

Chapter 341: Blacklisted

“Sister said that there’s no one in the room, so of course I believe her. However, there are a lot of reporters here... Why don’t you open the door and prove your innocence to everyone? Otherwise, I don’t know what the news will be tomorrow...”

Her words were vague, but they were cleverly weaved together, as she hinted at the news that the reporters were going to publish tomorrow.

Shen Fanxing sneered coldly. “I’ve never admitted that Chen Yinsen is in my room. I have no obligation to open the door for you. The only witness’s testimony is full of loopholes. Without evidence, if they dare to smear my reputation tomorrow, I will sue them for slander.”

Hearing this, the surrounding reporters instantly turned pale.

Shen Qianrou gritted her teeth.

That b*tch!

She was actually so smart!

“Chen Yinsen?” The principal pondered for a long time and felt that the name sounded familiar. Not long after, realization struck him and he glared at Shen Fanxing with anger.

“I remember that piano competition... You’re still in contact with Chen Yinsen? How shameless of you!”

Shen Fanxing narrowed her eyes and said coldly,

“Be careful of what you say. Like I said, I didn’t.”

Her gaze was deep and sharp, and there was a cold and sinister look on her face.

Her cold harsh voice seemed to be wrapped in a thick layer of frost, causing everyone present to clam up instinctively.

When the principal met her icy gaze, he actually trembled. Then, he swallowed a mouthful of saliva. Being frightened by a former student was a huge blow to his self-esteem.

“Principal, there should be a misunderstanding...”

Shen Qianrou glanced at the principal and said softly. A ball of anger rose in the principal’s heart and he snorted coldly.

“That scandal has blown up. How could it be a baseless rumor? She actually brought him here? Is she assuming that others won’t know about what happened to her back then? I think she has a grudge against us for firing her back then. So she specially came back to take revenge on the school! Since she doesn’t find it embarrassing, don’t hide him! Manager, open the door!”

The scandal of Shen Fanxing seducing the piano judge back then had caused a huge commotion. It resulted in the school losing the right to being shortlisted as one of the best universities in the country. He had also missed out on many individual achievement awards. How could he take it lying down!

Seeing the principal’s reaction, Shen Qianrou was pleased.

Shen Fanxing looked at the room manager, who had walked up to her again. Her gaze turned even sharper!

“You dare?!” When she shouted, everyone was shocked by her imposing manner.

The principal was so shocked that his heart stopped for a moment. When he came back to his senses, he was furious that Shen Fanxing had intimidated him. He snatched the room manager’s room card.

“T University has been a prestigious school for a hundred years. It’s definitely not a sleazy place. For students who ruin the school’s culture and bring negative influence to society, if necessary, the school will do everything in its power to blacklist them! I want to see what kind of man you are hiding today, despite the fact that you’re risking your own life!”

Shen Fanxing stood at the side with a dark expression and didn’t step forward to stop the principal.

Shen Qianrou’s face lit up and she looked at Shen Fanxing with a hint of smugness!

However, Shen Fanxing’s expression changed and she started laughing!

Shen Qianrou’s heart tightened. With a swipe of her card, the door was opened forcefully!

All the reporters rushed to the front and into the room. Ignoring everything else, the first thing they did was to frantically take photos of the room!

However, after a few seconds, the reporters gradually put away their cameras and looked at each other.

“Errr...”

Chapter 342: What Else?

“Errr...”

What happened?

There weren’t expected voices of the reporters firing away questions. There was no chaos nor urgency. The room was crowded with people, but it was filled with strange silence!

Everyone curiously craned their necks to look inside. Sensing that something was amiss, Shen Qianrou let go of Su Heng’s arm and strode into the room nervously.

When she pushed the reporters aside and made her way to the front, her nervous and excited face gradually turned pale.

She took two steps back in disbelief. A chill ran down her spine and her pale face was filled with panic.

The principal, who was shoved to the front by the reporters, stood rooted to the ground. His legs were trembling and his lips were trembling. He couldn’t say a word.

“Wow, what a crowd. I didn’t expect that I would hit the headlines for playing cards!”

Yin Ruijue was sitting on a chair with his legs crossed. He was holding a few poker cards in his hand. His handsome face was filled with interest, but many people could sense that his words were laced with malice.

“I didn’t expect to receive so much attention while playing cards. If I knew that this would happen, I would have declined all variety show offers in the future. If I have nothing to do, I should ask you guys to play cards instead.”

Liang Xuer, who sat opposite, smiled as she spoke calmly, resembling an elegant goddess. When she looked at Shen Qianrou with her beautiful bright eyes, she flashed her smile again with arched eyebrows.

Shen Qianrou’s face stiffened and she turned even paler.

Initially, she had planned to catch Chen Yinsen and Shen Fanxing in the act of adultery. However, Shen Fanxing, that b*tch, had blocked the door. All she had to do was to catch Chen Yinsen in her room. Unexpectedly...

The moment she entered, this scene had unfolded!

...

Bo Jinchuan sat on a chair facing the door. His black suit was perfectly pressed and his black shirt accentuated his noble and aloof aura.

His handsome features looked as though God had sculpted them. His dark eyebrows were as gentle as a distant mountain. Under his prominent brows, his black eyes were slightly narrowed and the expression in his eyes was unfathomable.

He sat quietly, but his presence was exceptionally overwhelming.

“Young... Master Bo...”

The principal stood frozen and his lips were trembling for a long time, before he squeezed out these words.

Bo Jinchuan was arranging a few cards in his hands in an unhurried manner. When he heard his voice, he paused.

Everyone in the front row took two steps back because of his small action.

He looked up slowly as his cold gaze swept towards Shen Qianrou...

Shen Qianrou was so nervous that her heart was about to jump out of her chest. When she saw Bo Jinchuan’s gaze, she crooked the corners of her lips slightly and displayed her best smile to this noble and handsome man.

However, the man’s expression did change at all. He shifted his gaze swiftly to the principal.

“Tell me... what kind of person am I?”

The principal turned even whiter.

“Young... Young Master Bo, this is a misunderstanding... a misunderstanding...”

“Misunderstanding?”

Bo Jinchuan nodded calmly and the principal heaved a sigh of relief.

“What exactly is a misunderstanding?”

The principal felt suffocated and the atmosphere was extremely tense.

“Yes... I misunderstood Miss Shen...”

Bo Jinchuan continued, “What else?”

“I didn’t know all of you were in the room. You aren’t that sort of man...”

Chapter 343: Gaining Some Knowledge

“Hey, what are you talking about? What sort of man?”

Yin Ruijue was displeased to hear that and stormed towards the principal with a poker card in his hand, not showing any respect at all.

“No, no, no. I was wrong. I was wrong...”

“What else?” Bo Jinchuan asked calmly.

“And... and...”

The principal raised his hand and wiped the sweat on his forehead. He racked his brains but couldn’t think of anything.

“Young Master Bo... This matter was a mistake from the start. We didn’t understand the situation and we’ve disturbed you. I’m really sorry! I’ll leave now! Right now!”

The principal smiled apologetically and turned to leave.

“If you’re going to walk away, you should walk far away. It’s best if you never enter this school again.”

Bo Jinchuan’s calm voice was heard and the principal froze violently on the spot. His expression was filled with fear.

“What... what do you mean?”

Bo Jinchuan lowered his head and looked at the cards in his hands. He took out a card and threw it on the table in front of him.

“I mean nothing. It’s just that after living for so many years, I haven’t witnessed what it’s like to be blacklisted by society. I’m trying to gain some knowledge.”

Everyone gasped and looked at the principal with pity.

What bad luck. He was the last to arrive, but he somehow got into the biggest trouble.

However—

Was CEO Bo... taking revenge for Miss Shen?

What was their relationship?

But after a while, they understood a fact. Naturally they were friends because they were playing cards together.

As for why these people got together, they had to dig deeper!

“Young Master Bo! This is really a misunderstanding. You can’t do this to me!” The principal was completely flustered.

Bo Jinchuan ignored him and cast another card onto the table.

“Miss Liang, do you know who the witness is?”

Liang Xuer frowned and contemplated for a moment. “I think her name is Qi Yaoyao... I’m not too sure...”

“I don’t care about the entertainment industry. Go back and inform Tingshen. He should know what to do.”

Liang Xuer covered her mouth with a grin. “Why would I need to tell Tingshen? Banning an unknown little celebrity from the industry. Wouldn’t it take just a word from you, CEO Bo?”

“Get Tingshen to handle it,” Bo Jinchuan repeated.

“Okay.” Liang Xuer could tell that Bo Jinchuan was in a bad mood, so she agreed obediently.

Through the crowd, Qi Yaoyao collapsed onto the ground.

Banned...

She was merely trying to get the lip gloss advertisement from Shen Qianrou. Why did she suddenly get banned?!

However, she didn’t even have the chance to cry. Her life was doomed.

Bo Jinchuan was silent for a while. He held the card with red spades in his hand and looked at it for a long time.

At this moment, Qi Yaoyao suddenly lunged forward and grabbed Shen Qianrou’s gown. “Sister Qianrou, I don’t want to be banned. Please, please help me!”

Shen Qianrou was also panicking. Qi Yaoyao’s action scared her so much that she almost fainted.

Damn it, why did she suddenly rush out? Was she trying to kill her?!

“Yaoyao, calm down first...”

At this moment, a wise reporter spoke up.

“No wonder you’re still an unknown celebrity after debuting for five years! Shouldn’t you know who caused you to end up in this state today? Who could save you if you really offended someone... But you’re actually hugging her thigh and begging for mercy...”

Qi Yaoyao stopped crying, and Shen Qianrou’s face turned white.

That reporter’s words weren’t explicit, but it successfully shocked everyone present.. Everyone reacted instantly.

Chapter 344: Whether It’s a False Alarm

“It’s obvious that someone has arranged everything beforehand and deliberately framed Miss Shen! How despicable!”

“This stupid teammate leaked the information right from the start. She only saw a shadow but insisted that it was Chen Yinsen! It’s so obvious that everything is a scheme!”

“Who planned everything tonight?”

Someone raised his doubt at last. Everyone turned to Shen Qianrou with obvious distrustful gazes. They couldn’t hide the disdain on their faces.

Recently, the pair of sisters’ relationship had been the most strained!

Shen Qianrou’s pale face was already covered in sweat. At this moment, a cold yet familiar voice sounded from behind her.

“Qianrou...”

It was Su Heng’s voice.

Shen Qianrou’s body suddenly stiffened. It was as if all the strength in her body had been sucked out in an instant. Her legs went soft and she quickly turned around.

The first thing she saw was Su Heng’s somber and pale face. His eyes were swirling with emotions.

“No...” Shen Qianrou shook her head and grabbed Su Heng’s arm tightly.” No, Brother Heng, it’s not me. It’s not me...”

Su Heng clenched his fists tightly, his entire body trembling. “What about her... What do you want to say? She’s full of lies and she is clearly trying to cause trouble...”

“No, maybe Yaoyao remembered wrongly. Besides, she was with Feifei back then... Do you think Feifei would lie to me?”

Su Heng blinked his eyes lightly, and the anger in his body subsided a little.

Shen Fanxing stood at the door and sneered coldly.

She had actually pushed all the blame onto Lin Feifei!

Was she acting so brazenly because Lin Feifei wasn’t here?

Su Heng looked up, and so did Shen Fanxing.

Her eyes were filled with coldness and contempt, and there was no warmth at all.

Su Heng's heart skipped a beat. He gritted his teeth and looked at Shen Qianrou. "So, you mean that all of this was Feifei's plan?"

Shen Qianrou bit her lip and looked sad. "I don't know... I don't know. Brother Heng, you've always known how much I want to be close to Sister... How could I possibly harm her... My relationship with Sister has been in a deadlock for the past few days. Once anything happens to Sister, everyone will definitely suspect me first. Why would I do that?"

Shen Fanxing nodded in appreciation.

Not bad, she actually knew how to twist the facts and go with the flow now.

Looking at everyone's expressions, the disdain they had earlier had now turned into doubt.

What Shen Qianrou said seemed to make sense.

Shen Qianrou secretly heaved a sigh of relief. Fortunately, Feifei wasn't here. Otherwise, things would have been even more chaotic...

Although Su Heng believed in Shen Qianrou, the anger in his heart didn't dissipate. He hesitated for a moment before pulling Shen Qianrou towards Shen Fanxing.

He said apologetically,

"Fanxing, I'm sorry for letting you suffer tonight. Feifei was wrong to make something out of nothing. I apologize on her behalf..."

The corners of Shen Fanxing's lips curled into a cold smile as she reached out to brush her hair.

As she lifted her arm, the sleeves of the wide bathrobe rolled down her arm, revealing her slender fair forearm. Her hair swayed gently and a faint fragrance lingered in the air. Su Heng entered a trance.

When Shen Qianrou noticed Su Heng's dazed expression, a malicious glint flashed across her eyes.

Everything that she had planned and this once-in-a-lifetime opportunity, had easily been destroyed by this sl*t. How could she not be angry!

But now, she could only watch as Shen Fanxing stood in front of her in a victorious manner.

"No matter what, it's a false alarm. Regardless of whether it's a false alarm or what, it's a relief that you're fine. Now, we can be completely at ease."

Shen Fanxing could hear the reluctance in Shen Qianrou's words.

However, she wouldn't let this matter rest easily!

She blinked and raised her eyes to look at Shen Qianrou. Her cold voice sounded clearly—

Chapter 345: Who Said It Was a False Alarm?

She blinked and raised her eyes to look at Shen Qianrou. Her cold voice sounded clearly—

“Who said it was a false alarm?”

Shen Qianrou frowned and unease rose in her heart.

Bo Jinchuan looked at the remaining cards in his hands and threw them on the table.

Yin Ruijue looked at the four cards that Bo Jinchuan threw down and his eyes lit up. “Damn, f*ck!”

She was speechless...

Everyone was speechless...

Bo Jinchuan swept a cold glance at Yin Ruijue, who immediately shut his mouth.

Coward.

At that moment, Shen Fanxing’s calm voice rang out.

“I’ve seen Chen Yinsen.”

Her words were literally a bomb!

Everyone was in an uproar!

Chen Yinsen really came?!

The forced smile on Shen Qianrou’s face froze. Her expression changed and her eyes widened.

“What... what did you say?”

Only then did she realize that she had been tricked by Shen Fanxing again!

Shen Fanxing studied Shen Qianrou’s reaction and acted as though she was watching a clown.

“Initially, that man looked like him. If it weren’t for you guys, I wouldn’t have known that it was really him. But from what I know, Chen Yinsen seems to be Lin Feifei’s distant cousin?”

Su Heng frowned. Feifei’s cousin?

Shen Qianrou’s breathing became heavier. “Yes... I think so.”

“You knew about this? Su Heng, do you know?”

Su Heng’s expression was terrible. “I had no idea.”

Then, he turned to Shen Qianrou and asked, “Qianrou, how did you know?”

Shen Qianrou’s legs suddenly went soft, and she almost collapsed onto the ground.

Su Heng supported her and asked in a concerned tone, “What’s wrong, Qianrou?”

Shen Qianrou was so frightened that her lips almost turned white. She leaned into Su Heng’s embrace and shook her head while trembling.

“I’ve been looking for Chen Yinsen for the past three years, but I haven’t been able to find him. Looks like I have to thank Lin Feifei for finding him!”

Shen Fanxing's powerful voice was like a hammer to everyone's heart. It could not be ignored!

Shen Qianrou's heart seemed to have been broken into tiny particles. Every single one of them was beating wildly. She held her cold hands tightly and couldn't help but place them over her heart.

"I have to ask him what exactly happened at the piano competition six years ago!"

Shen Qianrou looked flustered. "Sister... Sister, did you see wrongly?"

Shen Fanxing smiled confidently and shook her head, her gaze sharp as an arrow. "You hope I'm wrong?"

Shen Qianrou shook her head repeatedly. "Why would I want that! I just feel that you wouldn't meet someone that you couldn't locate after so long."

"Who says that couldn't happen? Even God is helping me. I've searched high and low only to find him right here."

Shen Fanxing smirked and walked towards the ashen-faced principal. She bent and took out the card from his hand.

...

Everyone was stunned.

From her tone, it seemed like Shen Fanxing was framed for the scandal six years ago?

The reporters immediately sensed something fishy and their eyes shone with excitement!

Their gazes followed Shen Fanxing closely.

"It has been six years. There is no one who is more desperate to find out why Chen Yinsen has suddenly appeared in my room back then! But I should be able to find out soon!"

Shen Fanxing enunciated each word clearly. She swept a cold glance at Shen Qianrou, whose face was as pale as a sheet of paper. Then she walked towards the opposite room!

Chapter 346: That Sight is So Filthy!

Shen Qianrou grabbed Su Heng's hand tightly, her expression was unable to conceal her panic.

"Brother Heng, since Sister is fine, let's go. I'm very tired and my feet are hurting!"

Su Heng frowned and turned his head to look at Shen Qianrou. He realized that her face was shockingly pale and there was hardly any color. Her delicate face was covered with beads of perspiration, and her fragile appearance made his heart ache.

But should they leave now?

"Do we have to leave now? Why don't I book a room for you to rest first?"

"No! No, no, Brother Heng, I don't want to stay here. I want you to leave with me..."

Shen Qianrou anxiously tugged at Su Heng's sleeves. At this moment, the door to Lin Feifei's room opened!

A faint scent of roses wafted from the room. What was even more shocking were the sounds coming from the room—

"Mm... enough... enough..."

"Ahhh... It's not enough... Ahhh... Mmm... It's so comfortable..."

Perhaps it was because she was happy, the woman's coquettish voice became louder and louder.

Su Heng, who had already turned around with Shen Qianrou, stopped in his tracks.

Shen Qianrou's shoulders were pressed against the wall. Her legs were weak, and she almost collapsed onto the ground.

That voice...

It was Feifei!

Her mind was in a state of extreme panic, but only a clear thought kept echoing in her mind.

She had been set up by Shen Fanxing instead!

She had been tricked again!

She had been tricked by Shen Fanxing again!

She had initially thought that it was a blessing that Feifei and Chen Yinsen couldn't be found. Who would have expected that they were right here.

And...

Lin Feifei's room was still filled with moans and obscenities, and the posture of the two people on the bed shocked everyone.

The man was wearing a gray suit and shirt. He was tied up at the head of the bed and his clothes were torn into shreds. His upper body was exposed and his chest was full of scratches and love bites.

As for the woman, her gown had long been thrown to the ground. Her fair slender body was eye-catching under the light, and her face was flushed and dazed from desire. At this moment, she was straddling the man's body, as she lifted her hips rising and falling rapidly.

"Ahhh... So comfortable... Ahhh..."

Lin Feifei raised her neck and kept moaning. She seemed to have lost her mind and didn't even realize that the door was open.

"Heavens, isn't that Lin Feifei?"

"Gray suit, gray shirt... Isn't that Chen Yinsen?"

"Aren't they cousins? This is... terrible..."

“F*ck! Not only is it terrible, but they even played with ropes?! Damn it, it hurts my eyes! I’m too ashamed to look!”

Out of curiosity, Yin Ruijue rushed to the front. When he saw the situation in the room, he hurriedly covered his eyes and pretended to be innocent!

Shen Fanxing blinked her eyes uncomfortably. This scene was beyond her expectation!

However, she still had to resolve it. She had endured the shame for so many years. How could she stop here?!

After pondering for a moment, she lifted her feet and walked towards the bed!

However, her eyes were suddenly covered by a cool palm, and her back was pressed against a broad and hard chest. The clean refreshing scent made Shen Fanxing pause.

After that, she was pulled behind him.

“Ruijue, go in and take a look.”

Bo Jinchuan’s cold and indifferent voice rang out. Everyone shifted their gaze away from the bed in the room, only to realize that Bo Jinchuan had come here unknowingly.

His tall and straight body looked even more poised and extraordinary, and the aura around him made people involuntarily submit to him.

“Why me? Brother Bo, I’m still a child! That sight is so filthy!”

Chapter 347: Go Back and Cleanse Your Eyes

“Why me? Brother Bo, I’m still a child! That sight is so filthy!”

He was speechless...

Bo Jinchuan frowned slightly and Yin Ruijue subconsciously pressed his lips. His eyes darted around and he kicked a reporter beside him. “What are you waiting for? Don’t you want to report such sensational news!”

It was a timely reminder!

The reporters immediately swarmed into the room and surrounded the bed to take photos.

Bo Jinchuan turned around and looked at Shen Fanxing with a grim expression. “You saw them?”

Shen Fanxing was too embarrassed to look up. “Hmmm yeah... It’s inevitable...”

“Go back and cleanse your eyes!”

She was speechless...

...

“Ahhh—”

“Get out!”

“Get out!”

Not long after, Lin Feifei’s terrified shrieks came from the room!

Shen Qianrou, who was leaning against the wall, heard her scream. Her body quivered and she fell completely into Su Heng’s embrace.

“Brother Heng, I’m tired. I want to rest. Can you bring me back?”

Su Heng’s hands were tightly wrapped around Shen Qianrou’s shoulders. His handsome face was ashen and his fingers were almost digging into her flesh.

“Brother Heng, it hurts...”

Shen Qianrou frowned and said weakly.

Su Heng lowered his head to look at Shen Qianrou, his sharp gaze almost piercing through her.

Shen Qianrou’s heart tightened. She hugged Su Heng tightly and said hurriedly, “Brother Heng, Brother Heng, can we leave this place first? I don’t want to stay here...”

However, she didn’t have the chance to leave. Chen Yinsen was injured and he had participated in an “vigorous exercise” with Lin Feifei. Now that he had relaxed, he lost consciousness. Someone called the ambulance and he was carried out of the room with a blanket over him!

...

A group of reporters had swarmed around Shen Qianrou.

“Miss Shen Qianrou, since Chen Yinsen is with Lin Feifei, why did you knock on your sister’s door?”

Shen Qianrou shook her head and denied with a pale face.

“I don’t know. Feifei was the one who told me! I was afraid something would happen to my sister...”

“According to Qi Yaoyao, apparently she was lying when she claimed that she saw Chen Yinsen entering Shen Fanxing’s room. She didn’t know anything about Chen Yinsen! However, the description of Chen Yinsen’s gray suit and shirt was accurate. Did you guys plan this beforehand? Or did you guys meet Chen Yinsen beforehand?”

Every reporter was like a detective at this moment. There were too many loopholes. Every question they asked was like a knife stabbing Shen Qianrou.

Shen Qianrou shook her head weakly. “I don’t know. I don’t know anything!”

“Since you said that everything was arranged by Lin Feifei, why would she end up being with Chen Yinsen?”

“I have no idea! I’m also confused about what happened tonight... I really don’t know why Feifei did this. She’s my best friend, but she used me to frame my sister...”

Standing at a corner, Shen Fanxing surveyed Shen Qianrou's flustered expression and she smirked coldly.

"Shen Qianrou!!" An ear-piercing scream suddenly sounded, followed by a slender figure rushing out of the room!

Shen Qianrou's expression fell completely. "Feifei..."

Lin Feifei grabbed Shen Qianrou's gown and hollered miserably.

"Tell me, why did this happen?! Why is Chen Yinsen in my room?! Shouldn't he be in Shen Fanxing's room?! Why is he in my room?!"

Chapter 348: Her Doing

"Tell me, why did this happen?! Why is Chen Yinsen in my room?! Shouldn't he be in Shen Fanxing's room?! Why is he in my room?!"

"Feifei, what are you talking about..." Shen Qianrou was panicking!

When everyone present heard this, they understood everything that needed to be understood.

There were too many loopholes, but as long as Shen Qianrou was involved, everything made sense!

Lin Feifei's current attitude had proved that this matter had something to do with Shen Qianrou!

They already knew what to write about everything that had happened tonight.

However, there was something else that they were concerned about.

"Miss Lin Feifei, how much do you know about Chen Yinsen falsely accusing Miss Shen Fanxing of seducing him six years ago?"

Lin Feifei clutched her clothes tightly and said angrily, "What false accusation?! It was Shen Fanxing who seduced Chen Yinsen!"

"May I ask why you are so certain?"

"The reports from six years ago were all written like that, so why shouldn't I be certain? She seduced the judge in order to win the piano competition. There is evidence! Why are you guys suspecting?!"

At this moment, a few people forcefully squeezed through the crowd. They were Jiang Rongrong, Shen Defan and the rest.

"Grandma..." When Shen Qianrou saw Jiang Rongrong and the rest, she wasn't as happy as she had imagined. Instead, she became even more nervous.

She called out Jiang Rongrong, but Jiang Rongrong ignored her. Instead, she walked towards Shen Fanxing and gave her a slap!

The slap looked forceful, but in reality, Shen Fanxing quickly turned her face to the side to reduce the impact.

No one had expected the old lady to be so swift, and that she would beat people up without a word!

“Evil creature! Are you trying to humiliate the Shen family?! After six years, you’re still hanging out with that man! You can’t live without a man, can you?!”

Everyone was stunned.

How could an elder say something so hurtful to a junior?

Besides, it seemed as if the old lady hadn’t understood the situation!

Shen Fanxing narrowed her eyes and looked at Jiang Rongrong coldly. Iciness was blazing in her eyes.

“Shen Qianrou called and informed you?”

Jiang Rongrong snorted. “So what if she did? You’ve done something embarrassing, but you’re still afraid of letting others know?!”

Shen Fanxing sneered, “I knew it was her doing.”

“What do you mean by her doing? Did Qianrou force you to commit such filthy affairs?!” Shen Defan also came forward to rebuke Shen Fanxing.

Yang Liwei refused to stay quiet. She added earnestly, “Fanxing, why are you still keeping in touch with him after knowing what happened back then?”

“What’s your purpose for coming here today? Are you here to teach me a lesson because you think I’ve embarrassed you?”

Jiang Rongrong glared at Shen Fanxing and chided sternly, “I told you to go overseas, but you chose to go against me! Now that you’ve caused such trouble, how dare you continue to be here? Get out of the country now! The Shen family can’t afford to lose face like this!”

“Jiang Rongrong, I didn’t cause this trouble. I’m not embarrassed. On the contrary, don’t you think you’re the joke now?”

Jiang Rongrong’s expression darkened. She looked around and realized that everyone was looking at them with disdain.

She frowned and turned to look at Shen Qianrou. “Qianrou, what happened?”

Shen Qianrou turned pale and hid in Su Heng’s arms.

Chapter 349: Exonerated

Su Heng’s face darkened as he stood rooted to the ground in a daze. His dark eyes were swirling with complex emotions.

“What is going on tonight? Chen Yinsen wasn’t with Shen Fanxing at all! Instead, he was caught in bed with Lin Feifei. You slapped her without even knowing the truth and now you’re asking what has happened? Initially, I was still debating if Shen Qianrou was involved. Now that you guys are making a scene, I reckon she is the one who wanted to frame Shen Fanxing tonight!”

“I’ve learned something new today. You didn’t even give her a chance to explain before you concluded that your own granddaughter was in cahoots with someone! What is happening?! It’s really sad to have a family like yours!”

“That’s right. Zihao, did your family invest in Lan Yun Entertainment? Take back the money. If their character is indeed what they have displayed, Lan Yun Entertainment doesn’t have much of a future either!”

“Yes, I’ll go back and discuss it with my father. It’s indeed time to consider it carefully!”

The expressions of Jiang Rongrong and the rest changed drastically. Their sharp gazes were fixed on Shen Qianrou. “Qianrou! What’s going on? Didn’t you say on the phone...”

Before Jiang Rongrong could finish her sentence, there was a sharp sound coming from the broadcasting system within the hotel premises. Then—

“I am Chen Yinsen. Six years ago at the Music Ocean piano competition, Shen Fanxing did not seduce me. I forced her! Back then, someone sent me 300,000 yuan anonymously to stop Shen Fanxing from entering the competition! The other party even said that if I successfully defiled Shen Fanxing, he would give me another 500,000 yuan!

However, things didn’t work out after that. But the other party seemed to be satisfied with the effect of the incident, so he gave me another 300,000 yuan! I don’t know who gave me the money, and I still don’t know up till this day! Thinking about it, it’s probably because the other party is afraid of being blackmailed by me...”

Yu Song sat in the broadcasting room and connected all the equipment in the entire campus. Not only the hotel, but also the canteen, dormitory, stadium, library, lecture rooms and more. This broadcast was played at every corner on campus

After a moment of silence, a wave of clamorous noise erupted!

“Gosh, Chen Yinsen actually admitted it himself. It turns out that Shen Fanxing didn’t seduce the judge six years ago!”

“Although I’ve already guessed it, now that I’ve heard it myself, I still find it... unbelievable!”

“Who could be so vicious to hire someone to rape her... So Shen Fanxing was the real victim! And those reports back then...”

Jiang Rongrong’s eyes were filled with shock, and there was even a hint of heartache!

She still remembered how Shen Fanxing had begged her to believe her back then...

Shutting her eyes, she still acted like an elder and snapped harshly,

“I’ve already advised you to withdraw from that competition, but you refused to listen. If you didn’t participate, would this have happened?!”

Until now, her grandmother insisted on pushing the blame to Shen Fanxing. She looked at her coldly, “Why should I quit the competition?”

“You—” Jiang Rongrong choked and said furiously, “Then don’t blame others if something happens to you!”

Was she saying that she deserved to be violated?

Ha...

No one had yet to recover from the impact of the bomb when a string of voices sounded on the screen—

“I am Zhao Feiji, one of the judges of the Music Ocean Competition. Six years ago, Old Madam Shen personally gave me 100,000 yuan and asked me to allow Shen Qianrou to progress through the competition...”

Chapter 350: I’ll Make You Pay for This Slap

“I am Zhao Feiji, one of the judges of the Music Ocean Competition. Six years ago, Old Madam Shen personally gave me 100,000 yuan and asked me to allow Shen Qianrou to progress through the competition...”

“I am Song Qingshan, the judge of the Music Ocean Competition. At the competition six years ago, Old Lady Shen gave me 100,000 yuan to guarantee that her granddaughter would pass...”

Jiang Rongrong’s arrogant expression instantly faltered, and she gradually turned white!

“Oh my god, oh my god! I’m so angry! Who are these people?!”

“You persuaded your eldest granddaughter to quit the competition, but you secretly bribed the judges on behalf of your younger granddaughter! Miss Shen, I advise you to do a paternity test!”

Shen Fanxing smiled bitterly. She had done it before, but she was indeed part of the Shen family.

It turned out that Jiang Rongrong had secretly bribed the judges for Shen Qianrou.

In that case, even if she had participated in the competition that year, she was destined not to win the trophy...

Ha, how ironic...

What an irony!

...

She gazed at everyone before her calmly, and she didn’t even have the strength to sneer.

Jiang Rongrong stood rooted to the ground, and her face was bloodless and embarrassed.

“I reckon that Chen Yinsen was also bribed by this old lady to violate Miss Shen.”

At those words, Shen Fanxing’s cold gaze sliced across Jiang Rongrong sharply and her face was drained of color!

No matter how disappointed she was with her family, if it was really Jiang Rongrong...

Hearing this, Jiang Rongrong's face fell. "What nonsense are you spouting?! Shen Fanxing is my granddaughter. How could I do such a thing?!"

"That's possible! Are you still fit to be her grandmother?"

"You—"

Jiang Rongrong's face alternated shame and fury as she stood rooted to the ground in embarrassment!

Unable to vent her emotions, she raised her head and glared at Shen Fanxing.

"Did you plan everything tonight?!"

Shen Fanxing inhaled a deep breath and looked at Jiang Rongrong coldly.

"Aren't you merely reaping what you have sown?"

Jiang Rongrong's face stiffened, but Shen Fanxing spoke again.

"I'll make you pay for the slap you gave me tonight!"

Then, she looked at Shen Qianrou coldly and said,

"As for who paid Chen Yinsen to violate me six years ago, I will investigate it thoroughly!"

She paused and glanced at Jiang Rongrong, Shen Defan and Yang Liwei. Her lips twitched.

"I might as well declare to all of you again right here. For every bit of hurt you've caused me, I will definitely return it double... no, make it a hundredfold!"

There was some fatigue on her face, but her gaze was sharp, as if she wanted to nail all of them to the ground. Her imposing manner made everyone shiver.

Shen Fanxing turned around and entered her room.

Everyone wanted to get her to stay, but on second thought, Shen Fanxing wasn't the priority tonight.

She had always been the passive party, and she had been forcefully dragged into this filthy drama.

What did it have to do with her?

Yes, it had nothing to do with her!

She had been framed tonight. She was clueless all along.

Six years ago, she was also framed. Now that the injustice had been cleared, what else could she say?

But they all knew that the shame and burden she had been carrying for the past six years, had only been experienced by her

Only she knew what it felt like to have such a vicious family.

The crowd dispersed silently. Although they knew it had nothing to do with them, they couldn't help feeling a little emotional.
