

# Noble Husband At the Door Chapter 329

"What are you doing? Are you crazy?" Seeing this scene, Harvey rapidly quit Yara.

"I'm not crazy. I'll destroy it even if I were to give it to her," Yara gritted teeth.

Harvey recognized that she was extremely disappointed with this issue, yet what else could she do other than accept her fate currently?

If all these gold as well as jade were ruined as well as Gina learnt about it, the entire Sue household could not manage it.

"You fucking stop. Do you still wish to cause trouble for the Sue family?" Harvey stated coldly.

Yara elevated her head as well as considered Harvey with frustration. She claimed, "Harvey, what do you suggest? What's your mindset toward me now?"

Even if I don't have the Hannigan family members, I will certainly still marry right into one more well-off family members in the future as well as allow others buy the Sue family members. If you treat me similar to this now, do you still intend to get benefits from me in the future?"

Harvey smiled coldly. His compassion to Yara was completely due to Hannigan family members. Currently she had actually made it clear that she might not wed into the Hannigan household. It was unusable to Harvey in all.

When it comes to whether she could marry right into an abundant as well as effective family in the future, HarveyHarvey did not care whatsoever.

"Yara, you haven't seen the reality? Exactly how several affluent family members are there in Cloud City?"

Yara gritted her teeth and also claimed, "Do not worry about me. I will birth the consequences myself."

She secured the bracelet again.

Harvey couldn't allow her remain to make trouble. She had to bear the consequences, however whether she would certainly be the just one to bear the repercussions. It was tough to claim.

Harvey would certainly not allow anything that threatened the Sue family happen to him.

" Smack!".

A loud slap arrived on Yara. Harvey said seriously, "Yara, this is the last time I caution you, don't act recklessly. Or else, I will kick you out of the Sue household.

Without the Sue family, just how are you mosting likely to live, not to mention marry right into an abundant and also effective family members?".

Yara was frightened by his words. If she was cleared out of the Sue family, she would no longer be the Miss of the Sue household. There would certainly be no chance for her to contact the rich in the future.

" I'm sorry, Harvey. I was wrong," Yara decreased her head and stated with a savage look in her eyes.

Harvey's feelings for Yara were far better than Yvonne's. Since there was no such an eyesore like Samuel by her side, his perspective softened a little when he heard Yara's apology.

With your appeal, it's not an issue for you to marry a rich guy, allow alone a rich one. At least, it's much better than Yvonne weding Samuel, the loser," Harvey stated.

Hearing this, Yara really felt far better. Also if she closed her eyes as well as obtained wed, she can not be worse than Yvonne. After all, Samuel was a renowned loser in Cloud City. Who else could be worse off than him?

In the rental property, Lydia had actually been waiting anxiously in the living room, as if the engagement present belonged to her. When she heard the buzzer, she took the initiative to open the door for the first time, which saved He Ting a lot of difficulty.

" Auntie Lydia, where is Yvonne?" Harvey asked lightly.

Seeing things in their hands, Lydia's eyes illuminated and also she said, "Yvonne has mosted likely to function. Provide me the things."

As quickly as she said that, Lydia connected to order it from Yara's hand.

Yara was certainly hesitant to part with them as well as declined to allow them go.

Do you still want to take them back? Lydia glared at Yara.

Yara took a deep breath and also unwillingly let go of them.

" Can be found in and have a remainder. You need to additionally take a look at these good things." Lydia took her bag as well as when she returned to the living-room, she could not wait to open it.

Her eyes were shining, and also the dazzling gold thing was so intense that she could not open her eyes.

Harvey sighed. He was now living in the rental property of the Sue family, there was still a huge gap in between it as well as Hill Suite.

At this moment, Samuel appeared of the space as well as responded with a smile when he saw the two of them.
