## Chapter 3204

“I thought that the Temple of Martial Arts would be out of love for talents and would not easily deal with Mr. Chu.”

“But now it seems that is not the case.”

“The five great masters in the list came to Noirfork on behalf of the Temple of Martial Arts. Mr. Chu.”

“Obviously, the Martial God Temple has made a big determination this time to move Mr. Chu.”

“No wonder, Mr. Chu has been unable to avoid it for the past few days.”

“Before, I thought Mr. Chu was afraid of it. The Chu Clan forces behind Meng Wanyu, but now it seems that what Mr. Chu really avoided is the power of the Martial God Temple.”

Lu Tianhe said quietly, and the doubts that had always existed in his heart were suddenly solved at this time.

Just as Lu Tianhe and the others were talking, outside the crowd, Ericson Li, who looked like a dusty face, finally hurried back.

Seeing this, Lei Lao San and the others hurriedly gathered around and asked about the situation: “Ericson Li, what’s going on?”

“I asked you to go to Gritsberg to move rescuers and rescue soldiers, but did you invite a Shangfang sword to kill you?”

At this time, Ericson Li’s face was sinking, and he solemnly replied, “This time something really happened.”

“Mr. Chu’s disaster, I’m afraid it is sad.”

“The Temple of Martial Arts is really going to touch Mr. Chu.”

In other words, Ericson Li waited at the foot of Yanshan Mountain for several days before, but did not see the King of Fighters, the Sword Sage, and others.

In desperation, Ericson Li spent a lot of money to buy a staff member on Yanshan Mountain and asked about the situation.

After all, Mark is also the title of the country, even if the Martial God Temple does not give him Ericson Li face, he still has to give Mark face, so that he won’t even be seen.

However, it doesn't matter if Ericson Li asks. With this question, I learned that the only topic of the National Martial Arts Enlarged Conference held in the Martial Arts Temple a few days ago was to punish Mark.

When Li Eryi heard this, he knew that the matter was serious.

Wushen Temple is trying to gather the power of the whole country to deal with Mr. Chu?

After learning about this, Ericson Li didn't say anything, Dang Even returned to Noirfork.

Hurry up quickly, and then rush back to Wrifill.

“What the hell is going on here?”

“Certainly, how did Mr. Chu become the sinner of the country?”

“Could it be that it was the Jiangbei incident before?”

“But that matter, hasn't it been concluded?”

” Martial

God Temple is not good, come after autumn to settle the accounts.” Lei Lao San couldn't figure it out, Wang Jiexi couldn't figure it out, and Han Dongmin and others naturally couldn't figure it out.

Ericson Li shook his head: “No.”

“It seems that Mr. Chu has provoke something again this time.”

“It completely angered the high-ranking members of the Martial God Temple.” When

Lei Lao San and the others heard this, their hearts felt cold.

Suddenly, with a bitter face, he stood there and said bitterly, “Mr. Chu, Mr. Chu, why can't you stop a little bit.”

“Even if you don't think about yourself, you have to think about Noirfork's subordinates who follow you.”  
~”

Lei Lao San and the others were panicked. After learning that Mark had provoked the country's anger, they turned pale with fright and wanted to cry without tears.

“Sinner Mark, don't hesitate to come and worship?”

....

“..... Come and worship quickly?” The

cold and majestic voice swept across the world.

The people around the lake only felt deafened.

Facing the power of the five great masters, did Ericson Li and others dare to step forward?

They all hid in the crowd, shivering.

“Your Excellency is just a little master, dare you to call your title directly?”

“Senior has lived for half a lifetime. Could it be that your teacher has not taught you etiquette?”

In the panic voice of Ericson Li and others, a faint female voice came from the crowd. It came out quietly.

Lu Tianhe and others were undoubtedly more shocked when they heard this.

I wonder who is so bold and dare to fight against the master?

Until, Ericson Li turned around and found that the speaker was Xu Lei, the beauty president of Wrifill Hongqi Group.

At that time, Ericson Li was frightened, and he quickly persuaded each other bitterly: “Mr. Xu, be careful~”

“It’s going to die~”

## Chapter 3205

“Presumptuous!”

“Where did the Huang Mao girl dare to be disrespectful to me?”

Sure enough, Xu Lei’s words immediately drew the five great masters into thunder and anger.

One of them, even brows and icy eyes, waved his palm and prepared to teach the ranting man.

However, after seeing it as a junior, he finally closed his hand.

“Huh~”

“I think you are a hairy girl, so I won’t care about you when I wait.”

“Otherwise, just relying on what you just said, I can cure you of disrespect later!”

Although these martial arts masters are a bit reliant on the old and sell the old. , But after all, they are very kind people.

For small characters like Xu Lei, they naturally disdain to take lessons.

“Really?”

“I just said a few words, and the predecessors will punish me for the crime of disrespect.”

“The predecessors who slandered Wushuang’s title before and offended, can that also cure you for the crime of disrespect?” Xu Lei Not afraid or afraid, replied coldly.

“You~” Those old men were almost annoyed by Xu Lei’s words, “What a little girl with a sharp-toothed mouth!”

“Who is Mark to make you so protective of him?”

“However, Seeing that you are also in the epoch of Fanghua, as the elders, we can remind you.”

“That Mark, committed the crime of collaborating with the enemy and treason.”

“At this time, I advise you to keep some distance with him.”

“Otherwise, you will catch fire and you will be too late to regret!”

“You are talking nonsense! My Mark’s brother has acted in his life, morality is first, and it is impossible to collude with the enemy and treason. It must be your nonsense, to my Mark brother...” Hearing that they frame Mark so, Xu Lei Like a cat with blown up fur, he said angrily, trying to protect Mark.

However, just when Xu Lei was fighting for reasons, Ericson Li and others rushed over and pulled Xu Lei aside.

“I said, Mr. Xu, at this time, you should say a few words less.”

“Now that Miss Qiu is in trouble, we will be bad enough.”

“If something happens to you, we won’t do anything. Instead, I told Mr. Chu.”

Li Ercheng couldn’t help persuading him with fear.

At this time, Lu Tianhe seemed to recognize several people in front of him.

The general who guarded the side hurried forward and greeted one of them respectfully and respectfully: “Master Yan, why have you come to Noirfork?”

“Why don’t you tell me in advance.”

“Junior Lu Tianhe, it’s good to do it early .” Make some preparations and do some of the friendship of the landlord.”

Lu Tianhe said with a respectful voice.

Before entering the military area, Lu Tianhe was already a martial artist.

Later, he took the post of instructor of the three armed forces and went to and out of Gritsberg all the year round. He naturally knew some well-known figures in the martial arts world.

For example, the gray-robed old man in front of him is the top of today’s grandmaster’s list and the helm of Jiangnan Xingyi.

Together with Lu Songliang of Jiangbei, it is also called Nanyan Beilu, which can be described as a famous mover.

However, unlike Lu Songliang's family power, the one in charge of the conflict is a martial arts sect.

He has practiced martial arts for many years, and there are no less than three thousand disciples under Yan Buping.

The warriors who practice Xingyiquan all over the world regard disobedience as their master.

Its reputation and prestige are more than that of Lu Songliang.

Does Lu Tianhe know such well-known figures?

However, that Lu Tianhe knew him does not mean that he also knew Lu Tianhe.

Therefore, in the face of Lu Tianhe's worship, the five great masters were not at all equal, but raised their eyebrows: "Lu Tianhe?"

"Never heard."

"Whose disciple are you?"

"I~" Lu Tianhe's eyes strained. Smoked.

The most embarrassing thing in life is this.

I ran over to say hello, but they didn't even know which green onion you were.

In embarrassment, Lu Tianhe was galloping past 10,000 grass-mud horses.

It's so special.

This old guy, Mr. Bichu can pretend to be forceful.

"Um , Master Huiyan, the younger generation is..."
