

Chapter 3328– 3329 of A Dish Best Served Cold Novel

Chapter 3328

Between the clouds and mist, a huge manor stands horizontally.

It looks like a wild beast, located here.

Looking from a distance, I only felt an unparalleled weight and majesty, sweeping out of this ancient family in front of me.

A century-old Chu family, an ancient martial giant.

No one knows how many years this ancient family has ruled this martial arts world.

“I don’t know who is Chu Tianfan?” When

Mark arrived with everyone, there was a person waiting here at the entrance of the manor.

“I am!”

“The hour has come, tell your Patriarch that it is time to honor the promise and follow me to the hot summer.”

Mark walked out, with a cold voice resounding across the world.

“Okay, come in with me.”

“My Chu family is old, waiting for you in the hall.” After

this person said this, he turned and walked into the Chu family.

“Dragon Lord, no.”

“This Chu family won’t come out to welcome you, but let you in.”

“I’m worried, there is fraud in it~”

Gaia immediately came out to stop, and reminded in a deep voice.

Mark waved his hand: "It's okay, in front of the world's heroes, I don't believe that the Chu family doesn't even have a face. If you lose, you won't admit it?"

"You are waiting outside."

"I just go in by myself. "

But Dragon Lord, if you own words, you will..." Gaia and the others were uneasy, still persuading them.

But Mark had decided, how could Gaia and the others be able to persuade him.

In this way, under everyone's watch, Mark alone entered the Chu Family Manor.

Back in the past, that piece of land filled him and his mother with sadness.

Pathways paved with bluestones, lush gardens.

The Chu family's manor occupies a huge area, and in my impression, the luxury of this manor does not belong to the palace of any country in the world.

Mark was deeply shocked when he was here when he was a child, and from the bottom of his heart he regarded this as his home.

But the last two, Mark, knew that everything was just his own passion.

Although the manor in front of him is beautiful, it does not belong to him.

Their mother and son take this place as their home.

However, people in this family regarded them as strange and swept them out.

However, for nearly 13 years, he Brian Chuhas returned.

The only regret is that I didn't see Chu Zhenhong and Chu Yuan.

If possible, Mark really wants to stand in front of them and tell them that I don't need your charity, Chu Tianfan.

Relying on myself, I can also step into this world!

Under the ups and downs of his mood, Mark followed the waiter to lead him outside the Chu Family Hall.

However, before Mark saw the people of the Chu family, he just listened, and the sound of breaking the wind came abruptly.

Then, several figures burst out like ghosts.

Soon, it was in the shape of a full moon and surrounded Mark.

The breath is bitter and murderous emerges.

Triple inside, triple outside.

A full 36 internal guards of the Chu family surrounded Mark.

The rich murderous intentions gathered in one place, like a net of heaven and earth, quietly woven here, enclosing Mark's whole group.

In the previous battle, although Mark beheaded several Chu family inner guards.

However, they are all wolf-level and tiger-level internal defenders. Powerful men of this level can naturally be replenished soon in the talented Chu family.

It is estimated that only the fall of the Dragon-level inner guard would make the Chu Family really painful.

Seeing the scene before him, Mark's expression suddenly became cold.

He looked in the direction of the Chu Family Hall and asked coldly.

"I don't know the Chu Family, what do you mean?"

"Could it be that you really want to go back and fail to comply with the agreement?"

"The dignified Chu Family, so speechless, you are not afraid to lose the face of your ancestors and make the world laugh?"

Mark The anger resounded like thunder and echoed everywhere.

Wow~ In an

instant, the Chu family led by Chu Shen also rushed out of the Chu family hall.

Chapter 3329

"Chu Tianfan, you rushed to my Chumen Mountain and messed up my Chu family's wedding. Are you still reasonable?"

"According to my Chu family's rules, you must die!"

“However, it is on the face of your biological father, Chu Zhenghong.” Today, my Chu family unanimously decided after deliberation, but I can give you one last chance.”

“As long as you abolish your martial arts now, you will immediately retreat to Chumen Mountain.”

“My Chu clan, you can open the net and forgive you. Immortal!” In

front of the hall, Chu Shen’s majestic voice echoed everywhere.

Mark suddenly laughed when he heard the words.

“Haha~”

“It’s a good one to open a side, and a good one to spare you not to die.”

“It seems that I am Chu Tianfan, and I look at you high.”

Mark shook his head and smiled, and the words were full of sarcasm and chill.

“Grandpa San, what do you have to tell him?”

“Just kill him directly!”

“The Chu family’s internal guards listened to the order and gathered the power of the whole family to strangle this thief, and cast this Chu family’s son to pieces!”

Chu Qitian no longer wanted to listen to Mark’s nonsense.

He can’t wait to see Mark turn into a corpse.

Therefore, he immediately issued an order to immediately begin the siege of Mark.

Chu Shen and the others did not stop, but acquiesced to all this.

” Chu Tianfan, we gave you a chance.”

“It’s you, I don’t know how to cherish it.”

“In that case, my Chu family can only declare war on you.”

Chu Shen shook his head and said, his indifferent gaze fell on Mark as if he looked at a corpse.

It seemed that the Chu family had decided to deal with Mark at all costs.

“Haha~”

“If you want to fight, then fight!”

“I’m Brian Chu all my life, why be afraid of people?”

Mark suddenly released his power and power with a sneer.

In an instant, the golden light all over his body made a loud noise, and the body of the dragon god broke out again.

The power of horror, like a storm, sweeps across all directions.

After that, Mark waved his iron fist and rushed towards the battle ahead.

“Everyone join hands!”

“Join forces to kill this son~”

Among the inner guards of the Chu family, there was no idea who shouted.

Afterwards, these 36 Chu family internal defenders also shot instantly and attacked together.

Or fist or palm, or split or chop.

It can be said that the eight immortals cross the sea, each showing their magical powers.

Thirty-six strong men shot together, and thirty-six attacks gathered in one place.

That terrifying power can be described as overwhelming.

The Chu Family Manor of Nuo Da was trembling under this power.

Inside the Chu family, when a big battle had begun, everyone outside the Chu family still didn’t know the situation.

Gaia and others are still waiting anxiously.

People like Juggernaut and others are also waiting for the final result.

At this time, under the Chumen Mountain, several figures appeared.

An Qi and the others looked back, and they suddenly discovered that it was not someone else who had come, but the two old Han and Meng Wanyu who had left to heal by Mark’s orders.

“Sister Wan Yu, Grandpa Han~”

“You’re all right, it’s really great.”

An Qi was overjoyed when she saw the two of them, and hurriedly ran over and threw her head into Meng Wanyu’s arms, saying with joy.

Meng Wanyu looked at the silly girl in front of him, and immediately replied with a smile: “You Nizi, you still remember your sister Wanyu. I thought that as soon as your brother Mark came back, he was all in your eyes. No one else.”

Meng Wanyu said jokingly, causing An Qi’s face to blush: “Sister Wanyu, what are you talking about.”

“Why, are you embarrassed?”

“Seeing you Mark Brother, I’m afraid it’s as beautiful as honey in my heart.” Meng Wanyu said with a smile.

When she first saw An Qi, Meng Wanyu had already seen that the mental state of the little girl before her was completely different from when she left.

The lively and cheerful little Angel, undoubtedly, is back again.

“How is it now?”

“Where is your Mark brother?”

“Why didn’t you see him?”

“Is it already gone?”

Meng Wanyu said, looking around.
