

# Chapter 3286– 3287 of A Dish Best Served Cold Novel

## Chapter 3286

As for the martial arts people of other countries, they are full of tremors, looking at the youth in front of them like ghosts.

Obviously, at this time, almost everyone was curious about the identity of the teenager in front of them.

Who is he?

How dare to forcibly break into Chumen Mountain, and even attack the only son of the Chu Family Patriarch?

This young man, isn't he afraid of causing misfortune and killing?

Was the whole clan even slaughtered by the Chu family? Does it hurt the country?

Regardless of whether the Chu Clan or the Chu Clan can rule the world, it has made thousands of powers frightened, not just because of the strength of the Chu Clan, but more importantly, the style of life.

Among the rules of Chumen, there is a rule called "continuous sitting".

Especially when facing hostile forces, as long as the elders have discussed and passed the Truman Sect Master's decision, they can sit in the Nine Clan, and even the entire country's martial arts.

Before the Chumen Rebellion, the country's martial arts, which was destroyed by the "continuous sitting", were not counted.

Like the martial arts of Australia, it was completely slaughtered by Chumen.

As a result, the development of the entire Australian martial arts has decades of faults.

When everyone was panicked and trembling, An Qi had obviously recovered from the panic.

She ran over and pulled Mark to flee: "Brother Mark, let's go quickly."

“Otherwise, you will be in danger.”

“This is Longtan Tiger’s Den. Once Uncle Chu and the others get angry, it will be difficult for you to walk down alive. From Chumen Mountain.”

An Qi was extremely anxious, and her delicate little face was full of worries.

However, Mark chuckled slightly: “An Qi, it’s okay.”

“To me, Truman is not a dragon-tan tiger lair.”

“I go back here, the same as

when I go home.” “And my uncle and their brothers are kind to me, they speak nicely, how could they put me in danger.”

“

Right , Sanshu?” Mark said lightly, but in the laughter, there was full of irony.

“Naughty!”

“Mark, you don’t want to live anymore? Not hurry...”

Tang Hao on the side was unable to calm down while Mark was talking.

He immediately stood up and shouted anxiously at Mark.

Let Mark quickly step back and apologize.

In the words, there was a few wisps of concern for Mark.

It seemed that Tang Hao couldn’t bear to see Mark, and died here.

However, Tang Hao hadn’t finished speaking yet, but the Juggernaut on the side stopped him.

“Tang Hao, don’t intervene yet.”

“

Watch the changes .” “I want to see Mark. What kind of medicine is sold in the gourd today?”

Although I don’t understand Mark’s behavior today, the Juggernaut is right. Mark’s suspicion that he was the Truman was not erased.

But he felt that today, he might be able to fully understand the relationship between Mark and Chu Men.

At this time, all the powerhouses of the Chu family had poured in from outside.

Three circles inside and three outside circles surrounded Mark and An Qi layer by layer.

The twelve dragon-level inner guards of the Chu family also appeared at this time.

The momentum of the twelve martial arts masters gathered together, it can be said that the momentum is like a rainbow, and the power is like an abyss.

“Patriarch, please forgive me!”

“I am waiting for incompetence and failed to guard the mountain gate. Let Xiao Xiao break in.”

“I will take it down, behead its head, and behave like you!” Headed

by Long Yi ! Kneeling down again, pleaded at Chu Zhengliang.

After speaking, these dragon-level powerhouses will besiege Mark.

But Chu Zhengliang stopped them.

Moreover, Chu Zhengliang ignored Mark’s words, instead turned to look at the two of Sword Saint and Tang Hao: “Your Sword Saint, this one in front of you should be your strong in the summer, right?”

“Indulge in the strong in the summer. Mount Chumen, chaos my son’s wedding. It’s not just the Temple of

War in the Summer , what do you mean?” “Could it be that you want to fight with my Chu family and with my Chu Sect ?”

Boom~

Chu Zhengliang’s words fell, a powerful force. The coercion swept out of him immediately.

That bitter chill made even the Sword Saint and others tremble.

## Chapter 3287

“What a terrible coercion~”

“How terrible is this Chu Zhengliang’s strength?”

Feeling the power of Chu Zhengliang, everyone present was full of heart palpitations. While looking at the Chu Family Patriarch in front of him, he whispered secretly in his heart.

Sword Saint and Tang Hao changed their expressions after seeing the gaze of Chu Zhengliang, the head of the Chu family.

Especially the Juggernaut himself, after hearing Chu Zhengliang’s words, his old face turned white.

He stopped Tang Hao before, thinking about staying out of the matter and watching the changes.

But now it seems that they are convenient in the hot summer, and it is difficult to stay out of the situation.

“The words of Patriarch Chu are probably too serious.”

“We are thousands of miles away from Chu Sect in the martial arts in the summer of martial arts, and we have always kept the well water from the river.”

“Nowadays, the wedding ceremony of Linglang, I personally come to congratulate the temple of martial arts in the summer.”

“He You and Chu

As soon as the door started to fight?” “As for the person in front of me, why he came to Chumen, I don’t know the

Yanxia Wushen Temple.” Facing Chu Zhengliang’s question, the Juggernaut stood up and replied with a smile.

“I don’t know

anything about it ?” “But your Sword Saint, do you think that just these few words can clean up your Yanxia Martial God Temple?”

“As far as I know, the person in front of you is your Yanxia. The seventh titled master, Wushuang!”

“Since it is the title of Yanxia, your words and deeds represent the entire country.”

“Now your strong titled Yanxia is chasing my Chu family’s wedding banquet, if your Martial God Temple does not give me an explanation, then Don’t blame me, Chu Zhengliang, even deal with your Martial God Temple together!”

Chu Zhengliang said in a cold voice, with threats and chills in his words.

I have to say that this Chu Zhengliang is really cunning.

Facing Mark's troubles, he ignored him, instead chasing the Sword Sage Master of the Temple of No Temple in Yan Xia.

What he meant is undoubtedly obvious.

That is to let the Juggernaut and them deal with Mark.

In this way, one can kill two birds with one stone.

“What?”

“This person is the double title of no one in the summer, Mark?”

“The last time the rainforest battle, this guy survived a catastrophe.”

“Unexpectedly, I don't know how to stop, but now he came to provoke the Chu family again. ? ” “

I think he really want to live. “

.....

” Yes ah. ” “

I have heard that there are several elders Truman, it was their murderous. ” “

Truman did not find him, Did he come up to death by himself?”

“Here is a good show.”

“Haha~”

After learning that the person in front of him is the titled master of the summer, the powerhouses of the countries present immediately enjoyed themselves.

Looks like sitting on the mountain watching tigers fighting.

Especially Mark's old acquaintance, Mochizuki River, was even more sneer at this time.

“This Brian Chuis really interesting.”

“After killing my Japanese powerhouse, I was afraid that my Moon God would go to chase and kill me, so I changed my name to Mark to hide in the summer, and became the titled master of the summer?”

“Now I still run to the Chumen Mountain to blaspheme the wife of the young master of the Chu family?”

“This is really life and death.”

“Now, how do I see Brian Chu playing?”

Mochizuki sneered in his heart, completely gloating.

Moreover, the cynical side of Juggernaut also said: “Yes ah Juggernaut, this is your summer’s wrong.”

“Especially you this Dianshu Wu Temple, not even following the title master are not bound”?

“Today So arrogant to force into the Chumen Mountain, and openly grabbing relatives and molesting the Chu family young master’s married wife?”

“This is also the Chu family master’s good temper.”

“If it were me, I would have issued an order long ago, ordering the Chu family to kill. Go up to Yanshan and level down your Martial God Temple.”

Wangyuehe deliberately arched the fire and said yin and yang weirdly.

“Mochizuki River, don’t fan the flames here!”

“In the future, if my Martial God Temple is really destroyed, I, Tang Hao, will be the first to enter the Winter Capital and destroy your Sword God Palace!”

Tang Hao clenched his palm tightly, Shen Angrily!

When Tang Hao was aligning with the Mochizuki River, the Juggernaut on the side looked gloomy and it was hard to see the extreme.
