Chapter 3346

Mark paused every word, and the last four words were even more powerful, surging and reverberating everywhere.

“Stupid!”

“Incurable!” The

two elders Xuan Ming seemed to be irritated by Mark’s stubbornness.

The two people who have always had neither joy nor sadness yelled out angrily at this time.

“Since you want to die with all your heart, I wait for the two of you, and it will be done to you!”

“The Chu family has been passed down for generations and has a century-old heritage. Is it possible for you younger children to be contaminated and defiled?”

The moment the words fell, the two elders Xuan Ming Both soared into the sky.

Boom ~ The

wind swept across, everyone saw, one black and one white two beams of light, straight into the sky.

These two elders are agile and brave, like big rivers, open and close, and they are not half old.

After the shot, it was like a black and white light spinning, lingering in the air.

Along with the flip of the two, the surrounding heaven and earth forces were also dragged, and surging winds and waves swept wildly.

A storm of energy like a tornado took shape in an instant.

Moreover, the two of them felt weird.

The energy tornado was half black and half white.

That feeling is like a yin and yang gossip pattern.

Between the rotation and lingering, a terrible force also spilled out from the storm.

“This...this is...”

“The fame technique of the black and white double evil spirits, yin and yang?”

At the moment when he saw this scene, even Great Elder Truman was directly stunned.

A mouth is huge!

“Cooperate with each other, pull each other, and leverage each other.”

“Play the supreme power!”

“Some people say that Yin and Yang Divine Slash is the closest to the title-level combined attack method.”

“The black and white double evil spirits back then, with this stunt, Killed Australia’s three powerful titles with one move!”

“It’s extremely terrifying~”

Among the crowd, there were people who were familiar with the black and white double evil spirits. After seeing the reappearance of Yin and Yang Divine Slash, they couldn’t help but shout out in excitement.

“It’s over!”

“The hot summer boy is finished now.”

“It’s over!”

Soviet martial arts leader Aaron judged again. This time, he slapped his thigh and shouted, thinking that Mark would never survive.

The rest were equally frightened.

Obviously, they didn’t expect that the second old Xuan Ming would directly open up as soon as they came up.

That kind of feeling, like three people fighting the landlord, three and five have not yet appeared, Nima directly come to the king!

Such a clean and straightforward battle undoubtedly left everyone in a trap.

“Haha~”

“Okay!”

“That’s it!”

“With the momentum of thunder, kill the country’s evil seed completely!”

Among the crowd below, the happiest is undoubtedly Chu Qitian.

He was afraid of being merciful from the second veteran Xuan Ming before, but now it seems that this kind of worry is unnecessary.

Also, the two elders Xuan Ming naturally took guarding the family as their greatest responsibility.

Now that Mark has trampled on the bottom line of the two elders, it is strange that the two elders Xuanming are not angry.

However, when everyone was trembling with the terrifying strength of the two elders Xuan Ming, Mark smiled boldly.

“Grandpa Xuan, Grandpa Ming.”

“Today Mark, I offended!”

“However, I wanted to ask the two elders’ Yin and Yang Shenzhan very early.”

“I just don’t know, it is the two grandfathers’ Yin and Yang Shenzhan that is majestic and majestic. , It’s still Yundao Tianjue, even better!” The cold laughter swept through the sky.

Facing the powerful offensive of the two elders Xuan Ming, Mark did not stay behind.

At the beginning, it was Yundao Tianjue directly.

In addition, the dragon body was also fully fired at this time.

Under the blessing of the Yin and Yang dragon body, Mark’s power is undoubtedly even higher.

Many years ago, Mark once remembered seeing the two elders Xuan Ming for the first time. At that time, Chu Zhenghong was still by his side, pointing to the second elder and telling him that this was Grandpa Xuan and Grandpa Ming.

“The two family shelters grandfather many years, highly respected.

And, God cut the old couple's yin and yang, unrivaled in the world.

You catch the old couple in the future if the yin and yang of God cut, then the Chu family, almost at your feet up.”

This sentence, Mark remembered for many years.

Chapter 3347

Therefore, after seeing the two elders Xuan Ming performing the Yin and Yang Divine Slash, Mark not only did not have the slightest panic and terror, but also a touch of excitement in his expression.

“Ten years of wind and rain, a thousand days to drink ice.”

“Today, I will use this battle to test the results of my practice over the years!”

The sound of the whole sound, like thunder, resounded through the land of Tianhe.

The Yin and Yang Divine Slash of the two elders Xuan Ming had already gathered and formed.

With a majestic momentum, swept down towards where Mark was!

In the face of the two elders, Mark was not afraid of it.

The golden light filled his body, and the dragon god's body was fully fired.

At the same time, Yundao Tianjue constantly displayed it under Mark.

“The first style, Yunyang kicks!”

....

“The second style of Yundao Tianjue, the fierce landslide!”

.....

“The third style, the sky-shaking seal!”

....

Just for a moment, Mark played three tricks in a row.

The surging offensive, like the water bursting a bank, pouring out.

The yin and yang slash performed by the two elders Xuan Ming smashed into each other fiercely.

However, these attacks of Mark fell on the yin and yang divine slash performed by the two elders Xuanming, and it was like a stone sinking into the sea, without causing any waves.

The Yin and Yang Divine Slash remained undiminished, and swept toward Mark's place.

“No way~”

“The gap is too big!”

“If this

goes on, the dragon lord is really bad luck!” Seeing such a scene, Gaia and others were anxious.

They thought that after Mark played his hole cards, even if he could not defeat the two elders Xuan Ming, he would at least be able to support it for a while.

But now it seems that they took it for granted.

Mark's three moves Yundao Tianjue attack smashed past, like an egg hitting a stone, there was no reaction at all.

“Hahaha~”

“This Brian Chuis looking for his own death!”

“The two grandfathers of Xuan Ming just persuaded him to retreat, he will not retreat.”

“You have to fight with Grandpa Xuan Ming!”

“He himself Without weighing it down, just because you are a little abandoned son, you will be two grandfather rivals?”

“Grandpa Xuan and Grandpa Ming, they were the top three in the sky back then!”

“Although they are older now, even if they are strong enough, ” “Grandpa Xuan and Grandpa Ming were among the top three in the rankings back then!” It's regressing, but it's definitely not something that a small country evildoer can defeat!”

Among the crowd, Chu Qitian smiled wanton, and his forehead was full of schadenfreude.

Not only him, Chu Shen and others, after seeing the huge gap between Mark and Xuan Ming, the tight string in their hearts suddenly loosened a lot.

On the old face, there was also a rare smile.

Mark turned a deaf ear to the comments made by everyone around him.

At this time, he was still fighting wholeheartedly.

In the dantian, the Yundao Tianjue technique was madly running, and his infinite power was like a tide, rushing and roaring among his hundreds of limbs.

The three moves just now did not pose any threat to the two elders Xuan Ming, but Mark's expression was still calm, showing no signs of discouragement.

In addition, the fourth form of Yundao Tianjue has already been cut down!

“Chi Yanzhi!”

Rumbling ~ The

sky seemed to have cracked a hole.

A huge red flame finger tore open the gloomy sky, like Mount Tai, suddenly pressed down, directly hitting the black and white whirlwind.

This time, the forward momentum of the Yin-Yang God Slash was finally blocked.

The attack of the two elders Xuan Ming was delayed by Mark.

The strength of both sides began to stand in a stalemate!

“Hahaha~”

“Blocked!”

“Brother Mark blocked!”

Xiao Anqi, who was still full of worry just now, jumped with excitement when seeing the second elder Xuanming's attack being delayed.

“No!”

“Not yet?”

“It’s not that simple~” As the

saying goes, laymen watch the excitement, experts watch the doorway.

What An Qi saw was only the appearance.

However, Gaia, Owen and others, through the appearance in front of them, saw the huge Red Flame fingers that quickly weakened where the attack collided.
