## Chapter 3208

After saying these words, Sherry turned her head again and looked at Meng Wanyu not far away, at Ke Zhe, Yan Injustice, and everyone present such as Ericson Li and Lei Lao San, righteously said: “Injustice. There is a debt and a master. From now on, if you have any grievances with Mark and Mr. Chu, then go to Mark and Mr. Chu.”

“My daughter, and the Ye family kid, there will be no more No matter what.”

“Who is the one to toss my Helen Qiu again, and to toss our family again, Sherry, my old life, will never end with him!”

Sherry said this firmly and decisively, with a lot of attention. The ruthlessness.

A woman is weak in nature, but she is strong when she is a mother.

Perhaps Sherry is now taking care of Helen Qiu, so that someone will support her in the future.

Perhaps what she did today was for her own future.

However, it still takes a lot of courage to face so many powerful and powerful people and say such words.

“This mad woman is quite protective of her calf.”

Sherry’s voice couldn’t help echoing. Lei Lao San and others were slightly stunned at the time. Looking at the eyes of Sherry and his wife, they couldn’t help but change slightly.

Ericson Li snorted: “What protects the calf? To put it bluntly, it is for yourself.”

“If Miss Qiu dies, who will provide her for the elderly in the future?”

“These couples are the robbers.”

Ericson Li followed Ye all year round. By Fan’s side, he still had some understanding of Mark’s mother-in-law.

Greedy, stingy, selfish, and a complete egoist.

Mr. Chu, a man with such a good temper, was forced intolerably by the two of them and severed the relationship between relatives.

This kind of people, Ericson Li really can’t give them a good impression.

“Helen Qiu, let’s go!”

“Leave Mark and leave Wrilfill.”

“After tonight, we will have nothing to do with this place of right and wrong, and the people of right and wrong.” Sherry pulled up her daughter, Walked out of the crowd.

However, what everyone didn’t expect was that Helen Qiu shook off Sherry’s arm holding her in the face of her parents’ protection.

“You damn girl, what are you going to do?”

” Why do n’t you come with me?”

” You have to die to death ?” Sherry turned her head and asked Helen Qiu angrily.

“Dad, Mom, there are some things that I can hide. But there are some things that I can’t hide.”

“I am Mark’s wife and Noirfork’s emperor.”

“Now Mark is no longer, Noirfork is in danger.”

“As a person Her daughter, you can go, but I can’t go.” Helen Qiu whispered.

“Shut up!” Melson slapped Helen Qiu’s face, “You bastard, people don’t want you anymore, no matter you are dead or alive, why are you so confused and so determined to him?”

“Loss ? You are still a top student who graduated from a prestigious school, why don’t you have any brains?”

“At this time, if you stay and wipe Mark’s ass, then you are looking for death.”

“You don’t understand the truth?” Melson gritted his teeth with hatred. , Finally asked.

“Let me ask you one last sentence, are you going to leave?”

Without the slightest hesitation, Helen Qiu still shook her head: “Parents, what you said before is correct. I, Helen Qiu, came from an ordinary, not a scholarly family, nor a powerful man. My parents are no more than ordinary people. In the past, I was. She is a very ordinary girl. She is squeezed out of the family, and she is often frustrated at work.”

“But when I was in a trough, Mark accompanied me, supported me, comforted me, and warmed me. “

Later, he was also the one who gave me a

peaceful footing, let me rise, let me stand on the top of power, and enjoy the wealth and glory that I never dreamed of before.” “Now, Wrilfill elder Ericson Li calls me Miss Qiu, The general of the military region respected me, Mrs. Chu, and the entire Noirfork dignitaries respected me as the Noirfork Empress.”

“You said, I can’t stand this crown.”

“But I, Helen Qiu, today I can’t stand it, and I must take it too.”

“Because I am his woman, the wife of the Noifork emperor.”

“He is the ruler of the world, and I will accompany him to rule the world.”

“He will never recover, and I will accompany him never recovered!!”

## Chapter 3209

Helen Qiu’s voice was not loud, but it fell in the ears of everyone, but it was almost thunderous.

Sherry and the others were just as if they were drunk, and they were dumbfounded on the spot.

It was Helen Qiu’s best friend Susie, her beautiful eyes widened, staring at Helen Qiu firmly.

For a long time, Su Qian thought that Helen Qiu would stay with Mark, not because she really liked him, but she was used to Mark’s existence.

It was the kind of constant family affection that made Helen Qiu never abandon Mark.

But now, Susie suddenly didn’t think so.

She knew that her good sister really liked Mark.

Really, hopelessly in love with that man.

“Shan Wuling, heaven and earth are in harmony, I dare to be with Jun Jue.”

At this moment, Su Qian’s mind suddenly came up with this sentence.

It was like thunderstorms, endlessly in her mind.

Yes, Helen Qiu’s remark just now, how is it different from this sentence?

Prosperity will never leave, life and death will not be abandoned.

I will accompany him to rule the world when he is beautiful, and I am willing to accompany him forever when he is down.

Susie felt that she should be happy for her good sister.

At least, she found the man who could make her give up everything and go with life and death.

For any woman, this is a happy thing, and it is all enviable.

Because of love, life will be expected again.

However, Susie thought so, and Sherry and his wife did not think so.

“Crazy~”

“You damn girl, you are really mad.”

“That Mark is so unreasonable, you stupid girl, you are still willing to accompany him to death?”

“Are you going to piss us off? “

My wise father and I, in the end, why did you give birth to a foolish daughter.”

“We don’t care, you have to go with us today.”

“Bodily and skinned, parents of suffering.”

“We disagree, how dare you dare?”

Take risks for him?” Sherry looked like a shrew at this time, yelling at Helen Qiu for being stupid and stupid, while walking over to take Helen Qiu away forcibly.

But Helen Qiu had decided, and she would not bother Sherry and the others.

She pushed Sherry away hard, and then without looking back, she walked towards the place where the five great masters of inequality were located.

She was expressionless, and her cold voice immediately sounded: “Junior Helen Qiu is the wife of Mark, the vener of Noirfork.”

“Now my love is not in Noirfork. As Mark’s wife, when he is away, there is The right to handle all Noirfork affairs for him.”

“Several seniors, if you have anything, you can talk to me.”

“When Mark returns, the junior will tell it on his behalf.”

“However, before this, there are a few words from the junior. I would like to tell you all.”

“My family, Mark, act in life, morality first.”

“Collaborating with the enemy and treason must be nonsense.”

“I hope that several seniors, not indiscriminately, will damage the reputation of my lover!”

Facing the majesty of the five great masters, Helen Qiu was fearless and fearless.

A few words, it is neither humble nor overbearing.

Rao Shiyan’s unequal group of old people who have lived for decades can’t help but change slightly when they look at Helen Qiu’s gaze.

“That Mark can’t get out of it, there is a pustule.”

“Unexpectedly, his wife is commendable for courage.”

“Women won’t let the eyebrows be shaved.”

“It’s really a pity.”

“How can flowers be inserted in the cow dung .” Above?”

“If you are not yet married, the old man can be a matchmaker and introduce you to my grandson.”

“But unfortunately, you have been ruined by Mark and missed your chance.”

Ke Zhe shook his head and looked towards Qiu Mu. In the Helen Qiu gaze, it was a pity.

“However, even if you have a deep love for Mark, you don’t have to defend him anymore.”

“His collaborating with the enemy and treason is already a conclusive matter.”

“If you want to try to treat him leniently, I advise you.

Tell him not to hide, and quickly let him out of the plea .” “Maybe, my Huaxia Wushen Temple, thinking of his youthful spirit, will spare him not to die.”

Ke Zhe said in a deep voice, and his words were full of words. Condescending.
