

The One and The Only Chapter 331 - 340

Lu Cangtian fell into a chair. His two brothers had always been his left and right arms.

Eighteen wolf riders were the mainstay of the Lu family, and they were all in Mannity!

Lu Cangtian was hit by this, and he seemed to be more than ten years old!

However, even so, this matter is not over yet.

Yash Nics clearly came to settle accounts with him now.

He raised his head and looked at Yash Nics with complicated eyes: "Boy, I underestimated

you, what do you want now?"

Yash Nics said lightly, "I warned you of the Lu family, but you repeatedly challenged my

bottom line, yesterday. In the evening, it caused a bloody storm in Mannity, and even sent

my friends Xiao Zhiyuan and Ouyang Hai to the hospital."

"I wanted to send you on the road, so that you and your two brothers would get together in

Huangquan."

"But I feel like this again. It's too cheap for you, because killing you can't make up for the

loss you caused last night."

Yash Nics said this, and said lightly: "Well, if you are willing to compensate for the loss you

caused last night, and personally give it to you. You apologized to the person you hurt last

night. I can spare your life and release you back to the provincial capital."

The

ant has survived, let alone Lu Cangtian.

He asked aggrieved: "How do you want me to compensate?"

Yash Nics said flatly: "It depends on how much you think your life is worth, Mr. Lu."

"I only give you one chance to bid. If I am satisfied, , You can go back to the provincial city

alive. I'm not satisfied, you don't need to bid anymore, and stay in Mannity forever."

Lu Cangtian's expression was very ugly, Yash Nics was a chance to give him money to buy his life.

And he can only offer a price once, and if the price is high enough to satisfy Yash Nics, he can survive.

He finally said aggrieved: "One billion, I pay one billion to buy my own life, is it enough?"

The corner of Yash Nics's mouth rose slightly: "One billion is less, so let's compensate Xiao

Zhiyuan one billion, Ouyanghai one billion, and the remaining family members of the dead and injured one billion, a total of 3 billion."

"And you want it. Go to the hospital to apologize to Xiao Zhiyuan and Ouyang Hai in person, is that okay?"

Lu Cangtian's heart was dripping blood, but people had to bow their heads under the eaves.

He bit his lip and said: "Okay!"

Yash Nics saw that Lu Cangtian promised to apologize for compensation. , Smiled slightly,

and told Dianchu and Dong Tianbao: "When the compensation is paid, you will accompany him to the hospital in person. Apologize to Mr. Xiao and Mr. Ouyang before allowing him to leave Mannity."

Dianchu and Dong Tianbao said together: "Yes!"

...in the hospital, VIP superior double ward.

Xiao Zhiyuan and Ouyang Haizheng lie on two hospital beds separately!

Both of them were avenged by Lu Cangtian for publicly supporting Yash Nics, and they were

injured and lay in the hospital. They were treated as sympathetic to each other.

At this time, the people of the Xiao family and the Ouyang family were all gathered around

the two hospital beds.

People in both families complained that they should not support Yash Nics. Look, offending

Master Lu, are you at a loss now?

Xiao Zhiyuan and Ouyang Hai, two old men, coldly said, "We support Mr. Yash no matter

what, and I firmly believe that Mr. Yash will seek justice for us." The

two families shook their heads: "Yash Nics is a mud bodhisattva. Jiang can't protect

himself, how can he

seek justice for the two of you?" As soon as the voice fell, the door of the ward was

suddenly opened.

Dian Chu and Dong Tianbao walked in with an embarrassed person.

When everyone saw this extremely embarrassed guy, they all lost their voices: "It's Lu

Cangtian, Lord Lu!"

"What are you doing here, Lu Cangtian, isn't it enough for you to hurt our master?"

"That's right, don't deceive people too much, you have to Will you give up after killing our two masters?"

The Xiao family and the Ouyang family were filled with outrage and accused Lu Cangtian one after another.

Dianchu smiled and said, "Everyone is misunderstanding. Lu Cangtian came to pay the

apologies to Mr. Xiao and Mrs. Ouyang according to our young master's instructions."

Xiao Zhiyuan and Ouyang Hai were shocked when they heard this.

I saw Lu heaven Xiufen head down, whispered: "Xiao old man, Ouyang old man, I have come

to apologize to you, and give you two each compensation ten billion and hope you will

forgive me!"

Xiaoja The people with Ouyang's family were completely stunned.

Master Lu, one of the four pillars in the south of the Yangtze River, and Master Lu, who stomped south to make an earthquake, came to apologize to them for compensation!

Xiao Zhiyuan blushed. He said excitedly: "Haha, I just said Mr. Yash is very powerful. Look, Mr. Yash asked him to apologize and apologize!" The two families recovered and worshipped. Said: "Yes, sir is really awesome!"

Lu Cangtian personally bowed his head to apologize, and compensated Xiao Zhiyuan and Ouyang Hai each with one billion!

This caused both Xiao Zhiyuan and Ouyang Hai to make a big deal of face, and found both the previous places.

However, instead of accepting the compensation, the two of them both decided to hand the money to Yash Nics for processing.

Dian Chu said with a smile: "Mr. Yash has explained that if you are embarrassed to accept Lu Cangtian's compensation, you can choose to donate the money to the Mannity Municipal authorities, and let the city leaders use the money to improve the environment in Mannity City. Measures."

Xiao Zhiyuan and Ouyang Hai's eyes lit up, and they said together: "Mr. Yash's suggestion is very good. We will donate the money to the city bureau later. Let them improve nursing homes, scholarships for poor students, transportation facilities, and so on."

Lu Cangtian's expression is ugly. After all, a group of enemies are in front of him, discussing how to spend his money, he is not in a good mood.

Dong Tianbao noticed Lu Cangtian's flies-like expression, and he laughed: "So, we in Mannity City have to thank Master Lu very much."

Dian Chu also sneered and said to Lu Cangtian: "Master Lu can do it now. Go back to the provincial city!"

Lu Cangtian turned around and left without saying a word.

Dong Tianbao's voice faintly came from behind: "Brother Chu, shall we really let this guy go?

He will come back in the future...

" Dianchu said with a sneer, "Master said, old man Lu dares to come to Mannity again, and

he has to spend money. Buy your life to contribute to Mannity. And I am afraid that it will not

be 3 billion by then, at least 10 billion to start."

Dong Tianbao grinned and said: "Is this old man's life so valuable? Why do I feel that his life

is not worth a dollar? , Haha."

Lu Cangtian heard the discussion between Dian Chu and Dong Tianbao behind him, and was

almost exasperated.

But at this time, people had to bow their heads under the eaves. He could only force the

anger in his heart and escape from Zhong Hai. He wanted to report Yash Nics's evil deeds

to Lord Tang.

...

Lu Cangtian flew away from Mannity Airport in embarrassment like a frightened bird.

As soon as he left, a luxury commercial airliner landed on China Overseas Airport.

As soon as the plane landed, dozens of men in suits and leather shoes rushed over to

gather.

A high-quality red carpet was also laid on the ground in front of the aircraft gangway.

Then, a slender young man in a black Brioni suit stepped on shiny leather shoes and

stepped down from the gangway.

This man was quite handsome, but his eyes were dark and arrogant, giving people a feeling

of being aloof.

He is one of the four pillars in the south of the Yangtze River, the young master of the

Ouyang family, Ouyang Xuan.

It turned out that Ouyang Xuan traveled to the north a few years ago and ran into Tong Ke,

who was in college at the time, and was attracted by the innocent Tong Ke. He has been

pursuing Tong Ke.

Tong's family is also very satisfied with Ouyang Xuan and intends to bring Tong Ke and

Ouyang Xuan together.

It's a pity that Tong Ke knows that Ouyang Xuan is a playboy and doesn't look down on him

at all.

What you can't get is always a commotion!

Ouyang Xuan was born in a wealthy family and has played with countless beauties.

Tong Ke, who was dismissive of him, aroused his strong desire to conquer.

If Tong Ke hasn't been asleep for a day, he will not give up lightly.

He received a call from Tong Handong and his wife yesterday and learned that Tong Ke is

now in Mannity City, so today he personally came to find Tong Ke.

He came down from the gangway of the plane unhurriedly, followed by an extraordinarily

strong middle-aged man who can be called a humanoid tank.

The man's name is Fan Lai, and he is Ouyang Xuan's super bodyguard.

"Welcome Xuan Shao to Zhong Hai!"

dozens of men in suits on both sides of the red carpet shouted together.

Ouyang Xuan didn't even look at these people, but asked Fan Lai coldly:

"Is it all arranged?"

Fan Lai said loudly and powerfully, "Shao Xuan, I have ordered people to take the Zijin

Pavilion restaurant. We have reserved the venue for a special banquet for Miss Tong's

family. You are past now, the time should be just right."

Ouyang Xuan smiled satisfied: "Haha, great! I must get Xiao Ke this time."

The One and The Only Chapter 333

Zijin Pavilion Restaurant, the most advanced restaurant in Mannity City. The owner of the Zijin Pavilion restaurant was once the master chef of the state banquet, and his name was Lu Sanbao.

Father Lu was once a state banquet chef. He was responsible for the two dishes of Buddha

Jumping the Wall and Boiling Cabbage at the state banquet. He has the title of old cook in the kitchen industry.

However, Mr. Lu is very old, and now the Zijin Pavilion restaurant is headed by his apprentice Sun.

But the taste is still excellent, and many powerful and powerful people like to eat here.

To be able to eat here, it is not enough to have money, but to have power.

Only the distinguished guests with both wealth and power are eligible to eat here.

In order to show off his strength in front of Tong Ke's family, Ouyang Xuan rented out the entire Zijin Pavilion restaurant.

At this time, in the huge restaurant hall of Zijin Pavilion, apart from the manager and the

waiter, only Tong Ke and her parents, as well as Song Pingting, Song Qingqing, Song

Zhongbin and Ma Xiaoli were the only ones.

Tong Ke asked curiously: "Parents, who invited us to eat, actually took the Zijin Pavilion restaurant out of the room. It's amazing!"

Tong Handong looked at each other with Ma Baozhi, pretending to be mysterious and said:

"A very good man, As for who he is, you'll know when he shows up."

Tong Ke said in surprise, "A very good man, wouldn't he be a brother-in-law?"

Tong Handong frowned when he heard this, and Ma Baozhi said disdainfully, "Oh, Your brother-in-law can eat soft rice and shout and scream, what else is he worthy of being called an excellent?" Song Pingting's family couldn't help frowning when he heard this. Tong Ke couldn't help but want to defend Yash Nics. But at this moment, Ouyang Xuan had already brought in some of his men. He couldn't help but his eyes lit up when he saw Tong Ke, and said in surprise: "Xiao Ke!" Tong Ke was stunned: "Ouyang Xuan? It turned out that you invited our family to dinner. My parents called it a very good person. It was you?" Tong Handong reprimanded: "Xiao Ke, don't be rude to Xuan Shao!" Ma Baozhi was also full. He smiled and said to Ouyang Xuan: "Xuan Shao, you are here, please take a seat. The seat next to Tong Ke is about to be seated, and that is reserved for you." Ouyang Xuan triumphed in Tong Ke. Sitting next to him, he smiled and said to Song Pingting, "You are cousin Xiao Ke's family, thank you for taking care of Xiao Ke during this time."

"I have asked the chief apprentice Lu Jinlong of the old God of Cookery to cook personally. Today's banquet is done according to the state banquet menu. Everyone tastes the taste of the state banquet." Tong Handong and his wife both smiled and complimented: "Haha, we have never eaten a state banquet. This time, Tuo Xuan is very blessed." Ouyang Xuan became more and more proud, while Tong Ke was pretty angry. She hated Ouyang Xuan's voice like her boyfriend. Ouyang Xuan clapped his hands, called the hotel manager, and said, "Go to the kitchen and tell Chef Lu Jinlong that we can serve the food." The hotel manager respectfully said, "Yes, Shao Xuan!"

Tong Ke said anxiously, "Oh, No, I also notified my brother-in-law to come over for dinner.

Now my brother-in-law hasn't arrived, how can we eat first?"

Tong Handong coldly snorted, "What can't you do?"

Ma Baozhi said unhappily: "That trash, you will get angry when you see him, so you don't have to wait for him."

Seeing Song Pingting's family's expression turned ugly, Tong Ke said anxiously, "Mom and dad, brother-in-law is not a trash.

" And counting the time, he has almost arrived. It may be that he was blocked at the door and could not come in because of the fact that he was being booked here. Let me go out and have a look?"

Ouyang Xuan saw that Tong Ke was not cold to him and to Yash Nics, the so-called brother-in-law, was so nervous.

I couldn't help feeling jealous, and said lightly: "Xiao Ke, you also said that your brother-in-law is not a waste. If he comes, even if the hotel security does not allow him to come in, he will have a way to get in; if he can't get in, it proves that he is a man. Waste."

Tong Handong and his wife replied: "Yes, if Yash Nics is not a waste, he must have a way to come in."

Ouyang Xuan's mouth was sneered with an imperceptible sneer. When he came in, he had already ordered his humanoid tank. Fan Lai, the bodyguard, stood at the door of the hotel and was not allowed to let anyone in.

Even if Yash Nics had the ability to reach the sky, he couldn't pass the level of the humanoid tank Fan.

At this time, at the door of the Zijin Pavilion restaurant.

Fan Lai, who was as strong as a tank, was blocking Yash Nics's path.
"I don't care who asked you to come here for dinner. In short, we have a few orders and no dog is allowed in it."
"Go away, don't be boring."
Yash Nics came to eat with his family, but he was surprised. People stopped them from entering.
He said faintly: "I have never had a closed door on any occasion when I go in and out. Today I am going to enter this Zijin Pavilion restaurant."
Yash Nics said, raising his foot to enter.
"You're looking for death!"

Fan Lai snorted coldly, directly using a shoulder-to-shoulder technique. He wanted to use his tank-like strong right shoulder to knock Yash Nics into the air. Yash Nics did not dodge or dodge, stepped forward, and greeted him straight.
boom!
Fan Lai's right shoulder collided with Yash Nics's left shoulder.
Click!
The scalp tingling bone cracking sounded at the same time!
Fan Lai shattered the bone in his right shoulder, screamed, and stepped back to the side with a painful expression on his face.
Yash Nics was still full of light and wind, and walked in calmly without hurried steps.
In the hall of the Zijin Pavilion restaurant, Tong Handong made a decision and said: "Xuan Shao is right, don't worry about Yash Nics. If he is not a waste, there will be a way to get in if he comes; if he can't get in, it means he is a waste."
Tong Ke was anxious when she heard the words, and Song Pingting's family was embarrassed and worried. They had been booked here. They were really worried that Yash Nics would be prevented from entering.

Ouyang Xuan seemed to smile, he ordered Fan Lai not to let anyone in to disturb him.

If Yash Nics breaks through, he will probably be beaten into a meatloaf by Fan Lai, right?

Ouyang Xuan thought so, the corner of his mouth smiled thicker.

But at this moment, a man with a tall stature and a star-like eye suddenly appeared in the

eyes of everyone, smiling from the doorway.

It is Yash Nics!

Tong Ke said in surprise: "Brother-in-law!"

Song Pingting also said happily: "Yash Nics, Yash Nics, you are here."

Song Zhongbin and Ma Xiaoli were also relieved. They were really afraid that Yash Nics

would be blocked at the door and could not enter. Being jokes by the brother-in-law is

rubbish.

Ouyang Xuan looked at Yash Nics in shock, and he shouted in surprise:

"You are Yash Nics?

How did you come in?"

Yash Nics smiled lightly: "Of course you walked in."

Ouyang Xuan said angrily: "Impossible. I clearly told Fan Lai not to let anyone in. What about

Fan Lai?" As

soon as the voice fell, Fan Lai came in with his injured right shoulder.

Fan Lai's forehead was all in cold sweat at this time, and his face was painful and said:

"Shao Xuan, this guy is rushing, I want to stop, he hurt my right shoulder, I can't stop him..."

Ouyang Xuan opened his eyes. Round, his mouth slightly opened, obviously unable to

believe it.

He is a humanoid tank bodyguard. He is extremely strong and powerful.

Even a wall can

easily crash and collapse. He was hit by Yash Nics on his shoulder?

It's incredible!

Fan Lai looked at Yash Nics bitterly, and asked Ouyang Xuan, "Master, do you want me to

order my men to blast this guy out?"

Ouyang Xuan didn't want to lose his grace in front of Tong Ke, and waved his hand: "No, you retreat. Let's get down."
Fan Lai: "Yes, Master!"

Yash Nics walked to Ouyang Xuan, approached Ouyang Xuan, and said in a voice that only the two of them could hear: "You told the diamond dynasty KTV boss Daniel to trouble me.

Did you tell Daniel to break my feet?"

Ouyang Xuan opened his eyes wide again, he heard that Daniel had messed up.

But he didn't expect Yash Nics to be able to find out that he instigated Daniel to do it.

Yash Nics ignored the shocked Ouyang Xuan, sat down in the seat next to Song Pingting,

reached out to hug Song Qingqing, slapped her daughter's face, and smiled and said, "Little

baby, what have you ordered? "

Song Qingqing giggled: "Dad, that uncle seems to say to invite us to a state banquet, but I

don't know what a state banquet is. Have you ever eaten a state banquet?"

Yash Nics smiled and said, "After the National Day parade last year, I participated. After a

state banquet, I think the taste is okay!"

Ouyang Xuan, Tong Ke's family, and Song Pingting's family gasped at Yash Nics's words.

Not because of shock!

But because they think Yash Nics is bragging too hard!

It's all outrageous, and dare to say that he has participated in a state banquet.

Anyone with a little bit of common sense knows that the state banquet can be attended by

ordinary people?

Don't look at the bosses of many consortiums now, with assets of hundreds of billions,

which are indispensable in society.

But they are also not eligible to participate in the state banquet!

Even the Ouyang family, one of the four pillars in the south of the Yangtze River, has not been qualified to participate in the state banquet for decades.

Yash Nics, an idle guy who doesn't even have a job, dared to brag and attended a state banquet.

The One and The Only Chapter 335

Ouyang Xuan said with a sneer: "It's really a toad yawning. It's a big tone. You can brag about participating in a state banquet."

Yash Nics said flatly, "Anyway, I said me. I've participated, and believe it or not."

Tong Handong wanted to match his daughter with Ouyang Xuan today. He was not in the mood to brag with Yash Nics, and said impatiently: "Okay, we're not in the mood to listen to you. Baby, let Chef Lu Jinlong start serving the dishes."

Ouyang Xuan also smiled: "Yes, serving the dishes, let some bragging people see the real state banquet."

Soon, a series of exquisite dishes were served. Coming up.

State banquet lion head, canned three treasure duck, mullet egg soup and so on.

Tong Handong and Ma Baozhi both took out their mobile phones and kept taking pictures

and sent them to Moments, and then they all tasted the taste of the national banquet dishes, and they were full of praise.

Even Tong Ke has to admit that these dishes are really delicious.

Tong Handong said with an open eyebrow: "Thanks to Xuan Shao, we have the opportunity to taste the national banquet dishes."

Ma Baozhi also smiled flatly: "It is said that the national banquet dishes, Zijin Pavilion is only for their most distinguished guests, and ordinary people are not allowed here. I ordered this table of national banquet dishes."

Ouyang Xuan was quite proud, aiming at Yash Nics deliberately or unintentionally, and provoked: "Haha, it's okay, after eating this meal. Some bragging people will be able to be more confident when they return. Boasting that I have eaten a state banquet."

Some bragging people are naturally talking about Yash Nics. Everyone couldn't help but cast their gazes on Yash Nics. Yash Nics's face was calm and he fed his daughter to dinner.

Daughter Song Qingqing asked curiously: "Dad, is there any difference between the state banquet you had eaten before and what you eat now?"

Song Pingting became more and more embarrassed when she heard the words. Yash Nics was bragging about it. Only her daughter naively believed that Yash Nics would participate.

Over the state banquet.

Now my daughter asks, which pot is not opened and which pot is not lifted!

Ouyang Xuan and Tong Handong and his wife laughed and laughed one by one: "Yes, Yash

Nics, you said you attended the state banquet. You are talking about the real state banquet, how is it different from the table we are eating now?"

Song The Pingting family looked at Yash Nics worriedly, worried that Yash Nics might be embarrassed.

Yash Nics looked complacent, and said casually: "The taste difference is not very big, but one dish is missing. Buddha jumped over the wall."

Ouyang Xuan coldly snorted, "Buddha jumped over the wall is the most famous dish at the state banquet. Because this dish has to be prepared in advance."

"Also, the Buddha Jumping the Wall is the master of the old chef, Lu Sanbao. Although Lu

Jinlong is the chief apprentice of the old God of Cookery, he has a seven-to-eighth true biography."

“But on the dish of the Buddha Jumping the Wall , He felt that the heat was not enough. He couldn’t smash his master’s sign and basically didn’t make it for the guests.”

“In the Zijin Pavilion restaurant, only the old cook can make a perfect Buddha jump over the wall.”

“But unfortunately, the old cook hasn’t done it himself for a long time. Chef. Before I came, I personally called him and wanted him to cook a Buddha jumped over the wall, but he refused without hesitation.”

Tong Ke curled his lips: “After talking so much, you still don’t have the skills to ask the old

God of Cookery. I personally cook and be a Buddha jumping over the wall?”

Ouyang Xuan said unconvinced: “It’s not that I can’t please, but no one can please.”

“The old God of Cookery used to be in charge of state banquets and was dedicated to

banquets for the top leaders. He has a special status. In addition, he has a strong temper

and doesn’t eat hard or soft. I don’t think there are many people in Huaxia who can let him cook by himself.”

Song Qingqing heard that the old cook is so powerful, and the Buddha jumped over the wall seemed to be very delicious.

She looked at Yash Nics eagerly and whispered: “Dad, I also want to eat Buddha jumping over the wall, can I?”

Yash Nics touched her daughter’s head: “Okay, if you want to eat, I will let the old cook and cook. Let Qingqing eat it for you.”

In a word, the whole room was shocked.

Song Pingting’s family was embarrassed and felt that Yash Nics’s bragging was getting more and more ridiculous.

Tong Handong and Ma Baozhi sneered.
Ouyang Xuan was furious. Yash Nics actually said that he could not do something that could not be done. This was simply a slap in the face in public!

With a sullen face, he said coldly: "Hehe, what are you, do you want to invite the old cook to cook?"

The One and The Only Chapter 336

Tong Ke rolled his eyes twice and deliberately said: "Not necessarily, I can guarantee that

my brother-in-law can do it? Ouyang Xuan, should we bet?"

Ouyang Xuan was wrong. "How to bet?"

Tong Ke said: "If my brother-in-law asks the old God of Cookery to cook, then I lose, and I

promise you to be your girlfriend."

"If my brother-in-law really asks the old God of Cookery to cook. If the Buddha jumps over the wall, you will count as if you lose, and you must not pester me anymore."

Ouyang Xuan was

taken aback when he heard the words, then exulted , and said excitedly:

"Okay, one word is

sure ." Tong Ke raised a pretty face: "A word is sure . After

Tong Ke finished, he turned to Song Pingting and said pitifully to Yash Nics: "Cousin,

brother-in-law, I really don't like this guy. You must help me this time, and you must ask the

old cook to cook. Buddha jumped the wall, let him be convinced that he lost!"

Song Pingting waved her hand quickly: "Tong Ke, my cousin can't help me in this matter.

Your brother-in-law is also bragging about it. Qingqing is a child who believes it. Do you believe it too?"

"You quickly cancel the gambling

appointment with Mr. Ouyang, don't make fun of your happiness." Song Zhongbin and Ma

Xiaoli also both spoke up, telling Tong Ke not to make jokes about love happiness, and let her cancel the gambling appointment.

Tong Handong and Ma Baozhi both hurriedly said, "Xiao Ke, you and Xuan Shao made the gambling agreement. If you cancel it now, it would be too trifling. If you can't cancel it, just follow your agreed gambling agreement."

Tong Ke didn't care what everyone said, she just looked at Yash Nics pitifully, she just waited for Yash Nics's reply.

Yash Nics looked at the Song Zhongbin and his wife who had been persuading Tong Ke, and at the Tong Handong and his wife, who wished to push Tong Ke into the fire pit.

People who don't know see this scene, they must think that Song Zhongbin and his wife are Tong Ke's parents!

He hugged his daughter and said faintly: "I don't care about your gambling agreement. My daughter just said that I want to eat Buddha and jump over the wall. I promised her to call the old God of Cookery to do it. It's that simple."

Tong Ke heard Yash Nics's words and his eyes fell. Liang, giggled and said: "That's all right!"

Ouyang Xuan felt that Yash Nics's remarks were suspected of shirking responsibility in advance. He was afraid that Tong Ke would regret it, so he immediately said, "Well, I bet with Tong Ke. The appointment will take effect immediately. I want to see Yash Nics, the leather king, how can I ask the old chef to cook as a Buddha jump over the wall?"

How please?

Of course it was a call!

Yash Nics took out his mobile phone and called Dian Chu directly: "My daughter wants to eat Buddha jump over the wall now, please ask the old cook to cook."

After speaking, Yash Nics hung up the phone. Ouyang Xuan, Tong Handong and his wife, Song Pingting's family, and even the surrounding hotel managers and waiters opened their eyes wide.

Yash Nics made a phone call and said in a word, this is a delusion to call the old God of Cookery to cook? Think too much! Who doesn't know that the old God of Cookery has a fierce temper and stubbornness, and he doesn't eat soft or hard. Ouyang Xuan sneered even more: "Hehe, I personally called the old God of Cookery this morning, and begged for a long time, but the old God of Cookery only said coldly that he was not interested. You are what you are, and you call the old God of Cookery in a delusion. Cook?"

Tong Handong and his wife also mocked Yash Nics's overpowering. Song Pingting and her parents both looked anxious, thinking that Yash Nics was boasting about going to Haikou. How will it end this time? Unknowingly, more than ten minutes have passed. Ouyang Xuan looked at his watch and sneered, "Yash Nics, you said that the old God of Cookery should come to cook. It has been ten minutes, why didn't you even see the shadow of the old God of Cookery."

"If you can't, don't waste our time!"

Tong Handong glared at Yash Nics: "Yash Nics, why hasn't the old God of Cookery come yet?"

Ma Baozhi also stuck his waist and glared at Yash Nics, "Yes, where is the old God of Cookery?"

"The old man is here!"

Just as Ouyang Xuan and the others pressed Yash Nics where the old God of Cookery was,

a loud voice suddenly came from the door. .
Then I saw an old man wearing a chef's clothes and a chef's hat, holding
a kitchen knife, and
walking in with a group of entourage.

The One and The Only Chapter 337

Although this old man is very old, he is wide and fat, blushing, and full of
energy.

When Song Pingting saw the old man, she couldn't help but exclaimed:

"You are the chef of

the state banquet, the old chef Lu Sanbao, Mr. Lu?" The

old chef laughed heartily: "Yes, the old man is Lu Sanbao. Look at it.

People may be fake, but

this kitchen knife of mine is the best proof!"

Everyone noticed the words on the kitchen knife of the old God of
Cookery: State Banquet

Master, Huaxia Cookery, and gift from Huaxia Military Academy.

Song Qingqing giggled and said, "Grandpa Old Chef, are you here to
make us a Buddha jump

over the wall?" The

old God Chef respectfully saluted Yash Nics, and then smiled and said to
Song Pingting and

Song Qingqing: "Haha, if I didn't guess If it's wrong, this is Mrs. Yash and
Miss Yash."

"Yes, I just heard that Mr. Yash was going to eat Buddha jumping over
the wall, so he came

to cook for you as soon as possible."

"Look, I took my kitchen knife. I brought it all, hahaha."

Song Pingting's family couldn't believe it, they were surprised and
delighted.

Tong Handong and his wife were completely dumbfounded,
dumbfounded and speechless.

As for Ouyang Xuan, since the moment the old God of Cookery appeared,
his eyes widened,

his mouth opened, and his face was shocked.

At this moment, he couldn't help but want to give himself two big
mouths, to verify, is this

absurd scene in front of him, is it true?

He pressed his heart and was shocked, and bit his scalp and went up to say hello to Lu

Sanbao: "Hello, old God of Cookery, I am Ouyang Xuan from the provincial capital of Ouyang."

"Today, your restaurant is reserved by me, and I invite you to cook in the morning. You

refused. Why did Yash Nics ask you to cook but you came here the first time?" The

old God of Cookery frowned and looked at Ouyang Xuan and asked Yash Nics, "Mr. Yash, is he your friend?"

Yash Nics said lightly: " No!"

It turned out not to be a friend!

The old God of Cookery showed such an expression as expected, and he coldly said to

Ouyang Xuan: "You are you, Mr. Yash is Mr. Yash, are you worthy of being compared with Mr. Yash?"

Ouyang Xuan flushed and almost went crazy on the spot.

Yash Nics smiled and said, "Old Lu, my daughter wants to eat Buddha Jumping the Wall , but it is said that Buddha Jumping the Wall must be prepared in advance.

Can you make a Buddha Jumping the Wall with good taste in the shortest time?" The old

God of Cookery laughed and said: " The reason why Buddha jumps over the wall for a few

days is because some ingredients need to be prepared in advance. For example, dried

goods such as sea cucumber and abalone must be prepared in advance."

"My Zijin Pavilion restaurant, known as the No. 1 restaurant in Jiangnan, has all kinds of

precious ingredients. Ready, other restaurants have to prepare two or three in advance to do

the Buddha

Jumping the Wall . I don't need it, just give me two or three hours." Yash Nics laughed and

said, "Then there will be Mr. Laurou." The

old God of Cookery Haha. He smiled and said, "It is my honor to cook for you, Mr. Yash." The

restaurant manager and waiters, as well as a group of chefs, surrounded the old cook, and went to the back kitchen to cook.

Tong Ke giggled at this time: "Brother-in-law, you are awesome, you really invited the old cook to cook. Ouyang Xuan, you lost, from now on, you must not come to pester me anymore."

Ouyang Xuan's face was pale. He didn't hate Tong Ke, but stared at Yash Nics with hatred:

"How did you do it?"

Yash Nics said with a smile, "The old God of Cookery admires soldiers the most. It just so

happens that I am a soldier who has just retired. He respects me. Bing, he has made a little

contribution to the country, so he willingly came to cook for me. "

That's OK? !

Ouyang Xuan was about to explode. He looked at Yash Nics bitterly and threatened: "Be

careful, I'll never finish this matter with you."

The One and The Only Chapter 338

After finishing speaking, Ouyang Xuan angrily left and took his men away.

The Tong Handong and his wife were shocked and angry. They did not expect that the good

deeds between their daughter and Ouyang Xuan would be destroyed by Yash Nics after all.

Song Pingting's family was a little embarrassed, but Tong Ke was the happiest.

Tong Ke didn't seem to notice the murderous look of her parents, and chuckled at Yash

Nics: "Brother-in-law, you are so awesome. Finally helped me get rid of that annoying fly."

Yash Nics was faint. Said: "I just asked the old cook to cook and make Qingqing a Buddha

jump over the wall. The things you bet on have nothing to do with me. Don't rely on me if you win or lose."

Yash Nics's words made the Tong Handong and his wife who wanted to scold others.

Speechless.

Yes, Yash Nics never mixed Ouyang Xuan and Tong Ke from beginning to end.

On the contrary, Ouyang Xuan heard that Yash Nics was able to invite the old cook to cook.

He was not convinced and ridiculed Yash Nics.

Even the gambling contract was proposed by Tong Ke and agreed with Ouyang Xuan.

It really has nothing to do with Yash Nics!

Now that Ouyang Xuan has lost and left in a hurry, Yash Nics cannot be blamed for this incident.

Song Zhongbin and Ma Xiaoli also comforted Tong Handong and his wife at this time: "The

feelings of young people cannot be intervened by our elders. Let it be."

Although the Tong Handong and his wife are not angry, they can only helplessly accept the reality.

Two hours later, the old God of Cookery's Buddha jumped off the wall and finally completed it and served the table.

The whole hall is full of fragrant food, which makes one's index finger move.

Yash Nics's family personally tried the old cook's craftsmanship, their eyes widened after

eating, and they all praised them with thumbs up.

The old God of Cookery received Yash Nics's admiration and smiled openly, like a child happy.

... After

eating, it was already six o'clock in the afternoon.

Yash Nics's family and Tong Ke's family left the Zijin Pavilion restaurant together.

The family drove two BMW cars and just came out of the parking lot of Zijin Pavilion Restaurant.

Suddenly, ten black Audi A4s roared at the intersection ahead. Ten Audis surrounded Yash Nics and their two BMWs, and more than thirty men in black got out of the car.

These men in black all held an iron pipe in their hands, and came over at Yash Nics and the others with murderous aura.

In the BMW 7-series car, Tong Handong and his wife gloated and said to Tong Ke, who was driving, "Hehe, Shao Xuan sent people to teach Yash Nics. These people came for Yash

Nics, and they have nothing to do with us. Let's watch the show. "In the BMW five-series car, Song Pingting said to Yash Nics anxiously: "No, these people are

coming so aggressively, isn't Ouyang Xuan sent to find fault?"

Yash Nics smiled and said, "It's okay, little things. "As soon as Yash Nics's voice fell, two black jeeps suddenly arrived.

Two jeeps suddenly stopped in front of the two BMW cars, and then eight tall men got out of the car agilely.

It was the Eight Tiger Guards who secretly protected Yash Nics and Yash Nics's family.

The Eight Tigers are all wearing black suits, but because they are too strong, the black suits make them wear black armor abruptly, giving them the aura of heavy infantry.

Bahuwei got out of the car and passed by the group of people in black holding iron pipes without saying a word.

This group of people in black was sent by Ouyang Xuan to clean up Yash Nics.

They didn't expect Yash Nics to be protected, but they relied on the large number of people, and they were not afraid at all, carrying the iron pipe viciously to meet the Eight Tigers.

The battle is on the verge of breaking out.

The Eight Tigers shot together, and as soon as they met each other, eight people in black immediately lay down.

The rest of the people opened their eyes wide and gasped. These eight men in suits are so fierce?

The One and The Only Chapter 339

Eight Tigers didn't hesitate to move, they shot as fast as lightning and heavy as a mountain.

With the momentum of the autumn wind sweeping the fallen leaves, these people in black swept across.

In the blink of an eye, more than thirty people in black were all lying on the ground.

Either a broken hand or a broken foot, groaning one by one.

On the two BMW cars, Song Pingting's family and Tong Ke's family were dumbfounded at this scene.

Yash Nics smiled and said faintly: "It seems that two gangs are fighting, it doesn't matter to us, let's go."

After speaking, he drove away slowly, and Tong Ke drove behind him.

In the Shangdao Café on the opposite street, Ouyang Xuan was also dumbfounded.

He deliberately sat in this position by the window, just to watch his men teach Yash Nics with his own eyes.

But I didn't expect that a few big men in suits were killed halfway, and all his dozens of men were knocked down?

Just when he was shocked, the door of the coffee shop was suddenly pushed open.

Dong Tianbao came in with a group of men with a bad face.

Dong Tianbao looked around the cafe and his eyes fell on Ouyang Xuan.

He grinned and

said, "Xuan Shao, Mr. Yash told me to entertain you well." When Ouyang Xuan heard this, his eyes finally showed fear. He sternly yelled : " Presumptuously, I am one of the four courtyard pillars in the south of the Yangtze River,

the eldest master of the Ouyang family in the provincial capital.

Whoever dares to touch my hair, I will destroy your whole family.

" Dong Tianbao sneered: "Hehe, the last one is like this. The person who spoke to Mr. Yash

was also Zhu Jiuling, the youngest master of the Zhu family, one of the four pillars in the south of the Yangtze River. He has already grown grass on his grave now."

Ouyang Xuan was silly after hearing this. He heard that there was an accident in the Zhu family not long ago.

However, he didn't know the details. Only then did he know that it turned out that the Zhu family was destroyed by Yash Nics.

Seeing Ouyang Xuan frightened, Dong Tianbao sneered, waved his hand and said: "Come

here, break his foot and teach him a little lesson."

The men behind Dong Tianbao immediately rushed like wolves. Go up. Several bodyguards around Ouyang Xuan were instantly knocked down.

Ouyang Xuan was also kicked to the ground, and his left foot was also broken with a stick.

"

Ah— " Ouyang Xuan's screams resounded throughout the cafe.

Dong Tianbao squinted his eyes and said faintly: "Go back to the provincial city of Tianhai,

Mr. Yash said. From now on, people from the Ouyang family in the provincial capital should

not step into Mannity City for half a step, or be conceited."

That night, he was knocked off. Ouyang Xuan with his legs was transferred from Mannity

Hospital to the orthopedic hospital in the provincial capital overnight, and fled back to the provincial capital overnight.

In the circle of power and nobility in Tianhai Province, two heavy news broke out in one day.

One piece of news is that Lu Cangtian hit a wall in Mannity, not only at the expense of soldiers and soldiers, but even Lu Cangtian needed to spend 3 billion to buy his life to escape back to the provincial capital alive.

Another piece of news is that Ouyang Xuan, the eldest master of the Ouyang family, was knocked off his left foot by Yash Nics in Mannity City and was kicked out of Mannity.

At this moment, the power circle of the provincial capital of Tianhai City was completely uproar.

Everyone talked about what Yash Nics came from, and why he was so awesome. This is the rhythm of hammering the four major families in the south of the Yangtze River one by one!

Doesn't Yash Nics know that the four major families in Jiangnan are vicious dogs raised by the king of Jiangnan himself?

Offended King Jiangnan, Yash Nics still wants to have a foothold in the south?

...

Chenguang Hotel, inside the box.

Qin Jin, wearing a white suit, was instructing his subordinates to pass a black suitcase containing one million banknotes to a middle-aged man wearing a gray cloth.

Qin Jin said with a smile: "Master Zhang Lin, everything will take care of you. After the matter is done, I will have a heavy pay."

The red-faced Master Zhang Lin, who was dressed in common clothes, took the suitcase

and said with a smile: "Mr. Qin, Song Pingting's affairs, wrap me."

After speaking, he carried his suitcase and left happily.

After Master Zhang left, only Qin Jin and his two subordinates remained in the box.

One of his subordinates couldn't help saying to Qin Jin: "Young Master Jin, this Lin is known

as a master of physiognomy, but he is actually a liar. Are you asking him for help, is it reliable?" Qin Jin said with a smile, "Hehe, of course I know him."

He's a liar."

"But he uses physiognomy and numerology to fool people, and he has a good way."

"I just want him to fool Song Pingting, separate Song Pingting from Yash Nics, and put Song

Pingting on me. Bed, haha."

Qin Jin said, the more he looked forward to it, the more he said, the more excited he was,

and he said triumphantly: "Song Pingting separated from Yash Nics and became my woman

again. Then Ning Da Group has become mine. , My trick is called

drawing a salary from the bottom!" The two men looked at each other and complimented:

"Jin Shao, you have a high trick!"

The One and The Only Chapter 340

this time!

Fenghuang Chong, a liver cancer vaccine pharmaceutical factory invested by Ningda Group,

is under construction in full swing.

Earth-moving trucks kept moving in and out of the construction site, and the workers were

busy under the scorching sun.

Song Pingting, the president of Ningda Group, Song Zhongbin, the director of the

pharmaceutical factory, and others are inspecting the construction site.

Song Pingting listened carefully to the report of the person in charge of the construction

team, and also instructed the executives: the weather is hot, pay attention to preparing the

workers with mung bean water and other heat-relieving beverages, and the workers' high

temperature allowance should also be implemented.

Song Zhongbin and others nodded one after another, saying that they would definitely implement everything in accordance with the requirements of the president.

Song Pingting and her entourage were inspecting the construction site, and suddenly saw a few people not far away, who did not wear safety helmets as required by the construction site, and were pointing at the construction site.

She frowned and asked: "Who are the few people over there? How can I enter the

construction site without wearing a safety helmet, and what should I do if there is a safety accident?" The

executives all shook their heads and said that they did not know the few people, and they

did not belong to the Ningda Company and the construction team. .

Song Zhongbin exclaimed, "It looks like Master Zhang!"

Song Pingting was surprised: "Master Zhang, who?"

Song Zhongbin explained excitedly: "I've been on TV shows and frequently appeared in

newspapers, the descendants of Guiguzi, Xiangshu. Master Zhang Lin!"

"It is said that many celebrities look to him for fortune-telling. He looks very accurate with Feng Shui."

Song Pingting naturally believed that science does not believe in Feng Shui and numerology,

frowning and said. "It's just a liar, how can it be so magical?"

Her voice just fell, and Master Zhang Lin, who was not far away, had already walked over with two apprentices.

Zhang Lin opened his mouth and said: "You are the leaders of the Ningda Group. You came

just right. My name is Zhang Lin, a descendant of Guiguzi, and I am good at Fengshui and numerology."

"I passed by your construction site and found that your construction site was

faintly red, and there was a great omen .” Song Zhongbin and the others changed their

expressions . The most feared thing on the construction site is a safety accident, and the workers are the most superstitious.

Song Pingting said displeased: “What nonsense are you talking about? Security, drive them out of the construction site!”

Immediately, the security guards on the construction site were about to drive Zhang Lin out.

However, Zhang Lin raised his hand to stop the security guard, and then solemnly said to

Song Pingting, “The fate of Feng Shui has been passed down for thousands of years. You

are a yellow-haired girl who dare not believe it. I suggest you stop work immediately, or something will happen soon.”

Song Pingting naturally sneered at Master Zhang’s words.

But at this moment, there was a commotion from the workers in the distance.

It turned out that three workers were in a coma from heat stroke at the same time.

Song Pingting’s face changed drastically, and she quickly ordered the workers who suffered heatstroke to be sent for treatment.

A smug flashed in Zhang Lin’s eyes, and calmly said to Song Pingting: “Look, I’ll say

something will happen to your construction site.”

Song Pingting just wanted to refute, Zhang Lin has continued: “I know you workers say the summer heat stroke is a common thing, but you feel that three workers, while heat stroke coma, is normal? ” ”

there, but now is just the beginning. If you do not shut down the site, then it is not followed by heat stroke It’s that simple.”

Song Zhongbin and a few senior executives changed their faces and asked quickly: “Master

Zhang, what will happen if work is not stopped?"

Zhang Lin hummed coldly, "I said that your construction site has a serious omen , no

Stopping work will of course kill people, and many people will die!"

Master Zhang's words immediately caused everyone to fry.
