

# Noble Husband At the Door Chapter 319

Xie Yufu really desired Samuel to scam. This was not worthy of also the smallest bit of compassion for her.

"Kong Wu, she has actually invested a lot of time and energy on you. Don't you feel drawn in to her?" Tian Ling' emergency room claimed with a smile.

He did not have an excellent perception of this lady before, as well as it was also more difficult for him to talk up for Xie Yufu now. Upsetting Samuel suggested annoying the Heavenly Household.

"Miss Tian, such a scheming woman will not have a great outcome even if I marry her," Kong Wu stated.

Tian Ling' emergency room nodded and also stated, "Allow's eat. From now on, stay away from her. Or else, we will certainly be entrapped."

Currently, it could be claimed that Xie Yufu remained in severe despair. She never assumed that the situation would certainly establish to such a significant stage, nor did she anticipate it to be this major. It was since she had told Samuel to scam.

It didn't take wish for Xie Yufu's father, Xie Jinyan, to get here. He was sweating a lot.

When Xie Jinyan saw Manfred and also Johann, he didn't ask what had actually taken place and directly scolded Xie Yufu.

"What did you do to offend Boss Manfred? Why don't you stoop down as well as say sorry to Boss Manfred?" Xie Jinyan claimed madly.

The Heavenly Family was a titan in the business globe of Cloud City, while Manfred was a big shot in the gray area of Cloud City.

With the capability of the Xie Family members, even if it was related to the Heavenly Household, they would not dare to upset them easily. He did not have the right to make the Heavenly Family members take action on part of the Xie Family.

Manfred took down his chopsticks and also put a complete bowl of liquor for Xie Jinyan. He stated, "You should be parched. Let's relieve your thirst initially."

Xie Jinyan desired absolutely nothing greater than to put Xie Yufu to death. If he drank this dish of white wine, he would certainly be sent to the health center, however if he really did not drink it, he would not be able to get away either.

After compelling himself to consume alcohol a whole dish of alcohol, Xie Jinyan still needed to smile as well as claimed to Manfred, "Employer Manfred, this girl isn't practical and also has actually made some errors. Please be magnanimous. If you have any demands, I will definitely please you."

Manfred coldly grinned, put one more full bowl of wine, and also said, "Xie Jinyan, what do you indicate by this, I intend to extort you deliberately?"

Xie Jinyan's scalp was numb, and he fast stated, "Boss Manfred, you misinterpreted, you misconstrued. I really did not imply that."

"After that what do you suggest by that?" Manfred checked out the wine and asked with a smile.

Xie Jinyan had a bitter expression on his face. He had just downed a dish of red wine, as well as his throat and tummy felt like they were on fire. He still had to drink this dish of white wine.

With one more gulp, Xie Jinyan felt that he might nearly spit fire. He promptly said, "Thanks, Employer Manfred, for your great white wine. I actually can not consume it."

"This lady, she has quite a few tricks up her sleeve. Manfred claimed.

Xie Jinyan took a breath a sigh of relief and also said, "Employer Manfred is. Do not fret. I will certainly teach her a lesson."

After leaving the exclusive area, Xie Jieyan fast went to the bathroom to throw up, as well as only after that did she really feel a little far better.

Xie Yufu was waiting for Xie Jinyan at the entryway of the hotpot dining establishment. In her heart, the person that created such a scenario was Samuel.

" Samuel, simply you wait. Don't think that I won't have the ability to manage you even if Tian Changsheng is watching over you. I will absolutely make you regret it," Xie Yufu stated with gritted teeth.

After Samuel and also the various other two had their fill and strolled out of the hotpot restaurant, Kong Wu took the effort to disappear.

He really did not recognize if Samuel had any kind of connection with Tian Ling' er, but he might feel that Tian Ling' er had a special attitude towards him.

" Send me residence?" Tian Ling' emergency room asked Samuel.

" I don't have time. You must return on your own." After saying that, Samuel left by himself.

Tian Ling' er stayed where she was. When the chance was put in front of Samuel, he really did not value it.

" Samuel, do you understand what a gentleman is?" After catching up with Samuel, Tian Ling' er gritted her teeth as well as said.

" Little lady, I'm wed. It's not a good idea if you fall for me," Samuel said with a smile.

She truly liked Samuel, because Samuel showed remarkable quality in all aspects. In her sight, Samuel was nearly the excellent Prince Charming.

Tian Ling' emergency room did not care regarding this. She claimed to Samuel, "I will only allow others fall in love with me. How can I conveniently fall in love with others?"

" Go home. Don't send me off."

Tian Ling'er's face was livid. She maintained drinking her fist at Samuel's back. In the end, she reduced her head as if she was deflated.
