

The One and The Only Chapter 341 - 350

Song Pingting said angrily: "What nonsense are you talking about? Believe it or not, I called the police and arrested you?"

Master Zhang calmly said, "I'm studying Feng Shui and numerology, I have already told

You're a fierce construction site. If you don't believe me, I'll do nothing." "Also, let me say something more. You look bad, and you will have a disaster in the near future. Ask your driver to pay attention to safety when driving."

After that, Zhang Lin took him. The two apprentices left.

Song

Pingting's pretty face was full of annoyance: "The liar, nonsense." Song Zhongbin and others

said worriedly: "Master Zhang said that the construction site has a serious omen..."

Song Pingting said dissatisfied: "Dad, you are so Believe this, according to his statement, then our company has invested more than one billion yuan in the factory to give up?"

Business as usual, whoever spreads the rumors will call the police!" After Song Pingting

finished speaking, he left the construction site with Song Zhongbin. drive home.

On the road, Song Pingting just drove, and suddenly a van sprang out from the intersection

and collided with Song Pingting's BMW with a bang.

The fronts of both the van and the BMW were badly damaged.

Fortunately, the people in both cars were fine.

Both Song Pingting and Song Zhongbin let out a cold sweat and called the traffic police and insurance to deal with the accident.

At this moment, a black car passing by stopped.

When the window of the back seat of the car fell, it turned out to be Zhang Lin, the master of physiognomy.

Zhang Lin smiled and said to Song Pingting: "Miss Song, I told you to drive carefully, why are you so careless?"

Song Pingting didn't believe in Feng Shui and numerology at first, but Zhang Lin was so fascinated by his prophecies twice. She was a little shaken at this moment.

Is it possible that the person in front of you is really an expert in numerology and numerology?

Song Zhongbin admired Zhang Lin even more. At this time, Pi Dian Pi Dian stepped forward and passed the cigarette, and said with a smile: "Master Zhang, my daughter is too young and has never seen the world. Please don't care about her." Zhang Lin smiled.

Said: "No, it is fate to meet, I just give you a few words casually." Song Zhongbin said again

and again: "Master Zhang is amazing, our father and daughter have seen us, please be sure to give us a few more pointers and help us."

Zhang Lin nodded: "Okay, I'll just give you a few more words."

Zhang Lin said, glanced at Song Pingting intentionally or unintentionally, and then said

seriously: "Miss Song, you can't tell the last name." Yash's man got married, otherwise, you would kill the man whose surname was Yash."

Song Pingting's face changed drastically when she heard that, she couldn't bear it, and

cursed: "Did you know that my husband is named Yash, so you came here to make trouble?"

"

Zhang Lin was surprised: "What a coincidence?"

Song Pingting coldly snorted: "What are you pretending, you have investigated it clearly?"

Zhang Lin shook his head: "I haven't checked you, you think too much. In addition, you think.

Think, after you are with your husband, does he often fight with others, and many people trouble him, he will die if he is careless?"

Song Pingting was dumbfounded, after Yash Nics was with him, really They often have conflicts with others, and fights are also common.

Just yesterday, Ouyang Xuan sent a group of thugs to teach Yash Nics. Seeing that Song Pingting was speechless, Zhang Lin smiled and said, "It seems that I did not make a mistake?"

"Miss Song, you cannot marry a man surnamed Yash, you marry a man surnamed Yash, you

It will absorb his luck and bring good luck to your family. But it will bring bad luck to him, and he will eventually die."

"You can't be so selfish. If you have a conscience, separate from your husband and don't hurt him. a. "

Song Ping Ting Wen Yan, Qiao Lian pale.

Upon seeing this, Zhang Lin continued to say: "In addition, I look at your appearance. The

true son of your life is a man named Qin. Only if you marry a man named Qin, will your family be happy and happy."

The One and The Only Chapter 342

Yash Nics learned that Song Pingting and Song Zhongbin had a car accident, and drove over soon.

He saw that Song Pingting and Song Zhongbin were not injured, so he handed the traffic

police and insurance to the traffic police.

He personally drove home with Song Pingting and Song Zhongbin.

On the way, Song Pingting didn't keep her house.

Master Zhang Lin's words kept ringing in her mind: When you are with Yash Nics, you will

absorb his luck and bring good luck to your family. But you will kill Yash Nics, you can't be

so selfish, please leave him quickly!

While driving, Yash Nics glanced at Song Pingting, who was sitting in the passenger seat,

obviously something was wrong.

Look at the father-in-law who is sitting in the back seat of the car, who also looks very

worried.

He frowned slightly. Could it be that the two of them were frightened by the car accident just

now, or what happened?

Yash Nics remained silent. After returning home, he walked out of the balcony alone and

called Dianchu: "Check what happened to my wife. Why didn't you stay away?"

Dianchu quickly found out about Song Ping Tingyu. When I went to the physiognomy master

Zhang Lin, I gave a detailed report to Yash Nics, and finally said: "The subordinates just

found out that this physiognomy master seems to have been sent by the kid Qin Jin."

"Zhang Lin was alarmist and frightened Madam Shao. I want to scare her away from the

young master, so that Qin Jin can take advantage of it."

Yash Nics's eyes turned cold: "It's the little white face again. He beats my wife again and

again. He is really tired of his life."

Dian Chu: "Should your subordinates send someone to arrest both Qin Jin and Zhang Lin?"

Yash Nics said lightly: "No hurry, you follow my instructions."

Yash Nics gave a few instructions to Dian Chu what to do. He hung up the phone.

The next day was the weekend. Yash Nics and Song Pingting took Song Qingqing to play in

the playground.

Song Pingting was very worried last night and stayed up all night.

She looked a little haggard today, which made Yash Nics look distressed.

Song Qingqing pointed to the Ferris wheel not far away, and said to Yash Nics, "Dad, I want

to ride the Ferris wheel.”

Yash Nics smiled and said, “Okay, let’s go to the Ferris wheel.”

Song Pingting shook her head: “You guys. Let’s go sit there for two. I didn’t sleep well last

night and I didn’t have enough energy. I’m waiting for you here.”

Yash Nics nodded, “Then you sit here and rest for a while.”

Last night, Yash Nics and Song Qingqing went to buy tickets. Take the Ferris wheel.

As soon as Yash Nics and Song Qingqing walked with the front foot, Zhang Lin’s back foot

appeared.

Zhang Lin came over, took the initiative to greet Song Pingting, and said with a smile: “Ha,

Miss Song, it’s a coincidence that we met again.”

Song Pingting frowned, “What are you doing again?”

Zhang Lin smiled: “ Miss Song words is not right, this is a public place, I just happened to

meet with you. ” ”

run into is fate, I suggest that you mentioned yesterday, I do not know you consider how

well? ” ”

If you If you don’t part with Yash Nics quickly, then he will have a catastrophe!”

Zhang Lin was struggling while the iron was hot, desperately exerting psychological

pressure on Song Pingting, advocating that Song Pingting and Yash Nics would kill Yash

Nics and let them hurry up. separate.

But at this time, suddenly a fat monk wearing a monk’s clothing suddenly appeared.

“Amitabha Buddha!” The

fat monk sang a Buddha horn, came to Song Pingting and Zhang Lin, and looked up and

down Zhang Lin.

Zhang Lin was stunned. He was wearing cloth shoes and cloth shoes. This monk is also

wearing cloth shoes; he is a master of physiognomy, and the monk should not be bad.

This is meeting a colleague!
Peers are enemies!
Zhang Lin looked at the fat monk vigilantly, and said displeased: "What do you see me doing?" The fat monk smiled kindly: "This benefactor, I think your hall is going dark. There will be a bloody disaster today, you have to be careful!"

The One and The Only Chapter 343

What?

Not only was Zhang Lin dumbfounded, even Song Pingting, who was next to him, also laughed blankly.

Zhang Lin, the master of fortune telling everywhere, even had this day. This is really a pickpocket who stole money from the robber, and the master met the master.

Song Pingting looked at Zhang Lin with interest. She wanted to take a look. What did Master

Zhang say?

Zhang Lin stared at the fat monk with a green face: "Who are you, dare to talk nonsense in

front of me, believe me or not?" The

fat monk said with a smile: "I am the host of the Sanbao Temple, and I am called the

Sanbao monk. The monks are not. I'm just arrogant, I saw that the donor is suffering from blood and light, so I came to tell you."

Zhang Lin said angrily, "You are fucking sick, are you here to pick things?"

The

fat monk blinked and said, "Poor monk. Look at the picture, never miss it, the donor must not believe it."

Zhang Lin furiously quarreled with Monk Sanbao in front of Song Pingting and others, and

the more the quarrel, the more fierce.

In the end, whether it was Master Zhang Lin or Sanbao monk, all kinds of words to greet

each other's ancestors and women in the family came out.

Song Pingting and the others were dumbfounded. The two of them now have the slightest mastery demeanor, they are simply two poppies scolding the streets! At this moment, Yash Nics and Song Qingqing had finished making the Ferris wheel and returned.

Yash Nics asked Song Pingting: "Wife, what are they doing?" Song Pingting subconsciously said, "This is Master Zhang. He said I would kill you and persuade me to leave you quickly. Then this one The Sambo monk came and said that Master Zhang was in danger of blood and light, and the two scolded each other."

Yash Nics heard this and said angrily: "You liar, dare to fool my wife?" He finished speaking and grabbed Zhang. Master Lin's shirt raised his hand and snarled a few big mouths severely.

These slaps were so cruel, Zhang Lin's mouth was full of blood and all his teeth fell out.

Seeing that Zhang Lin was beaten up by Yash Nics, the Sambo monk smiled and said to

Zhang Lin: "Oh, the poor monk said that the donor has a bloody disaster today, right?"

Zhang Lin, who was beaten enough, looked at Yash Nics in horror. With the Sambo monk, tremblingly said: "You are in a group!"

Yash Nics sneered.

The Sanbao monk smiled and said: "Don't be convinced, let me tell you a divination. The poor monk counts that you still have a disaster today, and it is a prison disaster."

Zhang Lin was frightened and angry: "You fart! As soon as his words fell, the crowd of onlookers separated and gave way to a road, and then saw the criminal investigation captain Wang Zhixing with several criminal investigation team members.

A line of Wang Zhi, Zhang came to master, stern said:. “! Zhang Lin, you allegedly promoted superstition, around a trickster, you overturn numerous now officially brought to justice, please cooperate with our investigation” finished, a Zheng Liang’s handcuffs directly handcuffed Zhang Lin. Wang Zhixing shouted: “Take it away!” The Sambo monk triumphantly said to Zhang Lin: “Donor, you see, I said you are in jail, right?” Zhang Lin is not stupid, at this time he has recovered. Up. Knowing that Monk Sanbao and Wang Zhixing must have been brought by Yash Nics to clean him up. He looked at Yash Nics in shock: “ You— ” Yash Nics said with a smile: “You tell others all day, shouldn’t you count your fate? This is the fate of your deceit, Captain Wang will take him away. !” Zhang Lin was arrested by Wang Zhixing and his party! Everyone at the scene talked a lot, saying that Master Wang Zhang turned out to be a liar. Song Pingting was surprised and delighted. What was surprised was that Zhang Lin was arrested; what was delighted was that since Zhang Lin was a liar, the remarks that she would kill Yash Nics before were also false.

With ecstasy in her eyes, she looked at Yash Nics: “Yash Nics, Monk Sambo and Captain Wang, are you here to teach Zhang Lin?” Yash Nics smiled and said, “You just need to know that we are made by heaven and earth. Just don’t worry about the other couples, let alone believe those liars.” The Sambo monk also smiled and said at this time: “Mr. Yash, Mrs. Yash, I am the host of Sanbao Temple, I’m not a liar. ” But what I want to tell you is that you are very husband and wife. Together, you must be happy and have many children.”

Song Pingting flushed and was very shy.

this time!

Chenguang Hotel, in the Presidential Suite.

Qin Jin was talking with his two bodyguards.

Wang Leigong said: "Shao Jin, Master Zhang bought a few migrant workers from the Ningda

Group construction site and pretended to be in a coma from heatstroke."

"In addition, another van was arranged to collide with Song Pingting's car, two accurate

words. You bluffed Song Pingting and his daughter to death."

Zhang Tao also smiled and complimented: "Master Zhang scared Song Pingting and said

that she would kill Yash Nics. Only a man surnamed Qin will have a good result."

"I guess, she will be separated from Yash Nics soon, when Jin Shao, you are doing a little

trick, she will be obediently under your body."

Qin Jin laughed triumphantly, eyes full of expectation, sneer Said: "I haven't seen me looking

for flowers and asking Liu for a few days? I will deliberately save my energy, and then I will

toss Miss Song well!"

Wang Lei and Zhang Tao both showed envious and coveted expressions, and said together.

"Young Master Jin, you drank the soup. I don't know if the two of us have a chance to taste

Miss Song. She is so beautiful."

Qin Jin's private life is very chaotic, and it is common for a group of people to fight together.

He smiled triumphantly: "This thing is simple, after I play with her, I will let you play..."

Dudu!

Qin Jin and the others were chatting, but there were two clear knocks on the door.

They were all stunned. The three of them looked at each other. Qin Jin said vigilantly: "Go and see who is knocking on the door?" Wang Lei muttered, "Could it be the hotel waiter who came to do sanitation?" Then, he left. Going to the door, I glanced outside through the cat's eye on the door. Then with a surprised expression on his face, he turned his head and said to Qin Jin: "He is a fat monk wearing a monk's clothes, his face is kind." Qin Jin and Zhang Tao were both stunned when they heard the words. Qin Jin mumbled: "Why the monk is coming to the hotel? The management of this five-star hotel is not good, and the monk is running for alms." After Qin Jin finished speaking, he opened the door directly, and said angrily: "I said, you monk, why did you come knocking on the door of my room? Are you tired of your life?" Monk Sanbao smiled and said: "Donor, I think your hall is going to be dark, for fear of blood and light, especially to save you. " Qin Jin's heart jumped wildly when he heard the words, startled and angry.

He looked at the three treasures monk with a beautiful smile in front of him, and suddenly realized something was wrong. He found a master of Xiangshu to fool Song Pingting, and now a monk suddenly appeared to fool him, is it possible that Yash Nics sent it? Just when Qin Jin realized that it was not good, not far from the corridor, a group of people already came over with a murderous spirit, and the leader was Dong Tianbao. Qin Jin's eyes widened and he said in horror: "No, we were exposed, they were sent by Yash Nics." After that, he and his two men wanted to hide in the room.

But before they had time to close the door, Dong Tianbao already strode forward, flew up and kicked on the door.

With a loud bang, the three Qin and Jin were hit by the door, and fell to the ground.

Dong Tianbao strode in with a group of men holding iron pipes. He squinted his eyes and looked at the three Qin Jin tribes with contempt. He curled his lips and said, "Yes, our master told me to come and entertain you."

Dong Tianbao took it. Take out a pack of cigarettes, grab one, and ignite the cigarette with a metal lighter.

Then in Qin Jin's three horrified gazes, he indifferently ordered: "Hands, interrupt all their limbs!" The group

of men behind Dong Tianbao immediately rushed forward like a wolf, knocking off the three

Qin Jin trio. By the way, the limbs of these three guys were abolished.

A few of Qin Jin were dying and fell in a pool of blood. They were not dead, but they lost

their capital as a man. At this time, their eyes were more desperate than death...

"Amitabha" Sanbao monk sang the Buddha's name, looking at the dying Qin Jin with relief. A

few said: "Congratulations to the three benefactors for severing the roots of evil, and you

can't do evil again in the future."

Dong Tianbao grinned and ordered his subordinates: "According to the master's instructions, send these three neuter dogs back to Tianhai Provincial City. To Tang Beidou."

"Yes, Brother Bao!"

The One and The Only Chapter 345

Jiangbin Garden Community, at home.

Yash Nics's family was eating, Song Zhongbin and Ma Xiaoli were both hesitant to talk.

It turned out that in the afternoon, Song Zhongbin told Ma Xiaoli all the words of Master

Zhang Lin.

Ma Xiaoli is very satisfied with Yash Nics's son-in-law, and she is a mother-in-law to see her son-in-law.

But she is also a superstitious person!

She enshrines the Guanyin Bodhisattva at home, and she offers incense to the Guanyin

Bodhisattva every day.

She learned that Master Zhang said that her daughter would suck Yash Nics's luck and

eventually defeated Yash Nics, and she panicked too.

To separate her daughter from Yash Nics, she couldn't bear to be a good son-in-law, Yash

Nics.

But not letting the two separate, she felt that this was unfair to Yash Nics, and she couldn't

bear it.

So she was in a very contradictory mood at this time, and she stopped talking a few times.

Yash Nics noticed the peculiarity of his mother-in-law. While

putting greens for his daughter, he smiled and asked, "Mom, see if you want to talk, do you

have anything to say?" Ma Xiaoli shook her head with complex expression and whispered:

No, nothing..."

Song Qingqing looked at the vegetables in the bowl, and said with a pouting mouth in

protest: "Dad, Qingqing doesn't like eating vegetables."

Yash Nics smiled and said to her daughter: "Then do you want to look like your mother?

Pretty?"

Song Pingting flushed when she heard the words, and took a strange look at Yash Nics.

Song Qingqing nodded without hesitation: "Of course!"

Yash Nics smiled again and said: "Then you are afraid to look as thin as Aunt Zhang next

door?"

Song Qingqing said quickly, "Fear!"

Yash Nics smiled and said: "Then you can't be picky eaters. You have to eat both meat and

vegetable dishes, so that you can look as beautiful as your mother."

Song Qingqing giggled and said: "Okay!"

Ma Xiaoli looked at Yash Nics and Song Qingqing's father and daughter enjoying

themselves. She couldn't bear to mention the matter of Master Zhang Lin, and couldn't bear

to break up this good family.

However, since she knew about it and deliberately didn't mention it, wouldn't it be that she

let her daughter kill Yash Nics, and a strong guilt surged in her heart.

Seeing the strange expressions of his father-in-law and mother-in-law, how could Yash Nics

not know what the two elderly people were thinking?

He suddenly picked up the desktop TV remote control, turned on the TV in the dining room,

and switched it to China Overseas TV. He smiled and said, "Parents, my wife, there is news

from China Overseas TV tonight. You may be interested in it."

Song Pingting and her Mom and Dad were stunned, and were about to ask what the news

was?

At this time, Song Pingting's family had noticed that a picture of Zhang Lin wearing

handcuffs appeared on the TV screen.

At the same time, I heard the news host's righteous voice: "Today, the Criminal Investigation

Brigade captured a big liar who used feudal superstition to deceive. The suspect is Zhang

Lin, a master of physiognomy."

"It is reported that Zhang Lin only has a primary school diploma. He didn't recognize all the

words, but claimed that he was a descendant of Guiguzi. He went around deceiving people

and making a living by deception."

“When Zhang Lin was arrested, many people had already been deceived. Zhang Lin was full of crimes and was waiting for him. It will be severe punishment by the law.”

Song Zhongbin and Ma Xiaoli both opened their eyes and said eagerly, “What, Master Zhang was arrested?”

Yash Nics said with a smile, “Not a master, but a big liar. He deceived many people.” , I was

finally arrested this time, and it is estimated that I will be imprisoned .” Song Pingting also blushed and said in a low voice,

“Parents, Zhang Lin is a

liar. Yash Nics and I also met the host of Sanbao Temple today. The Sanbao monk said that

Yash Nics and I have a husband and wife relationship, and we will be happy together...”

Song Pingting said that in the end, the blush on her face had spread to her neck, and she

couldn't help but feel ashamed. In the end, the business was smaller than mosquitoes.

Song Zhongbin and Ma Xiaoli looked at each other, their doubts disappeared, and both smiled openly.

Ma Xiaoli said happily: “I said, the iron mouth of the fortune-telling spy, old man Li, they all

say that you are in harmony with each other, and they are a pair of golden girls and jade

girls. How could there be a problem? It turns out that this forest is an abomination. Big liar.”

The One and The Only Chapter 346

Tianhai Provincial City, Tang Mansion.

Wearing a retro Tang suit, Tang Beidou was sitting in the Grand Master's chair in the living room.

Sitting on the chair in the living room are the owners of three of the four major families: Lu

Cangtian, Ouyang Ting, and Ye Zhiqiu.

In the middle of the living room, there is a stretcher on which lies a dying person, who is

Tang Beidou's godson, Qin Jin.

Tang Beidou frowned and looked at Qin Jin, who was unconscious and unconscious on the stretcher, and asked the housekeeper beside him: "What did the doctor say?"

Tang Sancai watched his nose and nose, and answered truthfully, "Master, the doctor said it is cured. It's also a waste!"

Indeed, Qin Jin's broken hands and feet can be healed, but the abolished lifeblood cannot be restored. Healing is also a waste.

Tang Beidou's face sank, and he waved his hand to let the men in the living room carry Qin Jin away.

Then, his gaze fell on Lu Cangtian and several people. While holding up the teacup, gently scraping the fine foam on the tea with the teacup cover, while quietly asking, "You three, do you have anything to say?"

Lu Cangtian stood up, walked a few steps in front of Tang Beidou, and knelt down directly, begging on the ground: "My son and daughter were both harmed by the thief Yash Nics, and my two brothers died in Yash Nics. In his hand."

"I beg Lord Tang to kill Yash Nics. I am willing to give all my Lu family wealth, only to destroy the Yash Nics family."

Both Ouyang Ting and Ye Zhiqiu who were next to him gasped.

It seems that after the Zhu family, the Lu family is about to be driven crazy by a little Yash Nics in Mannity City!

Ouyang Ting also stood up at this time, clasped his fist and said, "Master Tang, this guy named Yash Nics is indeed very arrogant."

"My son was in Mannity yesterday and was injured by him. Just like Master Tang and

Brother Lu were about to deal with Yash Nics. My Ouyang family is willing to make a contribution.”

The Ye Family had no grudges with Yash Nics, but the Ye Family was also supported by

Tang Beidou. At this time, Ye Zhiqiu felt that he should also express his opinion.

Secondly, Ye Zhiqiu knew that Lord Tang had recently coveted the liver cancer vaccine

agency rights of the Ningda Group.

This is a cash cow. As long as the liver cancer vaccine can be obtained, money will continue to flow in the future.

Ye Zhiqiu missed this opportunity to make a fortune not far away, even if Lord Tang eats

meat, it would be nice for him to drink some soup from the Ye family.

So he also stood up and said loudly: “Yash Nics is arrogant, you have to deal with Yash Nics,

Lord Tang, and my Ye family is willing to be the pioneer.”

“I can kill Yash Nics and take the liver cancer vaccine agent rights in Yash Nics’s hands. Also

seized it and dedicated it to Lord Tang.”

Tang Beidou looked calm, and ordered Lu Cangtian, who was kneeling on the ground, to get

up first.

Then he smiled and said to Ouyang Ting and Ye Zhiqiu: “I promised Ouyang Hai of China

Shipping to let Yash Nics a horse, but Yash Nics cannot live by himself, so it’s no wonder

me.”

“As for the two of you who offered to help, I already have someone to deal

with Yash Nics .” Lu Cangtian, Ouyang Ting, and Ye Zhiqiu were all stunned, and asked Qi Qi:

“Who is Tang Ye going to send to clean up Yash Nics?”

Tang Beidou said with a smile, “Lin Ting!”

As Tang Beidou’s voice fell, outside the door, a tall and tall man of about twenty-seven or

eighteen years old came in unhurriedly.

The man's face was stiff, and his facial features looked like carved out of a knife and axe,

with sharp edges and corners.

The whole body exudes a fierce aura of killing and decisiveness!

This person is Lin Ting, Tang Beidou's most beloved disciple, and is known as the emperor

of Tang Ye.

According to legend, after the recent fall of Zhu's family, Tang Beidou deliberately promoted

Lin Ting and wanted to use Lin Ting to fill the vacancy of Zhu Kuchan and become one of

the new four pillars.

Lin Ting said solemnly: "I have seen Mr. Lu, Mr. Ouyang and Mr. Ye!"

Tang Beidou looked at Lin Ting with a smile: "I am going to arrange for you to go to Mannity,

one is to destroy Yash Nics's family, and the other is to win the Ning Da Group. Are you

confident?"

Lin Ting said proudly, "It's a small matter. Give me seven days and I can handle it."

Lu Cangtian looked at each other with Ouyang Ting and Ye Zhiqiu.

They admitted that Lin Ting was very strong, but Yash Nics was able to defeat the Zhu

family, and he was able to force Lu Cangtian into embarrassment, which shows that it is not

good.

Now Lin Ting actually said that Yash Nics and Ningda Group would be settled within seven

days. Is this too confident?

Tang Beidou smiled and said, "Lin Ting, what I am most delighted about is your drive."

"But as far as I know, Yash Nics is good at preventing you from losing money. I will send

someone to Mannity with you."

Lin Ting Frowning: "Who?"

Tang Beidou said slowly: "Wu Chi!"

Wu Chi!

Not only Lu Cangtian, Ouyang Ting, and Ye Zhiqiu were shocked, but Lin Ting's expressions were also shocked.

Everyone knows that Jiangnan Wang Ye has countless masters, but Wu Chi can no longer be described as a master.

This guy has been obsessed with martial arts since he was a child. He showed his prowess when he was twenty, and he was already the number one powerhouse in Tianhai when he was thirty. No one can beat him.

Later, Wu Chi went north and challenged strong people everywhere. I wonder how many strong people died under his hands?

It can be said that Wu Chi is a fierce name!

Because Tang Beidou is kind to Wu Chi, after Wu Chi traveled over, he lived in the Tang

Mansion and became a doorman of the Tang family, and he obeyed Tang Beidou's drive.

Lin Ting heard that Tang Beidou sent Wu Chi to escort him. He was pleasantly surprised and

said: "Ha, if there is Wu Chi to help me, then I will be more powerful than a tiger. Killing Yash

Nics is just as easy as killing a chicken and a dog. Inside, Yash Nics must die!"

The One and The Only Chapter 347

Mannity City, Times Square Grand Theater.

Yash Nics, Song Pingting, Song Qingqing, Song Zhongbin and Ma Xiaoli appeared at the entrance of the Grand Theatre.

It turns out that tonight there is an old artist Qin Shiyue who is singing at the Grand Theater,

singing "Guan Gong Thousand Miles Riding Alone".

Song Zhongbin and Ma Xiaoli like Cantonese opera, and they are also fans of Mr. Qin.

So Yash Nics and Song Pingting took their daughters and accompanied their parents to the

Grand Theater to watch the opera.

Yash Nics's family entered the Grand Theater, and thousands of spectators had already been there.

It is the first time Song Qingqing has come to see a singing opera. Her small face flushed with excitement, and she asked, "Dad, there are so many people, is Guan Gong good? Why are so many people watching?"

Yash Nics smiled and said, "Guan Gong has been a martial artist. People, even more rare, are loyalty. He is the god in many people's minds, and he is also the martial sage of our China. He is naturally powerful."

Then, Yash Nics and Song Qingqing popularized some knowledge about it. Song Qingqing listened very seriously and was very impressed. interest.

Song Pingting warmly watched Yash Nics teach the children knowledge, while Song Zhongbin and Ma Xiaoli looked forward to the theater performance with excitement.

Soon, the old artist Qin Shiyue, dressed as a red-faced Guan Gong, appeared on the stage.

He learned of the whereabouts of his eldest brother Liu Xuande, and was about to say goodbye to Cao Cao, seal the gold, and find his brother.

Song Zhongbin, Ma Xiaoli and other audiences all cheered: "Okay, what a loyal Guan Gong, and sing well!"

Then, Guan Yu bid farewell to Cao Cao on the stage and performed five stages and six generals, and won full applause.

But just as everyone was cheering for Guan Yu on the stage, suddenly a man with a height of only 1.7 meters jumped onto the stage from the auditorium and shouted in blunt Chinese:

"Guan Yu is worthy of becoming a martial sage. We Dongying The swordsman Miyamoto Musashi is worthy to be a holy!"

The words of this Dongying man who jumped onto the stage and clamored, caused an uproar in the audience.

EGL man proudly said: "I am the ghost Miyamoto, a new generation of Juggernaut, my ancestors may Miyamoto Musashi is known as Wu Sheng, China's Guan Gong you can only be regarded as a lump of dog feces."

Play of Guan Gong Old artist Qin Shiyue said angrily: "Do you dare to slander Guan Gong Wu Sheng, I will teach you a good clown today."

After that, he brandished the prop, Qinglong Yanyue Knife, and slashed towards Miyamoto Demon angrily.

Miyamoto ghost gave a cold snort, struck with lightning, and cut off the prop Yanyue Knife with a knife in one hand, and then hit the old Mr. Qin with a punch, directly hitting the old Mr. Qin to spit blood and fly out.

At this moment, Miyamoto Ghost provoked the anger of the public. Several indignant audience members and a few security guards rushed onto the stage one after another, trying to subdue this little Dong Ying.

But I didn't expect Miyamoto Ghost to be very powerful. With a few bangs, all his opponents vomited blood and flew out.

At this moment, everyone knew how powerful this little Dongying was, and no one dared to act rashly.

Miyamoto Ghost was even more proud. Standing on the stage, he sneered at the thousands of spectators at the scene, and said with a sneer: "Where are the reporters, I can't see the Chinese people. Our Toyo people are the most powerful martial arts, and our Miyamoto Musashi is talented. Be worthy of becoming a martial artist."

"If you are not convinced, you can come up and compete with me, hahaha." The

crowd was very popular, but no one was confident that they were the opponent of this

Dongying, and no one dared to fight for a while.

Miyamoto Gui was even more proud: "Haha, none of the five thousand spectators at the scene is a man?"

Song Qingqing whispered to Yash Nics, "Dad, is this man foreign? He is so arrogant."

Yash Nics said lightly: "Dad, go and teach him!"

Yash Nics stood up and shouted coldly: "The dog that popped up here barking so loudly and

no one claims it, then I can only go on stage and beat the dog!"

The One and The Only Chapter 348

soon as Yash Nics said this, the entire audience focused their eyes on him instantly.

Many people can't help but cheer when they see Yash Nics's tall and straight figure, her eyes

like stars, and her extraordinary temperament.

Many people also responded loudly to Yash Nics: "Haha, the unowned wild dog

is on the stage, you can beat the dog." The Miyamoto ghost on the stage was furious and

stared at Yash Nics: "You dare to challenge me, Okay, come up. I want you Chinese pigs to

see and know what is called Wu Sheng."

Yash Nics took the stage without rushing.

Miyamoto ghost looked at Yash Nics up and down, and said grinningly:

"You can fight with

me. If you win, I will admit that you Chinese are great and that Guan Gong is qualified to be

called Wu Sheng."

"But if you lose, Then you have to admit in public that your Chinese people are rubbish, and

your martial sage Guan Yu is rubbish. Only us from Dongying, our

Miyamoto Musashi is the

real martial sage!" The

audience was in an uproar again!

Tonight, the play “Guan Gong A Thousand Miles Riding Alone” was sung by the old artist Qin

Shiyue.

In addition to countless audiences, there were also many news media reporters at the scene.

If Yash Nics lost to Miyamoto Ghost and was spread by the media, he would be embarrassed and lost to the whole world.

Yash Nics was still full of light and breezy, and said faintly: “Okay, as you wish.”

Miyamoto ghost smiled and said: “Haha, in that case, don’t blame me for being impolite.”

He finished, whoosh. At once, he rushed towards Yash Nics like a ghost. The five fingers of his right hand were like ghost claws, and he grabbed Yash Nics’s neck

fiercely.

If caught, it is estimated that Yash Nics will have five more blood holes on his neck.

The audience at the scene all exclaimed.

Even Song Pingting, Song Zhongbin, and Ma Xiaoli squeezed a cold sweat for Yash Nics.

Yash Nics had a calm face. When Miyamoto Gui approached, he raised his right hand, and then slapped it down with the evil wind.

Snapped!

Miyamoto Ghost didn’t even understand what was going on, so he got a big, fierce mouth on his face.

It made him spin twice on the spot, and then he drunkenly walked back a few steps.

He opened his eyes in horror and looked at Yash Nics in disbelief. He obviously didn’t expect

Yash Nics to be so powerful, and he shot so fast, so fast that he didn’t even see clearly, he was already slapped.

He was frightened and angry,

and suddenly raised his voice: "The sword is coming!" Suddenly someone threw a samurai sword from the audience. Miyamoto Oni quickly caught the katana, and said to Yash Nics grinningly: "We said it was like trying, but we didn't say that we were not allowed to use weapons. I am the descendant of the swordsman Miyamoto Musashi, so I naturally want to use the katana, and you too. Weapons can be used." The audience in the audience did not expect that Miyamoto Ghost was so rascal. After his fists were not Yash Nics's opponent, he would actually use weapons. Yash Nics didn't take it seriously. He bent down and picked up the handle of the Qinglong Yanyue that was just broken by Miyamoto Kiichi in the ring. He took the short wooden stick and said lightly, "I'll use this!" The audience in the audience. They were all stunned! The whole world knows that Dongying's katana is very sharp. Yash Nics is now competing with Miyamoto Ghost with a short wooden root. Isn't this too much? The mere wooden sticks can be cut off by the ghost of Miyamoto with a single knife! Miyamoto Gui didn't expect Yash Nics to be so arrogant, and he obviously didn't take him seriously. He angrily said: "You are seeking your own way, then no wonder I am, seeing, Miyamoto cut it with one sword!"

After speaking, he raised the katana with both hands and slashed at Yash Nics sharply.

With the sharpness of the samurai sword, it can cut a person from the left shoulder to the right abdomen, with a single blade slashing in half.

Miyamoto Gui's eyes flashed fiercely, and the corners of his mouth were grinning, as if he

had seen Yash Nics being split by him.
But Yash Nics made a move at this time!
The speed was approaching the extreme, the wooden stick whizzed through the air and hit the wrist of Miyamoto Ghost holding the knife first. Miyamoto ghost grunted, holding the sword unstable, and the katana flew out.
After Yash Nics flew Miyamoto's katana, the wooden stick in his hand was like a violent storm.
Miyamoto Ghost was beaten by Yash Nics with a mess, wailing, screaming and dodge desperately.
Ning no matter what tricks, like father like son play, is the meal crackling sauce, a play again
angrily: “? I hit you you wanted to hide I let you hide, I told you to hide”
audience The audience was completely dumbfounded when they saw this scene.
Is this still a contest that masters only see?
This is a common practice in rural areas where fathers beat their sons!
The One and The Only Chapter 349
Miyamoto Gui is the first swordsman of the East, and he came to China this time to challenge China's masters everywhere.

He also heard that Guan Gong was the ancient Chinese martial artist, so he came to hit the market tonight.
But what he didn't expect was that he would be beaten so embarrassed. At this moment, he jumped in horror to dodge Yash Nics's club, and called his entourage: “My samurai, come up to rescue me and kill him!” The voice fell, and there were already five Eastern warriors in the audience, jumping. In the ring, everyone was holding a samurai sword and pounced at Yash Nics.
Yash Nics frowned slightly, just about to knock down the five.

But at this moment, a figure flew from the auditorium like a flying eagle, swept onto the

stage, blocking the way of the five Eastern Samurai warriors.

The man is tall, his clothes are a little dirty, and his hair is messy.

The facial features are mediocre, but the eyes are like electricity, especially sharp.

He is the super powerhouse among the kings of Jiangnan, Wu Chi!

Wu Chi blocked the way of the five Eastern Samurai warriors, and there was an afterimage

of his right foot, and he kicked out five kicks in an instant.

Boom boom boom boom!

The five Eastern Warriors were all kicked in the chest, fell off the stage, and fell heavily to

the ground, all killed on the spot.

Yash Nics frowned upon seeing this, and Miyamoto Gui was full of horror, and he wanted to

escape with an exclamation.

Wu Chi didn't even look at Miyamoto Ki, and kicked a samurai sword on the ground at

random.

The samurai sword shot out like an arrow.

As soon as Miyamoto Oni escaped to the edge of the stage, he was pierced by a katana

flying behind him, screamed, and fell to his death.

The audience in the audience showed horrified expressions, and some even couldn't help

screaming.

Song Pingting also hurriedly covered her daughter's eyes to prevent her from seeing.

Wu Chi made a gesture and killed several Dongying people from Miyamoto Gui.

His eyes never left Yash Nics ever since he stepped on the stage.

At this time, he stared at Yash Nics like a fierce beast, and slowly said:

"You are a master, I

like to compete with a master. Only by killing a master can I make my deadly silent heart

and feel excited and excited. "

Yash Nics said lightly: "Do you want to compete with me, or do you want to kill me?"

Wu Chi stared at Yash Nics's gaze, just like a butcher staring at a cow and sheep waiting to

be slaughtered, with a slight excitement in his voice: "In my opinion, it is the same thing to

compete with you and kill you." The

audience was stunned again.

This lunatic who didn't know where he came from was actually going to compete with Yash

Nics, and it seemed that he was going to compete with Yash Nics for life and death.

Song Pingting was also anxious at this time. She saw with her own eyes that the lunatic had

just killed six people in a row, and now she was going to attack Yash Nics.

She was so scared that she took out her mobile phone and was about to call the police.

But at this moment, Lin Ting showed up with a few of his men.

Lin Ting sat down in the seat next to Song Pingting, where Yash Nics was sitting just now,

and smiled and said, "It's useless to call the police. Mannity will not

send a police tonight." Song Pingting looked at the strange man in shock.

"Who are you,

what are you talking about?"

Lin Ting said with a gentle smile: "My name is Lin Ting, and Lord Tang of Jiangnan sent me.

The lunatic on the stage is my subordinate."

"You saw that too. A lunatic is powerful. Killing is like killing a chicken and a dog. If you don't

want your husband to die at the hands of this lunatic, then sign this contract obediently."

Lin Ting's voice fell, and one of his men immediately handed a contract to him. Song

Pingting.

It turned out to be a share transfer contract of Ningda Group!

Song Pingting looked at Lin Ting angrily: "You want to force me to unconditionally transfer

the Ningda Group to you?”

Lin Ting shrugged, “If you don’t sign, I can only let the lunatic on the ring stand in front of

you. Face, beat him to death, do you decide to sign or not?”

Song Pingting’s body shook wildly, her pretty face pale.

If she signs, then Lin Ting will have no effort to take Ningda Group Company as his own.

If she didn’t sign, then Yash Nics might be beaten to death by the lunatic on the stage like

Miyamoto Gui and some Dongying people.

Lin Ting was dressed decently in a black Armani suit.

He sits elegantly on the chair, with one hand resting on his chin.

He looked at Song Pingting with interest, and said lightly: “Miss Song, did you choose to

sign the transfer contract or watch your husband be beaten to death?”

The One and The Only Chapter 350

Song Pingting and her parents both looked at Lin Ting in anger.

She gritted her teeth, took out her mobile phone from her handbag, and called the police.

But what she didn’t expect was that the call could not be made.

It turned out that Lin Ting not only used the power of Jiangnan King Tang Beidou to order

Zhong Hai not to leave the police tonight.

He also sent people to use high-tech means to block all the signals of the China Overseas

Grand Theater.

In other words, in this grand theater, no communication equipment is available and cannot

be used.

Even at all the exits of the theater, there was a group of murderous men in black guarding

them. These men in black were all Lin Ting’s men.

He has completely controlled this place. Without his permission, no one in the Grand

Theater can communicate with the outside world, nor can they leave the Grand Theater.

Song Pingting’s eyes were desperate, she knew it was impossible to ask for help.

She looked not far away, the corpses of the Dongying people around the stage, and then looked at Yash Nics who was already facing Wu Chi on the stage. She didn't hesitate anymore and gritted her teeth and said, "Okay, I agree to sign the assignment contract." When these words were spoken, Song Zhongbin and Ma Xiaoli were both surprised. Ningda Group's share price is close to 10 billion, and its future is unlimited. In order to save Yash Nics, my daughter did not hesitate to give up the 10 billion company to others! However, Song Zhongbin and Ma Xiaoli did not stop Song Pingting.

They also knew that if Song Pingting did not submit. Then Yash Nics will be killed by Wu Chi and become the seventh corpse in the Grand Theater. Seeing Song Pingting's promise, Lin Ting raised the corners of his mouth slightly, revealing a wicked smile, and applauded: "Haha, Miss Song really cares about love and righteousness. For her husband, tens of billions of assets are treated like shit." "However, From the moment you called the police, you lost the opportunity to choose this time." Song Pingting's face was pale and she lost her voice: "What did you say?" Lin Ting said with a sneer, "Hehe, I said you are only doing it now. It's too late to choose, so appreciate how your husband was beaten to death in public." Song Pingting's face changed drastically again, and she was shocked and angry, and said angrily: "You hurry up and let the lunatic on the stage stop, if you kill If my husband is dead, don't even want to get the Ningda Group, let alone get the agency of liver cancer vaccine." Lin Ting smiled slightly: "Hehe, you are not only one relative."

Song Pingting's eyes stared at him in horror. This man, this man is well dressed, but he is a demon!

Lin Ting's eyes turned to the stage, and the corners of his mouth raised slightly: "A good show is about to be staged!"

Sure enough, on the stage, Yash Nics and Wu Chi were ready to do it. Countless audiences at the scene looked at the two people on the stage with complex faces.

Just now when Dongying clown Miyamoto ghost bullied old Mr. Qin Shiyue and humiliated the Chinese hero, Yash Nics stepped forward without hesitation.

The audience at the scene had a good impression of Yash Nics, and everyone hoped that Yash Nics would be fine.

However, this dirty and messy martial arts lunatic, the strength is really terrible, he killed 6 Miyamoto ghosts in one shot!

At this time, countless people at the scene were worried for Yash Nics. Many people even covered their eyes and couldn't bear to see Yash Nics being beaten to death by a lunatic.

Yash Nics had a calm look. He stood with his hands in his hands and looked at Wu Chi

indifferently: "You were sent by Tang Beidou, you are good at it. Qingben, how can you be a thief?"

Wu Chi said excitedly: "You are a very powerful strong man. With this alone, I can't wait to compete with you. I want to unscrew your head and enjoy the excitement of beheading the strong."

His eyes Shining with a frenzied color, he had already smelled the powerful aura in Yash Nics's body.

It was like a tiger smelling the scent of another tiger, making his nerves tense, every cell was

excited, and his fighting spirit was high.

Yash Nics looked at the martial idiot like a fierce beast, the last trace of regret in his eyes

had disappeared, and said indifferently: "It seems that although you are good at your skill,

you have been controlled by the desire to kill. Losing your humanity is no different from a

beast."

"Since you are you

If you want to kill me, then fight!"
