“Tomorrow is the wedding.”

“But the dress has not been changed.”

The maid outside the door was also anxious.

This is a big deal. If tomorrow’s wedding is delayed because of this, will they be able to bear the consequences?

“How’s it going.”

“Miss still doesn’t see anyone?”

Just when everyone was helpless and anxious, Nuo Lao’s voice came from behind.

These maids complained to Nuo Lao immediately.

“Old Nuo, please persuade Miss.”

“Miss listens to you the most.”

“Well, I know.” Old Nuo nodded and continued, “Well, you give me everything, and I will persuade Miss

“Yes .” “You all go back and work on your own.”

Elder Nuo took the dress from their hands, and then dismissed them.

After there was no one around, Mr. Nuo gently knocked on the door of the room.

“Miss, it’s me.”

“Open the door, I have something to tell you.”

Old Nuo yelled a few times, but no one responded.

“It’s about that hot summer boy, don’t you really want to hear it?”

Elder Nuo added.

Sure enough, after hearing about that person, there was finally a sound in the room.

The door that had been closed for a long time also opened.

Old Nuo walked in and looked at An Qi with dim eyebrows and pale face, but he felt distressed in his heart.

Is this still the lively and cute little Angel?

Is this still the eldest of their Jones family?

Is this still the most beautiful girl among the three Chumen families?

Tears couldn't help streaming down from Nuo Lao's eyes.

With a bang, he knelt on the ground: "Miss, why are you so troublesome?"

"Why are you torturing yourself..."

"You let the old slave, how do you face your dead mother."

Nuo Lao Tears rained down, full of sorrow and pity.

"Grandpa Nuo, if you just say this, then you should go out." The low tone sounded so weak.

When Elder Nuo heard this, he undoubtedly felt even more pity in his heart.

"Miss, I am here to tell you that you must not give up."

"Miss Wan Yu, I have already gone to find Mark in the hot summer."

"It is very likely that they are already on their way here."

"Mark The sir is majestic, as long as he comes, he will definitely be able to take away the young lady."

"So miss, you must not give up the hope in your heart~"

Old Nuo persuaded bitterly.

Sure enough, when he heard that Mark was coming, it was like a long drought and rain, and Angel Jones's dim eyes suddenly glowed.

“Grandpa Nuo, are you true?”

“Brother Mark will really come?”

“You didn’t lie to me, did you?”

An Qi suddenly became excited, and there was joy and expectation in her words.

Old Nuo nodded his head: “Miss, it’s true.”

“A few days ago, Miss Meng Wanyu had already rushed to the hot summer.”

“At this time, you can’t give up.”

“If Mr. Mark arrives, look. When the lady looks like this, she will definitely feel distressed. Maybe she will not like her?”

“Boys, but they all like nice little girls.”

Nuo Qiang smiled and comforted An Qi.

“Well, I listen to Grandpa Nuo.”

“But Grandpa Nuo, I’m so afraid, I’m afraid Brother Mark will not arrive in time.”

“Once tomorrow is past, everything will be too late.”

Thinking of this, An Qi’s eyes , Dimmed again.

“No.”

“I show Mr. Mark, I will definitely be there in time.”

“Moreover, even if something really happened, Mr. Mark could not make it.”

“At that time, Grandpa Nuo will also help you escape. . ” “

Miss, if you believe the promise Grandpa, you put the meals to eat. “

” And your father with them, test equipment. ” “

before Mr. Fan Ye did not come, the more fit you are, the more they It will relax your vigilance.”

“When the time comes, the chances of Mr. Mark taking you away will be greater.

"Angie, you can

figure it out, Dad is very happy." "I know, this matter has not been approved by you in advance. It is indeed the family's not."
