## Chapter 3190

At this time, the staff of the Wushen Temple walked in and reported: “The King of Fighters, there is a man who claims to be Ericson Li outside, who is the subordinate of Grandmaster Wushuang and wants to see a few adults.”

“Nothing to see, tell him, We are busy.” The King of Fighters waved his hand, but directly declined.

“Hmph, Mark is not necessarily qualified to see me.”

“This humble subordinate, dare to come and beg to see me?” The

King of Fighters Mo Gucheng sneered, but he didn't know the name of Ericson Li. People don't even think about it.

“We've already said it.”

“But he still won't leave, insisting on seeing you.”

“Moreover, he has been waiting outside for nearly two days.” The staff member said again.

“Really?” Mo Gucheng laughed back, “Since he is willing to wait, then wait and go.”

“I'm waiting for everything, but I don't have time to take care of these idlers.”

Mo Gucheng said lightly, in the words. The contempt and aloofness are undoubtedly extremely vivid.

And an old man under Yanshan, dressed in dusty clothes, his old face was very ugly, and the whole person turned around in a hurry.

It has been two days, and tomorrow is the last day.

But Mark still had no news.

As for him, there is no progress at all.

Ericson Li originally thought that relying on Mark's reputation, the Martial God Temple would have to see him no matter what.

If you don't look at the face of the monk and the face of the Buddha, Ericson Li may not be considered a fart in front of these most powerful people.

But Mark, there is always some weight.

But Ericson Li never expected that the people of the Martial God Temple would not even show him face to face.

This undoubtedly made Ericson Li very helpless.

Even if he has a thousand words in his heart, there is nowhere to speak.

“Mr. Chu, Mr. Chu, where are you?”

“If you are always there, would I, Ericson Li, come here to suffer this foreign crime, do you look at the face of the person?”

At the foot of Yanshan, Ericson Li was crying with his old face, like a man who fell into the water. , Crying helplessly.

Just like this, one night passed quickly.

In a blink of an eye, it was the last day of the three-day agreement.

Noirfork Wrilfill, beside Trivan Lake.

At this time, it was already full of people.

There are citizens nearby, and strong people from other places have heard the news.

Thousands of people blocked the entire Trivan Lake surrounded by water.

In the center of Trivan Lake, there is a small boat standing horizontally.

Like duckweed, floating on the vast cloud lake.

On the boat, carrying two people.

One of them, in a fluttering red dress, sat on the bed, closed his eyes and rested.

On the other hand, with red lips like fire, eyebrows like ink, his face can be described as intoxicating.

This person was naturally Helen Qiu who had been arrested for a few days.

Helen Qiu now has a pale face.

Because these days, they have been in the middle of the lake without eating.

At most, it added some moisture.

People of Meng Wanyu's martial arts system are naturally fine.

But Helen Qiu was a weak woman, but her body couldn't bear it.

His pale pretty face was like a candle in the wind, weak and haggard.

“Who are you guys on earth?”

“Where did Mark offend you?”

“Why did you kill him?”

Helen Qiu kept asking questions these days.

But Meng Wanyu turned a deaf ear to it and never paid attention to it.

Until now, seeing that Helen Qiu was still caring about Mark, Meng Wanyu, who had been silent for a long time, replied coldly: “It’s up to now, are you still caring about him?”

“Persuade you to care about him.” Yourself.”

“If he doesn’t come, you will only have one day’s life.” The

indifferent words sounded quietly.

But Helen Qiu was not afraid at all, and replied without changing her face: “I know, you won’t kill me.”

“Huh?” Meng Wanyu’s eyes suddenly opened, “Are you so sure?”

Helen Qiu Nodded: “I can feel that you are not a bad person.”

“The reason you kidnapped me is just to lead him.”

“Even if he doesn’t come, you won’t kill me.”

## Chapter 3191

Helen Qiu’s words surprised Meng Wanyu slightly.

“I thought that a woman like you who is blinded by emotions must be a foolish person.”

“But now it seems that I am superficial.”

“You are right. I am here in the hot summer and will kill you .” It’s not my intention.”

“I kidnapped you really to bring out the person who is unhappy.”

“Don’t worry, Meng Wanyu will not kill innocent people in this life.”

“This matter has nothing to do with you.”

” When the three-day limit arrives, even if he doesn’t come, I won’t kill you.”

Meng Wanyu said coldly, speaking indifferently, just like the undulating lake under his feet.

Speaking of this, Meng Wanyu quietly turned her head and looked at Helen Qiu in front of her with her beautiful eyes, saying meaningfully.

“However, Miss Qiu, you are not yourself curious, how much weight do you have in that person’s heart?”

“If he cares about you, he will arrive as scheduled.”

“If he doesn’t come after the three-day limit, then It can only prove that Miss Qiu’s entrustment is not human.”

When Helen Qiu heard the words, she hummed, “I don’t need anything to prove the relationship between me and him.”

Meng Wanyu suddenly smiled.

Helen Qiu was very uncomfortable with a bit of teasing and sarcasm in the laughter.

“What are you laughing at?” Helen Qiu dissatisfied.

“I laugh that you are too stupid.”

“You are, and so is Angie’s silly child.”

“It’s all played around by a bad-hearted person.”

“It’s just that An Qi’s silly girl, I’m afraid I’m still waiting for him across the ocean to see her. As everyone knows, they have already married a wife and set up a family.”

Meng Wanyu sighed. In the words, there is sympathy and pity for my good sisters.

However, at this time, how much Meng Wanyu pityed An Qi, and the hatred for Mark was so strong in his heart.

In fact, it stands to reason that Meng Wanyu should turn around and go back the moment he learned that Mark was married and married.

After all, they are already married, so whether An Qi is married or not has nothing to do with them.

If I stay entangled any more, I will feel a little unwilling to let go, and a little bit angry.

However, Meng Wanyu was just out of anger.

She traveled thousands of miles across the sea, not reconciled to this end.

Therefore, she needs to see Mark.

Quan, when he is on behalf of An Qi, like this unsuccessful person, want an explanation!

However, Meng Wanyu only knows that An Qi has an affection for Mark, but he does not know that Mark has never given An Qi a lifetime promise.

From beginning to end, An Qi was just a friend who met by the water to Mark.

The relationship between them is not what Meng Wanyu imagined.

However, only Mark and An Qi knew about these things.

They didn't say that Meng Wanyu naturally didn't know that he had misunderstood Mark from beginning to end.

Time, one minute and one second passed.

Undoubtedly, more and more people gathered near Trivan Lake.

The hustle and bustle of the crowd is full of noise.

Moreover, it is almost six months now.

For the north, the rainy season is approaching.

Today's whole Noirfork area, the sky is very gloomy.

The land of the rivers and seas has long been raining torrentially.

Wrilfill is better, only dark clouds are all over it, and the sky is deep.

The rain has never come down.

“Huh?”

“Helen Qiu, his father, come and take a look.”

“What happened?”

“Why are there so many people here.”

“It's going to rain soon. Don't worry about going home. What are you all gathering here? “

At this time, outside the crowd, there was a gorgeously dressed woman passing by.

This woman was wearing an embroidered long dress that is the favorite of middle-aged and elderly women and wearing a black sunhat as if she had just returned from a trip. At this time, she was holding a half-eaten hamburger in her hand.
