouds.

At this time, Helen Qiu, as long as she ran a few steps forward, she would be under the shelter of the Yundao Heavenly Jue Formation.
