

# Chapter 3280– 3281 of A Dish Best Served Cold Novel

## Chapter 3280

“Yes... it’s you!”

The moment he saw this person’s face, it was like a bolt from the blue sky, and it exploded in the minds of Hu Sixteen and others.

In just an instant, there were stormy waves swept through my heart.

These people stared at their eyes, looking at the young man in front of them like ghosts.

“You...do you really dare to come?”

“You...you are so courageous!”

Tiger Sixteen and the others were almost crazy.

They never dreamed that in the dense forest before, they blasted the executioner of the Sixth Elder with one punch and kick, but now they actually killed the Chumen Mountain and reached the door of the Chu family.

Isn’t this a madman?

The long-term tremor made it difficult for these people to calm down.

As a result, when facing the teenagers who were stepping up the steps, Hu Sixteen and Hu Seventeen did not even make a move. Instead, they retreated to the side and took the initiative to give way to the young man in front of them. Up.

“I’ll go!”

“Brother Sixteen, Brother Seventeen, what are you doing?”

“Get out!”

” Go up and do it~”

“This guy trespassed on Chumen Mountain and killed so many brothers from the Chu family. Die~”

The man who went to the top of the mountain for help just now saw the scene of the drama in front of him and undoubtedly peed.

What's this special?

Not to mention blocking people and killing the enemy, this is so special, but he took the initiative to give way.

Was he scared off before he even made a move?

How scary is this!

"Te mother, you shut up for Lao Tzu!"

Hearing the guard's forcing Lailai voice, Tiger Seventeen was furious, turned his head and yelled at the guard.

I thought this idiot didn't know the terrible young man in front of him.

Why don't you let them go?

But now is not the time to discuss this, the most urgent thing is to stop the young man in front of him.

"Your Excellency, please stay here."

"Today is the day of my Chu family young master's wedding, and it is also a rare event in Chumen in a century."

"No matter what kind of grievances you have with my Chu family, any misunderstandings, please also Come back another day."

"At that time, I believe that our Chu Family Patriarch will give you an explanation."

Hu Sixteen changed his arrogance before, facing Mark, he started to persuade him in a low voice and politely.

However, where did Mark care about these nonsense.

He raised his cold eyes and looked forward with indifferent eyes. The chilly words resounded in all directions: "If you don't want to die, keep the way out."

"Your Excellency, please think twice."

"Maybe, some of us ." I can't stop you."

"But your sir, you don't want to forget, my Chu family is the world's largest wealthy

family.”

“There are twelve martial arts masters in the Chu family alone.” “Now, they are stationed in Chu. Outside the main hall!”

“Besides, there are countless strong titles of my Chu family.”

“What’s more, today the three powerhouses of the Chu Clan gathered together.”

“No matter how strong your Excellency is, you can’t stand alone. You might be able to defeat me by one person and ten people like me. But how about facing the entire Chu family? Truman whole of it? ” “

As the saying goes, servers are clever. ” “

At this point you receded, but also save lives. ” “

But if bent forward, will be severely punished! ” “

We look to you , Three! Think!” The

two words think twice, and the word Tiger Sixteen has a meal. The threat contained in that tone is undoubtedly extremely clear.

But let him talk nonsense, Mark only responded with one word.

“I’ll say it one last time, get out of the way.”

“Today, I, Chu Tianfan, must ascend the mountain of Truman!”

” Those who stand in the way of me, die!!” The sound is like

thunder

.

Like a thunderstorm, it exploded under the mountain.

Gushing anger, accompanied by a biting gust of wind, swept across the sky.

When Long Sixteen and the others saw that the boy in front of him was not entering, they undoubtedly gave up the negotiation.

“It seems that your Excellency will not see the Yellow River and the heart will not die.”

“If this is the case, don’t blame my brothers for being ruthless!”

# Chapter 3281

Seeing the breakdown of the negotiations, these Chu family internal guards were afraid of the young man in front of them but still forced their shots.

“This son is weird.”

“Brothers, let me wait together.”

“Join hands to subdue this madman~”

With Hu Sixteen’s order, it resembled a boulder falling into the sea, setting off a thousand layers of waves.

The twelve tiger-level internal defenders behind him all shot.

The majestic attack, like a wave, swept down towards the young man in front of him.

Facing the crowd, Mark’s face was still water, his expression unchanged.

That calm look was like an ancient well spring, no matter how heavy the wind and rain were, it didn’t make any waves in his heart.

Under the long river, between the mountain roads.

A bloody battle has started quietly on Chumen Mountain.

Wherever he caught his eye, the energy swept through, and blood splattered.

At the time when the Chumen Mountain was in chaos, the Chumen Hall on the top of the Chumen Mountain was still a scene of joy and harmony.

Rose petals are floating on the brand new red carpet.

Accompanied by the melodious melody, the empathetic and loud voice of the emcee also spread throughout the Chumen Hall.

“When the floral fragrance of roses and the smell of fine wine rippling on this auspicious day, when the music is played gently, we ushered in such a happy time together.”

.....

“Everyone has a childhood dream I believe that every girl has dreamed of walking towards his prince charming in a holy wedding dress. Today’s most beautiful and happy princess, the most elegant and noble prince, is right in front of us.”

“Now, with the warmest applause, we invite the bride and groom to come on stage~”

..... The

most solemn moment has arrived.

With the contagious words of the emcee resounding through the audience, outside the Chumen Temple, salutes fired in unison.

The music that was originally long and gentle has also been cut into a song of enthusiasm and joy at this moment.

Just like this, bathed in blood and applause, greeted with salutes and blessings, a couple of newcomers walked here.

At the same time, at the foot of Chumen Mountain, the thin young man stepped up the steps, stepping on the bones and blood, facing the sword and the sharp edge.

On one side is a grand wedding full of flowers and applause, on the other side is a world-renowned battle full of slaughter and blood.

At a distance of no more than a kilometer, what happened was like two heavens of ice and fire.

On one side is joy, on the other side is life and death.

Cheers on one side and screams on the other.

At this time, Mark was almost incarnate as a demon god.

When encountering gods and killing gods, encountering Buddhas and killing Buddhas.

Facing the obstacles of the strong from Chu Sect, Mark felt as if he had entered the realm of no one.

The power of terror is frightening.

The power is so desperate.

At the end of the killing, the Truman powerhouses who were still alive were almost scared.

“Devil~

“He is a demon, a demon through and through~”

Someone yelled in horror.

Someone burst into tears.

Under the feet, corpses are everywhere.

In front of him, there is a mountain road leading to the sky.

Under the sky, this young man was the only one who walked in the blood and stepped up into the sky.

Facing the majestic majesty of the young man in front of him, the surviving Trumans were unconsciously afraid to retreat, and no one dared to step forward to intercept them.

Obviously, they were scared.

They were scared of being killed by Mark.

No one can really not fear life and death.

Even those who face death must have fear in their hearts.

Just like these Chu family guards in front of them.

The willingness to go through fire and water for the Chu family on weekdays can be said to be screaming loudly.

However, when they saw their former brothers and companions turned into a corpse and fell in a pool of blood, they would undoubtedly be afraid.

The tragedy at the foot of the mountain has not yet reached the hall.

Chu Qitian, Chu Zhengliang, and many other Chu family members were still immersed in the celebration of the wedding, immersed in the compliments and congratulations from everyone.

At this time, Chu Qitian had already walked to the highest point of the hall with An Qi and stood in the center of the ceremony platform.
