

# Chapter 3382 – 3383 of A Dish Best Served Cold Novel

## Chapter 3382

“good.”

“Old dog Chu, you know the current affairs.” Mark snorted when he saw this.

“You...”

It’s just that Mark’s old Chu dog almost angered Chu Yuan.

But Chu Yuan didn’t bother to follow the brat.

Anyway, more than ten years ago, this Wang Balao had already dared to scold him in public for pulling his beard.

“Since you are willing to keep your promise.”

“Then go.”

“We are back to the hot summer tonight!”

“Don’t worry, as long as you apologize to my mother.”

“I, Chu Tianfan, and the Chu Family’s grievances were wiped out.”

“From now on, the Chu family will belong to the Chu family, and I will be me, and we will have no relationship with each other!”

When he said this, Mark actually felt relieved.

It seems that for many years, the mountain that has been crushed in my heart has finally moved away.

Mark has been looking forward to this day for a long time.

In fact, Mark was very tired after so many years.

After all, he has shouldered so many responsibilities, hatred, and baggage, and walked alone in this world for so many years.

Mark had a plan a long time ago, but after this knot, he completely retired.

Just as Tang Yun said to him in the old house of the Chu family, choose a quiet courtyard, where there are Yangliu Yiyi, the prosperous green grass, and of course, her beloved lady.

Some people ask you how warm the porridge is, and some people stand with you at dusk.

Under the melon fields and plums, tease the birds and beasts, and then give birth to a bunch of human cubs with the beloved woman.

After tea and dinner, I was sitting in the small courtyard belonging to their family, watching the flowers bloom in front of the court, and looking at the clouds and clouds.

There is no clamor, no killing, no greed, no intrigue, and only the dullness and stability of the first life.

Yes, this is the best yearning in Mark's heart.

Sometimes people are like this, when deep in the countryside, they yearn for the clouds.

But after living in the clouds for a long time, I discovered that the best thing is the flatness and stability in the deep countryside.

The so-called "returning to basics" may be the case.

And now, the moment Mark was waiting for was finally coming.

Mark is undoubtedly unable to express the complex emotions in his heart.

However, facing Mark's words, Chu Yuan shook his head.

"It's absolutely impossible to go tonight."

"You rioted my Chu family and upset my Chu family."

"We still don't know the number of casualties."

"What we need now is to save the tribe."

"Well, after I deal with the fun, I will take the Chu family to the summer."

Chu Yuan said coldly. ?

When Mark heard this, he frowned, "Your excuse, the Chu family has already used it just now."

“Now use the same reason to prevaricate me, do you think I will be fooled?”

“How can those incompetent people confuse me with me? Since I, Chu Yuan, promised you, I will naturally go. You just wait for it when you return home.” Chu Yuan was a little displeased and said with suppressed anger.

Mark suddenly laughed when he heard the words.

“Waiting at ease?”

“If you don’t go for ten years, will I, Chu Tianfan, have to wait for you for ten years?”

“Wait for my mother to be gray-haired, wait till we become bones and loess?”

Mark sneered, but he no longer believed the words of the Chu family at all.

“Boy, don’t be shameless!”

“My father promised you to go, which is already the biggest concession.”

“Are you still here to be unforgiving, and you’re not going to die?”

The Chu family was furious and cursed directly at Mark.

Mark shook his head: “If this is the case, then there is nothing to talk about.”

“Since you don’t have the sincerity to live, then I can only take your corpses.”

After speaking, Mark immediately turned around and said to Moon God: “Yue’er, please, please help hold the old Chu Yuan dog for ten minutes.”

“Within ten minutes, I will bring someone to kill the Chu family.”

Mark’s words were cold, and his words were like knives.

The Chu family was so scared that their old faces were extremely pale!

## Chapter 3383

“This this...”

The Chu family never expected that Mark would turn his face faster than a woman when he said that he turned his face.

I had already said it just now, and now I’m going to kill again.

The Chu family in panic immediately appealed to Chu Yuan for help: “Master, you have to save us...”

“Shut up all to me!”

Chu Yuan was almost furious at the time.

This group of rubbish is happier than anyone else, but it’s really to the point of life and death, but it’s horrible.

However, no matter how angry Chu Yuan was, he couldn’t ignore them.

In the end, Chu Yuan suppressed the anger in his heart, and his old eyes stared at Mark: “Chu Tianfan, agreeing to go to the hot summer is already my biggest concession.”

“If you still push your nose on your face, then I have to challenge Chu Yuan!”

“Before that, I have to remind you.”

“Don’t think that relying on these little titles, you can kill my Chu family.”

“Even if I was pinned down by the Sun Moon God, there are still strong people in the Chu family who can compete with you.”

“Oh?” Mark suddenly smiled when he heard this, and asked faintly, “Really?”

“Then I really want to know, in the Chu family, is there any hidden powerhouse?”

Mark sneered.

“good!”

“as you wish!”

Chu Yuan’s eyebrows were gloomy, he took a step forward and drank coldly.

“Xuan Ming, where is it?”

Boom~

The sound is like muffled thunder, trembling the world.

After that, everyone only heard the loud and loud sound, resounding through the entire mountain of Truman.

Silence, long silence.

On the top of Chumen Mountain, only Chu Yuan's Hongyin echoed.

One second~

Two seconds~

....

After dozens of seconds, no one in the Chu family responded.

Chu Yuan's old face pretending to be arrogant, he suddenly sank, suppressing his anger and immediately drank again.

"Xuan Ming, where is it?"

However, no one showed up.

On the contrary, it was the Chu family, all of them bowed their heads with guilty conscience, their faces pale and dare not speak.

"Chu Zhengliang, what is going on?"

"Where are the two elders Xuan Ming?"

Chu Yuan was so angry.

This is so special, the chain is dropped at a critical moment.

He yelled out all the big talk, but no one yelled it out.

One can imagine how unhappy Chu Yuan was at this time.

"Father, you must not be angry, Xuan... The two uncles of Xuan Ming... They..." Chu Zhengliang might be afraid that Chu Yuan would go violently, and hesitated to tell the truth.

"Say!"

"Mother-in-law, is this what my son of Chu Yuan looks like?"

Chu Yuan wanted to kick Chu Zhengliang.

However, as soon as Chu Yuan's words fell, there was a weak voice in the depths of the Chu family, and it came quietly.

"Old... old master, I'm sorry, the subordinates are late."

The weak voice trembled, but he could still hear the excitement and guilt contained in it.

Chu Yuan immediately looked back.

I saw that in the depths of the manor, two old men limpingly came here, staggering and supporting each other.

These two old men had gray hair and languid breath, and there was a bit of blood on their old faces.

After Chu Yuan saw this scene, his whole person was immediately stunned.

“You...you...”

“How is this done?”

“Are you injured?”

“Who hurt you?”

“Who can hurt you?”

The two elders, Xuan Ming, have always been one of Chu Yuan’s secret cards hidden in the Chu family.

I thought that the secret weapon he had arranged in the Chu family today would have a miraculous effect, but who would have thought that the two of them were seriously injured and dying.

“Hahaha...”

“Old Chu Yuan dog, don’t be funny, okay?”

“Who hurt them?”

“As long as you have a little brain, you know who hurt this old thing.”

“I tell you, that is, my dragon master is kind, otherwise, these two old things are more than serious injuries?”

“At that time, it was killed with a single sword!”

Seeing Chu Yuan’s bewildered look, Gaia and the others on the side were immediately happy.
