

Chapter 3302– 3303 of A Dish Best Served Cold Novel

Chapter 3302

“Hahaha~”

“Chu Tianfan, I think you are daydreaming and wishful thinking?”

“My father Yun Dao Tianjue has already succeeded, even if your father is here in person, he may not be my father’s opponent.”

“So, In today’s battle, what you should think about is what you do to commit suicide.”

“As for my father’s defeat, it’s not something you can think about.”

Hearing Mark’s question, Chu Qitian suddenly laughed, and continued with it. Everyone in the Chu family also laughed. “It was like hearing the biggest joke in the world.

“It’s true that a newborn calf is not afraid of tigers~”

“Now the younger

generation , his tone is getting louder and louder.” “Even in delusion that he can defeat the Patriarch of the world’s

most powerful family?” Elder Truman also shook his head and smiled.

The leaders of the other nations in the hall also had a joking smile on their lips.

Obviously, everyone thought that Mark was whimsical.

“This Brian Chuis getting more and more floating~”

“Really think that if you can defeat my Japanese power, you will be invincible?” Mochizuki River is full of sarcasm, looking at Mark like an idiot .

“Mark, it’s okay, don’t...”

Among the crowd, only Tang Hao showed anxious expression and wanted to dissuade him.

But he was stopped by the Juggernaut.

“Juggernaut, what are you doing to stop me?”

“Do you really want to see him die in vain?” Tang Hao was anxious.

The Sword Saint replied in

a deep voice : “You have dealt with him for so long, don’t you know him?” “Do you really think that if you persuade a few words, you can stop him?”

“I abolished his title, and it didn’t stop him. Is his footsteps?”

“Let’s watch the changes .”

“This is his own choice.”

“It’s life or death, depending on his own good fortune.”

Sword Saint said slowly.

When Tang Hao listened, he was still silent after all.

Yes, if he persuades him at this time, it will not help at all. On the contrary, it will also disturb the hot summer martial arts.

Perhaps, just as the Juggernaut said, watching the changes is the wisest move for them right now.

In the face of everyone’s ridicule, Mark turned a deaf ear to Chu Zhengliang, waiting for the so-called Chu Family Patriarch’s response.

However, Chu Zhengliang just smiled and didn’t mean to speak at all.

“Why?”

“Could it be that the Patriarch of the Chu family can’t even bear the result of failure?”

“If that’s the case,

let’s make an appointment without a fight.” “Let’s do it at will.” Mark hummed. Said with a smile.

For Mark, it is undoubtedly the best to resolve disputes through a battle.

In this case, Gaia and the others will not be in danger.

But even if the appointment fails, Mark will not force it.

Anyway, Mark had planned for the worst when he came to Chumen Mountain today.

“What do you want?”

Chu Zhengliang finally replied, saying.

“Very simple, if you lose, then take all the members of the Chu clan, follow me to the hot summer, kneel in front of my mother for seven days and seven nights, in order to forgive the sins of the past!”

“And the old thing Chu Yuan.”

“He If he is not dead, go and kneel for me too!”

“If he is dead, it would be cheaper for him, but he has to dig out his ashes and raise them for me!”

Mark said in a cold voice, but who would have thought that he would As soon as the words fell, the entire Chu family was directly exploded in anger.

“Presumptuous!”

“Beast~”

“~”

“How dare you be so disrespectful to the old man?”

“You should be frustrated!”

“Looking for death~” There was

a scolding in the hall.

Even Chu Zhengliang’s face became cold.

He didn’t expect Mark to be so vicious.

They let the entire Chu family kneel down to apologize to a sordid woman, and the father’s ashes were raised.

Isn’t it just like that for murder?

Chapter 3303

“You bastard, Chu Tianfan!”

“You’re so daring~”

“How dare you make such a request for rebelliousness.”

“You really deserve to die~”

Chu Qi gritted his teeth in the weather, red eyes at Mark anger Scolded.

In that way, I can’t wait to swallow Mark’s cramps and peel them alive.

Not only Chu Qitian, but the entire Chu family was extremely angry.

After all, how majestic is their Chu Family in the world today?

Can be described as the world’s first giants!

It can be said that every Chu family is born with a sense of superiority over all living beings.

But now, Mark actually wants their entire Chu family to kneel down and apologize to an abandoned son, a country woman?

Even if this is just a talk, it is still a great blasphemy and insult to the entire Chu Family.

Naturally aroused the anger of the Chu family!

“How?”

“I Could not afford that?”

“Ha ha ~”

“loss you still claiming to be wealthy when the world first.”

“It now appears, are also a group of Villains nothing.”

“Even with our Dragon Lord gambling war, Don’t dare to respond!”

Facing the anger of the Chu family, Gaia, Owen and other dragon god powerhouses sneered.

In the words, there was a mockery of the Chu family.

“Haha~”

“That’s right.”

“You guys in the martial arts, have you seen it?”

“This is the so-called number one

giant in the world.” “Nuo Da’s family doesn’t even have the courage to fight with our dragon lord .” .” “

look this way, gambling war has not yet begun, they would have thought they would lose the master of the house. “

Su Muqiu also sidelines quipped.

“Presumptuous!”

“You mobs, dare to despise my Chu family?”

“Have we ever said that we dare not fight this abandoned son?”

“It’s just...” the old Chu family retorted sharply.

Gaia chuckled back: “Just what?”

“I’m just afraid that your Patriarch will lose, right.”

“At that time, your entire Chu family will go to my Dragon Lord’s ancestral home and kneel down for seven days.”

“You. ...” The Chu family was so angry at Gaia’s words that some people wanted to stand up and prepare to teach them.

Finally, Chu Zhengliang, the Patriarch of the Chu Family who had been silent, said: “Okay.”

” Chu Tianfan, since you insist on begging for death, then I will promise you.”

“If I fail, I will carry the Chu family and join the Chu family. In the summer, apologize to your mother on your knees.”

“If you lose, you will be with your men, commit yourself here, and atone for your sins with death!”

After saying this, Chu Zhengliang immediately turned his head and looked at the swordsman behind him. Aaron et al.

“Everyone is here, and I, someone from Chu, also hopes that all of you present here will be a testimony to us.”

“Haha~”

“Cher Patriarch Chu can rest assured and rest assured against the enemy.”

“If Brian Chuis defeated, he will not.

Stop yourself.” “Don’t say that Patriarch Chu will not agree, nor will the witnesses present here.”

“At that time, we will also help Patriarch of Chu family to kill this person who doesn’t believe in words.”

Mochizuki took the lead. He stood up and patted his chest to show his loyalty to Chu Zhengliang.

The leader of Russia, Aaron the Great, and Lord Carlo of Western Europe, and others, although they did not speak, they all nodded one after another, apparently agreeing to Chu Zhengliang that they were willing to be today’s witnesses.

“Okay. I’m Chu Zhengliang, thank you all here first.”

After saying this, Chu Zhengliang’s mouth was smiling, and the high gaze fell on Mark again: “You should take action first.”

“Although you have already been caught .” I am removed from the Chu family, but after all

, I am a junior.” “Don’t worry, I will let you three strokes.”

“Within three strokes, I won’t fight back.”

“Lest people in the world laugh at my Chu, and bully the small~ “In the

hall, Chu Zhengliang looked down at the young man in front of him and said a few words, but he was extravagant.

Bang~
