

Chapter 3390 – 3391 of A Dish Best Served Cold Novel

Chapter 3390

“How could this be alive!”

Ye Qingtian only felt incredible, but at the same time he felt an extremely huge pressure.

Back then, the global martial arts were living in fear of being dominated by Chu Yuan.

Now that the old monster came back from the dead, it was normal for Ye Qingtian to have this reaction.

“What about his strength?”

“How is his strength now?”

“Is it a dying body?”

Ye Qingtian asked anxiously.

This is his biggest concern.

After all, the power of the world is supreme now.

No matter how brilliant Chu Yuan was in the past, but only now that his strength is not there, it is not to be feared at all.

The Sword Saint shook his head solemnly: “If he is dying, we won’t come back in a hurry.”

“God of War, unfortunately to tell you, Chu Yuan’s strength is stronger.”

“It’s very possible, stepped into the gods.”

“Some things, our hot summer, should prepare early.”

The Sword Saint said quietly, there is undoubtedly an inexplicable heaviness in the words.

People in Yanxia have always been prepared for danger in times of peace.

The Juggernaut’s first thought after seeing Chu Yuan coming out of the mountain was to think about how to deal with Chu Yuan in the future.

Back then, when Chu Yuan was number one in the sky list, he started a war in the world. Now that his strength is even higher, no one knows if he will repeat the same trick and lead Trumen to make a beacon again.

Ye Qingtian also fell into endless silence immediately, and no one knew what he was thinking at this time.

After a long time, Ye Qingtian also recovered his calm.

“It’s time to prepare, in case the worst happens.”

“However, we are not without chance.”

“As long as we can unite with the Japanese martial arts and get the help of the Moon God, we might not be able to fight Trumen.”

“Plus, our martial arts power in the hot summer is stronger than before.”

“Single Mark alone is enough to contend against the powerful Chumen.”

“Furthermore, Chu Yuan has just left the customs, even if his ambition is not dead, he will start a martial arts war again, it will take several years to prepare.”

“In the past few years, we have also been actively preparing for the hot summer. At the same time, I have trained Mark to use all the hot summer resources to help Mark break through.”

“With that kid’s martial arts talent, he has become a powerhouse of the gods and hit the top ten, and even the top three, is also a high probability event.”

The more Ye Qingtian said, the more excited he became.

However, Ye Qingtian didn’t notice Tang Hao’s gradually ugly face at this time.

After hesitating again and again, Tang Hao sighed and said bitterly, “Lao Ye, I’m afraid I will disappoint you.”

“Mark, he, most likely, has fallen.”

Tang Hao said sadly with eyes full of sorrow.

When Ye Qingtian heard the words, his whole body trembled, and his face changed drastically.

“what happened?”

“What’s wrong with Mark?”

“What happened again?”

“Could he...”

Although Ye Qingtian had some predictions in his mind, he still asked.

The Sword Saint did not speak, but Tang Hao said bitterly: “Old Ye, Mark has also gone to this wedding banquet.”

“Furthermore, this Mark, he was the one who horrified the country back then, Chu Tianfan.”

“His other identity is the illegitimate son of Chu Zhenghong, the head of the Chu family.”

“Later, he was driven out of the house by the Chu family.”

“In this wedding banquet, Mark led a number of powerhouses and directly attacked the Chumen Mountain, desiring to put down the Chu family.”

.....

Tang Hao simply repeated the matter about Chumen Mountain to the God of War.

After hearing Mark’s single-handed defeat of the great Chu family, Chu Zhengliang and the black and white Shuangsha both defeated by Mark’s hands, Ye Qingtian shouted with excitement.

“Haha...”

“This bastard, it’s hard for me to hide it?”

“The strength is so strong!”

“No wonder, this guy dared to go to the Chu Chu family alone at a young age?”

“His strength turned out to be better than me!”

Ye Qingtian laughed haha, and then continued to ask.

“What about after that?”

“After that, did the Chu family succumb?”

Chapter 3391

Ye Qingtian may be too excited, the focus of attention has gone off the track, completely forgot the first sentence Tang Hao said to him, and the whole person was completely immersed in Mark’s majesty.

Tang Hao twitched his eyes, and quickly pulled this guy out of his loss: “The Chu family did not give in!”

“At the last moment, Chu Yuan appeared and severely injured Mark.”

“This...” is like a basin of cold water, poured directly on it.

Ye Qingtian, who was still full of pride and pride just now, his whole expression sank directly, his eyes full of anxiety.

“What about after that?”

“Did you help?”

“Has Mark escaped?”

“That brat!”

“I reminded him before that the Chu family’s background is profound and unfathomable.”?

“He won’t listen.”

“It’s all right now, and all the old monsters of the Chu family have been drawn out.”

Ye Qingtian looked anxious and asked Tang Hao one after another.

Tang Hao sighed: “I’m afraid it is, it’s too bad for you.”

“Don’t tell me these ambiguities!”

“What was the final result?”

“Then Chu Yuan, did you fight against Mark?”

Ye Qingtian asked again.

Tang Hao shook his head: “We don’t know what happened later.”

“Juggernaut and I, we returned halfway.”

When Tang Hao said this, the Juggernaut interrupted and said: “Some results, don’t need to look at them, they are already very clear.”

“Then Brian Chu has the strength of the top ten on the sky list, and even the top three on the sky list.”

“But after all, he consumes a lot of money after the series of battles.”

“What’s more, Chu Yuan was already the strongest in the top ten years ago.”

“Now that you leave the customs, even if your strength is not in the gods, it must be half-footed.”

“The strength of the two is worlds apart.”

“Brian Chu will undoubtedly die.”

The Sword Saint said in a deep voice, with a firm tone, almost certain that Mark had fallen.

However, after the Juggernaut had said these words, Ye Qingtian’s old face suddenly burst into anger.

“So you were afraid of being involved, so you left Mark alone and fled back to the summer?”

“Ignore his life and death?”

Ye Qingtian’s old face was gloomy, and he asked in a deep voice.

The Juggernaut didn't know where Ye Qingtian was so angry. Faced with the accusation, he also replied coldly: "What is afraid of being involved?"

"Who am I doing this for?"

"Could it be for myself?"

"Not for the overall situation of my hot summer martial arts!"

"Do you want us to challenge the Chu Family and Chu Yuan for Brian Chualone?"

"What's more, Brian Chudidn't join my Martial God Temple at all."

"We are not obligated to shelter him either!"

"There is also the God of War. I am not afraid to tell you that I am already on Mount Chumen, telling the global martial arts leader to remove the title of Wushuang from my hot summer title list."

"After today, I will only have five pillar kingdoms in the hot summer and no sixth title!"

There seemed to be grievances in the Juggernaut's heart, and at this time he was facing Ye Qingtian tit for tat.

"Juggernaut, dare you?"

"Marknai is the Hot Summer title that I launched."

"Without my permission, would you dare to abolish him?"

Boom~

Ye Qingtian was furious immediately.

After a loud shout, the long table in front of him was shattered.

As soon as the violent temper of the God of War came up, he was about to fight the Juggernaut.

Tang Hao hurriedly put out the fire when he saw this: "Lao Ye, don't worry."

"Isn't it sudden?"

"At that time, the Juggernaut was so decisive, it was also a last resort."

"After all, the Chu family is powerful."

"But Mark rushed into Chumen Mountain alone."

"If you don't clarify the relationship, the Chu family thinks that our Hot Summer Martial Dao instructed Mark to go."

"All these are expedient measures, and the Juggernaut is also considering the overall situation."

Tang Hao persuaded each other bitterly.

“The overall situation, what is the overall situation?”
