

Chapter 3358– 3359 of A Dish Best Served Cold Novel

Chapter 3358

After this incident, Chu Yuan realized that his asshole son was really fascinated by the mother and daughter.

Therefore, before the deadline was approaching, Chu Yuan decided to cut the mess with a sharp knife.

The mother, daughter and son of Brian Chu were swept out and expelled to the Chu family.

At the same time, in front of Chu Zhenghong, he gave a death order to the two elders Xuanming: “In the future, if Chu Zhenghong has any contact or contact with the mother and son, you two will have the right to behead first and then play. The two beheaded on the spot, forever!”

This order of Chu Yuan undoubtedly cut off all of Chu Zhenghong’s thoughts.

He was born in the Chu family and grew up in the Chu family, so he knows the horror of the two elders Xuan Ming.

Unless he can beat the two old men, any contact and closeness he has with Mark’s mother and son will be a butcher’s knife to sever the lives of Mark’s mother and son.

So far, this farce has come to an end.

After that, Chu Yuan also safely entered the forbidden area of the Chu Family.

At that time, Chu Yuan felt that from now on, their Chu family probably won’t have any news about this illegitimate child.

After all, when Chu Tianfan’s mother and son were driven out of the Chu family, the heights of the two sides were already two worlds.

A noble and majestic, like a cloud in the sky.

A humble and contemptuous, like mud on the ground!

However, Chu Yuan never expected that on the day he left the customs, he would see this abandoned son from the countryside, Chu Tianfan!

Thirteen years, the farce of that year is still going on.

“The first time I saw you, I should have killed your mother and child.”

“As long as I didn’t have mercy back then, Xiao Rui’s stupid girl wouldn’t end up so miserably. The Tang family and my Chu family wouldn’t turn back then.”

“My Truman, there will be no internal strife afterwards.”

“As for my son Zhenghong, he has already married the Tang family and is at the pinnacle of extreme power!”

“To this day, my Chu family will not be destroyed by you so far!”

Looking at Chu Tianfan, he thought of everything back then.

Chu Yuan really regretted it, the more he thought about it, the more regretful he became.

Of course, what he regretted was not expelling Brian Chu and expelling Mark’s mother and son.

He did not kill them as soon as possible.

If it were the first day that Chu Zhenghong brought their mother and son, he would kill the mother and son, there would be so many things afterwards, and naturally it would not have caused such a disaster to the Chu family more than ten years later. .

“Haha...”

“Chu Yuan, you are right.”

“The biggest mistake of your life is that you didn’t kill my mother, or Chu Tianfan!”

“Don’t worry, in order to be grateful to you, I will leave a whole body for your Chu family.”

After many years, the grandfather and grandson met again.

Between the two, there is no blood and affection at all.

Yes, only the enemies are extremely jealous when they meet.

This scene was seen by Juggernaut and other outsiders, and they couldn’t help but sigh with emotion.

What kind of hatred and separation is it, so that the two grandparents in front of them become enemies of life and death!

Facing what Brian Chusaid, Chu Yuan shook his head and said blankly, "Before I leave the customs, if you say this, maybe Zhengliang and the others will really be afraid of you."

"But now, don't you feel overwhelmed to say this in front of me?"

"What you should consider now is not whether you should leave the whole body of my Chu family."

"You should consider yourself, whether you will die without a dead body."

In the faint tone, people couldn't hear the slightest emotion.

But such calm words fell in the ears of everyone, but they contained the coercion and domineering that suppressed everything.

The hearts of Gaia and others are undoubtedly tightened at this time.

Finally, Owen and others couldn't help but step forward and whispered in Mark's ear: "Dragon Lord, the situation is a bit bad."

"Chu Yuan is still alive."

"I think, shall we retreat?"

"To deal with this old monster, we still have to take a long-term view."

"Don't be impulsive!"

Chapter 3359

In the eyes of Gaia and others, Chu Yuan's appearance undoubtedly completely disrupted their plans.

In this case, it is no longer suitable to go on hard.

Retreating safely to Chumen Mountain has become the most urgent thing for the Dragon Temple powerhouse.

"Yes, Dragon Lord."

"Where there is life, there is hope."

“I’m waiting for four people, there is still room.”

“We hold this Chu Yuan, and you immediately withdraw from Chumen Mountain.”

“After you leave, the few of us will also find a way to leave.”

Owen, Su Muqiu and others have persuaded each other.

Obviously, these people also recalled the fear of being dominated by Chu Yuan in the world of martial arts back then.

Now Chu Yuan came back again, and he also walked out of the forbidden land of the Chu family.

It is very likely that Chu Yuan’s strength is one step closer than before.

Thinking of this, many people no longer dare to continue thinking.

No one knows how far Chu Yuan’s strength has reached now?

However, facing the persuasion of Gaia and others, Mark shook his head and smiled.

“retreat?”

“Can’t retreat.”

“There is no one behind me.”

The faint laughter fell in the ears of Gaia and others, and it was a bit tragic and desolate.

Yes.

As Mark said, can he still retire?

Just withdraw from Chumen Mountain, will the Chu family let him go?

At that time, should Mark continue his escape career?

“But Dragon Lord, Chu Yuan...” Even though they realized that Mark had nowhere to go, they still didn’t want to see that the most tragic ending happened.

“It’s nothing.”

“Before I came, I had expected the worst result.”

“The big deal, my soul, Chu Tianfan, will die here!”

“But even if it’s like this, I, Mark, have to break his Chu Yuan teeth!”

“What’s more, I’m only talking about the worst-case scenario.”

“If you don’t fight a game, whoever wins and loses is not necessarily true!”

Mark’s expression was cold and severe, with a sharp smile on the corner of his mouth.

In his eyes, there was inexplicable determination and determination.

“However, you guys, the task has been completed and you can go down the mountain.”

“Take Mr. Han and go together.”

“If I, Chu Tianfan, can return safely, I will wait for the Dragon God to gather again, and be famous all over the world!”

“If I don’t return, then the Dragon Temple will be dissolved.”

“You guys, all find your home.”

Mark waved his hand, then turned around, with a smile at the corner of his mouth, and walked forward alone.

With each step, Mark’s body rose by one point.

Until the end, the boy in front of him, with a sneer on his face, stood proudly in Tianhe.

“Chu Yuan, come up for a fight!”

“The humiliation you brought to me and my mother back then, today, it should be the final break!”

The sound is like muffled thunder, shaking the void here.

Tianhe trembled, and the boundless clouds were scattered.

Mark’s billowing Hongyin swept the entire world.

“I go!”

“This hot summer boy is really crazy...”

“Old man Chu Yuanchu has appeared, he dare to clamor so openly?”

Everyone was once again frightened by Mark’s arrogance and arrogance.

Everyone stared, looking at the young man standing proudly in front of him in disbelief.

Even Chu Yuan frowned.

“For so many years, you have dared to provoke me like this, except for your father Chu Zhenghong.”

“However, if you behave like this, if you say it better, it’s courage. If you say it badly, it’s a sense of life and death.”

Chu Yuan replied faintly.

Between the words, there is not much ups and downs.

Even the gaze that looked at Mark was still the same as usual.

Perhaps, for Chu Yuan, Mark didn’t regard Mark as an opponent from beginning to end, let alone his eyes.

Always, dismissively.

After saying this, Chu Yuan’s footsteps finally moved.

He walked unhurriedly, and the wind lightly approached Mark.
