

# Chapter 3264– 3265 of A Dish Best Served Cold Novel

## Chapter 3264

“What?”

“The Sixth Elders were also repelled?”

Chu Qitian realized the seriousness of the matter, panicked, and shouted again.

“Chu family inner guards,

follow the order !” ” Follow me, help the six grow up, and kill this evil barrier!”

Whoosh swish~

Following Chu Qitian’s order, all the Chu family inner guards who were accompanying them all jumped away. Out.

The Chu family’s guards are divided into inner guards and outer guards.

There are hundreds of outside guards in the Chu family, and the worst are in the congenital realm.

But the Chu family’s internal guards were only thirty-six people.

Of these thirty-six people, each of them was an extremely strong person carefully selected by the Chu family, and each of them was the pinnacle of the transformation, and they were only half a step away from the master.

This time, Chu Qitian was escorted by outside guards from the Chu family.

But the real escort power is the twelve inner defenders in front of them.

Twelve half-step grandmasters, plus a grandmaster’s six-year-old, and Chu Qitian who mastered Yundao Tianjue, such a lineup, even the titled grandmaster can come across.

Soon, the twelve Chu family internal guards surrounded Nuo Lao Tuan Tuan.

But Elder Nuo was not afraid, yelled, and immediately rushed into the crowd.

Or fist or palm, or split or chop!

Between the Tianhe River, the blood-spilled old man was like a demon from the abyss. The gods blocked and killed the gods, and the Buddha blocked and killed the Buddha. For a time, it was as if he had entered the realm of no one.

The twelve Chu family internal guards did not actually block his way.

In just a few encounters, they were all defeated.

Even Chu Qitian himself ate Nuo Lao's palm and he vomited blood.

Seeing that Elder Nuo had already broken through the siege, but saw the old man's body trembled, a mouthful of blood came out, and his aura weakened by a few points.

When Chu Qitian saw this, he immediately exclaimed: "Don't fight him first, this old guy won't hold on for long."

"Drag!"

" Drag him to death~"

Chu Qitian changed his tactics and no longer confronted him, but chose instead. Procrastination tactics.

Pouch~ At

this time, Elder Nuo spit out blood again.

The breath is weaker again.

When An Qi next to him saw this, tears could not stop flowing, and she kept wiping old Nuo with blood.

"Grandpa Nuo~"

"Woo..."

"We won't fight, let's go home~"

An Qi shouted sadly, heartache.

But even if Old Nuo was bloody, when he looked down and saw the little girl beside him, his haggard old face showed a satisfied smile.

"Anqi~"

“Don’t cry.”

“Grandpa Nuo doesn’t have much time.”

“Today, if you can use my old life to exchange your life with freedom and joy, then Grandpa Nuo will also be content.”

Old Nuo whispered. With that, every time I said a word, a few traces of blood flowed out of my mouth.

“Stop talking, Grandpa Nuo, stop talking~”

An Qi burst into tears.

But Elder Nuo still smiled: “Angie, I’m sorry.”

“In the years to come, Grandpa Nuo can’t accompany you anymore.”

“With Grandpa Nuo’s blessings, forever...”

“Live!!!”

Nuo The old roared one last time.

The strength of the whole body turned into endless strength, condensed in the palm of the hand.

Then, Chu Qitian and others saw that the old man lifted An Qi, and then threw it out to the end of the horizon.

The speed is so fast that only if a meteor crosses the sky.

“Not good!”

“Asshole~”

“Chasing~”

“Quickly chasing ~”

Chu Qitian was shocked and roared angrily.

“But young master, what about him~”

“Leave him alone, this old thing has reached its deadline, and there is no doubt that it will die. Now quickly chase the bride back to me!” Chu Qitian shouted angrily.

Whoosh whoosh~ The

words fell, and the strong here all rushed out, chasing madly in the direction where An Qi was thrown out.

As everyone left, there was only Elder Nuo in the world, standing alone and desolately.

The muddy old eyes looked at the far front, as if they had penetrated the ages of time and space.

## Chapter 3265

“Come on~”

“Old Nuo, come and take a look.”

“Look at my daughter, how beautiful~”

That year, the breeze was pleasant, the sunshine was just right, and an immature child came to the ground.

That is the best gift from heaven, for them.

.....

“Grandpa Nuo, look at me and see me.”

“Look at the sketch portrait I drew for you .” “It looks a lot like~”

“This is An Qi’s first time painting.”

“I want to You put it up and hang it on the wall~”

That year, An Qi just went to kindergarten and drew her first chapter portrait sketch.

Looking at the picture-like portrait on the wall, the old man didn’t know whether to cry or laugh.

...

“Grandpa Nuo, why don’t they like me. Why don’t they play with me~”

“They all bully An Qi~”

“Woo~”

That year, An Qi was carrying her schoolbag, Come back from school with red and swollen eyes.

The crying pear flower brings rain.

Kenuo’s heart was broken.

.....The

past is like a tide, sweeping from the depths of the years.

The piles, piece by piece, are just like old slides, frame by frame in front of Nuo Lao’s eyes.

.....The

cold wind is bitter and the sun shines like blood.

Under the sky, the old man who had gone through the vicissitudes of life just looked at the direction An Qi had left, showing a peaceful smile.

Boom~

A dull boom , like a mountain collapsed.

That old figure fell down like this.

“Grandpa Nuo~”

.....

“Grandpa Nuo~”

.....

An Qi who was still going away quickly, when she saw the fallen figure of Old Nuo, she burst into tears immediately. Crying.

Boundless tears have already flooded her face.

An Qi at this time really regretted it.

She shouldn’t run away.

She shouldn’t let Elder Nuo help her.

She should have accepted her fate long ago.

From the time the family decided to marry her to the Chu family, she should have accepted her fate.

In this case, other people will not be affected, and Grandpa Nuo will not die.

Even now An Qi didn't want Mark to come back.

The Chu family is so powerful, Mark can't take her away if he comes.

Only let her hurt another person.

When thinking like this, the strength that Elder Nuo poured into An Qi's body has become weaker and weaker, and the speed has also dropped.

Finally, after flying more than ten kilometers, the inertia of the forward thrust completely dissipated.

An Qi fell to the ground.

But she didn't run anymore, just stayed where she was, crying in tears, letting tears flow down her face.

"Miss An Qi,

let's go~" "In order to save you, Elder Nuo gave his life."

"If you are arrested again, how can you be worthy of your dead Grandpa Nuo!"

And in An Qi, because of Elder Nuo's death, I feel grieved. At the end of the day, there was an anxious voice behind him.

I saw an old man with gray hair, who did not know when, actually appeared here.

"Are you?"

An Qi looked over with teary pretty face, but her little face was full of doubts.

But the old man did not answer, but pulled An Qi to continue towards the coast and fled.

"Miss Anqi, it doesn't matter who I am."

"You only know that I am in the name of the little lord, and the one who came to meet you is."

"The little lord is here soon!"

“As long as we hold on for a while, little The Lord is here~”

Old Han said excitedly while running with An Qi.

“The little lord you said, is it...”

An Qi became more and more confused when she heard it. At the end of her hearing, a person’s name suddenly appeared in her heart.

“Yes, my young master is Chu Tianfan. Or, Mark!”

Old Han answered without concealment.

In fact, as early as last night, Old Han got Mark’s instructions.

Let Old Han stay within his power to protect An Qi from harm and wait for him to arrive.

However, Mr. Han did not expect that a domestic slave of the Jones family would dare to come out to rob his relatives on the way to meet him.

Seeing An Qi in danger, Old Han naturally could no longer hide at this time, so he revealed his identity and prepared to take An Qi to escape.
