

# Chapter 3408 – 3409 of A Dish Best Served Cold Novel

## Chapter 3408

“Moreover, the Chu family matter is not over yet.”

“In the future, it will inevitably change again.”

“No matter how strong Mark and your Dragon Temple are, there are many things that are difficult to worry about.”

“Our Martial God Temple is also very willing to help Mark.”

Tang Haoxiao tried to persuade Gaia with affection and reason.

Gaia hesitated for a moment, and finally nodded: “Okay, I can take you to Jingzhou.”

“As for the Dragon Lord or not seeing you, it depends on your own good fortune.”

Obviously, Tang Hao’s words also reminded Gaia.

The Chu family has always repaid the canthus. In the battle on Chumen Mountain that day, it seems that all the dust has settled, but in the future, it is uncertain what moths will be born in the Chu family.

If the Martial God Temple is sincerely repenting and willing to make up for it, it would be a big help to Mark.

---

Yeyang Town, Jingzhou City.

Today’s Yeyang Town is extremely lively.

The flowers are clustered, and the red flowers reflect the willow.

The brand new red carpet extends from the entrance of the town to the end of the town.

Guests from all walks of life visited one after another.

Li Er and Lei Laosan, all the powerful men, were all messy at this time, helping Mark to greet the guests and record the birthday gifts.

“Indian Buddha Palace, give a golden rohan!”

.....

“The Great Soviet Russian Aaron, send a pair of famous calligraphy and painting!”

.....

“Lord West Osali, give a royal crown!”

.....

“A set of ancient tea houses produced in the Western Han Dynasty are given to the Temple of Wushen in the Summer!”

In the room, Jinbao and Yinbao read the congratulatory gifts from all the guests according to the pamphlet in their hands.

However, when they read about the Yanxia Wushen Temple, Mark, who was originally peeling oranges for his wife on the sofa, frowned.

However, Mark did not speak, but let Jinbao Yinbao read the book of gifts first.

“Mr. Chu, how about these gifts?”

“Shall we take it or not?”

The Jinbao and Yinbao brothers looked at Mark and asked in a low voice.

Mark raised his head and said indifferently: “I accept them all. Then, according to the value of the gifts they gave, they will give back gifts of corresponding value.”

“Except for the gift from the Yanxia Wushen Temple, return it to them.”

Mark waved his hand, and the two brothers Jinbao Yinbao went to handle it immediately.

Outside the old house, Juggernaut and Tang Hao were standing there, looking inside constantly.

At this time, Jin Bao walked out and brought out the tea set: “I’m sorry, Mr. Chu said, the birthday gift from the Martial God Temple will not be accepted.”

“This...” Tang Hao’s old face twitched, and the look of the Sword Saint changed slightly.

Only Mo Wuya was very angry: “This Brian Chuis shameless.”

“Too lawless, right?”

“It’s fine if you don’t come out to welcome you. We will return the birthday gift we gave back?”

“Uncle Sword Saint, this Chu Tianfan, is too unwilling to see my Martial God Temple and my Yan Xia Martial Dao in his eyes, right?”

Mo Wuya gritted his teeth with anger, wishing to rush in and blow Mark to a blast.

The Juggernaut laughed at himself: “No. 1 in the sky list, naturally I have the temper of number 1 in the sky list.”

“Since we are here to apologize, we should be prepared.”

After saying this, the Juggernaut did not leave.

Instead, standing in front of the Ye Family’s old house, loud words resounded throughout Yeyang Town.

“Mr. Chu, Xiao Chen and Tang Hao from the Martial God Palace, here are here to pay a visit.” “Mr. Chu, please come out and see you in your busy schedule.”

“It’s okay for us to apologize in person.”

.....

A low and loud voice rang quietly.

In an instant, the words of the Juggernaut overwhelmed all the voices in the sky here.

The small courtyard, which was originally messy, suddenly became quiet.

Everyone looked at the three people standing at the door.

Many of them were even more surprised.

You know, the sword saint is the master of the martial arts temple, the leader of a country’s martial arts, and everyone who knows him knows that the sword saint is a very important person.

But now, in front of everyone, this posture is so low, it is undoubtedly the first time everyone has seen it.

The silence here lasted for a long time.

Finally, a cold voice quietly came from the old house in front.

“No carbon has been sent in the snow, why icing on the cake?”

“Please go back.”

## **Chapter 3409**

“This...this is Mark’s voice?”

Slow words echoed slowly in this world.

Hearing Mark’s words, both Sword Saints trembled, and Tang Hao’s eyes widened, looking in the direction of the sound.

Obviously, Tang Hao didn’t expect that they were sincere, and Mark would still not give them any chance.

In a word, let them go back.

However, how could Tang Hao be reconciled and still replied loudly: “Mark, no matter how big a misunderstanding there is between us, we have to meet and talk.”

“We didn’t come all the way, and sincerely apologize to you.”

“If we don’t see you, we won’t leave.”

Tang Hao is still insisting.

However, no words sounded in the Ye Family’s old house.

Even at the noon banquet, there is no place for the Juggernauts.

In this way, Tang Hao and the others, stood in front of Ye's house for a whole day.

Until the sun sets, the sky is full of sunset clouds.

The guests of the Quartet began to leave, and the Juggernauts were still waiting.

Even the whole hall was scattered, the branches on the moon, the sky filled with stars, and the Sword Sage still did not see Mark.

I don't know how long it took, the Sword Saint sighed quietly.

"Fine, Tang Hao, let's go back."

"But, we haven't seen Mark yet, just go back like this?" Tang Hao was not reconciled.

The Juggernaut shook his head and gave a wry smile: "Wait any longer, he is afraid he will never see us again."

"As he said, no carbon has been sent in the snow, so why icing on the cake?"

"Now, what qualifications do we have to ask for his forgiveness?"

"Let's go back."

After waiting here for a day, the Juggernaut had undoubtedly seen what Mark meant.

He knew that this time, their Wushen Temple really broke Mark's heart, and it was no longer possible to apologize.

In this way, the Juggernauts who were waiting here for a day still couldn't see Mark's face after all.

Returning lonely with helplessness and loss.

"Dragon Lord, Sword Saint, they are gone."

"But, don't you really meet them?"

"If we can relax the relationship with the Martial God Temple and form an offensive and defensive alliance, if Chu Sect retaliates against us in the future, the pressure on our Dragon God Temple can be less."

In the room, Gaia spoke out to persuade him.

Mark sipped his tea lightly, his face expressionless and said, "Even if it is revenge, at best, the Chu family will revenge us."

"Trumen still wouldn't do such an unbelieving thing."

"Dragon Lord, it's hard to say. That Chu Yuan is the current teacher of the Truman Sect Master. What if he swayed Tang Yun? In the future, we will gather the strength of the three Chumen Schools to deal with us, then we can be passive. This time, it seems calm and leisurely, but the stone in Gaia and others' hearts has not fallen to the ground for a long time.

They had caused such great damage to the Chu family before. To be honest, Gaia didn't believe it, so it was easy for the Chu family to give up.

"Do not worry."

“As far as I know her, this credit is still there.”

When he said this, Mark seemed to have that graceful figure again.

Recalling the battle on Chumen Mountain that day, Mark thought that she would stand on Chu Yuan’s side without principle.

But the final result was beyond Mark’s expectation.

In any case, this Tang Yun can be regarded as a hero.

At least, it has its own principles.

“All right, Dragon Lord.”

“whatever.”

“I just feel that it is beneficial and harmless to unite a few more people.” Seeing that Mark didn’t mean to ease the relationship with the Martial God Temple, Gaia didn’t say any more.

Mark snorted: “People like them have only interests in their eyes, but no benevolence and loyalty.”

“When you were at your peak, they came all the way to congratulate.”

“When you are down, I’m afraid that you will fall into trouble again.”

“The Tao is different, so why bother?”
