

# Chapter 3188– 3189 of A Dish Best Served Cold Novel

## Chapter 3188

During the crisis, Ericson Li was also somewhat responsible.

Soon, they worked out a plan, divided the work well, and then went their own way.

Before leaving Noirfork and rushing to Yanjing, Wang Jiexi and Teacher Lei came to Wrilfill to see Ericson Li off.

“Ericson Li, be careful in everything.”

“If Yanjing is unwilling to help, don’t delay, come back as soon as possible.”

“On the edge of the Noirfork, you can’t be without you.” Lei Lao San and the others cared.

Ericson Li nodded: “ah, I’ll be back as soon as possible.”

“This time, you optimistic about Koto.”

“Also, figuring out ways chor contacted as soon as possible.”

“Dependent on the weather reliably by fathers, do not fly “

The most reliable one is Mr. Chu himself!”

“My words, you should be able to understand.”

Ericson Li said solemnly, and said to Lei San and the others in a deep voice.

Lao San Lei and Wang Jiexi both nodded.

In fact, the three of them also knew that the whole Noirfork, who was able to talk to the Martial God Temple, was only Mr. Chu.

When Li Erzhe went to Yanjing, it was more likely that he would never see the people of the Martial God Temple.

After all, Ericson Li and others are also somewhat famous in Noirfork.

Out of the Noifork land, they are all unknown people.

Especially in the martial arts world, Ericson Li and others have no weight at all.

Whether you can see the top of the Wushen Temple, Ericson Li doesn't have much in his heart.

What's more, even if Ericson Li was lucky enough to meet the King of Fighters, would the other party be willing to rescue him?

Therefore, the possibility of asking Wushendian for rescue is almost zero.

Ericson Li also had no choice, so he put on his old face and went out for a fight.

The most practical solution at the moment is to find Mr. Chu and let Mr. Chu solve it himself.

Soon, Ericson Li embarked on the road to the north.

As for Lei San and the others, they stayed behind Noifork and tried every means to find Mark.

However, for two days, they thought about everything they thought of, and everyone who could ask also asked, but no one knew where Mark was.

In desperation, Lei San and the others had no choice but to go slant.

Decided to refer the matter to the media news.

I only hope that Mark can see the news of Helen Qiu's suffering on the Internet.

Just do it.

That night, several major news media in Noifork Land reported on related events.

...

"Lao Wang, have you watched the news?"

"Mr. Chu's wife, was kidnapped?"

"The madman also threatened to meet Mr. Chu on the Trivan Lake."

"Within three days, Ruo If you don't show up, let Mrs. Chu's bones disappear?"

.....

“What?”

“This happened?”

“Who has eaten Xiongxin Leopard’s gall?”

“Mr. Chu dare to provoke?”

“She doesn’t want to live anymore~”

..... In

the land of Noirfork, in the streets and alleys, people are talking frantically about this matter.

In the Internet age, the dissemination of information is undoubtedly very terrifying.

In just a few hours, this matter fermented wildly.

Not only Noirfork, but even people in Jiangbei, Jiangnan, and several provinces in Northeast China have heard of this.

Related topics of major online media such as Weibo and WhatsApp also exploded directly.

.....

Burst! ! The beautiful wife was kidnapped, and her husband’s whereabouts are unknown!

Mr. Chu, the Noirfork boss, fled after hearing the news? Or has it been murdered?

.....

Is it the loss of morality or the lack of humanity?

..... For

a time, the hustle and bustle were everywhere.

All kinds of message speculations are clamoring.

---

“Mr. Jiang Dongchu?”

“Could it be Mark, who made a fuss about me before Jiangbei Budo?”

“His wife was kidnapped?”

“Haha~”

“Good catch, good catch.”

” It is true that the wicked have their own wicked torment.”

“Let’s go, let’s go to Noirfork and watch the excitement.”

“Look at Mark, how to collect the body for her wife.” In the

Jiangbei martial arts world, many people were gloating after learning that Mark’s wife was arrested.

He even rushed to Noirfork in groups just to watch the excitement.

## Chapter 3189

Yenching.

It was late at night, and Xu Lei was still dealing with company affairs in the study.

Suddenly, someone pushed the door and broke in.

“Mr. Xu, something happened to Noirfork.”

“Miss Qiu, I was kidnapped.”

“I asked to see Mr. Chu within three days.”

“Otherwise, I will kill Miss Qiu.”

Assistant Lin Wenjing has a pretty face. Pale, talking to Xu Lei anxiously.

In the words, there is full of panic.

After Xu Lei heard it, she was undoubtedly surprised.

“What?”

“Helen Qiu was kidnapped?”

“When did it happen?”

“How many days before the three-day period?”

Xu Lei suddenly got up in shock and asked several times.

Lin Wenjing looked at Xu Lei and replied in a low voice, "One more day."

Bah~

The pen in his hand quietly fell to the ground.

Xu Lei's face was pale, panic, and immediately got up and left.

"Prepare a car and go to Wrifill."

Although Xu Lei and Helen Qiu don't have a deep friendship.

However, Helen Qiu is Mark's wife.

This alone is enough to make Xu Lei do her best and protect her well.

"Also, contact Patriarch Xue immediately and ask them to take someone to Noirfork to make peace with me."

Xu Lei remained calm and made various arrangements in an orderly manner.

Soon, in the land of Yanjing, there were more than a dozen luxury cars, tearing the night, like a sharp sword, galloping towards Noirfork.

A similar scene was not only staged in Noirfork.

People all over the country moved upon hearing the news.

Thousands of people from all walks of life in Jiangbei and Jiangnan, as well as in the military and martial arts circles, are like hundreds of rivers and seas, all going to Wrifill.

As the saying goes, it will affect the whole body.

Meng Wanyu probably never dreamed that his anger would inadvertently set off such a big wave throughout the hot summer and attracted the attention of the whole country.

From business, military, and even martial arts, big men from all walks of life are competing to come.

After all, Mr. Chu's name is full of Noirfork.

How can the rich and powerful in this province not pay attention?

As for those from other provinces, most of them are martial artists.

In the Jiangbei battle, there were others who drove to Yanshan alone.

Mark's name has long been spread throughout the hot summer martial arts.

Of course, it's not a good reputation.

Up-and-coming stars like Mark can hardly be recognized by the older generations.

In addition, Mark first destroyed the Lu family, and then rushed to Yanshan.

All kinds of extreme behaviors have left a very bad impression on those old powerhouses in the martial arts world.

Arrogance, rebellion, and rebelliousness are the biggest impressions of Mark in the entire hot summer martial arts.

Now that Mark's wife has been arrested, in the martial arts world, gloaters are far more than sympathizers.

Even the Martial God Temple on the top of Yanshan Mountain, the King of Fighters and others, after learning that Mark's wife had an accident, actually maintained an attitude of not having anything to do with them.

"My Martial Arts Temple is the highest authority in the country's martial arts, and it is in charge of the overall situation of the national martial arts."

"It is not Mark's nanny, let alone a charity."

"This kind of personal grievances is definitely not under the jurisdiction of my Martial Arts Temple.

"Naturally, I will pay for my own sins." In the

hall of the Martial God Temple, the King of Fighters who heard about Noifork said in a cold voice, ignoring the matter.

"But the King of Fighters, Mark is our titled master in the summer after all."

"It stands to reason that my Martial God Temple has the obligation to shelter the relatives of the titled strong."

"Now that Mark's wife is in danger, if we sit back and ignore it, it will be no good. "Tang Hao, Grandmaster Haotian, persuaded him from the side.

"There is nothing wrong with it."

"Mark himself is hiding outside without showing up. Why are we outsiders anxious?"

“Moreover, even if our Martial God Temple wants to help, it will have to wait until Mark can’t handle it. , Make another move.” The

King of Fighters said lightly, without any intention of helping Mark at all.
