

Chapter 3238– 3239 of A Dish Best Served Cold Novel

Chapter 3238

But now, those words of Meng Wanyu undoubtedly made the King of Fighters feel the handle to overthrow Mark.

As long as Meng Wanyu confessed the close relationship between Mark and Chumen, then Mark's accusation of violating Chumen would undoubtedly be taken seriously.

Boom~

However, just as Mo Gucheng sternly questioned Meng Wanyu, a burst of energy swept out from behind the King of Fighters.

Mo Gucheng was shocked immediately, his footsteps flanked, and he hurriedly avoided.

But who would have thought that the other party seemed to have expected the location of Mo Gucheng's avoidance a long time ago.

I saw the silhouette flash, violently palm, and snapped angrily.

This time, Mo Gucheng couldn't hide, centered on his shoulder.

Bang~ a

heavy blow immediately caused a dull sound.

Mo Gucheng grinned with vigour into his body, and the pain in his heart made Mo Gucheng grinning.

In just an instant, Mo Gucheng, the King of Fighters, was directly repulsed, stepping back several steps on the ground.

But Meng Wanyu, who was captured by him, was also rescued by the opponent.

“Asshole, what are you going to do?”

“Really want to publicly rebel?” After

stabilizing his figure, the King of Fighters immediately furious.

Thunder angrily blasted everywhere, with cold eyes like blood, looking straight at Mark.

Fire almost burst out of his eyes.

Yes, it was Mark who rescued Meng Wanyu from a sudden violent incident just now.

This time, not only Mo Gucheng, the King of Fighters, but also Tang Hao himself, was somewhat incomprehensible.

He turned around and asked in a deep voice, “Ye Fan, what are you going to do?”

“Are you really crazy?”

Tang Hao was puzzled and even more sullen.

If I said just now, Ye Fan made a shot to the unequal people because it was for his wife.

But this time?

Is it possible that this Meng Wanyu is also his wife?

At this time, Ye Fan had already fallen to the ground with Meng Wanyu in his arms.

Perhaps it was because of the serious injury that Meng Wanyu couldn't even stand on his own, and the whole body was almost completely nestled on Mark.

With the beautiful lady in his arms, Ye Fan raised his head to look in the direction of Tang Hao, and coldly replied: “Grandmaster Haotian, I'm sorry. Today, you are afraid that you won't be able to take this person away.”

“You...you. ..” Ye Fan's words almost angered Tang Hao, “You fellow, what are you going to do?”

“Are you really a spy from the Chu Clan?” Tang Hao asked angrily.

Ye Fan didn't answer, he was too lazy to explain, and there was no need to explain.

Who does he want to save and who he doesn't want to save, why need to explain to anyone.

What's more, this matter is also unclear.

“Tang Hao, haven't you seen it yet?”

“This guy is a spy from the Chu Clan!”

“Last time she killed the Chu Clan's lord.”

“This time, I rescued the Chu Clan.” Demon girl.”

“Everything has been revealed, do you still want to deceive yourself?”

Mo Gucheng didn't bother to listen to Mark's explanation, and directly concluded that Mark was Chu Sect's spy.

But Tang Hao didn't seem to give up, he wanted Mark to tell him the truth himself.

“Ye Fan, tell me, are you from Chu Sect?”

“Tell me, did Tang Hao and the God of War misunderstand the people?”

“If you still have the summer heat in your heart, and your homeland, Give that demon to me immediately!”

Tang Hao's brows were gloomy, and he paused.

The angry and cold words asked Mark directly.

Like God of War, Tang Hao also had high hopes for Mark.

But now, the person he has always been optimistic about is very likely to be Truman's spy.

This undoubtedly gave Tang Hao a feeling of being deceived and betrayed by others.

Tang Hao's anger echoed, but Mark turned a deaf ear, slowly turning around, and walked back with Meng Wanyu.

However, while walking back, Ye Fan's indifferent voice also quietly sounded.

“Mark's life, I never like to explain anything to others.”

“However, I can answer you one sentence.”

“What Mark has done in this life is worthy of the hot summer!”

Chapter 3239

“Worthy of Vietnam~”

.....

Ye Fanzhi said, although the voice is not loud, but it is loud.

Tang Hao listened, nothing but thunderous ears.

The surging power contained in Mark's words directly made Grandmaster Vast Sky stunned.

After a long delay, Tang Hao asked again: “If this is the case, then why do you want to protect the people of Chumen?”

“Why?”

“Ye Fan, you answer me~”

Tang Hao asked sharply, but all he got was Ye Where there is boundless silence.

Ye Fan didn't want to explain, because he knew it and couldn't explain it clearly.

No matter what he said, as long as he sheltered Meng Wanyu, in the eyes of the King of Fighters and others, it was colluding with Chumen.

Those who believe in him need not say much.

Those who don't believe him are useless.

“Tang Hao, what are you talking nonsense with him?”

“Your boy has sharp teeth and a hard duck mouth.”

“You have no shame in Vietnam?”

“He is ashamed to say it!”

“Today, none of you stop me . ” “

I Mo isolated city, have on behalf of Huaxia Wu Road, in addition to these outrageous people! “

the King of Fighters is too lazy fee withMark anything.

I stepped on the ground, only to hear a crash, and the rubble cracked.

Mo Gucheng's whole person was like an arrow from the string, and suddenly rushed out in the direction whereMark left.

The words are full of murder and anger.

The long-suppressed emotions undoubtedly ushered in the most violent outbreak at this time.

“Ye Fan, all grievances will be completely ended today!”

Mo Gucheng clenched his fists, his cold eyes just like swords.

The grievances withMark have been accumulated for a long time by the King of Fighters.

From the beginning ofMark's prowess, he grabbed the title of his son.

Even when his son went out to perform a mission this time, but was bizarre and seriously injured, Mo Gucheng always felt that he couldn't get rid ofMark.

Also, whenMark went to Yanshan alone that day, he attacked from behind and made him lose face in front of the Yanshan powerhouses.

The hatred of the family and the country has long made Mo Gucheng disgusted withMark.

But as the pillar of the country, if there is no valid reason, he can't understandMark, and naturally he can't secretly fight against it.

The King of Fighters still has this kind of basic rules.

But this time, Ye Fan's accusation of colluding with Chumen was completely settled, and Mo Gucheng naturally had no scruples.

The whole body exploded with power, and the surging energy swept the sky like waves.

The majesty of the titled master was released instantly at this moment.

That kind of majesty like a mountain made Lu Tianhe and the others almost prostrate on their knees, even breathing is so difficult.

“Is this the real strength of the titled powerhouse?”

” Is there such a mighty majesty before he really shot?” By the side of

Trivan Lake, all the martial artists were stunned.

They raised their heads, their brows and eyes were filled with yearning and awe of the title realm.

This time, Tang Hao never stopped the King of Fighters again, letting him do what he did.

On the contrary, Tang Hao looked at Mark, who was still unmoved and slowly left with Meng Wanyu, and couldn't help but shook his head secretly: “Ye Fan, you really disappointed me too much.”

This long sigh, obviously. It showed that Tang Hao also believed in the collusion between Mark and Chumen.

“Ye Fan, the criminal minister, murdered his compatriots and murdered Zhongliang.”

“In the land of the north of the

Yangtze River, more than hundreds of people in the Lu family were slaughtered.” “On the top of the West Lake, more than a hundred of my martial arts powerhouses were wiped out.”

Under Wrilfill city, it rained. Falling wildly.

The top of the Tianhe, the title shows its power.

The King of Fighters stands proudly in the sky, like a god.

The words of the trial, like the twilight drum and the morning bell, reverberate across Tianhe.

“He ignoring the elders, dare to single-handedly kill the Yanshan.”

“His contempt for authority, I dare offend the Chinese Six Zhuguo.”

“He abandoned home country, to protect Truman evildoer, at Yuguo for the war.”

“It's sins, the flow wave the East Vietnam Sea, stream evil endless.” “

crimes that, the bamboo exhausted Nanshan, crime book endless! ” “

today I KOF Mo isolated city, by the order of heaven and earth, along nations people. ” “
