

Chapter 3372 – 3373 of A Dish Best Served Cold Novel

Chapter 3372

But the Moon God didn't give him a good face, and said forcefully, "I don't want to say the same thing a second time."

"Then what if I don't agree?" Chu Yuan said again.

"Then you can try it, see if you can stop me?" The Moon God was expressionless, and his holy and beautiful face was full of majesty.

Boom~

The moment the words fell, there were two unusually majestic powers that swept out of the two of them.

That mountain-like majesty can be described as covering the sky and the sun.

The terrifying aura caused the temperature here to drop suddenly.

That kind of feeling, like dragons and tigers fighting each other, the needles are facing each other.

Although the moves of the two sides have not yet come out, the atmosphere of terror has already enveloped the Quartet.

"It looks like you are determined to fight me?"

"However, according to my perception, your current strength may not be at its peak."

"There should be a gap between the real gods."

Chu Yuan's eyes were gloomy, and the threatening words rang quietly.

In response to Chu Yuan's threat, Moon God only replied: "Divine Realm, are you?"

"You..."

The words of Moon God made Chu Yuan's old face twitch, and he didn't know how to answer.

"good very good."

"Yuereading God, I have remembered today's affairs in the Chu family."

Chu Yuan snorted coldly, and finally turned around and walked away.

It seemed that he finally acquiesced to the Moon God to take Mark away.

“Father, no.”

“Never let the tiger go back to the mountain!”

“Once this son leaves, it will be my Chu family’s confidant in the future.”

Upon seeing this, Chu Zhengliang and others hurriedly came forward to dissuade them.

“Shut up all!”

“If you stand up, will things get to where they are now?”

“If you have the ability, just go over and kill him.”

Chu Yuan yelled angrily, looking at Chu Zhengliang’s group, his heart was full of anger.

Thinking about how his wise Chu Yuan bred a descendant of the Chu family, he is not as good as an abandoned son.

In fact, Chu Yuan also wanted to kill Mark directly to avoid future troubles.

However, this Moon God insisted on sheltering, and Chu Yuan was helpless?

If he was in his heyday, he could not fight the Moon God without payment.

But just now, Mark used Yundao Tianjue, causing him a lot of injuries.

Especially that Wu Ji Jiu Jin, the energy entered the body, and until now Chu Yuan had not forced those internal energy out of his body.

It is worthy of the supreme mastery created by their Yunyang ancestors, even if the realm is so different, they can still cause such injuries to Chu Yuan.

This undoubtedly made Chu Yuan more determined to get the full version of Yundao Tianjue.

Under Chu Yuan’s anger, the Chu family suddenly closed their mouths.

“Can I go by myself?”

While arguing within the Chu family, Moon God walked to Mark’s side and asked softly.

In this scene, looking at Mochizuki River dumbfounded, the jealousy and hatred in his heart ah.

I think they are the supreme gods of the Japanese kingdom, and they usually treat him with a high attitude, but in front of Mark, how can they be so gentle and considerate.

That kind of feeling, like the moon god is Mark’s close daughter-in-law, hushing cold and warm, caring.

Mark nodded: “Well, I can go.”

“But before I leave, I have to let the Chu Family honor their promise.”

“I can’t, come here for nothing.”

After adjusting his breath for a while, Mark gritted his teeth and stood up, and then looked in the direction of the Chu family: “Master Chu claims to be a dignified Chu family, but he doesn’t know. The promise of the Patriarch of the Chu family cannot be counted.”

“That’s natural. My Chu family belongs to the ancient martial arts family, the world’s largest wealthy family. It is a promise. How can there be no reason for not counting?” Chu Yuan replied coldly, wondering what Mark asked about this.

“Well.”

“Before, the Patriarch of the Chu family made an appointment with me, saying that if he loses, he will take everyone from the Chu family to the hot summer and apologize to my mother!”

“This promise can be witnessed by all heroes in the world.”

“Now, is it time to fulfill the promise?” Mark said in a deep voice.

Chu Yuan’s old face sank and stared at Chu Zhengliang: “What’s the matter?”

Chapter 3373

Chu Zhengliang flushed his old face, even if he lowered his head, he didn’t dare to speak at all.

Seeing this, Chu Yuan undoubtedly understood it instantly.

It seems that what Mark said is true.

“Huh, a bunch of insignificant things.”

“Where is Chu Zhenghong, let Chu Zhenghong come out and see me!”

“Also, how did the position of Chu Family Patriarch become you?”

“Didn’t I pass it to your elder brother?”

Chu Yuan had just come out of the mountain now, and many things were undoubtedly confused and unclear.

“Father, this is a long story, and my son will tell you slowly in the future.”

“But Big Brother is definitely not in Chumen Mountain at this time.”

Chu Zhengliang said with a guilty conscience.

Chu Yuan snorted coldly, unwilling to look at Chu Zhengliang.

Then, turning his head to look at Mark, he said coldly: “I don’t care if your words are true or false, but it’s a matter of great importance, and I need to find out before making a decision.”

“There is nothing to check.” Mark replied in a deep voice.

“The Chu Family Patriarch promised himself that everyone heard it with his own ears, can there be fakes?”

“Moreover, I came to the Chu family here, and I didn’t intend to kill.”

“It was these Chu family old dogs who turned back. After losing, they not only didn’t abide by the agreement, but also became angry and besieged me.”

“If it weren’t for these Chu family scum to force me, the Chu family wouldn’t be reduced to this.”

Mark looked at Chu Yuan and said coldly.

Seeing that Mark was so reluctant, Chu Yuan’s expression was undoubtedly even more ugly.

“You are young, don’t you understand me?”

“This matter is very important, and I will talk about it after I discuss it!”?

“On the contrary, it’s you.

“I’ll spare your life, you don’t know how to be grateful, you are still talking nonsense.”

“I advise you, if you don’t want to die, leave as soon as possible.”

“Otherwise, when I change my mind, the moon god will protect you, and I will also kill you on the mountain of Truman!”

Chu Yuan didn’t have much patience, and threatened Mark coldly.

For Mark’s request, Chu Yuan was undoubtedly angry.

Not to mention whether this agreement is true or not, even if it is true, today’s Mark undoubtedly no longer has the qualifications to require the Chu Family to fulfill the agreement.

After all, Mark is already his defeated general of Chu Yuan, and it is his great kindness to let him go. This guy didn’t know that he would accept it, and even asked them to fulfill such a promise from the Chu family. It is strange that Chu Yuan is not angry. .

“Heh...”

“Master Chu, don’t show yourself so benevolent.”

“If you really have the ability to kill me, just do it.”

“I, Chu Tianfan, don’t need your kindness.”

“It’s your Chu family, who doesn’t believe in words. Does this mean you don’t have a face?”

“Of course, if you, Chu Yuan, in the name of a powerful hero in the world, openly admit that the Chu family is shameless, then I won’t ask you to fulfill this promise anymore.” Mark sneered and did not give Chu Yuan a little bit. face.

Anyway, Daoyi is on his side.

Even if the Chu family didn't fulfill the agreement, Mark would have to let the Chu family's reputation be discredited.

In short, this visit to the Chu family won't be a waste of time.

“Boy, I don't think you can see the situation clearly.”

“Could it be that you really think that if the Moon God supports you, I can't help you?”

“Don't forget that you are seriously injured. When you start your hands for a while, the Moon God is restrained by me. At that time, my Chu family will join forces to attack, and can't kill a dying person of you?”

“It's just that you are really capable, and you can stop my Chu family powerhouse by relying on your broken body, so what about the people of Chu Sect?”

“On my Chumen Mountain, there are not only the strong from my Chu family, but also the strong from the other two Chumen.”

“If you don't know if you see it right, you will accept it, then I, Chu Yuan, can only accept your dog's life!”

“I don't believe it anymore. You can deal with the many powerful people in Truman with a broken body?”
