“I know, my brother Mark is the most powerful.”

“Mark brother is the best ...”

When the Chu family was ashamed, the little princess of the Jones family jumped up in excitement.

The exquisite pretty face is full of joy.

An Qi was not the only one, and Iwai Zen, who had been shrinking in the crowd, saw that Chu Zhengliang vomited blood and dropped, and tears were also filled in his old eyes.

“Really...really did it?”

“Dragon... Dragon Lord, really...really did it?”

“Unexpectedly, really...really won?”

Iwai Zen can no longer describe himself at this moment. Feeling up.

There are accidents, tremors, and even more joy.

Although he had blocked Mark’s beacon fire plan in a thousand ways, but when the plan became a success, Iwai Zen still came from the heart and was happy for Mark.

“It succeeded~”

“The dragon lord has won!”

“Hahaha~”

“Brothers, the dragon lord has won.”

“Last laugh is our Dragon Temple~”

“Hahaha~”

Gaia also yelled loudly, tears of excitement shed on his old face.

Irving, Binghuang Su Muqiu and others were also unable to keep calm.

too long.

On this day, they did not know that they had waited for many years.

These years, these pains, they followed Mark all the way, and what they did was this moment?

One battle decides success or failure, one battle decides the universe!

Chu Zhengliang, the Patriarch of the Chu Family, had already been defeated. According to the agreement, the entire Chu Family was naturally defeated.

Mark's revenge plan, so far, has succeeded!

Thinking of this, when the Chu family were still in grief, Gaia immediately stood up and looked at the Chu family proudly: “Haha~”

“The battle is over, the victory is divided.”

“Your noble Chu family. , Shouldn't we also pack things up and return to our home in the hot summer with our dragon lord, and kowtow to our dragon lord's mother to apologize?”

“By the way, is the old man of your Chu family dead.”

“If he didn't die, Call him together.”

“If you are old and dead, then dig out his grave and raise his ashes!”

Gaia haha laughed, and his words were full of sneers and complacency.

“Asshole!”

“Shut up to me~”

“I’m the Chu family, how can you let you wait for insults?”

“Come here~”

“All the internal guards of the Chu family listen!”

“At all costs, immediately kill these people on the spot~”

Chu Qitian seemed unwilling to fail, his eyes were red, and he roared angrily.

Immediately ordered the Chu family’s internal guards to besieged Gaia and other people.

Gaia seeing, looking suddenly cold down: “how, in front of the martial arts world leaders, known as the best in the world giants of the Chu family, is it acting in bad faith, gone back not?”

“You can not ask in

Those who are strong in the four directions are all witnesses.” “At that time, let alone our Dragon Temple will not agree, even the witnesses of these countries will not stand by!”

Gaia threatened coldly.

“Stop talking nonsense!”

“It is absolutely impossible for us Chu family to give this abandoned child?” Chu Qitian was still roaring.

But at this time, Chu Shen, an elder of the Chu family, stood up and said to Gaia: “Don’t worry, my Chu family has always believed in words. If you promise others, you will naturally do it.”

“Grandpa San, No~”

“Can’t promise them.” Chu Qitian gritted his teeth and shouted.

“You silence me, this is not what you are talking about, the family has its own decision!” Chu Shen sternly reprimanded.

After that, the Chu family looked at Mark: “Chu Tianfan, although you have an appointment with me in the Chu family, it is of great importance. There are thousands of Chu clan members on Chumen Mountain alone.”

Chapter 3325

“In addition to the branches and collaterals of foreign countries, the number is even more.”

“If everything goes to the hot summer, it must be a big project, too many details need to be discussed.”

“So, we need time to discuss carefully, to be worked out. After the detailed plan, I will notify you.”

“Discussion?” Mark frowned, “How long will it take?”

“Three days,” Chu Shen replied.

Mark directly vetoed: “I can’t wait for three days.”

“I only give you three hours to prepare.”

“Three hours later, the Chu clan, follow me to the hot summer and kneel down to pray for forgiveness.”

“Otherwise, don’t blame me Chu. Tianfan’s seven-foot green front, cold-blooded and merciless!”

Mark stomped his foot fiercely, a long sword that was left by someone unknown at his feet suddenly shattered.

“You~”

Mark’s dominance undoubtedly made the Chu family extremely angry and disgusted.

It was their Chu family that threatened others all the time. How could anyone dare to threaten them?

Now, for the first time being treated like this, the Chu family is filled with righteous indignation!

“

Chu Tianfan, don’t be shameless!” “Don’t think that if you win my Chu Family

Patriarch , my Chu family can be at your disposal.” “I warn you, it’s your father Chu Zhenghong here. , And definitely dare not speak to us like this?”

All the elders of the Chu family were furious.

Chu Qitian even yelled, gathering the power of the whole clan, and clashed with Mark.

Even if a fish kills the net and breaks 1

“Shut up all!” At the

critical moment, Chu Shen, who is the highest in the Chu family, stood up again.

With a sharp shout, the majestic voice soon overwhelmed everyone.

“Okay!”

“

Chu Tianfan, just follow what you said.” “Three hours later, our Chu family will naturally discuss a detailed plan, and then we will go to the hot summer with you.”

Chu Shen was expressionless, facing Mark said coldly.

Then, turning his head to look at the crowd, he sternly said: “People of the Chu family, immediately follow me back to the family!”

“Grandpa San, can’t we go?”

“My wedding is not finished yet.”

“And, if we are After leaving, don’t people in the world feel that I am the Chu clan and I am afraid that this abandoned son will not succeed?”

Hearing Chu Shen’s order to return to the clan, Chu Qitian naturally refused to accept it, and could not help but stop and persuade him.

“I’ll say it again, let’s go!”

Chu Shen paid no attention to Chu Qitian’s words, and even had anger in his heart.

What time is it?

Is this idiot still thinking about the wedding?

So regardless of importance, regardless of the overall situation, is also worthy to be the young master of the Chu family?

However, these dissatisfaction Chu Shen only hid in his heart, and did not say it.

After giving Chu Qitian a fierce look, he led the Chu clan to return to the family immediately.

The uncles and brothers are gone, and Chu Qitian has a thousand or ten thousand unwillings in his heart, and it is of no avail.

In the end, he had to leave the Chumen Hall with the people.

However, before leaving, Chu Qitian said harshly to Mark: "Chu Tianfan, don't be too happy!"

"It's not finished yet?"

"Are we not finished yet?"

Chu Qitian said viciously. With.

The hatred of hurting the father and the hatred of taking away his wife.

At this time, Chu Qitian's hatred was like water bursting a bank, and it could be described as endless.

Mark ignored Chu Qitian's incompetence.

Looking indifferently, just like this, watching everyone in the Chu family leave here.

"Dragon Lord, why didn't you kill him?"

"This beast has repeatedly insulted you."

"I can't stand it anymore!"

Gaia gritted his teeth with anger, looked at the direction Chu Qitian was leaving, and couldn't help asking Xiang Mark.

Mark shook his head: "For the Chu family, killing them is cheaper for them."

"Isn't it easier to let them kneel and apologize?"

"But Dragon Lord, this Chu family will really be honest. Do you honor the promise? I always feel that they seem to have some conspiracy. Otherwise, how could it be so easy to agree to follow us to the hot summer and bow down?" After the Chu family left, Owen had the same heart.

Frowning, reminded Mark.
