

Chapter 3260– 3261 of A Dish Best Served Cold Novel

Chapter 3260

Outside the Jones family.

There are courtesy and music, and there are flowers with brocade.

Dozens of luxury cars parked in front of the door, stretching for kilometers.

The sound of a salute soaring into the sky trembles the sky.

And before the hundreds of people to accept the family, there was a young man standing proudly with his hands.

He is dressed in a white suit and he is very handsome.

Between the eyebrows, there is full of pride and lofty ambition.

It's like a prince who crosses a white horse and holds a sword, here to pick up his princess.

This person is the son of Chu Zhengliang, the head of the Chu family, Chu Qitian!

Standing in front of the Jones family, looking at the red carpet in front of him extending into the depths of the manor, he was full of pride brewing in his heart.

“Father once said that if I can conquer the little princess of the Jones family. In the future, I can conquer the world.”

“Haha~”

“I have been waiting for this day for a long time.”

“Today, finally arrived.”

“After tonight, I will conquer the world.” Chu Qitian will not only be able to get a beautiful wife and beauty, but also a powerful help in the future.”

“From my father, I can also get the help of the Jones family to reach the top of Mount Chumen in one fell swoop!”

“At that time, the world of Kyushu, Wang Tu Hegemony, isn't it all in the hands of my father and son?”

“Haha~”

Under the manor, Chu Qitian was full of enthusiasm, proud and proud.

I just feel that soon, he and his father will be at the pinnacle of power in the world.

“Chu Tianfan, ah, Chu Tianfan, let you be the generation of Fengtian characters, and let you be favored by grandma too, so what?”

“The one who laughs last is not me, Chu Tianqi?!”

“Can really be with the balance? Qi, isn't it our father and son?”

“Today's result can only show that I, Chu Tianqi, is the proud son of heaven.”

“Too grandma just has no eyes~” When a

person is proud, the first thing he thinks of is himself. Opponent.

Chu Qitian is noble, since he was a young man, Mark is probably the only one who can be called an opponent.

To be honest, for Mark, besides contempt, Chu Qitian also had jealousy.

After all, the old prince of the Chu family actually enshrined Mark as a descendant of the heavenly character.

Even now, the old prince of the Chu family still sees only the country humble species in his eyes, not Chu Tianqi without him.

But what can I do if I don't bear it?

In the end, the Chu family didn't fall into the hands of their father and son.

Chu Qitian is not the one who will control the endless power in the future.

Just when Chu Qitian was complacent, the door of the Jones family suddenly opened.

Then, everyone saw that Mike Jones was holding a woman, stepping on the red carpet, and slowly walking out.

The woman was in a snow-white long dress, and her beautiful face was looming under the plain white veil.

Graceful body, white jade skin.

At this time, An Qi seems to have walked out of the painting.

Dreamy and intoxicating.

Boom boom boom~

The salute sounded again, and pink petals fell all over the city.

In this way, in countless gazes of stunning and yearning, Mike Jones handed his sister's snow white wrist to Chu Qitian.

“Qitian, from now on, my sister will be taken care of by you.”

“Hope, you can treat her well.”

“Protect her for life and be happy and worry-free.”

Mike Jones said softly.

Chu Monkey smiling nod, immediately replied: “Mike assured brother”

“She shall be my wife, I Chutian Qi will really be her.”

“In future, if I was the king, he promised her!”

“Take She watched the beautiful scenery of Qianshan Mountains and enjoyed the prosperity of the world!”

Chu Qitian said proudly.

After saying this, Chu Qitian also took An Qi into the wedding car.

Let's go together, Chu Family Manor on Chumen Mountain!

After the convoy left, Mike Jones stood in front of the door and stopped for a long time.

Looking at the grass and trees in front of the door, I walked the bluestone path that I had walked with.

As time went by, he saw the quirky little girl again and heard the little girl's immature laughter.

Chapter 3261

At that time, An Qi was at the door of the house every day, waiting for him to come back. Then while shouting to his brother, he threw himself into his arms.

At that time, time was slow and the sun was good.

But who could have imagined that it has only been a few years since it has become a reality.

Unconsciously, Mike Jones had red eyes. It should be the sand that was fascinated.

But why is the nose sore?

Why does my heart hurt?

Just when Mike Jones lost his senses, behind him, Elder Nuo appeared quietly in black.

After seeing Mike Jones, Mr. Nuo respectfully worshiped.

“Master, according to your instructions, everything is ready.”

“Okay.” Mike Jones nodded, “In that case,

let’s leave early over there.” “I wish you all the best.”

Mike Jones turned his back to Elder Nuo. , Said in a deep voice.

When he said this, no one could see his emotions clearly.

Elder Nuo did not answer, but suddenly knelt on the ground and knocked his head several times at Mike Jones.

“Master, it is an honor for the young lady to have a brother like you.”

Mike Jones suddenly smiled when he heard the words, “I am honored?”

“If there is an afterlife, I would hope that Angie will not rebirth in the Jones family. When I am the young master’s younger sister.”

“Perhaps so, she will really get her own happiness.”

“Well, you guys should leave.”

“Otherwise, when they reach Mount Truman, you really won’t have a chance.”

Mike Jones waved his hand, urging Elder Nuo and the others to leave immediately.

“Master, take care!”

Elder Nuo kowtowed again, and then left quickly.

Following the departure of Elder Nuo, there are five strong members of the Jones family.

These are all helpers sent by Mike Jones in the past.

“Sister, what my brother can do is limited to this.”

“Whether you can escape and ascend to heaven depends on your fate.”

Before the manor, Mike Jones looked from a distance, but there were countless worries in his eyes. And sorrow.

There are dozens of kilometers from the Jones family to Truman.

To meet the speed of the convoy, it takes about half an hour to return.

In New York City, dozens of luxury cars are moving slowly.

Wherever he went, flowers, since salutes were all fired.

Shooting with drones.

Even the public screens of the skyscrapers in the center of the city have words of blessing circulating.

In front of the vehicle, there were traffic policemen riding their bikes to clear the way, with a green light all the way.

Such scenes undoubtedly envied countless women.

“My God~”

“Who is this getting married?”

“It’s a big show~”

“Could it be, the richest man in New York?”

In the crowd, many people talked about it.

“What’s the richest man?”

“It’s the third young master of the Chu family.”

“Heir of the Chu family in the future.”

.....

“I’m going, really?”

“Master Chu got married so soon?”

“This Doesn’t it mean that I have no chance?” In the crowd, a woman with heavy makeup and light makeup was sad.

“Just you?”

“A group of vulgar fans still want to marry a rich family?”

“Do you know who the young master Chu acquired is.”

“Little princess of the Jones family, Miss An Qi?”

“People want a family background. , The key is to have a background, the key is still young, only seventeen years old.”

“What do you compare with others?”

....

Among the crowd of onlookers, there are envy, jealousy, more, still yearning.

In this way, the Chu family’s motorcade drove away from the downtown area under the attention of everyone.

Not far from here, we will arrive at Chumen Mountain in the suburbs.

In the wedding car, An Qi sat quietly, speechless all the way.

Suddenly, An Qi said that she was feeling motion sick and wanted to vomit.

After Chu Qitian heard this, he hurriedly asked people to stop.

When the car door opened, An Qi got out of the wedding car accompanied by Chu Qitian.

But the mutation happened at this time.

When Chu Qitian was unprepared, An Qi punched out suddenly.
