

# Chapter 3210– 3211 of A Dish Best Served Cold Novel

## Chapter 3210

In that way, it was like an imperial envoy holding a Shangfang sword and being ordered to interrogate the prisoner.

“Haha~”

“Hahaha~”

Helen Qiu smiled suddenly when she heard this.

That laughter, with a bit of sneer, and a bit of sarcasm.

“Huh?”

“What are you laughing at?” Seeing the injustice on the side, he was immediately unhappy.

The other masters also frowned.

However, Helen Qiu continued to laugh, and asked, “What a conclusion?”

“I want to know, in Vietnam today, is the law or you have the final say?”

“Without investigation, without trial? , With just a few words of yours, my family Mark was convicted of treason with the enemy.”

“Said the conclusion of the coffin?”

“Several seniors, really majestic.”

“That’s my governor of Noirfork, too. Without your majesty!”

Helen Qiu said this very seriously, and directly put a lawless hat on them.

If it is an ordinary person, I am afraid that it has already become angry.

However, they did not say anything about it.

Instead, after hearing Helen Qiu's words, she immediately shook her head and smiled.

"Girl, I really don't know whether to say you are ignorant or naive."

"Perhaps, although you and Mark are husband and wife, you should have never walked into his world."

"In your man's world, there are rules and a bottom line, but what is greater than the rule bottom line is power."

"In Vietnam, the one with the strongest power is the Martial God Temple."

"The decision made by the Martial God Temple That is the final decision."

"No one can disobey, and no one can question." He

said in a low tone, like a teacher, like his junior student, telling the story of the martial arts world. rule.

Of course, these things that are not flat, may be difficult to understand or not understand by worldly people like Helen Qiu.

Because the martial arts world is too far away and unfamiliar to them.

People are born to be suspicious of strange things.

"Fine, you a weak woman, how can you understand martial arts."

"However, since Mark refuses to show up and confess his guilt, then you should go to Yanshan with them."

"Then Mark won't go to Yanshan for a day ." Please sin, you Helen Qiu, and you can't go back to Noifork in one day."

"Didn't you say that Mark is a sentimental and righteous person?"

"Then we will let the world see, this young and famous Wushuang title, yes. There is a bit of love, and a bit of meaning." On

the bank of the Long Lake, a long robe fluttered and stood with his hands behind him.

The faint words are full of majesty.

If only the overlord of one side is able to win the life or death, it is all in his words.

After speaking, he waved his hand when he was unfair, and gave orders to the masters who followed him behind him: "Take it away!"

However, just as Ke Zhe and the others stepped forward to capture Helen Qiu, a vertical and horizontal sword aura was suddenly cut off.

Ke Zhe and the others were immediately shocked and hurriedly retreated.

Then, a sneer sounded quietly.

“It has long been heard that Vietnam is a country of etiquette and respects the ways of Confucius and Mencius.”

“It looks like it is just a joke.”

“A group of old people who add up to a few hundred years old are now jointly bullying a weak woman who has no power to bind a chicken. Dare to fight against Mark, but take the wife of a man as the hostage.”

“You don’t feel blushing

and embarrassed by these actions?” “If I were you, I would have been ashamed of myself.”

“It’s a shame to live!” A

few words , But it is an unequal person who will speak bloody words.

The crowd onlookers by the lake also began to point their fingers, fighting for Helen Qiu’s injustice.

“Is ah.”

“Injustice has a head with the main debt.”

“Less crime family, not as a curse family.”

“These old things, did not dare touch chor, but to bully a girl.” “It

looks like a lion, People look like people, under well-dressed clothes, I ‘m afraid they are not all cartilage heads .”

## Chapter 3211

Many people cursed by the Trivan Lake.

People sympathize with the weak, not to mention, now facing the pressure of the five great masters alone, she is still a woman who has no power to restrain the chicken.

In the face of everyone's verbal and penal criticism, I was weather-beaten, and I couldn't help being a little calm when I saw people who were unequal in words.

The green and yellow handover on the old face can be described as ugly.

"Asshole thing!"

"Who are you?"

"How dare you talk nonsense, confuse right and wrong, and tarnish my reputation?"

Annoyed, Ke Zhe turned around directly, directed at the woman in the red skirt not far away, and sternly asked.

"Chumen, Meng Wanyu."

Meng Wanyu did not conceal any questions, and directly reported his own name and identity.

In fact, in Meng Wanyu's view, she has nothing to hide.

Don't do bad things, don't be afraid of ghosts knocking on the door.

Although the Yanxia Martial Arts was somewhat hostile to Chu Sect, for many years, the two forces had been in peace.

What's more, she didn't do anything excessive when Meng Wanyu came to the hot summer.

Even if Helen Qiu was taken hostage, it didn't hurt her.

Therefore, Meng Wanyu did not feel that it was necessary to conceal his identity.

"Trumen?"

"So, you are the Chumen demon girl who disturbed Noirfork's chickens and dogs?"

"I didn't get you yet, but you came out by yourself."

"Alright, then go with us. ."

Knowing that Meng Wanyu was the person of the Chu family who had recently caused trouble to Noirfork, Ke Zhe sneered, but he was also ready to take Meng Wanyu away.

Meng Yu heard this evening, suddenly frowning: "You really are exceedingly overbearing." "In

short, to take away Miss autumn do not say now, is also preparing to catch me.”?

“, Regardless of right and wrong, regardless of black and white, bullying, in order to Bullying more than deceiving less, life or death depends on personal preference.”

“Could it be that the great masters of the summer are all of this kind of virtue?”

Meng Wanyu asked sarcastically.

“Stop talking nonsense!”

“You don’t need a reason to capture you, the Chumen demon girl.”

“Give me death~”

Ke Zhe seemed to be completely irritated by Meng Wanyu’s tricky words.

After a loud shout, he stepped on the ground, and the whole person burst out like an arrow from the string.

Afterwards, he bent his hand into a fist and slammed his chest down against Meng Wanyu.

The power is powerful, only if there is a mighty power.

With a heavy blow, everyone had almost no doubt that if it fell on Meng Wanyu, it would not die or be seriously injured.

“Miss Meng, be careful~”

Helen Qiu was shocked and worried when she saw this.

Meng Wanyu was not afraid, looking at the approaching boxing strength. Chuckled lightly, and then slapped lightly.

Elegant palm out, only if wearing flowers and picking leaves.

There is a sense of elegance and refinement in every gesture.

However, compared with its elegance, it was Meng Wanyu’s counterattack that made everyone tremble. There was no extra movement, and every force was controlled properly.

Steady, enveloping Ke Zhe’s fist strength.

“What a beautiful blow!”

“What kind of grip is this?”

“Just this elegance, I’m afraid it’s the world’s best grip, isn’t it?” By the

shore of Trivan Lake, many martial artists said with emotion. Among them, it is full of stunning colors.

The great master who walked with Ke Zhe said unequally, but he sneered disdainfully: “Except for gold and jade, failure is in it.”

“Martial arts practice, pay attention to returning to the basics.”

“Only the most common attack, the most powerful erupts. “The power

of youth .” “Nowadays young people only know that they are looking for gorgeousness and attention, so that they are eye-catching and eye-catching, but because of this they lose themselves and lose their original intention of martial arts.”

“A flashy attack like this is destined to be just a flash in the pan. . ” “

in the old Ke men, but fear is half a second support both. “

Introduction injustice distant eyes, held hands standing proudly.
