

# Chapter 3388 – 3389 of A Dish Best Served Cold Novel

## Chapter 3388

Today's Chu family, although the population is prosperous.

But among the descendants of the Chu family, there are not many plastic talents.

Chu Qitian counts as one.

In addition, Chu Yuan is now such a grandson as Chu Qitian, and he naturally attaches great importance to it.

In this way, the Chu family in panic began to treat Chu Qitian anxiously.

And the remaining members of the three families of Truman also went back individually.

The damage caused by Mark was not only in the Chu Family Manor, but even the mountain gate of Chumen was also destroyed by Mark.

The Trumen naturally had to deal with these damaged things.

“Sect master, this hot summer child has caused so much loss to our Chu Sect.”

“Even several elders were injured by him.”

“Also, in the previous rainforest battle, we, the great elder of Truman, were killed by this person.”

“His grievances are by no means only with the Chu family.”

“He hasn't paid off our Truman debt?”

“Sect Master, I suggest that we should immediately make a plan to siege this son!”

“In addition, this hot summer boy seems to have a lot of internal responses in my Tru Sect.”

“The old man in the Chu family is, and so is the little girl in the Jones family.”

“Furthermore, besides this, there should be other internal responses among the three Chumen families.”

“I suggest that we should conduct a thorough internal investigation immediately to clear out these traitors from the Truman, and then kill them all, in order to follow suit!”

After returning to the sect, the elders of the Chu Sect successively entered the admonition, hoping that Tang Yun could take action against Mark.

Originally, these suggestions made by the elders of Truman were justified.

But when Tang Yun heard this, she was furious.

“What does the great elder say about this?”

“Do you want to put me Tang Yun in a place of insincerity and unbelief?”

“Then let the world laugh at me!”

Tang Yun’s words were cold, and the temperature in the hall dropped sharply.

The elder Truman was immediately panicked, bowed his head and said not to dare.

“Don’t dare?”

“These days, you even dare to change the Chumen Sect Master behind my back. You elders, what else can you dare to do?”

Tang Yun’s words made all the elders in the audience pale.

Many people immediately explained: “Sect Master, who do you listen to?”

“They talk nonsense!”

“Okay, don’t pretend it anymore.” Tang Yun had already seen through these old things, “I know, from the moment I became the head of the Chumen Sect, many elders here have not convinced me.”

“However, this sect master doesn’t mind.”

“If you don’t accept me, if you have the ability, then defeat me.”

“I put my words here, who can defeat me, I will take the initiative to abdicate!”

“Before that, Truman still gave priority to me.”

“What I said before, if you don’t follow the crowd, don’t blame my sect master for punishing them severely!”

“But the sect master, that Chu Tianfan...” Some elders of the Chu sect were unwilling and wanted to talk about Mark.

Tang Yun frowned again, and the majestic coercion was released like a deep sea: “Isn’t what I said clearly enough?”

“From now on, Brian Chuand Chumen will have no grievances!”

“As long as the Chu Sect belongs to him, no one can provoke him, including his relatives and friends!”

“And An Qi, I watched growing up with one hand, she would not do anything against Chumen’s interests.”

“When she becomes an adult, I will accept her as a disciple, as the second personal disciple of the master.”

“This matter ends here.”

“I don’t want Zongmen to hear any talk about Brian Chu in the future.”

Tang Yun’s few words directly put an end to today’s chaos.

When Bill Jones and others heard this, they were immediately grateful and thanked Tang Yun again and again, “Thank you, the master!”

“The sect master understands the righteousness, this kindness, my Jones family will remember in my heart!”

“I promise that I will discipline the little girl strictly in the future and will not let her do anything unusual.”

## Chapter 3389

Prior to this, Bill Jones was extremely worried about his daughter’s safety.

But now, with these words of Tang Yun, the rock in Bill Jones’ heart has undoubtedly fallen to the ground completely.

Of course he knew that this was Tang Yun sheltering her daughter.

Especially promised to accept An Qi as a disciple when he was an adult, which undoubtedly gave An Qi a gold medal for immunity from death.

Disciple of the Truman Sect Master, who would dare to murder?

Of course, despite being flattered, Bill Jones also had some doubts in his heart.

He remembered that there was no deep friendship between his daughter and Tang Yun.

Why is this all of a sudden, so good for An Qi?

If he couldn't figure it out, Bill Jones didn't think about it anymore.

Anyway, the biggest worry in his heart has been eliminated, and then, there is no need to worry about Truman's liquidation of An Qi in the future.

However, the plan to marry the Chu family undoubtedly fell through.

In fact, think about it, this might not be a good thing.

Now that Chu Qitian is seriously injured, it is hard to say whether he will survive.

Even if he survives, it is estimated that his martial arts talent will be greatly reduced.

It can be said that Chu Qitian's future basically ends here.

Such people seem to have no need to invest.

Following Tang Yun's conclusion on the matter, the voice of Chumen trying to deal with Mark was immediately suppressed.

As for the Chu Family, all of their energy is now above recuperating and restoring, there is no need to avenge Mark.

And the little princess An Qi of the Jones family, although she doesn't have to marry Chu Qitian again, but in order to prevent her from contacting Mark, the Jones family put An Qi under house arrest again and sent the strong Yan Family to take care of her.

Chumen Mountain gradually recovered its former calm.

At this time, Mark and others were still on their way back home.

But Juggernaut and others, due to the early departure time, have already returned to Yanshan, Yanshan early.

During this period of time, the God of War Ye Qingtian has been stationed in the Temple of Martial Arts.

After all, the Juggernaut and Tang Hao were not there, and the King of Fighters was seriously injured. It can be said that the current peak power of the Hot Summer is in a blank period.

At this time, Ye Qingtian naturally wanted to guard the Wushen Temple and control the overall situation of Yanxia Martial Arts.

However, at sunset, there was a sudden roar on the tarmac outside Yanshan.

Ye Qingtian, who heard the movement, hurried out immediately.

It happened to see the Juggernaut and Tang Hao who had just returned.

“Um?”

“Why did you come back so soon?”

“I thought it would take two or three days.”

Seeing the two of them, Ye Qingtian was slightly surprised, and immediately asked in confusion.

“God of War, something happened.”

“Something happened!”

When Tang Hao got off the plane, he looked extremely panicked.

After seeing Ye Qingtian, he said anxiously.

Ye Qingtian frowned immediately upon hearing this.

“What’s going on, what happened?”

Ye Qingtian said in shock.

“Go in, let’s go in and talk.”

The Juggernaut interrupted their communication and called for the two to enter the Martial God Temple.

---

---

“What did you say?”

“Chu Yuan is not dead?”

“He’s still alive?” “That old thing, still alive?”

In the hall, the Juggernaut just said a word, and Ye Qingtian, who was originally sitting in his seat, jumped straight up.

On the majestic face was full of shock and solemnity.

The name Chu Yuan can be said to be a bit old.

The last time I heard about his deeds, it was more than ten years ago.

However, Ye Qingtian is naturally no stranger to the world's strongest man, who almost unified the global martial arts.

Back then, Ye Qingtian even fought Chu Yuan head-on.

Ye Qingtian was deeply impressed by the terribleness of the old Patriarch of the Chu family.

“How could he be alive?”

“Didn't he be seriously injured back then, and his deadline is approaching, and he entered the forbidden area of the Chu family and waited for his death?”
