

Catch Me If You Love Me

Chapter 34

The man was stunned, reacted and said hurriedly.

“Master, this is probably not appropriate. If you let the young master know that you have taken advantage of this, according to his temper, he will definitely...”

“I can’t protect myself, can I stop Master? He has the ability to wake him up and come to me by himself!”

.

Snapped!

Another thing was smashed to the floor severely, and the entire ward was like a typhoon passing by, a mess.

Liam Lu leaned forward and stood in front of the hospital bed, staring at Shiyue with scarlet eyes.

“It’s been three days, I don’t want my best, but Zoey Gu’s people and news!”

For three days, the large search and rescue ship was always floating at sea, and the search and rescue team and divers went back and forth wave after wave. What can be brought back is always the same answer.

“Sorry, Liam.”

Shi’s body stretched tightly, and the atmosphere did not dare to pant.

“The search and rescue work has never stopped. But after all, Liam, you are in a special status, and now you are getting engaged to Miss Yun. If this matter is too public, let the old lady know that it will be more difficult to find someone.”

“and so...”

Shiyue didn’t finish speaking, one of his men hurriedly pushed the door in, “Lu Shao, Miss Gu has news!”

The men ran to Liam Lu a few steps.

“Old Fu’s people, brought news from Wuming Island. They said they knew that Liam was looking for someone recently, and they happened to rescue a girl with similar conditions at sea. Old Fu said... I hope Liam will come to recognize him. .”

Hearing this, Liam Lu's eyes narrowed severely.

Shiyue who was next to him also made a deep face.

“Lu Shao, it is a good thing that Miss Gu is still alive, but the old man, Fu, is cunning and vengeful. I am worried about him...”

Lao Fu is an old slicker with multiple identities, and he holds a large and highly qualified tracing agency in his hands. Over the years, I have made a lot of money by finding people because of salary calculation.

But he is not only engaged in tracing business, but with the powerful resources at hand, he has set foot in many industries. Most of the well-known family businesses in Country H have suffered secret losses in his hands.

But in front of the huge Lu family, he not only repeatedly hit the wall, but was also suppressed everywhere.

This time using Zoey Gu to take the initiative to find the door is definitely more than just asking for money.

Shiyue wanted to say something more, Liam Lu turned around, raised his eyes to an unknown direction outside the window, and said solemnly.

“Shiyue, you personally prepare, and I personally go to see the old man. Right now.”

“But Liam, you yourself are still injured...”

“I have already decided.” Liam Lu interrupted Shiyue, “No matter what Old Fu wants from me, I can afford it.”

Liam Lu thought of Zoey Gu's face and the words “Don't meet again in the next life” she said, and closed his eyes severely.

She is a cinnabar mole in his heart, and is his knot for many years. If he can't get a result from her, he won't get through his whole life.

.

Zoey resigned and stopped.

Every day, doctors come to check her body and check her recovery. Every day, someone is responsible for taking care of her daily life.

But her freedom was inexplicably restricted.

Two men have been guarding outside the door.

She occasionally wanted to go downstairs and go for a walk, but was rejected by the person in charge of taking care of her with various reasons.

This feeling, like Lydia Lin locked her up many years ago, made Zoey Gu slowly feel uneasy and eagerly want to leave.

Until a few days later, Zoey Gu tried to ask the servant who took care of her.

“My body is almost recovered, it’s time to leave. Before I leave, can I see your master and say thank you in person?”

Who knows that after listening, he shook his head without hesitation.

“Not today, our master has guests.”
