

# Chapter 3332– 3333 of A Dish Best Served Cold Novel

## Chapter 3332

“Yunyang, the tiger’s face!”

“Yunyang, the dragon’s face!”

Boom ~ For

a moment, the wind and clouds raged, and the dragon and the tiger rose.

Three terrifying auras, three powerful phantoms, as if they were summoned, rushed for nine days.

“What’s the situation?”

“How did this Chu family’s Yunyang immortal array become three formations?”

Outside the Chu family, the powerful figures of the nations onlookers were full of doubts.

Sword Saint and others frowned and exclaimed.

Only Elder Truman was quiet as usual, speaking in a deep voice.

“This is the power of the Yunyang fairy array!”

“It can be said that there is an array in the array!”

“The Yunyang fairy array can be divided into dragon, tiger, and wolf.”

“These three formations can be used separately. To fight.”

“But only when the three formations are combined can it be called a fairy phase.”

“So, after these three formations are combined, is the real Yunyang fairy phase formation?” Palace Lord Mochizuki couldn’t help asking again.

However, the great elder did not answer any more, but looked forward.

I saw that where the wind and clouds were violently rolling, the three powerful formations began to converge, linger, and merge.

In the end, everyone saw that the three powerful formations were condensed in one place.

A more terrifying power suddenly appeared.

“Yunyang, Xianxiangjie!”

Thirty-six strong people from the Chu family drank together.

The soaring voices converged into a stream.

A series of energy exercises are gathered in one place, like a surging river, rushing and roaring, sweeping towards where Mark is.

## chapter 3333

Chu Tianfan, take it to death !” “My

Chu Family’s Yunyang Immortal Phase Formation, can you still be an enemy?” Seeing that the Yunyang Immortal Phase Formation has been condensed, Brian Chu and others suddenly grinned.

Look at the young man in front of him like a corpse.

Perhaps, in the view of the Chu family, today’s Mark, after experiencing the battle with Chu Zhengliang, must have suffered severe physical exertion and greatly reduced his strength.

Even in his heyday, he might not be able to beat this Yunyang Immortal Array.

What’s more, is he no longer at his peak now?

Therefore, almost the entire Chu family believes that this time Mark has no way to survive!

Of course, it wasn’t just the Chu family who thought so, but Gaia and the others all showed worry and fear at this time.

“Dragon Lord, be careful!”

Gaia and others shouted in exclamation.

Even the four dragon god powerhouses in front of them rushed directly on the ground, delusional to share some pressure for Mark.

But it's useless.

Far water is difficult to put out a near fire.

How fast was the Chu Family's attack. Gaia and the others had just rushed out a few meters, and the power of the Yunyang Immortal Array had already reached Mark.

Mark naturally did not dare to neglect.

The Dragon God's body is fully fired, and the defenses of the whole body are opened to the extreme.

Moreover, Yundao Tianjue performed again.

Yunyang kick, fierce landslide, sky-shaking seal, and red flame finger ~ In

just a short while, Ye Fanyun said four tricks to release the sky.

Boom~

Like a volcano hitting the earth, Mark's attack collided with Yunyangxian fiercely between the lightning and the fire.

The bang was even more shocking.

The nearby rocks and hills were almost razed to the ground.

Plants, trees, bamboo and stones, all into powder.

Even the four of Gaia and the others were wounded by the overflowing energy.

It's like a ball, kicked out by someone.

The four titled powerhouses were hard to resist, and they were shocked by this majestic energy.

Even in the end, it was because of the lack of qi and blood, that a mouthful of blood was directly vomited out.

Merely the power that overflowed, it shattered the four titles.

One can imagine how intense this encounter was?

Even before the encounter between Chu Zhengliang and Mark.

“Now, that Brian Chu should be finished, right?”

Mochizuki said almost praying.

After all, Mark is now enviable to the point of envy. Those people who are present now

want Mark to die, and it's not just Chu Clan's people.
