“If your father is here, you can see his son so promising. , I believe he should be proud.”

“However, based on this, I want to avenge my Chu Family.”

“Sorry, it’s still not enough.”

“With just one blow, the two titles were directly beaten back?”

“Although the attack was sudden, the two Owens were caught off guard. But it was also Chu Zhengliang’s casual blow.

” At the tip of the iceberg, there is such a trend.”

Mark walked out with a chuckle at the corner of his mouth: “Enough is not enough, not just a sentence from your Chu Zhengliang. Naturally, you can see the difference after the fight.”

“Okay!” Chu Zhengliang smiled openly, “In that case, then I, Chu Zhengliang, will accompany you in the battle.”

“Don’t worry, I will not use the power of the Chu family, nor will I use the power of the Chumen.”

“I am the only one, and I will fight you in an upright battle!”

“So, I won’t let the people of the world say that I’m the Chu family. I use more to bully the less, and to suppress others.”

“However, after you lose, I hope you will be a little conscious, so that you will still have your subordinates, self-determination, and avoid getting dirty. It was the hands of my Chu family.”

“My nephew, I don’t know this suggestion, can you agree?”

Chu Zhengliang stood on a high place, looking down at the boy in front of him, smiling faintly.

“No, Dad.”

“This man is humble and contemptuous. Where is it worth your own personal action ?”

“You are too

embarrassing to plant this evil, right?” Chu Zhengliang just said this, and Mark hasn’t waited for Mark to answer, but Chu Qitian was straightforward. Objected.

The rest of the Chu family also agreed.

“Yeah~”

“Patriarch.”

“A yellow-mouthed kid, where is it worth my Chu Patriarch’s personal action?”

“It hurts your reputation.”

Everyone in the Chu family opposed it.

In the eyes of these people, like this kind of bastard, the status is extremely low. If Chu Zhengliang competed with him personally, it would undoubtedly be an insult to the entire family.

Chu Zhengliang waved his hand and comforted: “Although he is an abandoned son of my Chu family, but now he can be followed by a number of powerful titles. Based on this alone, he is qualified to do it with me.”

” Yes ~” Chu Qi Tian wanted to say something, but was interrupted directly by Chu Zhengliang.

“Well, if you still want to continue the wedding with An Qi, just watch it.”

“For my father today, I will offer you a big gift for your wedding.”

Chu Zhengliang chuckled lightly, staring proudly. With a kind of lofty contempt, it fell on Mark again.

“How are

you thinking about it?” “You and I will

determine the universe in a battle.” “Do you dare to take this battle?” Chu Zhengliang asked again.

“Why don’t you dare?” Facing the majesty of the Chu Family Patriarch, Mark’s expression was calm, but he was not afraid of not changing his face.

“However, what if you lose?”

Mark asked back.
