

Chapter 3361

Seeing Walter moved to anger, Charlie instead smiled and said with an emotional face: "Hey, I suddenly remembered someone asked me a similar question more than a year ago."

"She asked me at that time, whether I came to celebrate the birthday or to borrow money, not to mention, the way you said this just now is indeed a bit like her."

Walter coldly reprimanded: "Can borrow money at someone's birthday party, then you are really a fcuked!"

Charlie sighed: "Yeah, it's pretty fcuked up, as a last resort, who wants to borrow money on that occasion? But at that time a life-saving benefactor was seriously ill and needed money urgently, I could only go out of my way to try shamelessly."

Walter's expression slightly eased a little, coldly said: "Okay, no one wants to hear your story, straight to the point!"

Charlie smiled and said, "Okay, let's get to the point. As I said just now, both sides cease-fire, you withdraw your troops, this is the prerequisite."

"On the basis of you meeting this precondition of ours, our second condition is that the Cataclysmic Front must all get out of Syria!"

"Bullsh!t!" Walter's entire person burst into a rage.

He stood up, his fingertips almost reaching the tip of Charlie's nose, and cursed through clenched teeth, "You're fcuking kidding me? Not only did you tell us to withdraw our troops, but you also told us to get out of Syria."

"Who the h3ll gave you the courage to talk to me like that? You don't take my Cataclysmic Front too seriously!"

Charlie said in a cold voice: "I didn't put your Cataclysmic Front in my eyes! I told you to get out of Syria because I didn't want to k!!! too many of you, and I wanted to give you a meal! I care you, baby! You've grown up so much, can't you even understand this?"

Saying that, Charlie's expression became cold, and said word by word, "Look at your Cataclysmic Front, more than two thousand people died in one day, how else are you going to fight this battle?"

"Your 15,000 people staying here, feeding people and horses every day is a huge expense, how long can you last?"

"And we have enough supplies for 10,000 men to easily support for a year! Tightening your belt to last a year and a half is not a problem either!"

"We have enough weapons and ammunition to k!!! you ten or eight times, and then thanks to your 2,500-man transport, we now have enough weapons and ammunition to k!!! 15,000 of you eighteen or even twenty-eight times!"

“We also captured a large number of incendiary grenades from your dead bunch of soldiers, and once you launch your charge, these incendiary grenades are enough to set your soldiers ablaze in pieces!”

“By then you, as the commander, will be at the foot of the mountain to witness a ball of burning fire one after another, rolling down the hillside, and every single one of them, is a soldier of your Cataclysmic Front!”

“So by then you will see with your own eyes, your soldiers being burned one by one by your own incendiary grenades into black charcoal and piled up all over the hillside, all over the foot of the mountain!”

“At that time, the whole valley will be filled with the smell of burnt human flesh, the smell may be very fragrant, but you will only want to vomit, and even hate to vomit out your stomach!”

Speaking of this, Charlie sneered and shook his head, “Hey, how ironic that such inhumane weapons are not prepared by us, but are instead prepared and delivered to us by your own hands!”

Walter at this moment, as if his soul had encountered a heavenly thunderbolt, the whole person has been dumbfounded!

Don't know why, he who was used to seeing the storm, was frightened by Charlie's words!

He had even imagined in his mind the scene of countless warriors of the Cataclysmic Front, with their bodies burning with fire, screaming hoarsely, and rolling down the mountainside.

At this moment, he felt as if he had seen hell.

He looked at Charlie with horror in his eyes and questioned offhand: “What the hell are you!”

Charlie smiled slightly: “My surname is Wade, you can call me Master Wade!”

Chapter 3362

The government commander on the side was already stunned, he himself advocated peace talks, and when he heard these contents, he was even more determined.

So, he subconsciously said out of the blue, “Master Wade If we withdraw our troops, can you leave the opposition armed camp and join the government army?”

“If you can, everything before can be written off, we will give Hamid full autonomy, and we can even let him remain neutral in our battle with other opposition forces, I wonder if Commander Hamid is interested?”

The government forces themselves are very pessimistic about attacking Hamid.

So, they would prefer to take Hamid in.

Because, they recognized Hamid's war capability very much, if he could join the government army, it would really be the best of both worlds.

When Walter heard this, he immediately said angrily: “What do you mean by that? Don't forget, Hamid still carries the blood debt of more than 2,500 brothers of our Cataclysmic Front!”

Charlie blandly said: "This debt is always welcome to collect, I have just said, our weapons and ammunition, enough to kill you eight times, or even eighteen times, and the soldiers are itching these days."

"If you are still a man, it is best to attack today, if you are a shrinking turtle, then we can also continue to stalemate, we do not care."

Walter's anger and blood surged, thinking of what the Supreme Commander Joseph explained to him, he obediently shouted angrily:

"Wade, go back and tell Hamid that in ten days, or in five days, I, Walter, will definitely lead the troops to fight up and kill all of you!"

The commander of the government troops became anxious and blurted out, "Walter! What do you mean by that?"

Charlie laughed: "Can't you see this? They are deliberately sabotaging the peace talks between us and you, and do not want us to join the government army's banner!"

Walter did not expect Charlie to tell his fundamental motive at once, and hastily covered up, "I didn't mean that! It's you who provokes step by step!"

Charlie ignored him and turned to that government army commander and said, "We have a fable in Chinese called snipe and mussel, the fisherman gets the profit, which roughly means that a long-billed water bird wanted to eat a fat mussel."

"But was caught in the mussel's beak, and when the two sides were at a standstill with each other, the fisherman who was fishing passed by and directly took both guys into his pocket."

Speaking of this, Charlie added: "Now, you are the water bird, we are the mussel, and the Cataclysmic Front, is the fisherman! What they want most is for Syria to be in turmoil forever, for the government forces to never have a day of peace, to have no ability to protect themselves."

"So that they can only cede land to the Cataclysmic Front and ask for its help and protection, so that they can maximize their interests in Syria."

Walter said offhandedly, "Don't you talk nonsense here! The terms of our cooperation with the government forces are that after purging all opposition forces, the government forces will only allocate our land to establish a mercenary base!"

"At that time, the whole of Syria will be peaceful and tranquil, and there will be no such thing as a snipe and a fisherman!"

The government army commander frowned and said seriously, "Our cooperation agreement with the Cataclysmic Front is indeed like this, only when we purge all the opposition will we give them land and let them establish bases in Syria, so the kind of situation you are talking about does not exist."

Charlie sneered, "Hey, you're really stupid, do you really think they will help you purge the opposition completely?"

“Only if Syria is always in turmoil and always needs their help, will they be able to keep asking for all kinds of benefits from you!”

“Think carefully, if Syria is really at peace by then, can your government forces accept in your hearts that there is an armed organization as powerful as the Cataclysmic Front in your territory?”

“At that time, even if the Cataclysmic Front does not break the contract, you will definitely break it, because our ancestors have long said that the place where the couch is lying, it allows others to sleep in peace!”

“Therefore, I dare to tell you that even if the Cataclysmic Front cleans up your opposition on the surface, after they get a hundred square kilometers of your land, they will definitely cultivate new opposition in secret and jump out to continue to oppose you! Continue to drag you into the quagmire of war!”

“In that case, you will again be caught in the middle of a scorching civil war, but that no longer has anything to do with the Cataclysmic Front.”

“At that time, the Cataclysmic Front might find you again and propose that you give them another hundred square kilometers of land, and they will then help you purge all the opposition!”

“So repeatedly, you are like wounded soldiers full of wounds, repeatedly festering and healing, healing and festering, under this inhuman torture, you can never become healthy and strong, only live forever under their shadow!”

Chapter 3363

With these words of Charlie, the government commander was shocked to the point of horror!

He had never thought about what Charlie had said before this.

But now, he suddenly felt that what he said seemed to make sense.

At this time, Charlie’s eyes stared at him intently and said seriously, “The Cataclysmic Front to you is the gauze used to dress your wounds!”

“When your wounds keep bleeding, you especially need gauze to help stop the bleeding and heal your wounds;”

“But if the wounds are healed, you yourselves will not let the bloody gauze stay on you, and you will think of taking it off!”

“And the gauze itself, if it wants to remain on you, must make your wounds never heal and bleed forever!”

“If the gauze wants to occupy a larger area on your body, it must find a way to cut more wounds on your body! Until your body is covered with this gauze!”

Charlie’s words completely stunned the government army commander.

He could already imagine the future of Syria under the secret manipulation of the Cataclysmic Front, with war after war, a thousand holes and never coming peace.

At this time, Charlie was still going nonstop.

He looked at the other side, word by word warning: “Think about the United States of America, Comrade Commander! Your Middle East has been suffering at the hands of the United States for a long time.”

“It has brought in the Middle East chaos under the banner of peace and terrorism, and even sent troops to invade several countries, do you think they are really thinking of your peace and tranquility?”

“You must understand that they only covet your rich oil resources and want to keep you under their control for a long time!”

“They are the source of your suffering!”

Speaking of this, he pointed his hand at Walter and said in a cold voice: “This group of people is no different from the United States of America, if you still can’t recognize this by now, then you will definitely be tortured by this group of parasites in the future until you are worse than dead!”

The government army commander was already pale.

At this moment, he completely believed Charlie’s words.

Believed that the Cataclysmic Front was not here to help them, but to bring a sword to slaughter them.

Walter, who was beside him, could not help but tremble at this moment as he listened.

In his heart, he was horrified and thought, “This guy, how could he know the plans of the Supreme Commander? Supreme Commander he has indeed long planned, when the Cataclysmic Front in Syria will establish a base.”

“Immediately secretly support the new opposition, so that Syria continues to be deep in the quagmire of civil war.”

“Then, the Cataclysmic Front will always be needed by the government forces, rely on it, naturally can also use this to ask for more resources from the government forces “

“But how does Hamid’s military advisor know all this?!”

“The Supreme Commander’s plan for Syria is parasitic!”

“The Cataclysmic Front first uses helping Syria purge the opposition as a lure to make it willingly open its doors and let the Front put down roots.”

“Once the roots are planted, the Front will be parasitic and expand wildly inside Syria!”

“But if Syria recognizes the situation now, then they will never continue to fulfill the cooperation between the two sides, then all the plans of the Cataclysmic Front will be completely ruined!”

At the thought of this, Walter was so nervous that his entire head was numb, not knowing what to do.

Chapter 3364

At this time, the government army commander subconsciously moved his body, kept a certain distance from Walter, and spoke: "The matter is now beyond my personal ability, I need to report to my superiors, please wait for a moment."

With that, this person stood up and took out his satellite phone to prepare to go outside.

Walter made a quick judgment in his head.

If he let this guy go out and let him make a call to the top, then all the plans of the Cataclysmic Front will be revealed in advance.

And once it is revealed, they have no choice but to roll away from Syria.

In that case, more than 2,500 lives, all the military expenses for so many days, will be completely wasted.

But if the Cataclysmic Front refuses to retreat, it can only be torn with Syria.

But once the Cataclysmic Front and Syria go toe to toe, it would be the same as the Cataclysmic Front invading a sovereign country.

The entire international community will not allow such a thing to happen, the Cataclysmic Front will become the target of all!

Thinking of this, deep inside he thought of a solution!

He thought, "The words this surnamed Wade just said are only known to the three people who are here, and there is no recording equipment in this room, so as long as I kill both of them, I will be able to ensure that the true purpose of the Cataclysmic Front is not exposed!"

"As for how to explain to the government army after killing these two, at that time, we can completely dump the blame on this person named Wade, and say that he was the assassin sent by Hamid to assassinate."

"And he was the one who first killed the government army commander, and then prepared to kill me, and was finally killed by me!"

"Right! Just do it! This is the only way to solve the problem!"

At this thought, Walter quickly stood up, stared at the government commander, and said in a cold voice, "No one is allowed to go out!"

The government commander subconsciously took a few steps back and asked in a cold voice, "Walter, what do you mean?"

"What do I mean?" Walter gave a fierce laugh and said through clenched teeth, "I want your life!"

After saying that, he suddenly attacked the other side, his body quickly rushed forward at an extremely fast speed, his movements were so fast that it was hard for ordinary people to see it with the naked eye.

The government commander was just an ordinary man, he didn't realize that Walter would suddenly attack him!

Before he could make a dodging move, Walter punched him in the heart, instantly hitting him hard there!

The government commander instantly foamed at the mouth, and his whole face turned iron blue, he stared at Walter, and whimpered: "Walter, you"

Before he could finish the rest of his words, his eyes doubled and he passed out.

Charlie watched Walter giving this ruthless blow, frowned slightly at the same time, the heart of the martial arts experts despises a few more points.

Because, spare Walter such a six-star martial artist, but also relies on the body's strength and speed beyond normal people, the physical level of the enemy to strike.

Walter did have a strong internal force in his body, but there was no sign of the presence of aura.

From this level, he is still worlds apart from himself.

After killing the government commander, he immediately turned to look at Charlie and was a little surprised to see that Charlie was not even the least bit afraid.

However, he quickly put the surprise behind him, his body quickly flashed to Charlie, coldly said: "Wade! Have you ever thought before that you would one day die from talking too much?"

Charlie did not put the other party in his eyes in the slightest, the corners of his mouth rose slightly and said with a smile: "Sorry, I can tell fortunes, my fate shows that I will not die from talking too much."

Walter stared dead at him and asked in a cold voice: "Aren't you afraid at all that I will k!!! you?"

Charlie laughed: "That's only if you can, you think you can k!!! me with this level?"

Walter said in a stern voice: "Kid! You really don't know how to repent even at the end of your life!"

"I am one of the four battle commanders of the Cataclysmic Front, a six-star martial artist! I am second only to the Supreme Commander in the Cataclysmic Front! Killing trash like you is as easy as a hand gesture!"

Charlie couldn't help but sneer, "D*mn, a six-star martial artist, you're so fcuking powerful!"

Chapter 3365

Walter saw the disdain and ridicule in Charlie's expression and said coldly: "It seems you don't know anything about martial arts! A six-star martial artist, in the whole mercenary world, you can't find ten people!"

"Oh?" Charlie laughed: "Many people have tried to k!!! me, but none of them have succeeded so far, how come you are so confident that you can do that?"

Walter said in a stern voice: "Just a trash like you, not to mention killing one, even if there are a hundred of them, I can still k!!! them! My strength, trash like you, simply can't understand!"

Charlie nodded and said in a perfunctory manner, "I know, I know, that six-star martial artist of yours, isn't it just that six of the eight channels have been opened?"

“I see that your seventh meridian also seems to have signs of opening, so when your seventh is also open, is it not necessary to change the name to seven-star ladybug?”

Charlie’s flirtatious words caused Walter’s entire expression to freeze instantly!

He looked at him with an incredulous face, and his voice stuttered: “How did you see that? Could it be that you are also a martial artist? Why can’t I see your cultivation level?!”

Charlie laughed: “Do you believe me when I say that I have the golden eyes of fire?”

Walter’s heart was suddenly tense, while also thinking repeatedly in his heart.

“I don’t know how capable this Wade is, but at a time like this, there’s no way to turn back!”

“If I don’t finish him off today, then the matter of me finishing off the government commander will be revealed, in that case, the plans of the Cataclysmic Front in Syria will be completely aborted!”

Thinking of this, Walter clenched his teeth and stared at Charlie, saying coldly, “You do have something to offer if you can see my true strength! But eyes alone are useless! The most fundamental thing is to have good fists! Prepare to die!”

Walter said, let out a low roar, and quickly threw a full power punch at Charlie.

This punch was extremely fast and powerful, and the fist even carried a gust of wind that whistled to Charlie’s face in the blink of an eye.

If an ordinary person receives this punch, I’m afraid the entire skull will be shattered.

But Charlie did not show the slightest sign of dodging.

Instead of dodging, he gathered his body’s spiritual energy into his right hand, ready to harden Walter’s heavy fist at any time.

When Walter saw that Charlie was not dodging, a fierce smile was already on his face.

This punch, he has used all his strength, even the strength has reached eight-star martial artist level.

Eight-star martial artist, and six-star martial artist, between the strength, there is a world of difference, but this difference, mainly in the speed, strength, and overall attack power.

As for the body’s defense ability, there is no qualitative leap.

Therefore, Walter felt that he would kill Charlie completely with this punch, with the intention of winning!

However, something strange happened very quickly!

Walter found that his heavy fist, at the moment when it was almost infinitely close to Charlie’s face, a black shadow suddenly appeared in front of his eyes.

Immediately after that, his right fist suddenly seemed to be slammed by a few tons of iron balls.

Boom, the tremendous force made his entire fist instantly shattered, along with the arm bones were broken!

He felt the extreme pain from the arm, desperate to find, just before the eyes to get the black shadow, but it is Charlie's fist!

Chapter 3366

It turned out that Charlie directs his own fist, slammed into Walter's heavy fist.

He thought it would be at least a Martian collision with the Earth, but who would have thought that the result, as easy as a hammer smashing walnuts!

Charlie's fist is the hammer, and Walter's fist is like a walnut smashed by a hammer!

Charlie had eaten a lot of rejuvenating pills as mellitus, although the rejuvenating pills could not replenish his aura, but greatly improved his body."

"It is no exaggeration to say that it is a bronze wall, plus the right fist has aura assistance, is indestructible, how can Walter's fist be his opponent.

Walter's whole body was scared out of his mind, he knew that this kind of strength is far from a martial artist's! Even with the eight meridians all open Joseph, also does not have such a powerful strength!

He looked at Charlie dumbfounded, pained, and horrified, and asked, "You what exactly are you"

Charlie smiled faintly and spoke, "I already told you, call me Master Wade!"

Walter forced himself to endure the severe pain and asked through clenched teeth, "How can your strength be so strong"

Charlie sneered: "Baby, mainly because you are too weak!"

Saying Charlie suddenly stretched out his hand, tiger mouth like an iron pincer deadly stuck Walter's neck, the expression also changed from a cold smile, into an intimidating indifference.

Walter was strangled, and hurriedly used his left hand to try to break Charlie's tiger mouth, but even with all his strength, he could not get Charlie's fingers to separate even a millimeter.

He looked at Charlie in despair, and found that in his eyes, he had been treated like grass, and his life and death had fallen completely into his hands.

At this moment, Walter desperately clenched his teeth and said with all his might: "You you are killing me! If you kill me, the Cataclysmic Front will never let you go, nor Hamid!"

"This government commander's account will also be counted on Hamid's head you even if you are strong stronger it is impossible to protect everyone"

Charlie laughed: "Oh, you scare me ah? I'm not afraid of it though."

Saying that, he put away his smile and said in a cold voice: "You want me to kill you, I will not let you get what you want so easily, I will let you feel what it means to live worse than death."

As soon as the words fell, he poured a spiritual qi into Walter's body, the powerful spiritual qi, like the indestructible shield machine used in the construction of the subway, rampaged through his eight meridians, destroying all of his meridians in an instant!

For a martial artist who has practiced martial arts for many years, the destruction of his meridians is tantamount to making him an instant invalid.

Walter felt that his meridians were broken and his whole body was on the verge of collapse.

He has been practicing martial arts for so many years, and has long regarded martial arts as the greatest pursuit in his life.

Originally, he was on the verge of breaking through the seventh meridian, and was about to become the second talent of the Front to break through the seven meridians.

But who would have thought that all his efforts and pride would be reduced to nothing in this instant!

He looked at Charlie with a face full of indignation and asked through clenched teeth, "What did you you do to me?!"

Charlie looked at the desperate Walter and said indifferently, "I destroyed all your meridians, congratulations, from now on, you are honored martial art invalid."

Walter only felt his anger attacking his heart, and his brain almost fainted on the spot due to a lack of oxygen and vertigo.

Only after a long time did he come back to his senses, his eyes stared deadly at Charlie, his voice hoarse as he shouted, "You are so poisonous!"

Charlie sneered: "I just abolished your cultivation, and this is poisonous? Then you just tried to k!!! me with one punch, what about that?"

Walter was slightly stunned, then he knew that he could not escape death today, so he said expressionlessly, "Cut the crap, k!!! me!"

Charlie laughed lightly, "K!!!ing you is impossible, at least not yet."

Saying that, he looked at the government commander who had been dead for a few minutes due to a heavy heart attack and asked him with a smile,

"Do you think, if this buddy comes back to life and tells the highest level of the government officials what happened, how will they look for you to settle the score? How would they settle the score with your Cataclysmic Front?"

Chapter 3367

Walter heard Charlie's words, first stunned, then sneered and said, "You think very well, but it is impossible for him to get his life back!"

After saying that, Walter added: "Even if even if you tell this matter to the highest level of the government army now they they will not believe your side of this story you are the enemy!"

“The only one who can make the highest level of the government army believe this matter is only him!”

“But he’s dead! Dead people are never able to say anything!”

Charlie skimmed his mouth and said indifferently, “Fortunately, it’s only a few minutes, it’s not cold yet, there is still salvation.”

“Impossible!” Walter could not hide his shock and said: “Although I did not use my full strength, but his heart has been badly bruised, not even if gods descend to save him!”

Charlie smiled and asked him: “The reason you didn’t use your full strength just now. It was because you wanted to frame me, right?”

Saying that, Charlie said to himself: “Just now I was wondering, how can one say that this old dog is also a six-star martial artist, if you really use all your strength to punch out.”

“I’m afraid it could directly punch a bloody hole out of his heart, and the reason you deliberately used less force in your hand must be to reduce other people’s suspicion of you and facilitate the framing of me, right?”

Walter said stiffly: “That’s right, I am going to frame you! Let you and Hamid carry this black pot! If you k!!! me, this black pot you will carry more solidly!”

Charlie snorted and said, “You think too much, no one can make me carry the black pot yet!”

He added: “Don’t worry, I won’t k!!! you either, because you are still of great use to me!”

Walter sneered, “Humph! You are nothing more than nothing more than wanting to hold me hostage and then escape from here, in the end, you are also a gutless rat!”

Charlie stretched out a finger to gently shake a few times, laughed: “You guessed wrong, originally I really thought so, but really did not expect, you fool, but the dog jumped to the wall, take the initiative to the government commander, you are not giving up all the initiative to me?”

Speaking of this, Charlie raised his eyebrows and laughed: “So instead of holding you hostage and escaping, I now intend to lend you a hand and finish off all 15,000 of your Cataclysmic Front’s men in the Middle East!”

Walter chided out, “Lend my hand? Stop dreaming! I would rather die than betray my own brothers!”

Charlie sneered and said, “Whether you will betray or not is no longer up to you!”

After saying that, he stared into his eyes and sternly shouted, “Kneel down for me!”

As soon as these four words were uttered, Walter felt an inexplicable power surge into his brain, and immediately after, his legs involuntarily went soft.

Charlie sent his spiritual energy into his brain. But because he hadn’t replenished his spiritual energy well for days, so much so that the energy in his body wasn’t really abundant, the constant output made him almost in an overdrawn state.

The good thing was that at this time, Walter had become a ruined person, so it was not too difficult for Charlie.

But even so, he was thinking in his heart that he would have to put the refining of the Cultivation on his agenda when he returned, and it would be best to refine it as soon as possible.

Otherwise if he encountered this kind of six-star martial artist or seven-star martial artist again, without the help of spiritual energy. He can only choose to fight hard.

At this time, Walter, feeling the mysterious power into the brain stronger and stronger, despair in his heart, because do not know why, his knees, seemingly uncontrollable directly then kneeled on the ground.

He was almost on the verge of tears and asked in despair, "This is what's going on you what did you do to me"

Charlie said in a cold voice: "I'm going to use aura to give you a brainwash."

Saying that, Charlie elaborated, "I will seal all of your personal consciousness, but don't worry, after the seal, you will still retain all of your memories, except that your body will be completely disconnected from your consciousness. Your body will obey my command in everything;"

"At that time, although your consciousness is aware of everything, there is nothing you can do about it."

"In other words, your consciousness will be completely sealed in your brain, and as long as I don't stop, you will never be able to free yourself."

Walter's whole person was immediately desperate to the extreme, his eyes were full of endless panic, crying out and asking, "How do you you have aura?! Isn't that a power that only exists in legends?! What the h3ll are you you?!"

Charlie shook his head. Coldly smiled: "I am your father!"

Chapter 3368

Walter completely panicked, he cried, "No, please don't seal my consciousness, I don't want to become a living death, please spare me, as long as you are willing to spare me, I will listen to everything you say!"

"I can make all the soldiers of Cataclysmic Front outside surrender immediately, at your disposal, please let me go please"

Charlie smiled and asked him, "Are you really willing to listen to me on everything?"

Walter nodded repeatedly without hesitation and assured, "I swear to God, I will listen to you on everything, I will do whatever you tell me to do!"

Charlie smiled. Seriously, he said, "To be honest, I don't really trust you, a person like you, who can even klll his own partner just by saying so. How can I believe you can possibly keep your promise?"

Walter broke down and begged, "I swear to God, I really do everything you tell me, please do believe me I really don't want to be stuck in my own body forever please... .."

Charlie hummed and laughed and said, "Sorry. I still don't quite believe you."

After saying that, Charlie's fingertips once again inputted more aura into Walter's brain.

Walter's expression went from extremely frightened and calmed down gradually, and then turned into a face of mute and bewilderment.

Charlie let go of his hand at this time, pointed at the government commander lying on the ground, and instructed Walter, "Go carry him over and put him on the conference table."

At this moment, Walter's own consciousness could hear what Charlie said and receive the vision that his eyes saw, but he was unable to control his body at all.

He could only watch as his body, under Charlie's name, immediately stood up, walked over to the commander, strained to pick him up, and placed him on the conference table in front of Charlie.

His self-awareness had been terrified to the extreme, and at the same time desperate.

However, now he was. There was no longer any way to change all this, and could only stay honestly in his own body like an unrelated passenger.

And his body at this time with destroyed meridians, the whole person's physical quality, can only barely be considered an ordinary person.

As for the government commander, his complexion was already somewhat black and purple.

His heart suffered damage and was thus arrested, causing his brain to lack oxygen, generally speaking. In this case, the best time is just four to six minutes.

If four to six minutes can, can make the heart beating again, there is a certain chance to be able to live.

However, right now his heart is severely damaged, his body organs are extremely oxygen deprived, and has reached the edge of biological death.

Normally, this situation no longer has the possibility of being saved.

But to Charlie, this is not a big problem.

He felt that if he didn't save him, he could also let Walter take himself out of here easily, or he could even let Walter order the Cataclysmic Front to withdraw its defenses, or let him personally escort himself to take Zynn and take him away.

However, after thinking about it, Charlie felt that he could not be so cheap to the Cataclysmic Front.

Now, the true face of the Front, only this government commander knows the best.

If he was saved, then the government army would definitely turn over completely with the Cataclysmic Front.

And he, again, just happened to control Walter.

If the operation is done properly, it is possible to send all 15,000 soldiers of the Cataclysmic Front to the government army!

The losses suffered by the Cataclysmic Front in the Middle East were already extremely heavy.

But if these 15,000 people were captured too, then the loss would be unprecedented.

It would definitely make the Front even more passive and miserable.

Chapter 3369

Although Charlie has no direct grudge against the Cataclysmic Front, his intuition always made him feel that the Cataclysmic Front would definitely become his enemy in the future.

Therefore, he was more willing to seize this opportunity to wipe out the entire Cataclysmic Front in the Middle East than to retreat with his own body!

The price to achieve this goal would be at most one Rejuvenating Pill.

The Pill was certainly precious, but one Pill might be able to wipe out all 15,000 people of the Cataclysmic Front, so it was still very worthwhile for Charlie.

So, he did not hesitate to take out a Rejuvenating Pill, intending to directly insert it in this person's mouth to save him.

But calculating the effect of this Pill, it is estimated that there will be left over after saving his life.

Just like when Orvel was dying. A single pill not only saved the life, healing injuries, and even body functions had a great improvement, making him a lot younger.

Orvel is one of his own, so Charlie does not care about the Rejuvenating Pills.

But this government army buddy, he saw today him for the first time, thinks there is no need to let him have an additional benefit.

So, he broke off half of the rejuvenation pills and stuffed the other half into the man's mouth.

Soon, the medicinal effect began to take effect in his body, the damaged heart was repaired, and the oxygen-deprived organs were in the process of rapid recovery.

However, when the medicinal effect was finished, the other party did not wake up immediately.

Charlie carefully checked, only to find that the other party's brain does not seem to have been completely repaired, so he broke another third from the remaining half of the pills, gouging and stuffing it into his mouth.

Soon, the commander woke up.

The first time he woke up, he felt extreme pain all over his body, especially in his heart, which was like being stabbed by a knife.

In addition, the brain was deprived of oxygen for several minutes, so there was a strong sense of pain and dizziness, and even a very strong urge to vomit.

And his body is also weak, the whole person is like just crawled out of the ghost gate half, the back half is still hanging there can not come out of the kind of feeling.

If Charlie gave him the remaining small half of the Pills to eat, it is estimated that he is now immediately alive and well.

But he did not intend to do so, but silently put away the rest of the Pill, because he felt that.

First, he is not a relative, not a friend, not an enemy, there is no need to give him so much face.

Secondly, he had to make this guy full of hatred towards Walter to do so. If he was blessed by the disaster, it is possible that in a way also has to thank Walter for giving him this opportunity.

So, it is the most appropriate level that will let him come to life and make him feel all the pain.

This is exactly what the old six-word aphorism: "Save as much as you can."

The first thing this man did when he woke up was to struggle to get up, while looking at Walter angrily and cursing, "Walter! You son of a b!tch, how dare you try to k!!! me!"

Walter was unable to make any reaction at this moment, but deep inside he was already horrified to the core!

How could he have imagined that Charlie used more than half of an unknown pill to save this guy who had already been k!!!ed by himself!

This how is this possible?!

It was also at this moment that he realized that this person, Charlie, was no longer just as simple as being magical.

He really did not understand how Hamid could have such a powerful military commander, a person whose skills were much higher than the Supreme Commander of the Cataclysmic Front, or even stronger than those men behind the Cataclysmic Front!

Charlie looked at that commander at this time and spoke indifferently, "You don't need to accuse him here, his consciousness has been controlled by me."

The man asked in surprise, "Controlled by you? What does this mean?"

Chapter 3370

Charlie lightly said, "He almost k!!!ed you just now, I saved you back, aren't you going to thank me for saving your life first?"

This government army commander was not a fool, he knew exactly what had happened to him just now.

The moment Walter struck out at him, he knew that he would definitely not survive.

Unexpectedly, he was now saved by this man in front of him.

And. Even Walter, whose strength was superb, was controlled by him.

This shows that this person's strength is far above Walter's.

Thinking about this layer, he hurriedly said to Charlie gratefully, "Master Wade, thank you for saving this life!"

Charlie nodded with a bit of condescension and opened his mouth to ask: "I still don't know what you call yourself?"

The other party was busy saying, "My name is Sayid."

Charlie gave a hint and said, "Sayid, you should be able to see what just happened. Walter has already moved to kill you, he is one of the four battle commanders of the Cataclysmic Front."

"The fact that he dared to kill you proves that the senior management of the Cataclysmic Front has long reached a consensus that sooner or later they will make a move against you."

"So your top priority now is to hurry up and lift the threat of the Cataclysmic Front and save your homeland, if you can handle this matter cleanly, you will become a national hero of your country in the history books!"

After hearing this, Sayid nodded his head without hesitation and said, "Master Wade is right! I can see their true colors completely! I will call our senior management to inform them and let them make a decision immediately!"

Charlie said, "Tell them the situation clearly, and then tell them that you have a solution. You can capture all 15,000 men of the Cataclysmic Front without bloodshed."

Sayid exclaimed, "Master Wade, you really have a solution?"

Charlie nodded, pointed to the bewildered Walter next to him, and said indifferently, "With him. There is definitely no problem."

Sayid said excitedly, "That's really great!"

After saying that, he immediately walked to a corner of the conference room and used the field phone here to call directly to the highest level.

The call was answered, and Sayid then used his national language. On the phone, he reported all the situation here to the leader.

Charlie could not understand what he said, but could hear that he was getting more and more emotional, and a few times even choked out a sob.

After a few minutes, Sayid hung up the phone, looked at Charlie, and said with red eyes, "Master Wade, I have communicated with the high level, and the high level appreciates your help and promises that if you can help us solve the soldiers of the Cataclysmic Front, we are willing to make a permanent truce with Hamid!"

Charlie nodded and said blandly, "In that case, you immediately ask for support from your top brass, send all the soldiers you can, to this place!"

"Okay!" Sayid was so excited that he immediately made another call.

Soon, the government forces dispatched more than 20,000 soldiers from all directions. They came at a fast pace.

And during this period, Charlie still pretended to negotiate with Sayid and Walter, and Victor, the three-star war general who was responsible for picking up Charlie before, knocked on the door several times to ask questions.

But Charlie had Walter send him away, so it did not cause the others of the Cataclysmic Front to be alerted.

A few hours later, Victor knocked on the door again and said nervously, "Commander, the government army has sent many soldiers over again. Are you clear about what's going on?"

Walter, under Charlie's instructions, said, "Master Wade has some doubts about our strength, so we decided to invite him to review our team with the government army, you pass down the order, let all the men of the Cataclysmic Front immediately to the front of the camp to gather in a line, in order to reassure Master Wade."

"To ensure the absolute safety of the review process, everyone's weapons are prohibited to load ammunition. Violators will be locked up for one month and fined two months' salary, got it?"

Victor thought Walter wanted to show Charlie his muscles, this kind of invitation to parade to show muscle behavior, in the international arena can often be seen, said the parade, in fact, is a deterrent, let the other side see their strength, and then go back to weigh properly.

So, this kind of show muscle review link, to ensure that weapons are not loaded ammunition also belongs to the international practice, so Victor did not think much about it, immediately said: "Okay commander, I'll inform down!"

At this moment, Walter's own consciousness was about to collapse.

He naturally knew what Charlie was going to do, once his 15,000 men unloaded their ammunition, wouldn't they be lambs to the slaughter?

But he could not do anything at this time, but only worry and fear in his own consciousness.

At this time, Charlie to Sayid: "Are you ready?"

Sayid said: "Master Wade, I have communicated with all the commanders, a little later on the 15,000 mercenaries of the Front to make a full-scale arrest, then with heavy machine guns, armored vehicles guard, any one dare to resist, all will be killed!"
