

Chapter 3262– 3263 of A Dish Best Served Cold Novel

Chapter 3262

A thick punch hit Chu Qitian's chest firmly, directly knocking him back more than ten meters.

"Miss, here!"

At the same time, Elder Nuo and others had already been waiting for this, and they all rushed out of the woods on the roadside.

Especially Nuo Lao, who took the lead, quickly rushed to An Qi, grabbed her and quickly escaped.

The incident happened suddenly and completely surpassed Chu Qitian's expectations.

"Damn it!"

"Dare to yin me?" After

Chu Qitian stabilized his figure, he spit out the blood from the corner of his mouth.

The look immediately became gloomy.

"However, this young master likes this kind of thorny rose."

"If it is so easy to be conquered by this young master, wouldn't it be too boring?"

Chu Qitian smiled slyly at the corner of his mouth.

After that, he immediately ordered his subordinates to bring An Qi back immediately, and everyone else would be killed.

Soon, all the powerful people accompanying the Chu family were chasing after them.

"Stop them!"

Feeling the killing intent behind him, Old Nuo looked serious and shouted in a deep voice.

Whoosh whoosh~ As

soon as his voice fell, the dead waiters he brought with him quickly assembled.

Under the eruption of power, the Chu family powerhouses were directly repelled, and they bought time for Nuo Lao and the others to escape.

“Huh?”

“Is it the pinnacle of Jinhua?”

“These people are also somewhat capable.”

“However, because of this, I want to take my woman away, don’t you feel a little wishful thinking?”

Chu Qitian sneered.

Then, stepped on the ground and rose into the sky.

Between the Tianhe River, I saw Chu Qitian full of firepower, and his soaring body, like a big Peng spreading his wings, leaped for a thousand miles.

“Yundao Tianjue~”

“First style, Yunyang kick!”

Chu Qitian carried the world on his back and stepped on the sky amidst the majestic shout.

With a majestic kick, facing the black-clothed dead waiters below, he kicked suddenly.

Like the palm of the Tathagata, it suppresses everything.

The rocks collapsed and the earth cracked.

In the screaming screams, the five dead waiters’ chests were directly sunken, vomiting blood and flying out.

“What?”

Such a scene undoubtedly caused Old Nuo’s pupils to shrink and his eyebrows trembled.

He never thought that the young master of the Chu family would be so strong?

With just one kick, they stepped on the five peak powers.

Even the master of martial arts has no such power!

Moreover, in Nuo Lao's feeling, this realm of Chu Qitian does not seem to be a master.

However, this is not the time to be shocked.

At this time, Elder Nuo, after receiving An Qi, ran desperately.

He ran faster and faster, and in the end, the true energy of his whole body was burning like a flame.

"Grandpa Nuo, what are you doing?"

"Quickly stop."

"You'll die~"

"You'll die like this~"

An Qi quickly guessed the intention of Elder Nuo, and tears flowed down instantly, crying to persuade Elder Nuo to stop.

"Grandpa Nuo, I won't go anymore."

"We're not going anymore~"

"You should stop now~"

An Qi burst into tears.

But Elder Nuo paid attention to him. There was only one thought in his mind now, and that was to take An Qi away.

Leaving the Jones family, leaving Truman Mountain, immediately this cage full of shackles and restraints.

"Damn it!"

"This old thing is actually burning infuriating energy~"

Chu Qitian couldn't help cursing anxiously as he watched the further and further distance.

Nuo Lao was originally the realm of a half-step master.

Now that he burns his true essence and exchanges his life for his strength, his strength naturally soars instantly.

In this case, Chu Qitian naturally couldn't catch up.

After all, his death is the peak state of entering Hua.

Relying on Yundao Tianjue, he might be able to explode more power than the master.

But speed is his weakness.

Therefore, the current Chu Qitian can't keep up with Nuo Lao's speed.

"Sixth elders, don't watch."

"If An Qi is really taken away, I am afraid that I will make a big joke in the Chu family today."

Chapter 3263

In desperation, Chu Qitian could only ask for help.

Phew~

As Chu Qitian's words fell, there was a gust of wind swept across the world here.

Immediately afterwards, a figure flashed past like a ghost.

Then, there was a boom.

Falling from the sky, it fell directly in front of Elder Nuo and An Qi.

Blocked their escape route.

"Six elders, you finally appeared."

"Quickly~"

"Kill this old thing."

Seeing this person appear, Chu Qitian, who was anxious not far away, heaved a long sigh of relief.

If it is the day of the wedding, the bride will be taken away.

Not only his Chu Qitian, but also the entire Chu family's face, will also be lost.

Behind him, Chu Qitian was still shouting.

But Nuo Lao's expression is undoubtedly extremely solemn.

The forward footsteps stopped immediately.

A pair of old eyes stared at the old man in front of him.

He was dressed in a black robe, with clouds and sun patterns looming on his arms.

The momentum of the whole body is even more like a torrential river, unreservedly released.

"This is the realm of Grand Master's pinnacle!"

Feeling the huge oppression in front of him, Elder Nuo's face was undoubtedly gloomy.

He never imagined that in addition to a dozen of the top talents of the Chu Family, there would be elder Chumen who would personally escort him.

This change in front of him is undoubtedly beyond the expectation of Elder Nuo.

"Hand over Miss An Qi, you can keep your whole body!" The

cold voice came out quietly.

The raging murderous intent caused the temperature here to drop a few points.

"Grandpa Nuo~"

"Let's give up."

"I won't go."

"I accept my fate~"

"Grandpa Nuo, you go, leave me

alone ." An Qi also seemed to see the strength of the old man in front of him. Suddenly said even more swallowingly.

The sad voice is heartbreaking.

After this elder Truman appeared, An Qi also knew that today, she could not escape.

She was tired, she was about to give up.

She didn't want to be struggling, and she didn't want to hurt others anymore.

Perhaps this is her An Qi's life.

However, in the face of An Qi's words, Elder Nuo did not mean to give up.

His gaze was like a torch, and his expression gradually became firmer.

"An Qi, grandpa promised to take you out, so he won't break his promise." The deep words, with despair and determination.

After An Qi heard this, she suddenly panicked: "Grandpa Nuo, what are you going to do?"

"Don't do stupid things~"

"Grandpa Nuo, don't be like this..."

"No~"

An Qi was still shouting, but Elder Nuo's momentum was getting more and more vigorous.

In the end, old Nuo's clothes had exploded.

A little bit of red, burst through the blood vessels, spilling out on the skin.

From a distance, Nuo Lao at this moment is like a blood man.

"This is... the art of exploding blood?"

"This old thing is crazy!"

"Madman, he is a madman~"

Seeing this scene, Chu Qitian was shocked.

Even the elder Chumen, above his old eyes, showed a look of horror.

What is burst blood?

It is burning vitality and blood, bursting out the power of the whole body in an instant.

It was like a firewood that could burn for a day, and suddenly exploded within a few minutes.

This kind of power that burst out in a short time, although strong, but the body's muscles and veins are simply unbearable.

The final result is that the veins burst and die.

This kind of secret technique, because it is too cruel, has long been banned in the martial arts world.

Chu Qitian didn't expect to see it today.

“Six elders, hurry up!”

“Hurry up and interrupt him~”

“Don't let him perform successfully~”

Chu Qitian shouted.

The Sixth Elder naturally didn't look at it either, and before Chu Qitian's voice fell, he had already slapped it out.

Old Nuo did not dodge, his muddy eyes were red, and he slammed out directly.

Bang~

fists and palms collided, the six elders were shaken back.
