

# Noble Husband At the Door Chapter 332

“Stoop down and ask forgiveness?”

How could Xie Yufu not think about it? Also in her dreams, she intended to see this occur. Samuel had actually wrecked her plans and had also created her to be roughly scolded by Xie Jianing. She had almost upset Manfred. Xie Yufu wanted to retaliate.

Anyway, Liu Qi was her pursuer, so it was natural for her to ask him to do something for her.

“Liu Qi, if you can make him stoop down and also ask forgiveness to me, I’ll accept have supper with you,” Xie Yufu claimed.

Liu Qi was extremely happy to hear this. He had invited Xie Yufu to dinner numerous times that he had been rejected. He didn’t expect that he would lastly have a chance currently.

“Do not stress. I’ll arrange for someone to allow him kneel down as well as say sorry to you, and also ask him to bark like a dog,” Liu Qi claimed with a smile.

“He is Samuel. You should recognize who he is right?” Xie Yufu said.

Samuel?

Upon hearing this name, Liu Qi was shocked. Wasn’t that a good-for-nothing of the Sue household? To really risk to annoy Xie Yufu with such an easy point? He was merely dating fatality.

“Yufu, he is such a good-for-nothing. I, Liu Qi, will defeat him black and blue. I’ll take his surname,” Liu Qi stated with a sneer.

Xie Yufu really did not inform Liu Qi about how Tian Changsheng valued Samuel. She was afraid that Liu Qi would not dare to manage Samuel when he discovered.

This was due to the fact that this issue was just recognized to those of the upper class who existed at Tian Changsheng's birthday reception.

Liu Qi's family members really did not have the certifications to participate in the birthday reception, which was likewise why Xie Yufu really did not believe much of Liu Qi.

Although Liu Qi had done a great deal of things for her and had no self-respect when he was licking like a dog, when Xie Yufu chose her spouse, she didn't care about anything except his family history. In Cloud City, besides the Heavenly Household, the only individual she could take an elegant to was Kong Wu, so she wanted to do anything for Kong Wu.

When Samuel came out of Hex Resources Nightclub, he was sad to see his automobile smashed. He really did not pay for this automobile, it was worth millions of yuan at the very least. He didn't anticipate it to be smashed for no reason.

He immediately got Mo Yang to send out someone to explore this matter. Through the streets nearby, he swiftly secured onto the individual that had wrecked the auto.

When Samuel saw Xie Yufu in the security video, he could not aid yet smile bitterly. This female really dared to cause trouble for him. Wasn't the lesson she taught him the last time sufficient?

To shatter a car in front of the gateway of Hex Capital Club, no issue who the automobile belonged to, it was equivalent to slapping him in the face. If he didn't educate the Xie Household a lesson in this issue, just how could he keep his position in Cloud City in the future?

"Brother Samuel, should we get a person to bring her back?" Johann asked.

Samuel grinned. Xie Yufu wrecked the automobile; it was obvious that she was here for him.

Furthermore, the security video clip clearly recorded the look of a young man with a BMW. Possibly it was the helper she found.

Now that he was going to instruct the Xie Household a lesson, he needed to let them know how high the price they needed to pay was.

Give me a personal space tonight. I'll relax for a while," Samuel claimed.

It was officially open at 8 o'clock at night, and also it would certainly be full in less than half an hour. It was typical for a group of demons to dance under the sound of power.

Samuel was not extremely accustomed to this type of celebration, so he was not very curious about the raucous songs. He stayed in the peaceful space and waited quietly.

Currently, a team of youths gathered at eviction of Hex Capital Nightclub, consisting of Liu Qi as well as Xie Yufu.
