

Chapter 3378– 3379 of A Dish Best Served Cold Novel

Chapter 3378

But the murderous intent and chill revealed in it undoubtedly made everyone present shudder.

At the top of Chumen Mountain, these two women standing on top of the power and power of martial arts, once again, are facing each other!

Last time, Moon God slammed into Chumen Mountain because of Mark.

This time, it was because of the young man that the sword facing the Truman Sect master!

Looking at the two strange women who were facing each other because of Mark, many people present shed tears of envy and jealousy.

Why?

The same man, then Brian Chu would be able to make these strange women angry for her, mad for her, and he did not hesitate to take the risk of being an enemy of the Chu family and protect him!

“This guy...”

“It’s really jealous!”

Aaron’s eyes were red, and King Foluo next to him was also very envious.

When will they allow a strong man who is close to the realm of God to be so partial and protective?

However, some are jealous and some are crazy.

For example, Mochizuki River, an old face who had just been beaten up, was so angry that he was bleeding when he saw his own heavenly god sheltering a hot summer boy.

“His Royal Highness, what are you doing?”

“You are the supreme god of our Japanese country, aren’t they from the hot summer?”

“Is it possible, do you really like that Yanxia child? Are you going to marry in Yanxia and be your wife?”

Mochizuki was bitter in his heart, tears almost shed, and only felt that the moon god of their Japanese country was going to be abducted to their country by that hot summer bastard.

After all, women always go with the chicken when they marry a chicken, and go with the dog when they marry a dog.

If the Moon God really fell in love with Mark, and the two have a close relationship in the future, then the Moon God will be appointed Yan Xia's wife.

Of course, Mochizuki just dared to complain these words in his heart. If he said it, he would have to be beaten.

However, when everyone envied Mark for the protection of a great god, Mark who was in it pushed the Moon God aside.

“Yue'er, leave me alone!”

“Isn't she going to kill me, let her kill!”

“Don't stop any of you?”

Mark roared coldly.

The Moon God looked at Mark very incomprehensibly, obviously not understanding Mark's brain circuit.

How can there be such a fool in the world, standing there and letting people chop off!

“Are you serious about not letting me control?”

“You have to know that now you, against her, will undoubtedly die.”

Luna reminded again.

“Do not care!”

“This is my business with her, leave it alone!”

“Let her kill!”

Mark roared and pulled the Moon God aside.

Moreover, what is even more unimaginable is that after pushing away the Moon God, this Mark actually took the initiative to walk towards Tang Yun.

“Tang Sect Master, don't you want to kill me?”

“bring it on.”

“Take the sword and stab here!”

“Anyway, since Brian Chu came to the Chu family, I never thought about going back alive.”

“If you don't kill me, I will pacify the Chu family!”

Mark's eyes were red, and he sneered while roaring in a low voice.

In this scene, everyone was stunned, and no one knew where Mark came from such a strong temperament.

That kind of feeling, as if deliberately angering Tang Yun again.

“Dragon Lord, you calm down...”

“That woman can really do it!”

Gaia shouted worriedly, and even ran over to stop him.

Tang Yun’s ruthlessness has not been seen by others, but Gaia has seen it.

When Mark received a sword from Tang Yun, he was almost stabbed to death by the woman.

Now that the dragon master let her stab her again, isn’t this looking for death?

“Get out of here!”

“Don’t stop anyone?”

Mark’s eyes were red and he burst into a drink, scared Gaia and the others no longer dared to step forward.

Tang Yun’s face paled with fright at Mark’s appearance. ?

“Chu Tianfan, what do you want?”

“Are you crazy?”

Mark had already arrived, but Tang Yun took a few steps away in fright.

It was the first time that Tang Yun saw Mark with such a face. On his stunning and majestic face, a bit of panic was rarely revealed.

“What do I want?”

“Didn’t you want to kill me?”

“I am as you wish!” Mark grinned.

“Don’t force me.” Tang Yun took a step back.

In fact, Tang Yun didn’t know why she retired.

Obviously, he is the one who has the overwhelming advantage, but why, facing Mark, who is desperate for death, she is the one who retreats in panic?

Is it because of reluctance?

Is it because you can’t let go of him?

Still, she really, has fallen in love with this bastard.

“Do not!”

“I am the Lord of Truman, how can I mess up my mind because of him?”

Tang Yun didn't want to retreat anymore, she bit her silver teeth, pulled out her sword and stabbed Mark again.

“Chu Tianfan, you forced me to do this!”

Chapter 3379

“Chu Tianfan, you forced me to do this...”

....

On the top of Chumen Mountain, Tang Yun's sensational voice echoed constantly.

There was anger and resentment in that Bing Han's words.

Qi Chi Qingfeng swept mercilessly.

With fierce sword energy, he once again cut towards Mark.

Facing Tang Yun's ruthlessness, Mark did not evade, let alone counterattack, just standing there, watching Tang Yun silently.

“Teacher, no!”

But when Tang Yun made up his mind to cut off this entanglement with his own hands, another shock sounded. ?

I saw Meng Wanyu, who had been standing not far away, running over with worry and eagerness.

Reach out to stand in front of Mark!

“Wan Yu, what are you doing?”

“Are you going to disobey me for him?”

Tang Yun didn't expect that his disciple, Meng Wanyu, would also come out to shelter Mark.

Before the Moon God would protect Mark, Tang Yun was not surprised.

After all, the Moon God had killed Chumen Mountain in order to avenge Mark.

Tang Yun had guessed about the relationship between Moon God and Mark.

But what is the situation of Meng Wanyu, my most beloved disciple?

Could it be that Mark bastard also put his own disciple...

Thinking of this, Tang Yun was even more angry in her beautiful eyes.

“You disciple!”

“There are flowers and grass everywhere, for evil!”

“It’s nothing more than you provoke others, but you still attacked my disciple? Do you harm Wan Yu?”

“If I don’t kill you today, I don’t deserve to be the teacher of Wan Yu!”

Tang Yun looked at Mark, gritted her teeth with anger. I want to kill Mark right away.

This bastard, not only Huo Huo himself, but also hooked up with his own disciples.

This kind of despicable act of master-disciple-take-all, naturally made Tang Yun want to get rid of it quickly!

“Teacher, it’s not about Mark.”

“He’s fine, he really didn’t harm me...”

Unexpectedly, my teacher misunderstood.

In panic, Meng Wanyu quickly explained.

However, this kind of thing is undoubtedly getting darker and darker.

Tang Yun was undoubtedly even more angry at the time: “Are you still pleading for him?”

“Do you still care about him?”

“Is he good?”

“How long have I been away? Your heart is lost!”

“When I kill him, I will clean up you later!”

Tang Yun shouted coldly, she was about to move to kill Mark again.

But who would have thought that at this time An Qi also took advantage of her father and brother not to pay attention, broke free from the restraints, and ran over in anxious manner, and also stood in front of Mark.

“Aunt Tang, please, let Brother Mark go.”

“He really isn’t what you think.”

“Big Brother Mark can’t rely on today’s affairs...”

“Please, Aunt Tang, don’t hurt Brother Mark.”

“He is really, a very good person...”

“He did it all to save me.”

The little girl An Qi begged while crying, and the appearance of Pear Blossom with rain was very pitiful.

“You...you...”

It was enough for Meng Wanyu to help Mark alone, and now there was another An Qi.

At that time, Tang Yun was almost to death, feeling that their beautiful women from the Truth were provoked by Mark all the time.

But, what is good about Mark, a stubborn and stubborn bastard?

Why, why so many girls are willing to pay for him.

After a brief anger, Tang Yun soon calmed down.

She looked at the two An Qi who stood in front of her, and said coldly: “No matter how you intercede for him, but he bloodied the Chumen Mountain and killed so many people from the three families of Chumen. I am the master of Chumen. I won't spare him.”

“But teacher, he has a reason...” Meng Wanyu was still begging.

“reason?”

“I have already said that being expelled from the Chu family is definitely not the reason for his murder!”

Tang Yun's words were firm and loud.

The majestic words seem to allow no doubt.

“Auntie Tang, he can't be blamed for this.”

“It's the Chu family who didn't believe it before!”
