

Chapter 3404 – 3405 of A Dish Best Served Cold Novel

Chapter 3404

It was the first time that he saw Ye Qingtian look like this.

The whole person stood there, burning like a beam of raging fire.

The majestic anger almost overturned the entire Martial God Temple.

“God of War, you... what’s wrong with you?”

Tang Hao’s voice trembled, perhaps because of a guilty conscience.

Because he guessed a bit of the God of War’s intentions, but he still asked.

“I just came back from Jiangdong.”

“He came back alive.”

Ye Qingtian’s face was expressionless, and his words were gloomy, almost dripping out of water.

“Yes.. Really?”

Tang Hao was still trembling.

He didn’t know what to say, so he could only reply in a perfunctory way.

Finally, an awkward laugh came out.

“It’s good to be back, good to be back...”

“Haha...”

“We have one more strong person in the summer, a good thing.”

“In the future, our hot summer martial arts power will invisibly grow a few more points.”

Tang Hao laughed.

Ye Qingtian sneered upon hearing the words, “Growth?”

“Isn’t he all expelled from the Yanxia martial arts by you?”

“No matter how strong people are, no matter how powerful they are, what do they do with the summer?”

Tang Hao's old face paled, and he quickly explained, "This...this...isn't it all forced by the situation?"

"Wait for me to explain to Mark, I believe he can understand."

Tang Hao whispered.

"understand?"

"You are your father, so you are so used to you?"

"I'm here to tell you."

"He has already said that after today, Jiangdong Budo will no longer be led by the Martial God Temple."

"Also, let us no longer step into Jiangdong!"

"This result, are you satisfied?"

Ye Qingtian sneered, and on his forehead, there was a deep chill.

"This this.."

"Mark, really... really said that?"

Tang Hao immediately froze in place, eyes full of disbelief.

What does Mark mean?

Undoubtedly, it is necessary to make a thorough cut with the Martial God Temple, and no longer have any contact.

It is to let Jiangdong Budo, break away from the leadership of the Wushen Temple, and become a faction of its own.

If others dare to say this, the Martial God Temple will bring a large number of powerful people to kill the next day.

But when Mark said this, Tang Hao and the others had no other choice but to be shocked.

What else?

Could it be that Mark was once again listed as the sinner of the country, and huddled together to discuss it?

no kidding.

The Chu family almost let Mark step down, let alone the Martial God Temple.

With Mark ascending to the top of the list, the Dragon Temple became famous all over the world.

It can be said that today's Martial God Temple has become a second-rate force in the martial arts in the summer.

As long as Mark is willing, it is not difficult for him to lead the Dragon Temple powerhouse to change this Yanshan Mountain.

“Juggernaut, why don't you speak anymore?”

“At the beginning, you abolished Mark's title and expelled him from the martial arts in the summer?”

“I have planned for decades, how many martyrs have worked hard, why?”

“It's not to be able to train for my hot summer martial arts a strong person who can reach the top ten in the sky.”

“But now?”

“Mark has already been forced to do nothing with my Martial God Temple!”

“You personally ruined the future of my hot summer martial arts!”

Ye Qingtian was very angry, and the low anger resounded everywhere, and the whole Wushen Temple was shaking under Ye Qingtian's anger.

The Juggernaut had a pale face and remained silent.

Finally, he staggered, and the whole person was directly on the seat.

However, after the anger, Ye Qingtian quickly suppressed the anger in his heart.

He turned around, turned his back to the Juggernaut and the others, and said in a deep voice, “You must tie the bell to untie the bell.”

“Think of a way and make up.”

“Mark is not a heartless person.”

“Only this time, you hurt him too deeply.”

“But as long as your sincerity is enough, I believe it can bridge his relationship with the Martial God Temple.”

Ye Qingtian's deep words rang quietly.

After speaking, God of War also left.

In the Martial God Temple, there was only a silent silence.

Chapter 3405

Mark's ascent to the top of the rankings can be described as a global sensation.

In the martial arts of various countries, they have aroused great repercussions.

After all, for so many years, Mark was still the first to truly break the blockade of Chumen. ?

Before that, almost all of the top ten in the top ten were monopolized by the three powerhouses of Chumen.

However, unlike the hustle and bustle of everyone in the martial arts world, Mark, as the protagonist, was extremely calm.

During this time, I was only with my wife and family.

The title of No. 1 in the sky list did not change Mark's mentality in the slightest.

Perhaps, from the beginning, Mark didn't pay much attention to these so-called rankings.

What he really cares about is more family harmony and reunion.

Therefore, after returning from Chu Sect, Helen Qiu, Ye Ximei and others, were pleasantly surprised to find that Mark suddenly had a lot of leisure.

Most of the day is spent with them.

It is rare for Mark to be so leisurely, Helen Qiu was reluctant to return to Yunzhou. After coming out of the hospital, she pestered Mark all day, eating, drinking and having fun everywhere.

"Mark, can you tell me the story of your childhood?"

"I'm really curious, what would your life be like when you were a kid?"

In the setting sun, the afterglow of the setting sun stained the vast land.

Helen Qiu took Mark's arm and walked leisurely on the streets of the town.

There was always a happy smile at the corner of her mouth.

After seeing it, passers-by cast envious glances.

This sweet and warm look is probably the most beautiful love look in everyone's hearts.

After so many twists and turns, Helen Qiu found that she had fallen in love with the man beside her hopelessly.

Even if she walked with him and didn't speak, Helen Qiu felt extremely happy.

"What can I say."

"I was very skinny when I was a kid, and I was annoying when I walked into the street."

Mark shook his head and smiled, as if he didn't want to mention the embarrassment of the past.

"Talk about it."

“I just want to know.”

“From the time you were born to before we met, in those ten years, I wanted you to tell me.”

I don't know why, after this incident, Helen Qiu looked like a teenager in front of Mark.

Acting like a coquettish and cute, she is just like an innocent girl who is just beginning to love her.

In fact, it is almost less.

When she was a student, Helen Qiu focused on her studies and never fell in love.

It can be said that Mark is indeed her first love.

Before, Helen Qiu had always imagined what it was like to be in love.

Now, she finally realized it.

At this time, Helen Qiu couldn't wait to take up all of Mark's life.

Whether it is the past, the present, or the future.

Therefore, she kept asking Mark about his childhood experience.

Because there was only that experience, she didn't accompany Mark through it.

“Mark, do you like crayfish?”

“I just learned to do it recently.”

“Make it for you to eat at night.”

.....

“Mark, am I getting fat?”

“I don't feel like I am in good shape.”

.....

“Mark, wait for me, what are you doing so fast?”

.....

“Mark, I'm tired, I want you to carry me.”

....

“Hey, Mark, is it big and soft in my place?”

.....

“Mark, Mark, Mark...”

Walking on the small road in the country, Mark just carried his girl on his back.

Along with the bumps on the road, the softness of the girl’s chest kept touching Mark’s back.

The warm sunset reflected Helen Qiu’s pretty face.

That voice full of joy echoed in the sky above.

Helen Qiu at this moment, how hopeful, the road in front of her will never end.

In this way, her boy can carry her on his back forever, until the world is gone!

“Mark, shall we go on our honeymoon?”

“We have been married for so long and we haven’t had our honeymoon yet.”

Helen Qiu said again suddenly.
