

## Chapter 3416

Morgan waved his hand: "Hey, it's family, do not say that! We are all very happy that you are back! So as soon as we heard you were coming today, Hawade and I rushed over to pick you up."

Saying that, he pulled Hawade over and said with a smile, "This is your brother, the son of Third Uncle, Hawade, he was still in kindergarten when you left back then."

Hawade looked at Charlie and said with a smile, "Second brother, I always thought I would never have the chance to see you in this life, but I never thought we would have the day to see each other again."

Morgan laughed, "What are you talking about? Charlie is a fallen man, not a guest who died in another country."

"Yes, yes, yes!" Hawade hurriedly nodded and said, "Big brother is right, second brother, don't take offense, I'm a fun-loving person, I studied a master's degree in business administration in the United States and came back."

"I didn't study for a doctorate, my education is not high, if I say the wrong thing, you have to bear a little more."

Charlie smiled and nodded.

He knew that these two brothers had no good intentions in picking him up today, one ridiculed him for wandering around for twenty years, and the other ridiculed him for not having studied anything.

However, these are nothing to Charlie, even if the old man of the two of them is standing here today, Charlie will not look at them, so naturally will not put these two clown-like fops in the eyes.

But Sara can't stand it, raised her hand to take off the mask and sunglasses, looked at Morgan and Hawade, said with an unkind face: "Morgan, Hawade! What the h3ll are you two doing?"

"Charlie has just returned to Eastcliff, you two are like clowns singing a double act, jumping out to sing in unison, this is intended to disgust whom?"

Only then did Morgan and Hawade saw that the woman standing next to Charlie, who had her face covered with a mask and sunglasses, was Sara, who was popular throughout the country and even the world.

Even a group with Helena, seeing Sara could not help but be a little surprised.

Although she is not a fan of Sara, but has listened to Sara's songs, and admired Sara, a kind of has passerby fan feeling, today suddenly seeing her here, is naturally a little surprised.

Hawade saw Sara to defend Charlie, a face of anger, the heart is really jealous to the extreme.

Originally big brother Morgan found a Nordic royal princess, Hawade surface did not say anything, the heart has long been jealous.

But he also has a little self-awareness, Morgan is after all the son of the eldest son of the Wade family's and eldest grandson, it can be said that the Wade family's younger generation, one of the highest gold content, he certainly can not compare with him.

But now, seeing that a superstar like Sara not only came to pick up Charlie personally but even defended him to the fullest, Hawade was a bit indignant in his heart, feeling that even if he couldn't beat Morgan, he shouldn't be able to beat Charlie.

At this time, Morgan opened his mouth and explained, "Hey Sara, don't misunderstand, we know that Charlie came back today, our hearts are excited, so we came all the way to personally greet him, there is no other meaning."

Sara knew that he wanted to muddle through here, did not buy his account in the slightest, coldly said: "What Sara, Sara is what you call me?"

After saying that, Sara body raised a few points, said righteously, "I tell you Morgan! You don't think I can't hear the nasty meaning in your words."

"Today I put it here, no one in your Wade family will think of bullying my Charlie! Who dares to give him a blank stare, I Sara will not even want him!"

Morgan did not expect that he wanted to find a step-down, Sara was still aggressive, not allowing an inch, but after all, he was at a disadvantage.

It was not good to turn against her, so he could only stiffen his head and said with a smile: "Sara, you really misunderstood, Charlie and I are cousins of the same grandmother, blood is thicker than water, how can we bully him?"

She shrugged her shoulders and said coldly: "Don't play sloppy with me here! If I can, I'll go to the Wade family to seek justice from Grandpa Wade! Repeat what you said to him, and see what he says!"

Morgan was in a dilemma, he really didn't expect Sara to seize this matter and not let go, he didn't know what to do for a while.

Or Charlie at this time opened his mouth and said to Sara: "All right Sara, a little thing, do not seize not to let go."

Hearing Charlie speak, Sara immediately nodded obediently, and then said to Morgan: "This time I listen to Charlie, so I will not bother with you! But there better not be the next time!"

Morgan was depressed, who would have thought that sneering at Charlie a few sentences, let this aunt surnamed Gu catch a round of reprimand and give a key to their own deficiencies, really does not dare to fight her head-on hard.

So, he hurriedly changed the subject, pointed to Helena beside him, and said with a smile, "Come, come, Charlie, let me introduce to you, this is your future sister-in-law, the eldest princess of the Nordic royal family, Helena Iliad!"

After saying that, he hurriedly said to Helena: "Helena, this is my cousin, my second uncle's son, Charlie Wade!"

Helena politely nodded slightly to Charlie, then took the initiative to extend her hand and spoke, "Hello Charlie, I'm Helena, nice to meet you."

Charlie also similarly politely reached out and shook her hand gently, and said in a cloudy voice: "Your situation is not good, pay more attention in the near future."
