

## Chapter 3201

When Harold heard these words from Old Lady Willson, he became excited and said excitedly, "Grandma! If it's really like you said, that's really great!"

"I've always felt that that son of a b!tch Charlie is going to get hit by a thunderstorm sooner or later, so it seems that this is the signal before the thunderstorm!"

Mrs. Willson's expression surfaced a bit smugly: "Their family has been doing so well for more than a year, all because of Charlie's deceitfulness!"

"In the past, those Feng Shui masters and masters of metaphysics have been collecting a lot of money from the pockets of rich people, but none of them have ended up well! I think Charlie will also be finished!"

Harold's body twitched with excitement and said, "If he really fails, I think their family will soon be finished! Maybe in a few days, that White family will have to come and take back this villa!"

Noah, who was lying on the side, said excitedly, "Oh, if that's the case, the wind and water will really turn! It's best if Charlie hurriedly fails, then their family has nowhere to go, fall into the streets, then we will watch their family's joke!"

Speaking of which, he couldn't help but say with pride: "Thirty years of the river east, thirty years of the river west! They certainly can't imagine that our family can still survive."

"Now Wendy has a valuable person to help her, and she manages the biggest ceremonial company in the whole city.

Mrs. Willson laughed and said, "Wendy is a real fighter! Starting from nothing, she was able to make a company the number one company in the whole city, she alone is much better than you two!"

The old lady Willson looked at the two of them and said angrily, "Speaking of which, you two are really a pair of wastes! I asked you to clean up Elaine, but you two got yourselves crippled and are now lying in bed, asking me, an old woman, to carry you for sh!t and ur!ne! This is outrageous!"

When these words came out, Noah and Harold looked at each other, and they could see the endless embarrassment in each other's eyes.

It was true that the male members of the Willson family did not have much ability and capacity.

Although Noah is the eldest son and has always been highly valued by the old lady, this person is essentially a straw man, belonging to the kind of half-bottle wobbly master.

As for Harold, the eldest grandson, is more rotten mud can not support the wall, the standard useless, good for nothing, pretending to be the first.

The two of them have done so many years in the Willson Group, basically did not create any performance, the top of the Willson Group was the old man Willson who took the Wade family's severance pay, and fought for half a lifetime to progress, since his death, the assets continue to shrink, until the bankruptcy and liquidation.

## Chapter 3202

At this time, Mrs. Willson saw the father and son did not speak, helplessly shook her head, sighing: "I do not know what the Wendy is to that nobleman in the end, listen to her words, the other party is very capable."

"He directly took the company from its previous owner and gave it to Wendy to take care of!"

"And her previous boss, not only did not dare to put a f\*rt, but also willingly went to KTV as a turtle! Dealing with the people is such an art, can't say how capable this person must be!"

"Yes!" Noah also could not help but sigh: "I heard that Wendy's previous boss is still struggling with his life. He must not have expected someone to bend his wrist and clean him up for his words."

"I think that the noble person must know one of the most important people in the city's underworld, maybe he is a young master of a big family!"

Mrs. Willson said, "If only Wendy could get together with that nobleman, what our family needs now is a good backer!"

Noah nodded gently and said, "I see Wendy's eyes shine every time she mentions that nobleman, so maybe she has long been secretly in love with him."

"Hmm." Mrs. Willson nodded and said, "I can also see what you said, but she has been unwilling to reveal the identity of that nobleman, so I, an old lady, can only be anxious."

Then, Mrs. Willson said, "Right, Noah, you should talk to Wendy alone later, and ask her how far she has progressed with that nobleman, and if it's still unclear, let her speed up a little bit."

Noah said awkwardly, "Mom, how can I talk to Wendy about such things?"

Mrs. Willson blurted out, "You are the only one who can ask the most appropriate question, because of your matter, Wendy has always had some opinions about me, so if I ask her, she will definitely not be able to open her heart with me."

Harold immediately volunteered to say, "Grandma, why don't I talk to her, we don't have any generation gap, and it's easier to communicate."

"You quickly pull back!" Mrs. Willson gave him a white look and said, "Just that expression ability of yours, I can't find anyone worse than you in the whole Willson family!"

Harold immediately said in disbelief, "Grandma! What do you mean by that? What's wrong with my ability to express myself? I think I'm quite eloquent!"

Mrs. Willson said unhappily, "If you were really articulate, Elsa would have become the daughter-in-law of our Willson family! If you had held on to her, our family would not have been reduced to this state!"

Speaking of this, she said in exasperation, "But Harold, you have no other skills, but your ability to fan the flames is still very good!"

"If you hadn't slandered Claire in my ear, I wouldn't have gone back on my word and given you the directorship I promised her!"

“Originally Claire is a puppet, in addition, to let her divorce Charlie she did not listen, other than that she did what I told her to do, it was because of that time by your compulsion, this girl began to develop a backbone, even seeing me on the streets and she was not moved!”

Speaking of which, she looked at Harold, very dissatisfied, and said: “Harold, the three words “unworthy of reuse”, that is you!

Harold didn’t expect that his grandmother would rebuke him, so he was speechless for a while and could only lower his head in shame.

Noah hurriedly said, “Mom, don’t say anything about Harold, we had a miserable life some time ago, but honestly, who doesn’t have some hardships in their life?”

“Look at my younger brother and his family, they had a hard time in the first few years, but they have slowly gotten better since then.”

“Wendy’s career is going smoothly now, if she has a good harvest in love and career, maybe our family will rise again!”

Hearing this, Mrs. Willson could not help but sigh: “Hey, I used to think that my grandson is good, and he is my own person, but now I see that my granddaughter is much more reliable than my grandson!”

After saying that, she spoke again and lamented, “If I had known that Wendy had such strong ability, I should have given the company to Wendy to take care of it more than a year ago, maybe the Willson Group wouldn’t have gone bankrupt today.”

### **Chapter 3203**

Mrs. Willson’s emotion made Noah and Harold, the father and son lower their heads in shame.

Seeing the two of them in such a weak state, Mrs. Willson felt a burst of contempt in her heart, so she stood up for a long time and said,

“You two lie down in bed, I’ll go to Charlie’s house and go around!”

Harold asked, “Grandma, what are you going to Charlie’s house for?”

Mrs. Willson snorted coldly, “Humph! What else can I do, of course, I’m going to mock them!”

Noah said with some concern,

“Mom, the matter of Charlie’s downfall is, in the end, only a speculation on your part, it has not been confirmed yet, if you go to trouble them now, in case Charlie has not yet failed and cleans us up by hand, wouldn’t that be an unwarranted disaster?”

Mrs. Willson said disdainfully,

“My old lady’s wise eyes, when have they ever looked wrong? I told you that your wife is unreliable and asked you to transfer all the money to me, but you didn’t believe me, look, your wife has run away now, right?”

Speaking of which, the old lady couldn't help but gnash her teeth and curse: "Shameless bltch, just ran away, how dare she steal my money! If that bltch doesn't die, it's like God doesn't have eyes!"

Noah couldn't say anything at once.

His wife's matter really made him lose face.

Stealing the old lady's money was a minor matter, but the fact that she secretly conceived someone else's child and infected himself with a disease was what he hated the most.

Harold spoke up at this time:

"Grandma, this kid Charlie has always been very evil, sometimes the more you think he is going to be finished, he can play out."

"So I think we should keep a low profile, and when he really falters, then it's not too late to mock him!"

Mrs. Willson was in deep thought for a moment.

She was so stimulated by Charlie in her heart that she had been trying to find an opportunity to make a clean brea5t of shame for him.

However, she also admitted that her grandson, Harold, did have a point, this guy Charlie was always inscrutable and did not play by the rules, so she really had to be more careful and must not be sloppy.

So, she thought about it and said, "Let's do it this way, I'll go to their home first and explore the truth!"

#### **Chapter 3204**

Harold hurriedly reminded, "Grandma, you must be careful!"

"Don't worry." Mrs. Willson waved her hand: "I know what's going on in my heart."

Saying that, she suddenly remembered something and said through clenched teeth,

"No! Since today is Charlie's birthday, how can I go empty-handed? I have to go to the vegetable market and buy two catties of leeks and take them to him!"

Harold was confused and asked in amazement, "Grandma, why do you want to give Charlie leeks? Claire didn't give Charlie a cuckold."

Harold just mentioned the cuckold, Noah felt his head was so green that it glowed, and angrily cursed, "Don't mention the cuckold in front of me!"

Harold looked resentful, and Old Lady Willson said, "When Charlie used daffodils to pass off as leeks, he made us vomit and diarrhea and we were pulled to the hospital for emergency treatment, this revenge, I have always remembered!"

Harold recalled the time when he was incontinent at home, his body shivered, and said,

"Grandma, I also always remember this revenge, but you can't solve this problem by buying two pounds of leeks!"

Mrs. Willson gritted her teeth and waved her hand, "It's just that, I'd better go and feel their bottom first!"

After saying that, she stepped out of the bedroom.

The old lady Willson, who had always been proud, had experienced a lot of human warmth since she had fallen on hard times, but what angered her the most was how the Charlie family did not care about her.

Originally, the family also gave her some face, but when she was bent on seizing the villa of the family, she ended up completely torn with the four members of Charlie's family.

Since then, she had been in jail, fallen, and even reduced to pulling plastic bags for customers at the supermarket, the Charlie family has not reached out to her, especially Jacob treated her like air at the supermarket, which makes her hold a grudge to this day.

Soon, Mrs. Willson came to the door of Charlie's house in an aggressive manner and directly pressed the doorbell.

Inside the villa, after Charlie put the cake into the refrigerator, he went back to the living room, where Claire and her parents were still busy in the kitchen.

At this time, he heard the doorbell, so he got up and went to the front door.

### **Chapter 3205**

He glanced at the monitor and found that the one standing outside the courtyard was, surprisingly, Mrs. Willson, so he asked in a cold voice, "What do you want?"

When Mrs. Willson heard Charlie's voice, she coldly snorted and said, "Let me in, I want to see Jacob!"

Charlie casually said, "Sorry, you are not welcome here, hurry up and leave, or I'll find the property security!"

"You!" Mrs. Willson angrily scolded: "This is my son's home, you say you are not welcome? I still have to go in today!"

Charlie laughed and said,

"It's true that my father-in-law is your son, but you have to be clear, this is my home, the house is registered in my name, the property rights belong to me, so if I don't let you in, you just can't enter, understand?"

Mrs. Willson was furious at Charlie's words and said,

"Charlie! Do you really think you are still the same bullish Master? Don't think I don't know that you, a charlatan who makes a living by shaking things up, is about to fail!"

Charlie couldn't help but laugh and asked, "Really, who told you that I'm about to fail? How come I didn't even hear about it myself?"

Mrs. Willson sneered, "Charlie, you think your little thing can escape this old woman's golden eyes?"

Speaking of this, the old lady said with a contemptuous face,

“Yes! you admit it! You did fool a lot of rich and powerful people before, but you should know, which of these people is not a dragon and a phoenix among people?”

“They will be deceived by you, just for a moment, they are blinded by you, they can’t be unable to see the truth for the rest of their lives!”

At this point, Mrs. Willson looked him up and down and asked with a sneer,

“During the New Year, I saw that many people came to your house to give you gifts, how come you have a birthday today and no one has come to your house to give you gifts?”

“What is the reason for this, you do not know in your own heart? Still playing dumb with me here!”

Charlie burst out laughing.

It turned out that Mrs. Willson concluded that the basis for his failure was because no one came to his door to give him a gift today.

This is really a leaf blindfold, do not see the mountain, slippery world of the big joke.

However, when you think about it, in fact, life relies on this so-called “experience”, a blind eye to judge a person’s things, is too much.

In life, just to see others drive luxury cars, think the other party has big money, a rich generation, and then a mind to go around the backward, and finally be cheated of money and even s3x victims, are not a few.

Charlie still remember reading news, a hanger-on bought a domestic cross-country, and then burst into a Mercedes-Benz G, posing as a rich young man while talking about a dozen girlfriends.”

“Each girlfriend as long as they see him driving a fake G, immediately identified him as a super-rich, and then he was cheating money and s3x, and even a few women not to mention the lost money, but also pregnant.

He thought that only women with love in their brains would make this kind of mistake, but he did not expect Mrs. Willson, who is so old, could be so stupid.

The reason why no one came to the door to give gifts today, it is because they have long greeted in advance, otherwise with today’s schedule.

After dinner to go to see Sara’s concert, time is so rushed, and then a bunch of people come to the door to give gifts, that really would be anxious.

Only, how does Mrs. Willson know this?

She relied on her own experience in the marketplace to judge that Charlie will soon be cold, so this is why she thought to come over to properly taunt and mock, a throw shame.

Seeing that Charlie did not say anything, she felt that her guess was 100% accurate!

So, she looked at him with a disgusted face and said,

“I think this villa of yours will be taken away in a short time, and if your family is on the street then, don’t say I don’t take care of you as a grandmother, you let Claire come back and kowtow to me, and I’ll let Wendy arrange a job for her as a courtesy lady!”

Mrs. Willson said with a smug face: “By the way, I forgot to tell you, our Wendy is now the GM of the largest etiquette company in the city and her future is bright!”

### **Chapter 3206**

The reason for this is that the lady Willson came to have some fun with him, but it was because of Wendy.

She certainly does not know that the reason why Wendy was able to leap from bullying Miss Manners to become the general manager of Shangmei Etiquette Company is entirely that he saw her pity situation and gave her a chance.

Hearing this, he looked at Mrs. Willson, just like looking at a stupid old monkey, and said playfully: “Mrs. Willson, the most failed point in your life is short-sightedness, but if you can look deeper, the Willson family would not have fallen to this point today.”

Then, he said seriously: “If you still want to continue to have the soup, then remember that in the future it is our family’s well water, but if you can not do this, then maybe you will not have the opportunity to continue to live here.”

After saying this, Charlie was ready to close the door, but unexpectedly, when Mrs. Willson heard this, she immediately became anxious and hurriedly stepped forward and blocked the doorway, cursing offhandedly,

“Charlie! How dare you preach to me, what are you? If it wasn’t for my old man who brought you back from the construction site, you might be begging for food now, and you dare to call me short-sighted? Do you think my Willson family’s previous foundation came from the wind?”

Charlie shook his head and said, “I don’t know if the foundation of your Willson family was blown by the wind, but now it has been lost by you, the Willson Group should have been liquidated long ago, right?”

If I guess correctly, you should still owe a lot of money on the bank side, otherwise, your old villa will not be seized by the bank, now you can temporarily live in this villa given by others, what else do you have? If not for Wendy’s ability to earn more money now, you would still be pulling plastic bags in the supermarket, right?”

Mrs. Willson didn’t expect that Charlie would poke her in the heart with every word. The bankruptcy of the Willson family was the one thing she couldn’t let go of deep down, while being forced to work in a supermarket was the one thing she felt most humiliated about deep down.

Angry and frustrated, she said: “Charlie! Don’t be complacent too early! It won’t be long before you’ll be thunderstruck! I’ll be waiting to see your family’s joke then!”

Charlie nodded and laughed: “Welcome, but I’m afraid that you, old woman, won’t be able to wait until the day I get that, so it would be a pity if you can’t witness it?”

Mrs. Willson gritted her teeth and sneered, "I think you'll only be here for a month or two! When those rich people react, not only will they take back all the money you cheated them out of, they will also send you to jail and sentence you to life imprisonment!"

The more Mrs. Willson said, the more furious she became, and continued to curse as if she was on top of her head: "By then, Jacob and Elaine, as your accomplices, will definitely not end up well either!"

She said, panting, "Right, I almost forgot! There is also Claire!"

Charlie's eyes suddenly turned cold as he stared at her and said in a cold voice: "Old lady, it is because of Claire's face that I am reserving the last point of tolerance for you, but if you dare to speak out against her, don't blame me for not showing mercy!"

"Aigoo! Do you think I'm an old woman who's scared? I've even been in jail, how can I be afraid of you?"

When lady Willson saw that Charlie seemed to be very sensitive to her mention of Claire, she immediately thought that she had caught Charlie's sore spot, so her anger suddenly became even more arrogant.

### **Chapter 3207**

Just as she was about to target Claire and make a good dig at him, she suddenly heard someone shout out, "Grandma! What are you doing here?!"

The one who spoke was actually Wendy!

Today is the weekend, Wendy originally did not have to go to work, but because there are more students at the training school, so she specifically went over to keep an eye on the professional class for half a day.

The first thing you need to do is to get a new one.

Although Wendy knows very well, with Charlie's current economic strength, a Hermes belt in his eyes is really nothing.

But for the current Wendy, this is one of the few luxury items she can afford.

After all, she now earns money alone, four people eat, and her father and brother still need quite a lot of convalescence money, so she herself has been frugal, it was not easy to save this more than eight thousand dollars.

After she had the shopkeeper help to wrap the belt, on the way back she had been thinking about how she should hand the gift to Charlie.

After thinking about it, she planned to put the gift in the mailbox in front of Charlie's house, and then send a WeChat to Charlie to come out and get it himself.

She felt that this was relatively safe and would not be known by others, especially her sister Claire.

Moreover, if Charlie was not willing to accept his gift, he would not have the opportunity to reject it face to face, and more or less leave herself some leeway.

However, when she was about to pass by his door, she heard her grandmother's furious voice from quite a distance, and when she took a closer look, she saw her actually blocked Charlie's door and quarreled with him!

This scared Wendy's soul half off!

So, she hurriedly stepped on her high heels and ran all the way to the door of Charlie's house, dragged Mrs. Willson, and pulled her without saying anything: "Grandma, come home with me!"

Wendy, after this period of training, can now be said to be very discerning, she saw the old lady to find trouble with Charlie, she knew that the old lady must have caused big trouble, this kind of time must not continue in front of Charlie's house and her tussle, or her emotions up, excited, otherwise, don't know what will she say to Charlie in anger.

Therefore, the best way is to get the old lady away first, and then find a way to apologize to Charlie!

Mrs. Willson didn't expect Wendy to come back at this time, and when she saw that she was pulling herself to leave, she hurriedly said, "Hey Wendy, don't pull me, I'm telling you, this guy Charlie is about to get caught, what are you afraid of him for? Maybe in a few days, their family will ask us to take them in!"

Wendy felt her back full of cold sweat, blamed off the mouth: "Grandma what are you talking nonsense! Brother-in-law is so powerful, how can he fail! You quickly apologize to brother-in-law, let's hurry home after apologizing, don't give him a hard time here!"

Mrs. Willson raised her eyebrows: "What? Let me apologize to him? He is a liar who is always trying to cheat, how can you ask me to apologize to him? How dare you ask me to apologize to him?"

"I'm telling you, Wendy, you were deceived by the illusion of his previous call to action! Look at his birthday today, not even a single person came to his door to give him a gift, what does this mean? It means he is no longer able to do it! Maybe he'll be reckoned with in the future!"

Wendy knew very well that Charlie's connections in the city were extremely strong, so how could she just say that?

If he really is failing, then Shangmei etiquette company's ex boss must be the first time to come back to find the company to snatch back.

So, nothing else to see, as long as he has not come to find her, then Charlie is certainly not likely to face any trouble.

The only possibility is that her grandmother is in big trouble again!

## **Chapter 3208**

Seeing her grandmother's arrogant appearance, Wendy was afraid in her heart and hurriedly said, "Grandmother! How can you be so rude to brother-in-law! Hurry up and apologize to him!"

Mrs. Willson listened in awe and said, "Wendy, are you out of your mind? Has our family suffered less from his bullying?"

The old lady said with righteous indignation and reprimanded: "Don't you forget! Your mother was sent to the black coal kiln by him!"

"If he hadn't sent your mother to the black coal kiln, your father and your mother wouldn't be in this situation today! That shrew Elaine would not have had the chance to humiliate your father by hanging green hats all over the balcony!"

"Also, have you forgotten what happened to you and me, when we were taken into custody? That is not all thanks to him?!"

"Now that you have a chance to take revenge, you not only don't help me, but also turn your elbow to this son of a b!tch, you want to kill me!"

Wendy's expression suddenly became very ugly, and she said very seriously, "Grandma! You are so old, why don't you still have a correct sense of right and wrong?"

"You are right, my mother was indeed sent to the black coal kiln by my brother-in-law, but have you ever thought about why she was sent to the black coal kiln by him? If she hadn't made a game with that woman, pitted all of Elaine's money not to mention the brother-in-law's villa, he wouldn't have been able to punish her that way!"

"And the two of us into the detention center, that incident, in the end, is also our own blame, the villa was given to brother-in-law, but you wanted to take over, repeatedly come to trouble, you also encouraged brother to come over to the old housekeeper of Solmon at that time, we were not sentenced, is already brother-in-law's extra-legal grace! "

Mrs. Willson stood dumbfounded as if she had been struck by lightning.

She looked at Wendy, unable to say a word for half a day, while her whole body was already trembling violently because of her anger.

Half a day later, she pointed at Wendy and said in the utmost pain, "Wendy ah Wendy! What kind of mesmerizing soup have you been given by Charlie? You have always hated him, so why are you starting to speak to him now?"

Wendy looked at her and said without flinching: "Brother-in-law didn't pour me any soul-soup, and I didn't speak to him, I just saw the truth of the matter itself!"

"Previously a thousand mistakes, it is our fault, I am sorry to my cousin, but also sorry to brother-in-law, we hurt and failed them again and again!"

"You ..... you f\*rt!" Mrs. Willson was so angry that she almost had a heart attack, trembling and pointing at Wendy, angrily rebuking, "Have you forgotten how Charlie plotted to harm our family?"

"We almost lost half of our lives when we ate the dumplings wrapped by the daffodil! Is this not a blood feud now?!"

Wendy shook her head and blurted out, "Daffodil was planted at home by brother-in-law, and you stole it as leeks to eat, which is theft itself! Stealing other people's things to eat, eating poisoning is also entirely your own fault, what does it have to do with him?"

Mrs. Willson was furious, her face red and neck thick, gritting her teeth and cursing, "You ..... you are trying to kill me, you! If you continue to favor him, then I won't have you as my granddaughter!"

Wendy was not willing to show weakness and shot back, "If you don't apologize to brother-in-law, then I won't have you as a grandmother!"

Mrs. Willson was stunned and cried out, "Wendy, are you crazy? What's so great about this guy that you're willing to turn against your grandmother for him?"

### **Chapter 3209**

Wendy's red eyes, emotional roar: "To be honest I've long had enough of you bossing me around!"

"You were the one who made me go with Gerald, you were the one who made me go with Fredmen, you were the one who caused me to lose my reputation, caused the Willson family to go bankrupt, and caused me to be forced to work as a courtesan to support my family!

"I have been suffering for more than a year, and a large part of it is because of you! You don't repent, but now you want to force me to turn my back on my brother-in-law who has been so kind to me.

Mrs. Willson also broke down and cried: "In the past, grandmother certainly did something wrong, you can blame grandmother, I have nothing to say, but I have loved you for so many years, do you not know how to be grateful?"

"You don't know how to be grateful to me, but you even said that Charlie has a kindness to you, you talk like this, don't you think you are losing your conscience?"

The angry Wendy said without thinking, "Of course I don't feel guilty! When I was forced to sign a contract of sale at the ceremony company, it was brother-in-law who rescued me!"

Wendy said, with tears in her eyes, continued, "Brother-in-law not only saved me, but also drove away the black-hearted boss and his girlfriend, and restored the freedom of all the other sisters who were forced to sign the deed together!"

"And, I tell you the truth, it was brother-in-law who gave me the Shangmei Etiquette Company to take care of! What I can have today, it is all because of brother-in-law's care! The nobleman I am talking about is him!"

When Mrs. Willson heard this, her whole body was shocked, and her eyes could not wait to fall to the ground.

She had never dreamed that the noble person that Wendy had met was Charlie!

It is ridiculous that she thought that Wendy had climbed up to a nobleman, Charlie instead might have to falter, so she ran over to him for a round of mockery, but did not expect that the reason why their family still has food and drink is that he rewarded them a mouthful of food!

At this time, Wendy more and more excited, to the old lady Willson, said loudly: "Shangmei etiquette company can do so much so quickly, and it is not because of my capabilities."

“It is brother-in-law who has long helped me to deal with the underworld men, so those very people are now trying to take care of my business by all means!

“There are so many powerful people, so many different kinds of industries, now as long as there is a need for a Miss etiquette, they will definitely seek my cooperation!”

“Even many times if they don’t need a Miss Etiquette, they still have to find me to cooperate!”

“Why is that happening? That is all because of brother-in-law.”

“Have you ever seen the bosses of the road meeting, dozens of courtesans were invited to the scene to welcome guests, do sign-in?”

“Have you ever seen a big man marry his daughter, do not want the hotel’s waiters, but instead spend money to hire more than a hundred ladies of etiquette, to go to the scene to serve food and wine to guests, tea and water?”

“The reason they do so, all because of the face of brother-in-law, only to help me by all means! Because of this relationship, Shangmei can develop so fast!”

Saying that, she pointed at Mrs. Willson and rebuked, “The food and clothing that you, my father and my brother have now are all given by brother-in-law!”

“Even this new dress you’re wearing is only possible because of brother-in-law’s blessing!”

“Otherwise, I would have been forced to sign a contract of sale and become an escort in a KTV, so I wouldn’t have any money to buy you new clothes.

“Maybe you even have to go to the supermarket to pull plastic bags to feed yourself!”

“Now that you have a stable life, you have to come out and make a fool out of yourself, what are you doing?”

“Do you want to force me to leave home and make a clean break with you forever?”

## **Chapter 3210**

Wendy’s accusation made Lady Willson’s legs go weak and she almost sat down on her bu.tt.

She never dreamed that the noble person who brought her family back from the dead was Charlie, whom she had always despised and wanted to seek revenge on!

This reality, in the old lady’s heart, was as shocking as the Big Bang.

Because, she thought, Wendy’s noble person could be anyone in this world, but the most unlikely one was Charlie.

However, the truth of the matter is just like that.

Saved Wendy from the trap of selling her b0dy. The one who gave the whole Shangmei etiquette company to her to take care of was him.

Mrs. Willson was panicked and afraid, and deep inside she realized: "I just spoke in a tone that was a bit too arrogant, and I know without asking that Charlie must be particularly angry .....

He will not be just angry with me, will he directly drive Wendy away from Shangmei etiquette company?"

"The hope of our family of four, now she is alone! If Wendy loses her job, then we will not be beaten back to the original form again? If she loses her job, won't we be put back in the same position?"

When she thought of the consequences of offending Charlie, Mrs. Willson was terrified to the extreme, and her expression immediately became very flattering and very self-condemning, lamenting guiltily:

"Ah ..... Charlie ..... blame grandmother's eyes, I really did not expect. You actually managed to repay your grievances with virtue and helped Wendy, helped us so much ....."

Speaking of this, Mrs. Willson choked with tears and said: "You help us with virtue, but I, a bad old woman, repay virtue with grievances, on your birthday, a happy day I came and scream with you, really blinded my dog's eyes ....."

"You do not mind the small woman, for the sake of grandma's age I have been so old I'm sorry, but I'm not sure if I'm going to be able to get a good deal, right?"

Charlie looked at her instant change of posture, the heart can not help but sigh: "This old lady though with other skills no, acting skills are really great, happy, sad and instantaneous switch, far better than an old actor!"

"If she could devote a little of her mind to serious matters, then the Willson Group would not have ended up in such a state."

However, after all, Mrs. Willson is old, Charlie does not want to kill her, cold to the end, since she has softened, it is natural to give her a step.

So, he said indifferently: "Okay, say a thousand words, you are after all Claire's grandmother, I also do not want to tussle with you, but from now on you must remember, we do not cross the river water."

"You and your family, don't come to our family any cause trouble and discomfort, otherwise, I will not be polite!"

When Mrs. Willson heard these words, she let out a long breath.

Now she finally realized that the basic security of life for her family of four was all given by Charlie, and if she still did not repent, she was afraid that the family would have to starve and beg for food in the streets.

So, she hastily nodded her head like a chicken pecking rice and promised: "Don't worry, Charlie. Grandma will definitely not find you any more discomfort!"
