Chapter 3186

However, this short distance of a few steps is undoubtedly like a chasm to Helen Qiu.

Meng Wanyu stood there holding a sword, which was an insurmountable mountain for them.

“Miss Qiu?”

“Will you go?”

Meng Wanyu looked at the woman in front of her, sneered with a deep chill.

Helen Qiu looked at her with no fear on her pretty face. Instead, she asked, “You just asked, who is Mark’s wife.”

“I will answer you now, and I am.”

“However, you must also. Answer me, I, Helen Qiu, have never known you and never talked to each other. Why did you harm me today?”

Meng Wanyu coldly replied, “You and I have no grievances. However, your man is. I have lost my good sister and deceived my sister’s feelings.”

“A person with a family provokes An Qi from my family.”

“This kind of despicable person will die!”

“I will enter China now. It’s for my girlfriend, and I want an explanation!”

“Now, if you don’t want to die, tell me where he is now?”

“It’s impossible~” Before Meng Wanyu finished speaking, Helen Qiu angrily beat him. Cut off her words, “Impossible, Mark is not the kind of person who provokes flowers.”

“You must be nonsense, I know and love Mark, how can he go to provoke other women.”

“Moreover, I don’t know where Mark is at all. Even if I do, I won’t tell you.”

“I don’t allow anyone to hurt Mark~”

Helen Qiu said firmly and looked straight ahead.

“Haha~”

Meng Wanyu laughed suddenly, and the laughter was sarcasm, as if he had heard the funniest joke in the world.

“It’s really a deep relationship between husband and wife.”

“To the scumbag man, you are willing to die. I am very touched by it.”

“However, I just don’t know, your life and death are in the heart of the scumbag. How much weight.”

Meng Wanyu shook his head and smiled, his tone gradually getting colder.

“What do you want to do?”

Helen Qiu suddenly became alert and asked coldly.

Meng Wanyu did not answer, but instead slapped Helen Qiu out with a palm.

Immediately afterwards, he took her away quickly.

“Ms. Qiu~”

....

“Sister Qiu~”

....

“Asshole, where are you going to take Sister Qiu?”

...

Qinglong everyone was shocked, endured the pain, and pursued.

However, Meng Wanyu’s speed, how can they catch up?

Soon, he disappeared from the sight of Denren Ye and others.

At the same time, this place also left Meng Wanyu’s cold words.

“If you want to save her, within three days, the clouds on the lake, let Mark come to see me.”

“Otherwise, let him to his wife, to remove it right.”

Call ~

The cold wind swept across, engulfing Meng Wanyu’s cold and stern words, sweeping across the square.

After a long time, at the foot of Yunding Mountain, he was calm again.

But Denren Ye and others were at a loss and panicked.

Boom~ After a

short while, a car rang in the distance.

Soon, Ericson Li and the others, who had been running madly for several hours, also rushed to the foot of Yunding Mountain.

Seeing Denren Ye and the others in embarrassment, Ericson Li, Lei Lao San and others, my heart suddenly became cold.

” Where is Mr.

Qiu?”

“

Where is Mr. Qiu?” “Speak!” Li Erhong stared, and rushed over after getting out of the car, grabbing his son Croven Li and screaming like crazy.

Denren Ye and the others were silent and lowered their heads in silence.

“It’s over~”

“We’re all over.”

“When Mr. Chu comes back, we’ll all wait to be buried with Miss Qiu~”

Ericson Li saw this, but his heart was ashamed, and he fell directly on the ground, shouting in despair.

Obviously, Ericson Li thought that Helen Qiu had already died under Meng Wanyu’s.

“Dad, there is still a chance.”

“Miss Qiu is still alive, but was captured.”

“The mysterious woman asked Mr. Chu to meet her on Trivan Lake within three days.”

“Otherwise, let us give it to Mr. Chu.” Miss Qiu

collects the body .” Croven Li whispered, feeling down.

Chapter 3187

After learning that Helen Qiu is still alive, Ericson Li, Lei Lao San and the others only breathed a long sigh of relief.

“It’s good to be alive, and it’s good that Miss Qiu is still alive.”

“As long as Miss Qiu is alive, we can live too.”

Ericson Li repeatedly said, in just a few minutes, for Ericson Li and others, it was like an experience. Life and death.

After all, Helen Qiu is Mark’s wife.

Before leaving, Mark even asked Ericson Li and others to guarantee Helen Qiu’s safety.

In the land of Noirfork, who doesn’t know Mark’s preference for Helen Qiu?

At the beginning, Mark rushed to the crown, but directly destroyed the Lu Family Man Sect.

The water of the West Lake is soaked in blood!

If something really happened to Helen Qiu, Ericson Li had no doubt that Mark would definitely not bypass them.

“But Dad, what shall we do now.”

“Ms. Qiu was taken away, and within three days, I did not see Mr. Chu. Ms. Qiu was afraid

that it would be too

bad .” “We have to find a way.” Croven Li asked anxiously . .

Although Helen Qiu was only taken away by others, and her life was still there, the danger had not been relieved.

The most urgent task is to think about how to save people.

“In this way, all go to my house first.”

“Think about the countermeasures together.”

Ericson Li pondered for a moment, and then led everyone back to the Li Family Manor to discuss countermeasures.

“What are you talking about?”

“That mad woman is from Chumen?”

“This...this..”

“Are you sure?” After

returning to the Li Family Manor, Croven Li and the others told them what they knew about Meng. The identity of Wan Yu was told to Ericson Li and others.

Hearing the word Chumen, Ericson Li's face turned pale with a shaggy face, pale as paper.

“What's wrong with Ericson Li?”

“Do you know this Chu

Sect ?” Seeing Ericson Li's reaction, Wang Jiexi and Lei Lao San were a little surprised and asked very suspiciously.

“More than I know?”

“The Chumen's majesty, I have personally understood it.”

Ericson Li's face was pale, his words were heavy, and his whole body was like an enemy.

“So, this Chu Sect is very strong?” Wang Jiexi continued to ask.

Li did not speak, but nodded heavily.

In this regard, Lei San and the others are not very surprised.

Now that Mr. Chu is famous, those who dare to touch Mr. Chu's family must have extremely high strength and strong background.

"It seems that we have to go to the Noifork defense zone and ask General Lu to help." Lei Laosan said in a low voice.

In their view, such powerful enemies are no longer what they can deal with.

Only the army came forward to fight Trumen.

However, Ericson Li shook his head and sighed, "General Lu is

no longer able to manage this matter." "Ask the military for help."

"This, is help, but also when to Yanjing, the Temple of summer military help."

"Promise big summer, dare tube Truman of things, for fear that it was only a military shrine."

Li said two faint In the old eyes, there is endless dignity and worry.

"Go to the Temple of Martial Arts?" Wang Jiexi and Lei San were immediately taken aback.

"Will they come to help."

"Did n't Mr. Chu just cause them a fight before."

"I heard that they almost demolished their

halls ." Wang Jiexi suspiciously.

Before the Lu family affairs, there was a lot of trouble in the hot summer martial arts world.

Although Wang Jiexi and the others are not in the martial arts, but after all, they are close ministers by Mark's side, and naturally they have heard about it.

Ericson Li shook his head and said: "I don't know."

"But, I have to try it."

"I can't stare here."

"Of course, the most urgent task is to find Mr. Chu quickly."

“In this way, Ziyang, Yu Yan, you take Qinglong and others, and look for them wherever Mr. Chu might go.”

“In three days, you must find Mr. Chu.”

“As for the Martial God Temple, I will go to Yanjing personally See you.
