

# Chapter 3354– 3355 of A Dish Best Served Cold Novel

## Chapter 3354

Although they think this person is a bit familiar, they just can't remember, who is this person?

Mark also stabilized his figure at this time, a pair of cold eyes fell over, staring at the old man from a distance.

Obviously he is such a simple and unremarkable old man, but in Mark's perception, it is as deep as a sea of abyss, and, in his body, Mark did not even feel any fluctuations in vitality.

It's like this old man is not a martial arts expert, but just an ordinary person.

From the avenue to simplicity, return to nature.

Perhaps this is the phenomenon of "returning to the commonplace" that will only appear after the power reaches a terrifying point.

"Are you Chu Yuan?"

After a short silence, Mark suddenly broke the silence here with a word. ?

But Mark's words, like a boulder falling into the sea, set off a huge wave in everyone's hearts.

"Chu...Chu Yuan?"

"He is Chu Yuan?"

"The former Patriarch of the Chu Family and the Master of the Chumen Sect, was the number one in the sky list that year, was the number one person in the world, and the strongest person in the world?"

"The man who almost dominates the global martial arts?"

"Oh My God!"

"Is he still alive?"

"Isn't he dead?"

“Why is he still alive?”

Almost everyone peeed.

Gaia and their faces were pale.

The sword-sage Tang Hao and others also had solemn faces, like a concubine.

Not only them, but the martial arts leaders of the various countries present, after hearing Chu Yuan’s name, suddenly felt an indescribable fear deep in their hearts.

When Chu Yuan swept the world, many of the powerhouses present were still unknown.

But even so, Chu Yuan’s prestigious name at the time still trembled them deeply.

For a time, time seemed to have pulled back decades.

Let the strong people present once again returned to the deep fear that was dominated by Chu Yuan back then!

“Old man?”

“You... are you old man?”

“You... are you really an old man?”

The Chu family were also dumbfounded.

Turned to look at the ordinary and ventilated old man in front of him.

One by one, they stared at their eyes, looking at the old man in disbelief.

Ten years.

It’s been ten years since Mr. Chu disappeared.

The old man’s deadline was approaching. After sweeping Mark’s mother and son out of the house, he walked into the forbidden area of the Chu family. So far, he has not come out.

For so many years, all the Chu family thought that the old man had already passed away in the forbidden ground.

But who would have thought, he stood and walked out again.

“Even outsiders can recognize me, you Chu clan people, don’t you recognize me?”

“It seems that in recent years, the Chu family has really fallen behind one generation.”

The old man frowned and said in a deep voice, his words were full of unpleasant colors.

Everyone in the Chu family knelt on the ground with a bang when they heard the words.

“The old man is here, please let me wait a long time!”

“Father, it’s so kind of you to be alive!”

“Please save my Chu family, save my Chu family...”

“If you show up one step later, the world will be so big in the future that there will be no more Chu family.”

After knowing that the old man in front of him was really Chu Yuan, all the Chu family members pleaded mournfully.

Chu Shen, who was beaten to death by Mark before, also struggled to get up and kneel to the ground.

Even Chu Zhengliang, who had been hiding in the depths of the family to heal his wounds, rushed out immediately after he felt his father’s breath.

“Father!”

“It’s really a father!”

“It’s been more than ten years, my child is waiting for you so hard...”

The dignified leader of the Chu family, Chu Zhengliang, a hero of a generation, was also excited in front of this old man and left tears.

Not only because of missing, but also because of the sudden light that appeared at the moment of despair.

“Chu...Chu Yuan?”

“He is Chu Yuan?”

“But... but for so many years, why is this Chu Yuan so much younger than before?”

The elders of Truman were unbelievable, and they were all shocked.

## Chapter 3355

Whether it is the Chu family or the elders of Chumen, the last memory of Chu Yuan is that of the person who was dying in his life when the deadline was approaching.

At that time, Chu Yuan was undoubtedly dying, and his old face was full of folds from the old man's twilight.

But now Chu Yuan, although his hair is still gray, he is full of energy, both his body and his face are as if he were twenty years younger.

This is really hard to believe that the old man in front of him is an old man who has been nearly a hundred years old.

This is why, when Chu Yuan first appeared, the Chu family did not dare to recognize it.

But others may not recognize it, but Mark can.

Thirteen years.

So many years of suffering and suffering, it can be said that the cause of everything is because of the person in front of him.

If it weren't for him, how could he and his mother be expelled from the Chu family?

If it weren't for him, how could he and his mother suffer all the humiliation and suffering.

Up to now, Mark still remembers the moment when he and his mother were expelled from the Chu family.

His biological father knelt to the side, stubbornly daring not to say anything.

Everyone in the Chu family watched coldly, mocking again and again.

As for Chu Yuan, he was sitting upright, majestic and sitting high.

Finally, with a ruthless anger, he and his mother were knocked down Chumen Mountain with a palm.

Some people, Mark is destined to never forget.

Chu Yuan must be one of them!

From then on, when the person just appeared from the depths of the forbidden ground, Mark had already felt the familiar breath emanating from him.

Time may change the appearance of a person. It is the breath emanating from the depths of the soul, which is unchanging in the past.

At this time, before the forbidden ground, the Chu family knelt down and bowed, pleading for each other. ?

After Chu Yuan appeared, his eyes slowly turned around.

I saw that the former prosperous and prosperous Chu Family Manor was now devastated and messed up all over the ground.

The place where you see the eye is full of gullies, dripping with blood.

Even the Shimen in the forbidden area of the Chu family was smashed.

This is nowhere like the world's largest wealthy family, this is a scene of genocide and ruin.

“What’s the matter?”

“My dignified Chu family, why is it so dilapidated?”

“Where is Chu Zhenghong, let him get out and see me!”

“I handed over the Chu family to him, so he managed it?”

“If I leave the retreat this time and never return, my Chu family, wouldn't it be annihilated?”

Chu Yuan, who was originally unfathomable and as calm as the sea of abyss, could no longer be calm after seeing this scene before him, and sternly scolded everyone in the Chu family who bowed at their feet.

The vigorous anger, like thunder, made the entire Chumen Mountain tremble.

Chu Zhengliang and others knelt on the ground, where they dare to speak.

As for those Chu family elders, they also lie there, they are all panicked, and they dare not say anything.

For fear that the old man would get angry and kill them all.

“Say!”

Chu Yuan drank again.

Chu Zhengliang and the others still did not dare to speak, but at this time, a cold voice came from the front.

“Don’t ask, these are all my work.”

“The Chu Family Manor was destroyed by me.”

“The Chu family forbidden land, I also broke it with a punch.”

“I want to flatten your Chu family, it’s me!”

In the cold voice, a thin young man slowly walked forward.

Gaia and the others suddenly became nervous when they saw this.

I thought Dragon Lord was really awesome.

In the face of the old monster Chu Yuan, the strongest person on the Ren Tian ranking, there is no fear, and he is straightforward!

“This guy is really a cruel person...”

“He probably doesn’t know, what is fear...”

Aaron and others trembled in their hearts, especially after hearing Mark’s words, their scalp numb with fright.

Mark said this, making it clear that he deliberately angered Chu Yuan.
